——— 幾千もの夜を越えて（雑記）

BGM : Bug ってハニー ED「愛はメリーゴーランド」———

さて今回、取り込んだ原稿の補正作業中に PC のモニターがぶっ壊れまして
急遽、新しく液晶モニターを購入しました。

ただ、ここでちょっとした問題が発生。

新しいモニターで補正の終えた半ページ、およそ 15 ページ分を表示させると
濃くした線画などがまだ若干薄く見える。モニターが変われば明るさや色合いが
違ってくるので仕方がないのだが、以前のモニターは CRT だったし。

ただこれが作業をする方としては微妙に厄介でして

結局 1 ページ目から補正をやり直すハメに…。

1 コマ毎にレベル補正などを施すので地味～に手間がかかります。

まあ、ともあれ作品自体は普通に完成できたので良かったです。

ではでは、また次の機会まで パッホーン！

THANK YOU FOR READING!

EVERYTHING DONE BY ME (SUPERNEEDLES)
SCAN BY UNKNOWN
JAPANESE RAW UPLOADED BY HERANI234

Editor's/Translator's note:

My 2nd project is done. Again without translating the author's notes but who gives a crap.

This author puts many sfx in bubbles so I transcribed them in mere romaji because kana left in bubbles looks weird and sfx are pretty much unique in Japanese and I'm not good enough to translate them.

On page 4 is some Japanese left, I know. But it doesn't contain any important information so just bear with it.

I liked Touyou's work since his first tentacle-story but now that he did it with a loli I think I fell in love with him.

I truly hope that he'll do more things like this in the future maybe with more pee-hole action.

Furthermore I'd like to thank all of you readers for reading even my thoughts here and please enjoy fapping!

Sincerely,
Superneedles
