I came to ask if my lolicon uncle could check my homework for me?

HMM?

Uncle... jacking off to a mag again?

Oh, this is a lolicon mag!

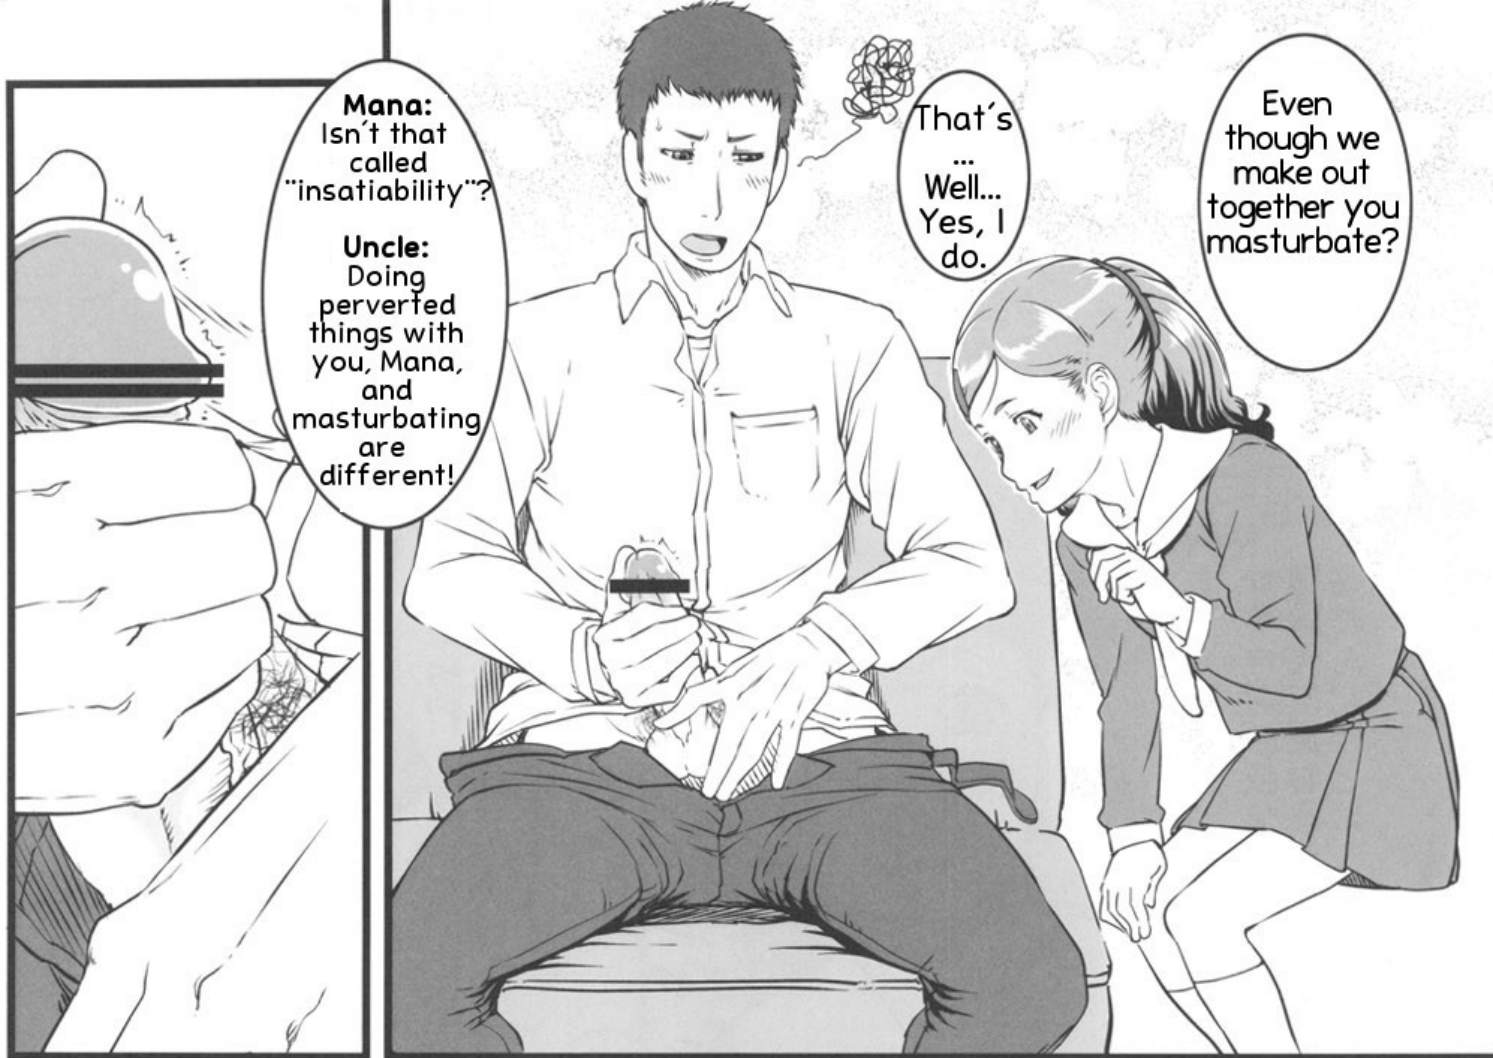

How did you... since when...?

No, no... It's not like that right? Do you have a copy of the key or something?

Hmm? Do I have one?

The door was unlocked, and I was watching since way back.

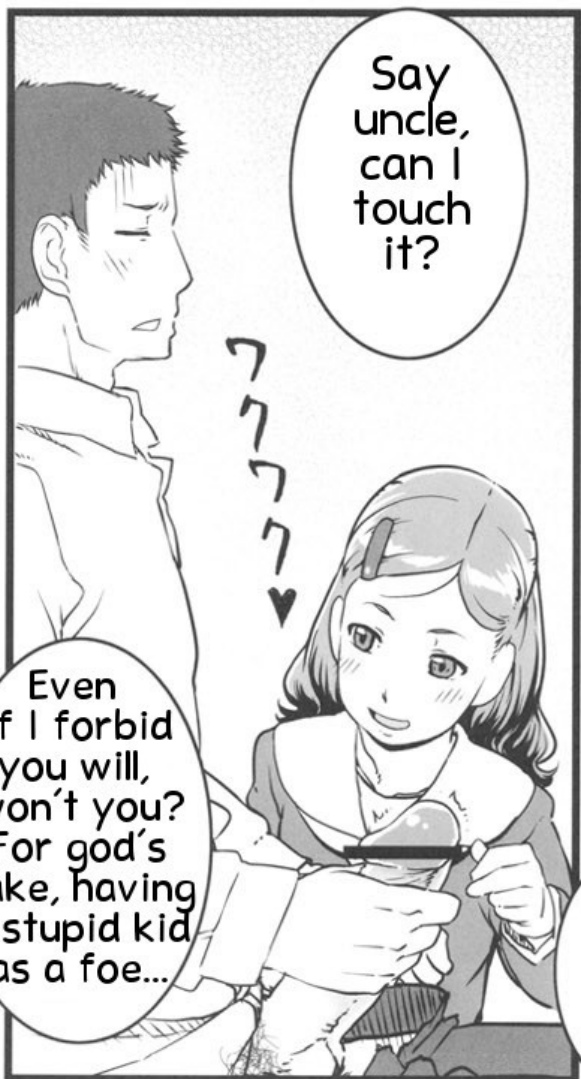

**Mana:** Isn't that called "insatiability"?

**Uncle:** Doing perverted things with you, Mana, and masturbating are different!

That's ... Well... Yes, I do.

Even though we make out together you masturbate?

Say uncle, can I touch it?

Even if I forbid you will, won't you? For god's sake, having a stupid kid as a foe...

Hhmm... is that so? I didn't know!

Yes, it is so!

Eeeh ...

Because you're tampering with it!

Hoo! It's throbbing!

It's around here that felt good?

HHNG-!

Hmm..a real penis can be quite big!

No... It's nothing.

What's the matter?

Nope...!
