The
bird

In the
cage

When,
oh when
will it
come
out?

In the
night of
dawn

The crane
and turtle
slipped

A forbidden child.

Neither fully demon nor human.

My demon family abandoned me, and humans fear me.

I'm a crossbreed between a demon and human.

HEY!

get to come out of this stone prison...?

Will I ever...

Ah!

THERE'S A DEMON'S NEST AROUND THIS AREA!

YOU CAN'T PLAY HERE!

Haven't seen him before...

Is he a monk...?

... For god's sake.

What's the matter, Hoozuki?

Look, Rindou. There's a monk out there.

I'll protect you.

Rindou...?

He's a priest that's been employed to exterminate us.

He's going to kill us?

Yes, but don't you worry.

No
ooo
...

Have you forgotten what I've told you?

When lesser demons

they need to make use of the power they have and get rid of the priests like this one.

want demonic power

Yes... but not for you.

you've kept me hidden and protected me here, right...?

T- that's why...

It's for my own sake.

I'm one of those lesser demons.

You see,

!

Whoa

AH!

NOOO ...!

Finally, I will obtain demonic power...

ゴゴゴ

You won't get away.

NO...! LET ME GO...!

ヒッヒッ
ヒッヒッ
ヒッヒッ
.....

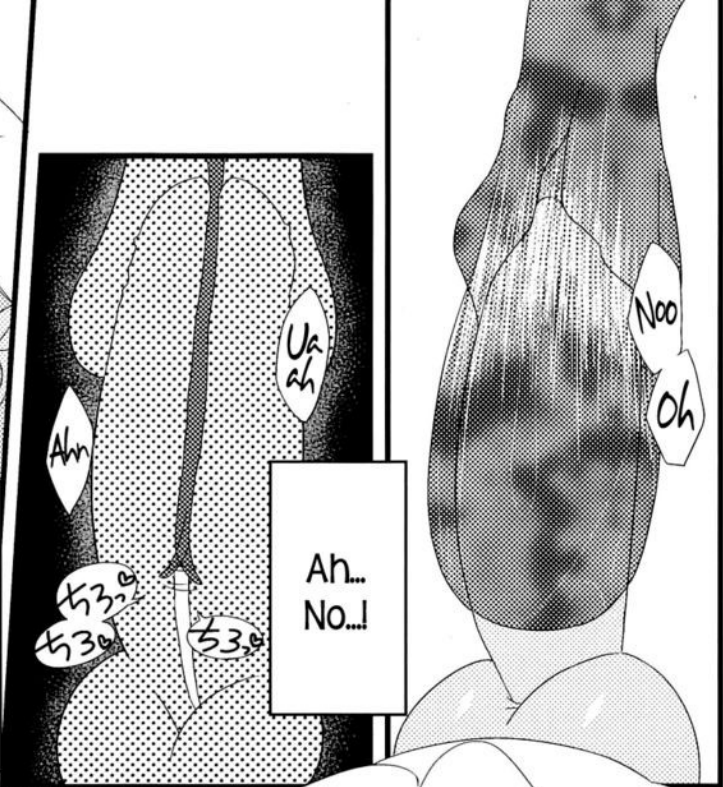

ゴゴゴ
ヒッヒッ
ヒッヒッ
ヒッヒッ

Mgh

Ah

Something is coming out..!

Ahn

Ua ah

Ah... No..!

Noo Oh

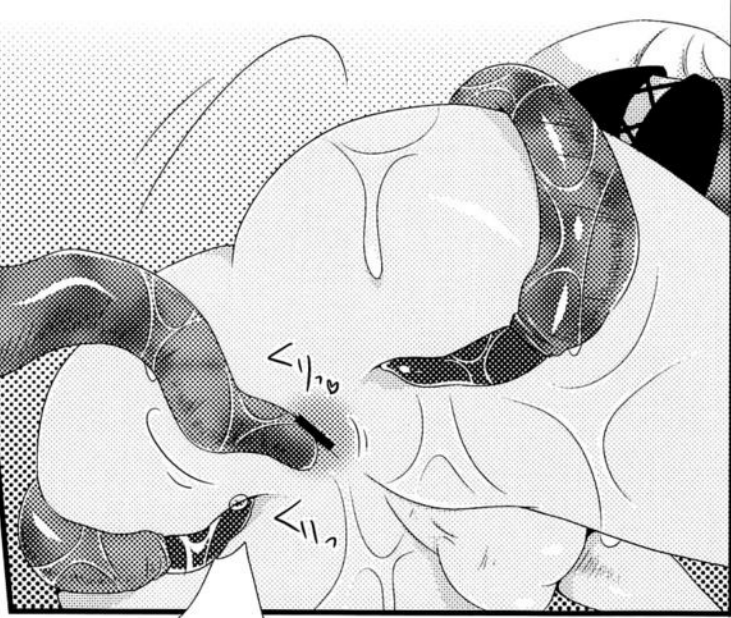

Aah...

Aah

!!

I can feel the energy flowing through me...

so many ...
Don't put in ...

Nothing bigger will fit.

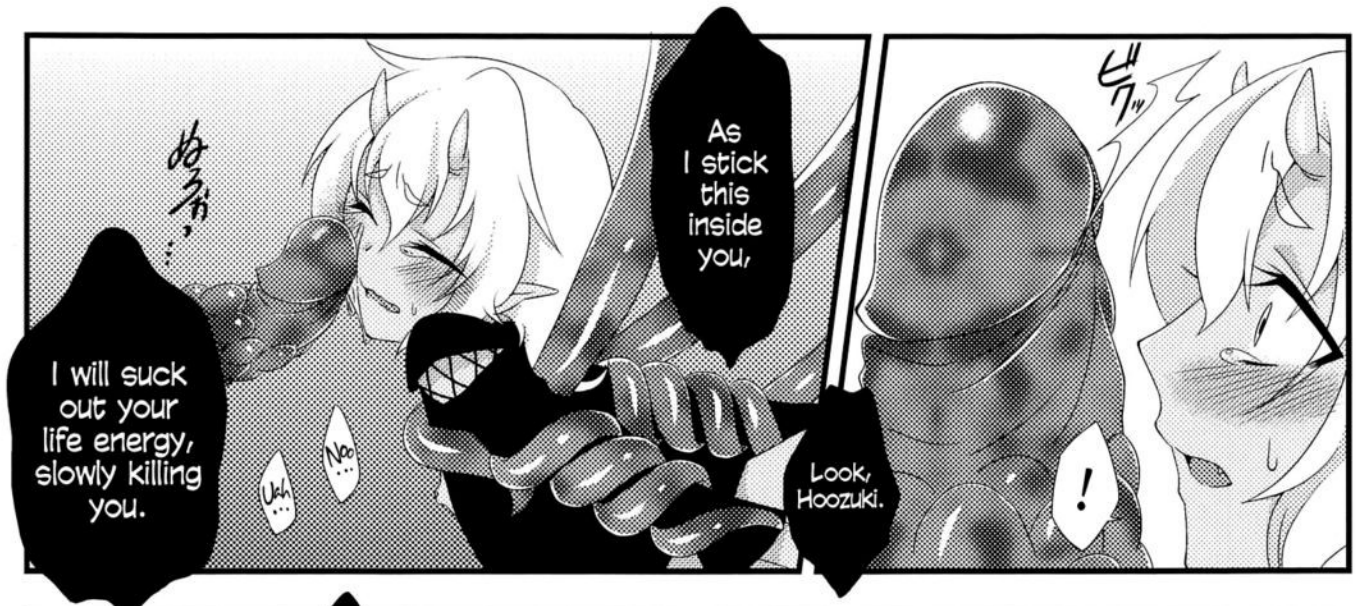

No ... Oh

Ah ...

If I don't do this

Ahh ...

Ahh

I will suck out your life energy, slowly killing you.

As I stick this inside you,

Look, Hoozuki.

...! Why? Rindou...!?

We're not blood-related, but you said that you cared for me as your son!

Aha-haha!
You truly are foolish.

Hoo-zuki,
You may have thought of me as a parent,

I've only kept you hidden here so that no one else could snatch you away.

but to me, you are just prey.

Ha ah

My butt's all tingly...

But... it doesn't hurt...

Hee

Oh

Ah

Aa Ah

Ua Ah

I feel light-headed...

Hot

Hot

Yes

It's so good...

it's so good...

Oh... your voice sounds different.
Does it feel good?

Ha Ah

Aa Ah

Ah

I can't think straight...

Each time you cum,

Oh no...

more and more of your life energy flows into me.

I'm really going to...

At this rate

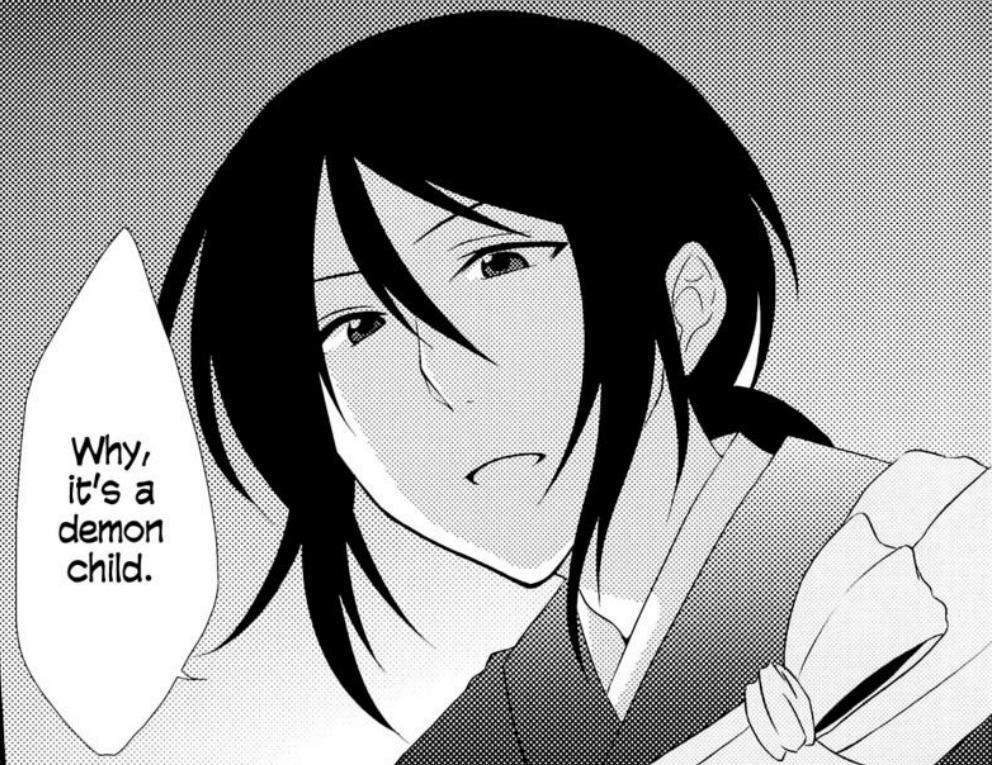

HEY!
ARE YOU
ALRIGHT!?

Hey,
can you
hear
me?

Why,
it's a
demon
child.

Rin...
dou...?

Oh?

!?

Whoa

I saw a kid, so I came here in a hurry, but I had no idea you were a cross-breed...

but it was forgotten by us humans, and became corrupted.

It once used to be a sacred tree that protected this area,

I don't want to die...

I...

Are you going to kill me too...?

What...?

You're half-human, right?

I won't kill a human.

I happen to be a priest.

Well, you're in luck.

かっしん？
かっしん？

I've been stuck in here ever since I was born.

Just once, I've wanted to see what the outside world is like...

あつち

On
that
day

I took
my very
first step
outside.

鬼灯は檻の中

Maybe this
is how I'm
repenting
for my sins.

so maybe
he'll take
revenge
on me.

I killed his
parent,

then
so be it.
It'd be
similar
to what
I did.

I've lived
all of my
life alone,
never
trusting
anyone.

would
help
him find
peace,

I thought,
if killing
me in my
sleep

But
what
about
him...?

The key
is so rusty,
that it most
likely can
never be
opened
again.

inside a
cage.

I've
locked
away
my
heart

The caged heart

It'll be rough on you for a short moment, but please bear with it...

I'm sorry...

HOOZUKI...!? WHAT'RE YOU DOING...!?

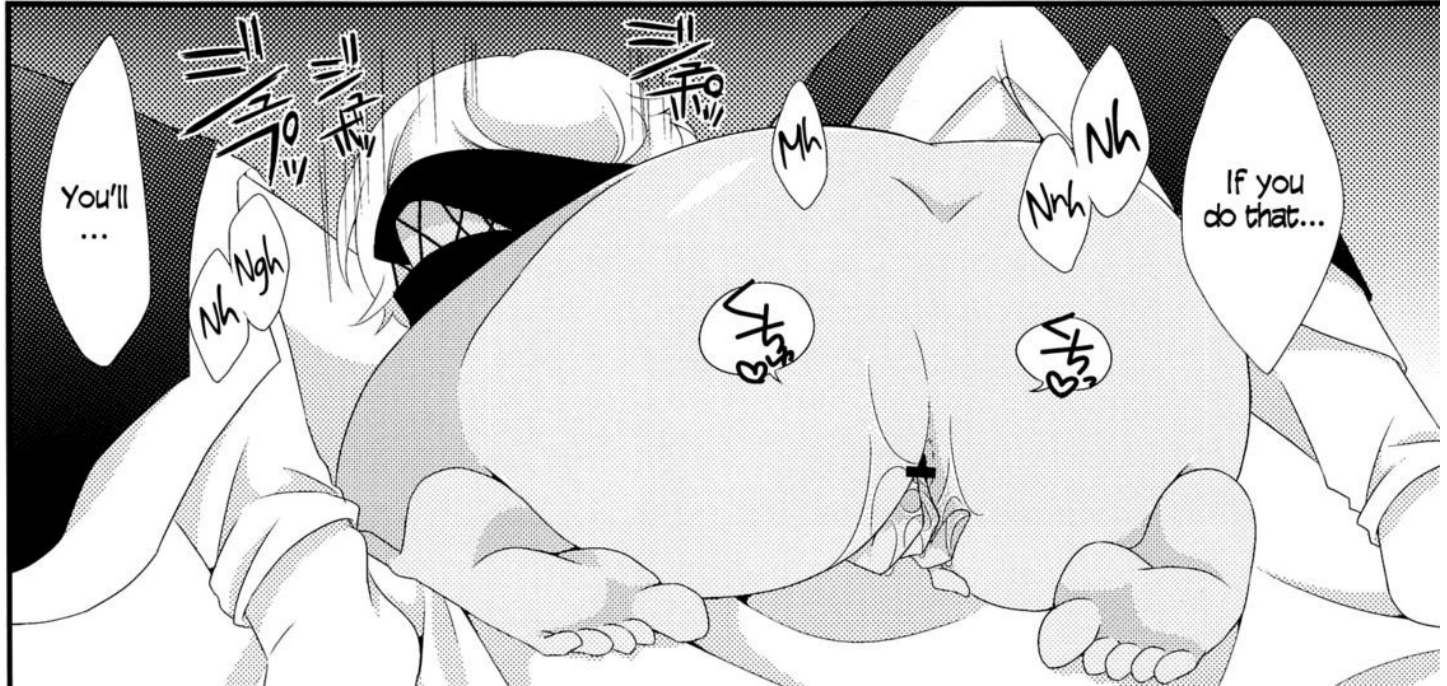

アホウ...

HEY...! WAI-

UGH ...

I will share my life energy with you...

You'll ...

If you do that...

Nh Ngh

Mh

Nh

Nh

アホウ...

アホウ...

I'll be fine...

It's okay...

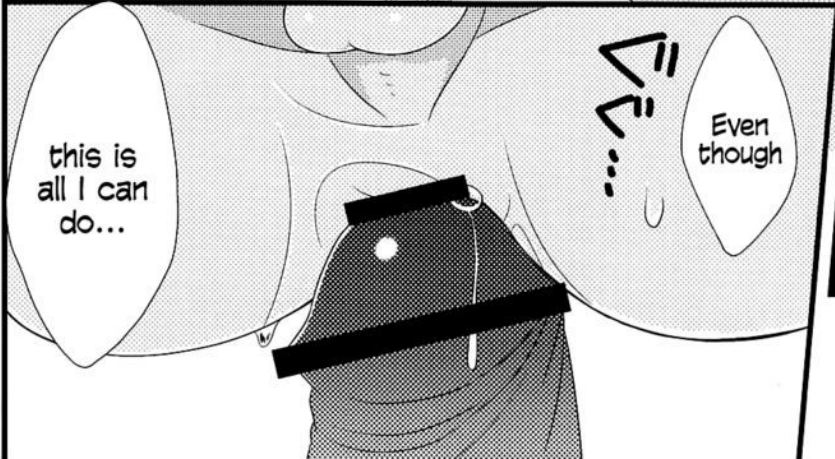

That's why... I'm returning the favor...

If it wasn't for you

I would've died back there...

I don't want you to die, Ako.

this is all I can do...

Even though

Hoo-zuki...

Ah
Haa

It's
inside
...

Ah
Ah
Ah

Ah
Ah
Ah

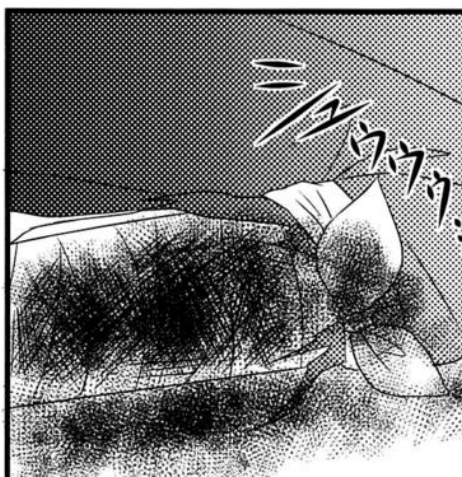

Ah
Ah
Ah

Ah
Ah
Ah

Ah
Ah

Ah
Ah
Ah

Ah
Ah

The pain is
subsiding
...

What
...?

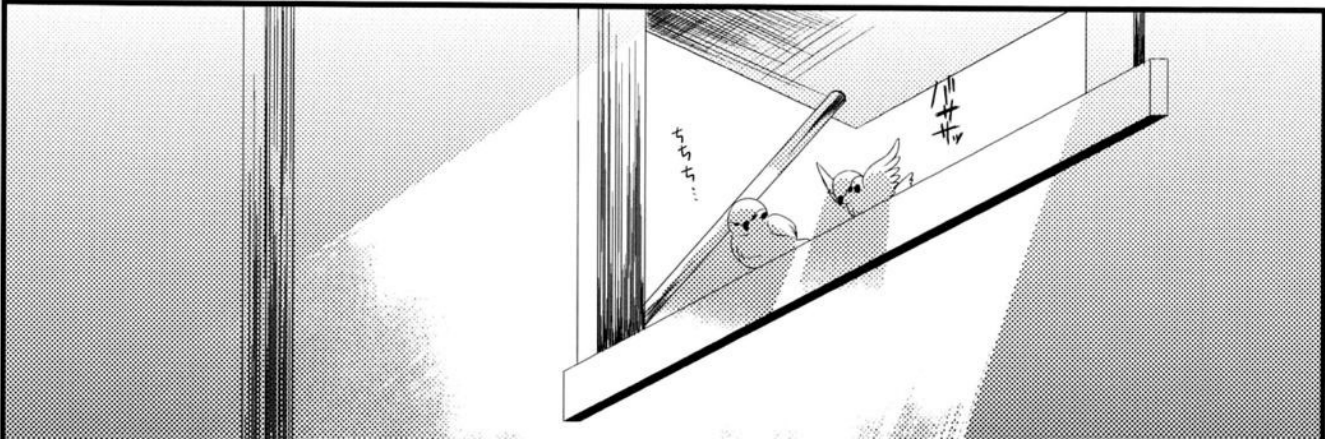

Ah
Ah

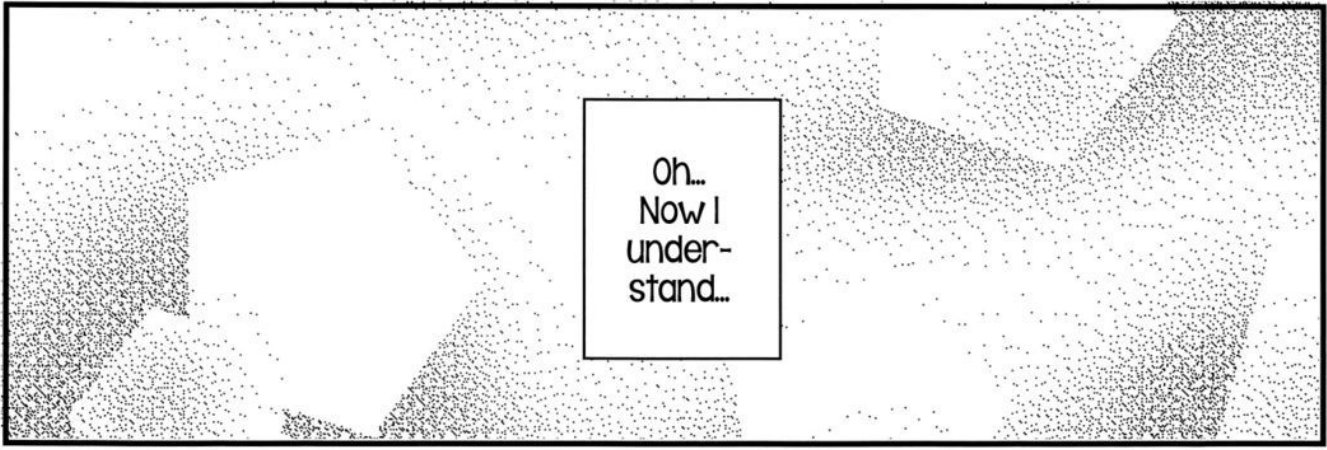

Ah
Ah

IT'S FINE, AKO...!

Oh...
Now I
under-
stand...

I thought I
had locked
mine so
well...

in the
first
place...

This boy
was
never
caged

he
opened it
so easily...

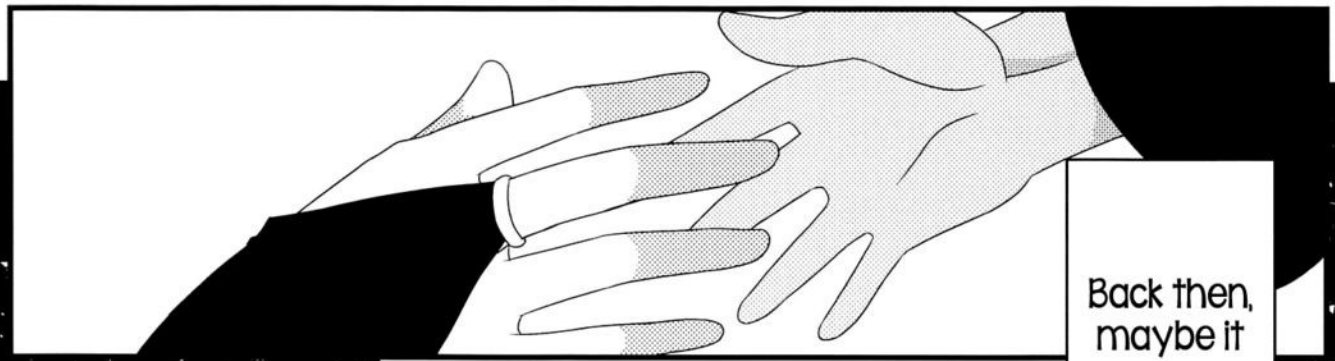

and yet,

Why didn't I realize this until now?

Living with someone else isn't so bad after all.

Maybe I never needed to seclude myself.

Back then, maybe it was me...

who was set free...
