如月古都

Miyako Kisaragi

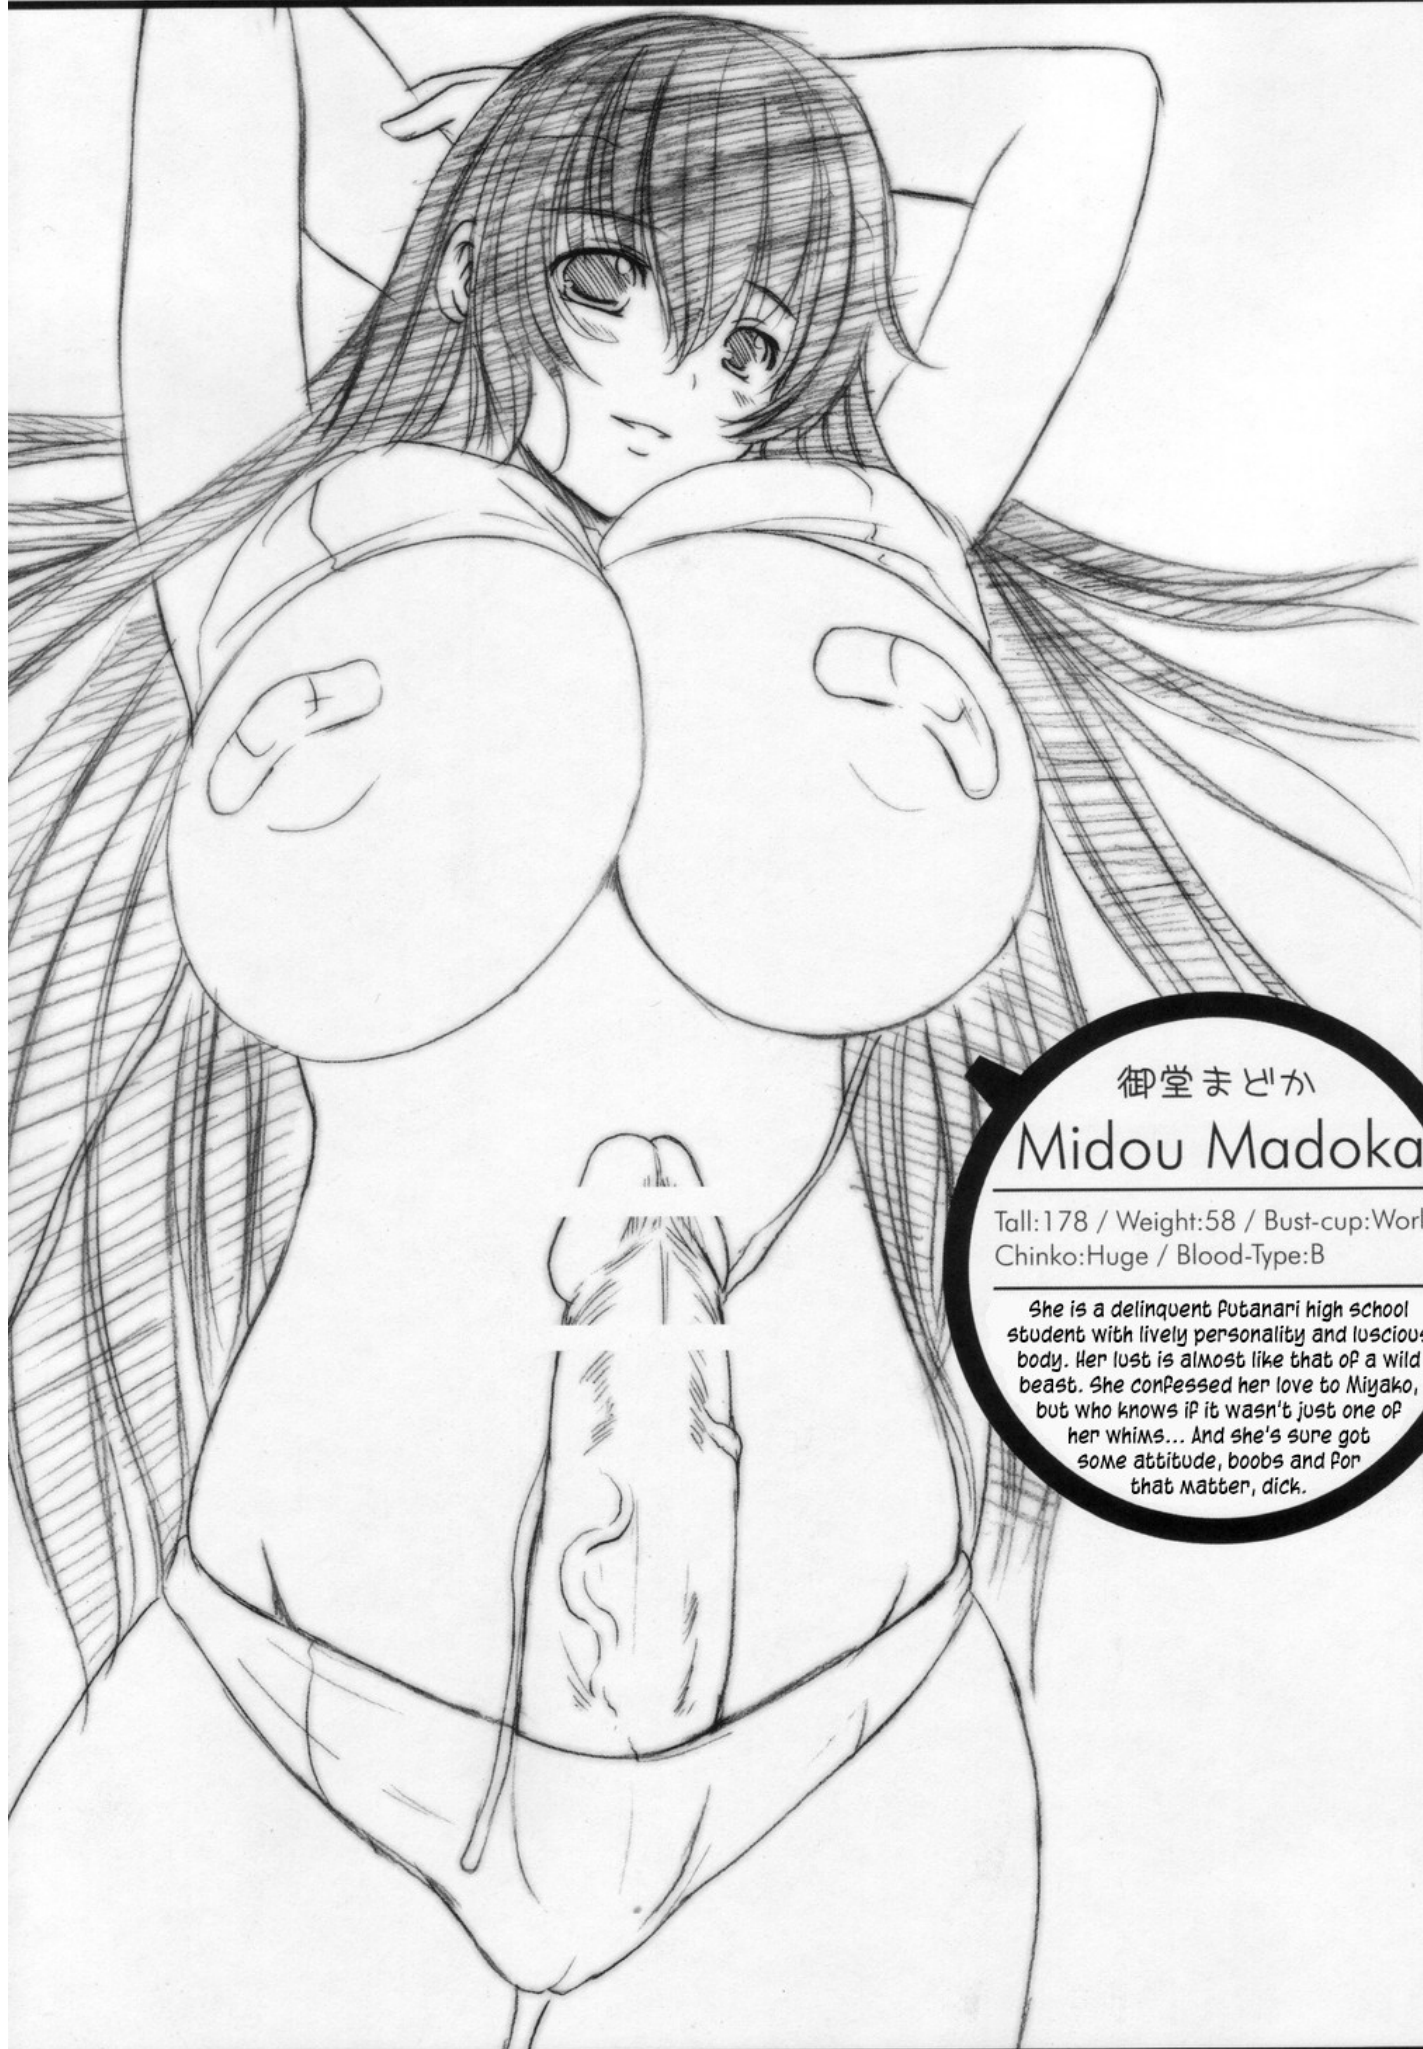

Tall: 158 / Weight: 46 / Bust-cup: G cup
Chinko: Normal / Blood-Type: A

She used to be an average-looking and quiet high school girl, but lately her boobs grew really huge. Also, ever after she met Madoka, she seems to be leading a very happy school life. And naturally (?), she has phimosis.

Out Line

Midou Madoka was the person who saved Kisaragi Miyako from a couple of guys who were trying to have their way with her after finding out she was a Futanari. Madoka was very pushy, so Miyako was on the fence about her at first, but then she accepted her both with her body in her heart. Then one day, Miyako remembered how they were making love the day before during her P. E. class and went looking for her loved one, finding her napping in an outrageous way on the roof. She could not bear it anymore and thus, started sucking Madoka's dick, eventually getting a load of her semen. Now, what's going to happen next, now that she has satisfied her mouth...

Tall: 178 / Weight: 58 / Bust-cup: World
Chinko: Huge / Blood-Type: B

She is a delinquent Putanari high school student with lively personality and luscious body. Her lust is almost like that of a wild beast. She confessed her love to Miyako, but who knows if it wasn't just one of her whims... And she's sure got some attitude, boobs and for that matter, dick.

Ahn... I want it so bad, I just can't do anything about it anymore!

Uah!

Uah!

Madoka... Your dick...

I'm so
happy...

Madoka...

Huh?

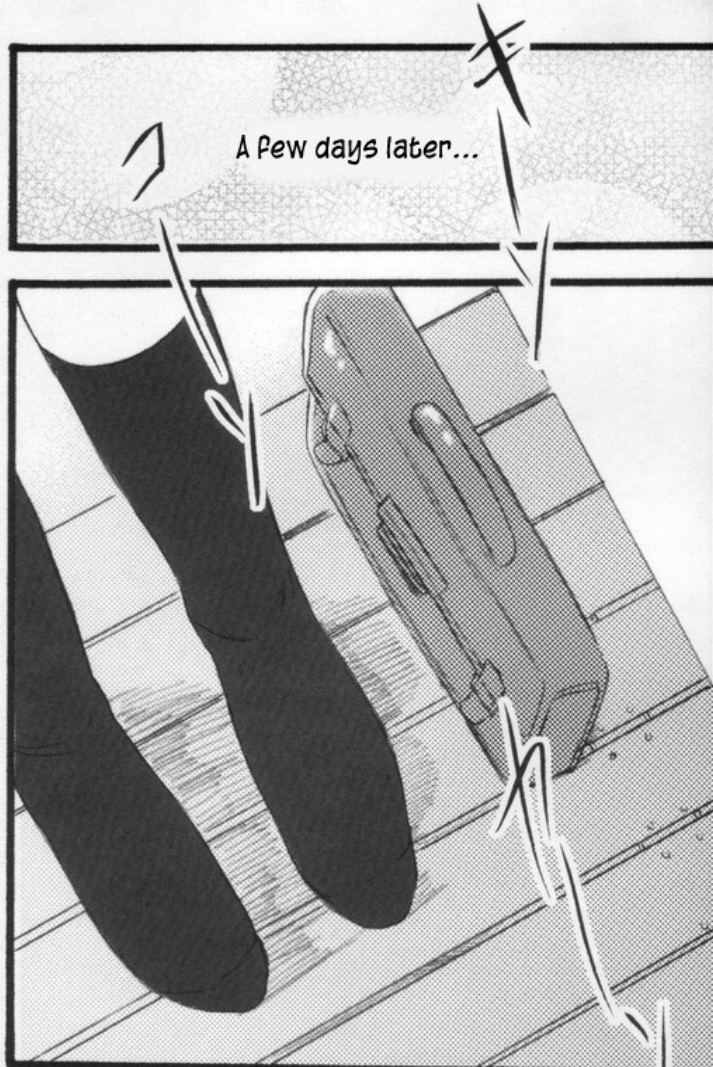

Nn...

Gah

Madoka didn't come to school at all today, huh?

And I can't reach her on the phone either...

A few days later...

That's right...

Oh, I think like a pervert...

Kisaragi-san?

Then, we could do it in the bathroom once again! (See Volume 06.)

Nn... Why don't I go check on her?

Sorry...

Huh?

Ah...

What do you mean, "a pervert?"

Do you have a minute?

That's the guy... From back then...

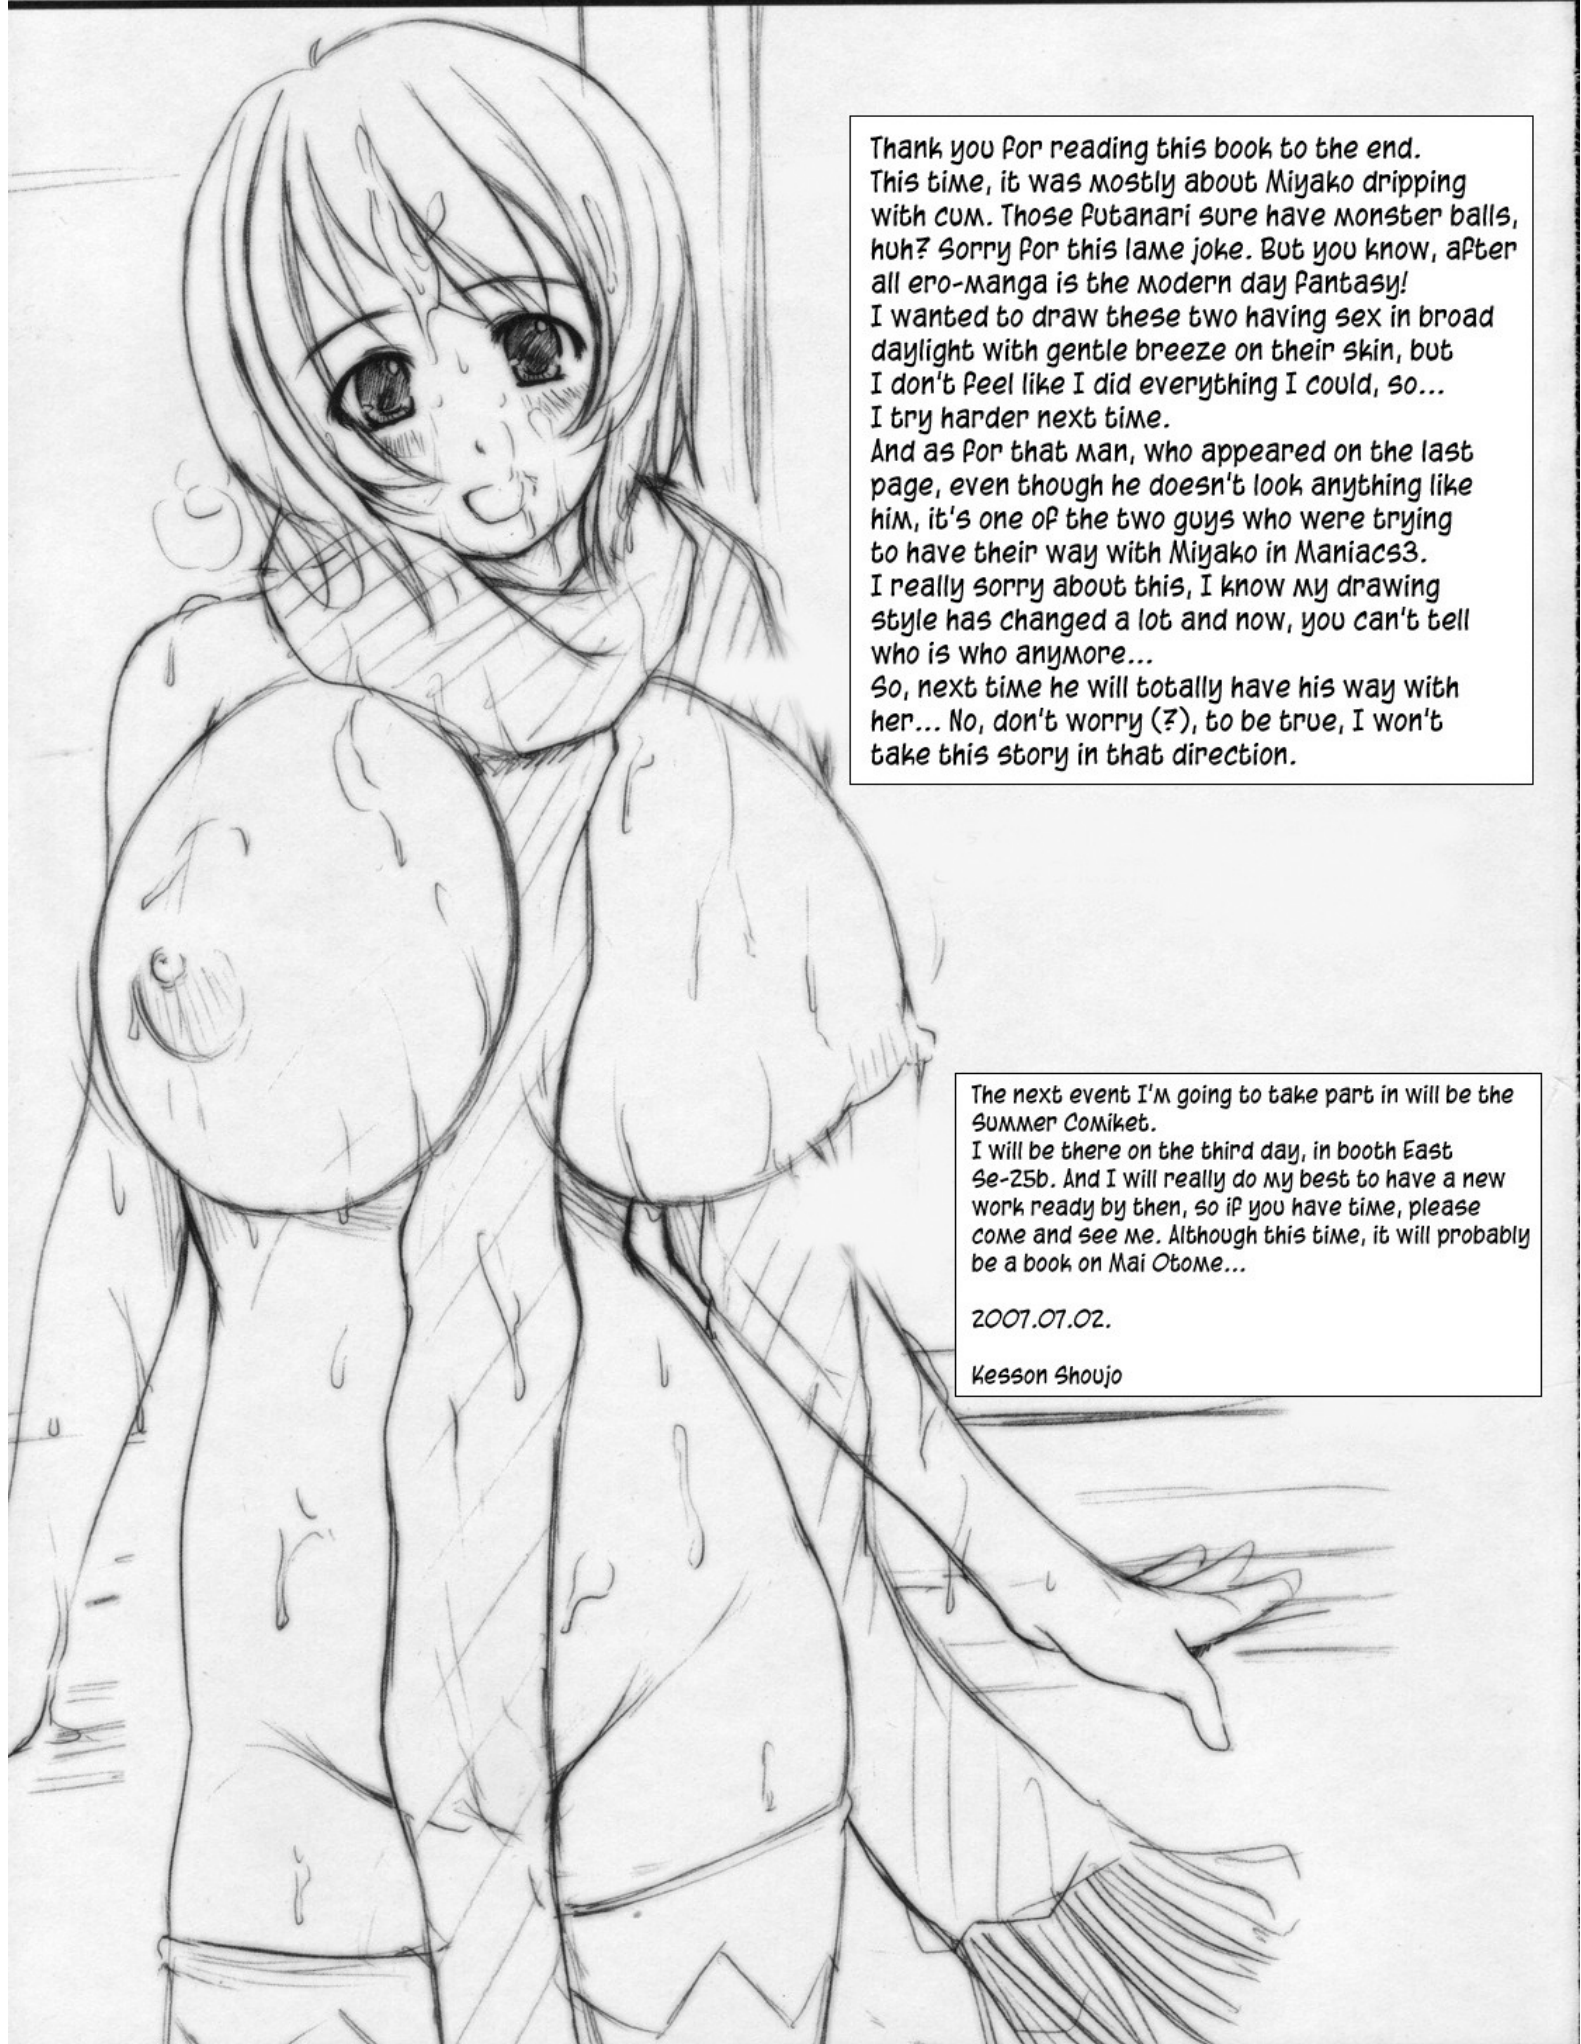

Eh... Erm...

There is no "No, No, No!"

Just when Miyako was having the happiest time of her life, a scary memory from her past appeared in front of her. Nevertheless, that man told her something completely unexpected. Miyako is confused and Madoka acts cold towards her, yet she gets those cold words back right away.

Next Time...
Next Time?

Next up...
Sorry, it's
a book on
Mai Otome!
But I
promise
these
three
will have
lots of
sloppy
wet fun!

Thank you for reading this book to the end. This time, it was mostly about Miyako dripping with cum. Those Putanari sure have monster balls, huh? Sorry for this lame joke. But you know, after all ero-manga is the modern day Fantasy! I wanted to draw these two having sex in broad daylight with gentle breeze on their skin, but I don't feel like I did everything I could, so... I try harder next time. And as for that man, who appeared on the last page, even though he doesn't look anything like him, it's one of the two guys who were trying to have their way with Miyako in Maniacs3. I really sorry about this, I know my drawing style has changed a lot and now, you can't tell who is who anymore... So, next time he will totally have his way with her... No, don't worry (?), to be true, I won't take this story in that direction.

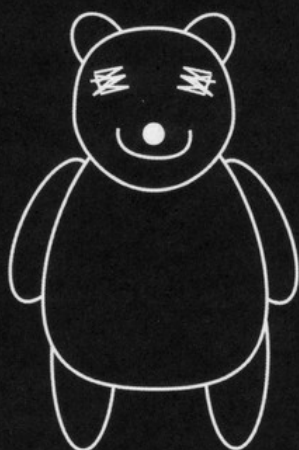

The next event I'm going to take part in will be the Summer Comiket. I will be there on the third day, in booth East 3e-25b. And I will really do my best to have a new work ready by then, so if you have time, please come and see me. Although this time, it will probably be a book on Mai Otome...
