

You must have fallen quite low, if you decided to possess some hero in order to take revenge on us!

That voice... That's the Devil King, right? Or actually, what's left of him...

But that's actually just perfect, because I was already in bad humor anyway!

The Adventures of Three Heroes

Chapter Four
(Part Two)

ブラックナイト物語

BLACK KNIGHT STORY

Translated by: kusanyagi (<http://kusanyagi.blogspot.com>)

Let me travel with you, brave heroes...

This is... Someone's memories, right?

And that's... Those three morons, huh?

She's just like a little bunny thrown into a cage full of Peral beasts...

I see! This girl is that priestess, who left their party midway...

Hey, what are you looking at, Four-eyes?

I'm on a patrol! You never know where the monsters are going to appear next, right?

Well, this is a public bath!

Large sound effects: #!! and #!!

Oh, no! I'm Pine, just don't touch me!

Eh-he-he-he! Are you hurt, Ms. Priestess? Are you alright?

Large sound effects: #!! and #!!

Eh?

Why don't you tell me all about it in my tent?

Ah! Erm...

That's alright... Come on...

Well, that sure is a problem...

My hero, I cannot travel with those two!

It only hurts at first, alright?

It's alright, just leave it all to me!

Oh! no!!!

At least I have to be serious about fighting him... I will train very hard and take him down all on my own...

It's just impossible... There is no way I could eradicate the Devil King with people like that...

Who stands there in front of my corpse...?

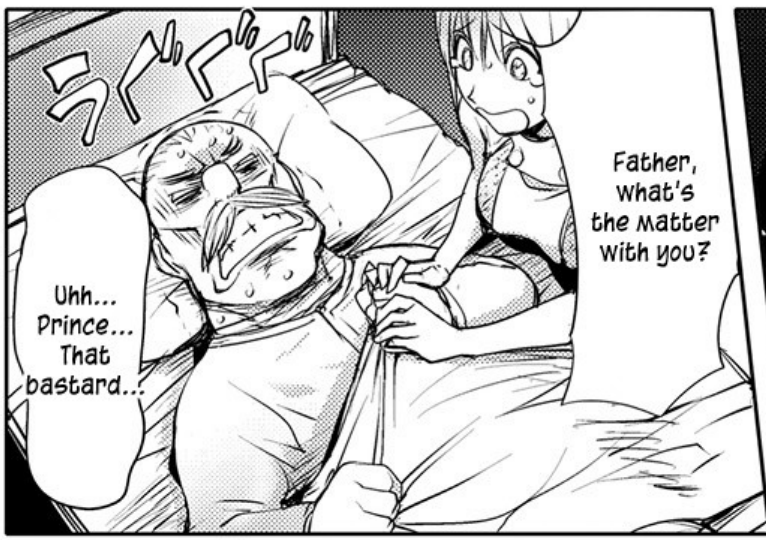

This priestess... I see the darkness taking root in her soul...

I have to possess her and use her to take my revenge...

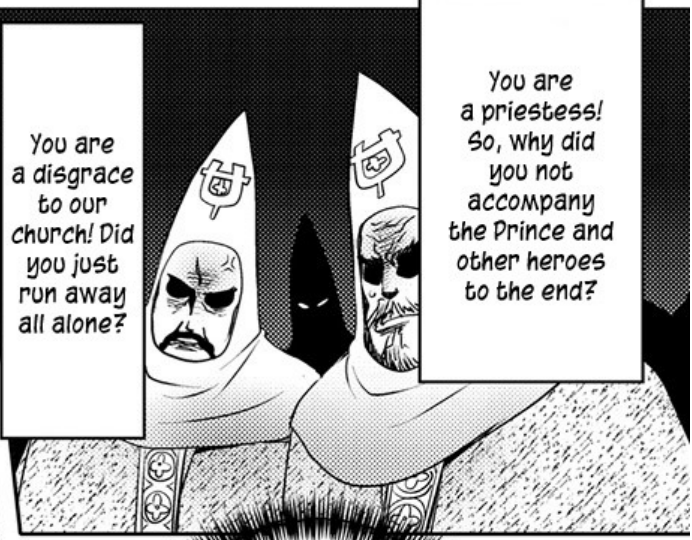

Could it be... That those three actually took him down?

Are these... The remains of the Devil King?

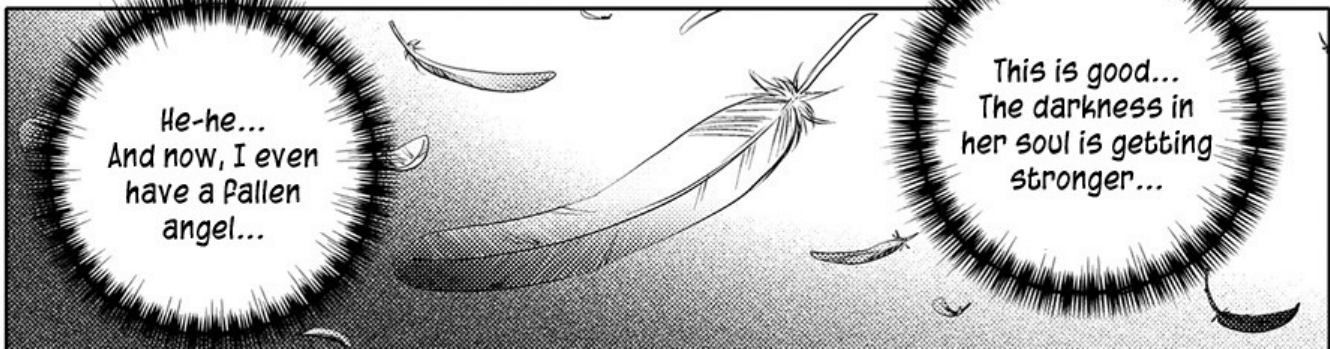

Uhh... Prince... That bastard...

Father, what's the matter with you?

You are a disgrace to our church! Did you just run away all alone?

You are a priestess! So, why did you not accompany the Prince and other heroes to the end?

He-he... And now, I even have a Fallen angel...

This is good... The darkness in her soul is getting stronger...

Ahhhh!

It's time!
Give your body
to me, young
priestess!

Become one
with me, so we
can take our
revenge on
those
heroes!

Come on
now, let us
all take
revenge
on those
heroes
together...

You know,
I'm very
sorry!
I really
don't need
to apologize
here, but
I still feel
like doing
that!

What is
this...
I just
can't
distance
myself
from
this!

And just
like that,
I became
one with
the Devil
King and
that's
what
saved
me!

Shut up!
This has
nothing
to do
with the
Prince!

Now, that's
unexpected...
Are you still
willing to
protect that
Prince of yours,
even after
seeing what
he did?

I actually
think I'm
going to
kill him
afterwards
as well!

But before
I do that,
saving this
girl from you
is the least
I could do
for her!

.....

Well,
why not?
Come here,
Fallen
angel
Celes!

Sure,
sure!

You are that loose busy angel from before, aren't you? So, you're a fallen angel now?

Nice to meet you! My name is Celes and right now, I work for the Devil King!

Yes! That's how much those three have disgraced me...

To take my revenge on those three!

You know, angels can only use their real bodies in sanctuaries and fallen angels - in the demon world, so I will have to use the body of our priestess here today...

Who...?

He-he... Yes,
they are united
now! And even for
you, Black Knight,
taking down both
of them won't
be easy!

But for now,
I have to get rid
of anyone who stands
between me and
them!

And as
for taking
down that
Prince...

This
body
right
here
should
do!

They...
They have
united?

Although...
What do I care,
if he gets
killed...

It
sure is
noisy out
there,
huh?

This is bad!
If I'm going
to have a hard
time with her,
the Prince is
going to...

He-he-he...
I shall take
him by surprise
and overpower
him at once!

Something
bad is
coming
this
way...

Is
something
the matter,
Lamiko?

.....
!

And then,
I will take this
Kingdom...

Good
morning,
my Prince!
It's time for
your official
business!

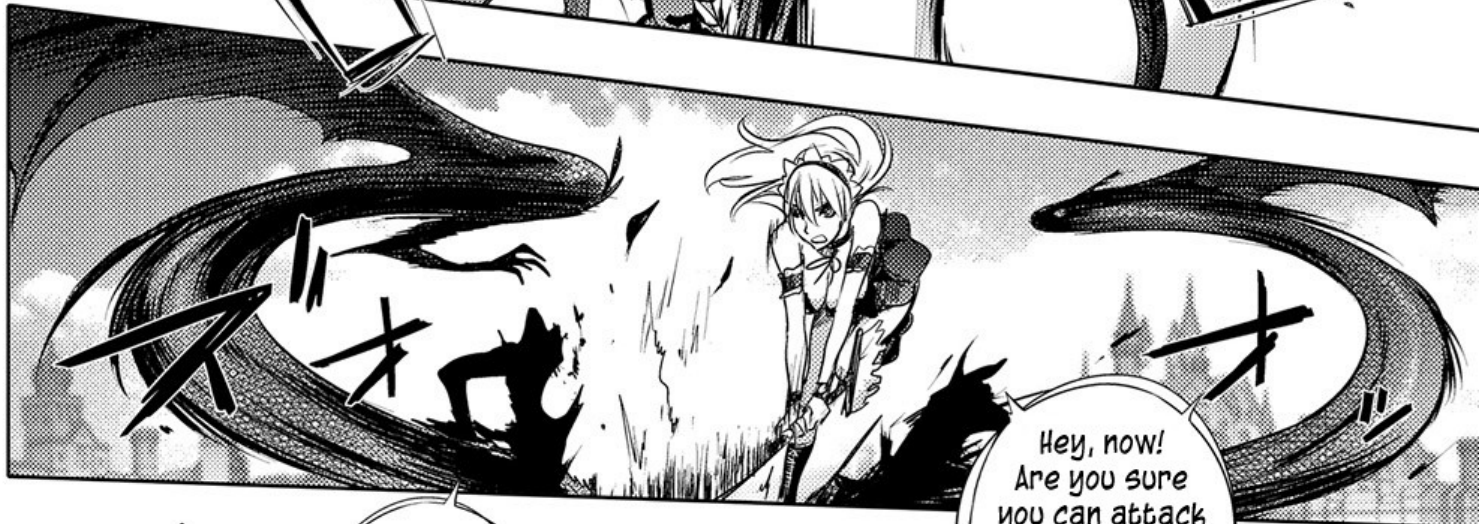

Hey,
Four-eyes,
are you
still
alive?

Ugh!

Wha...
What is this?
Is that how
he normally
treats this
guy?

Hey, now!
Aren't you
over-
doing it?

But
at least he
hasn't figured
out who I am
yet! So, I
should follow
my initial
plan!

Are we under attack by some monsters?

What's that?

We seem to have startled the citizens and now, they are all looking this way!

Oh, my! It looks like we've fallen right in the middle of a square, huh?

Ugh...

Let's show them your ultimate humiliation, alright, Black Knight?

And since we're at it anyway, why don't we let them have a better look at you here?

No... Stop it!

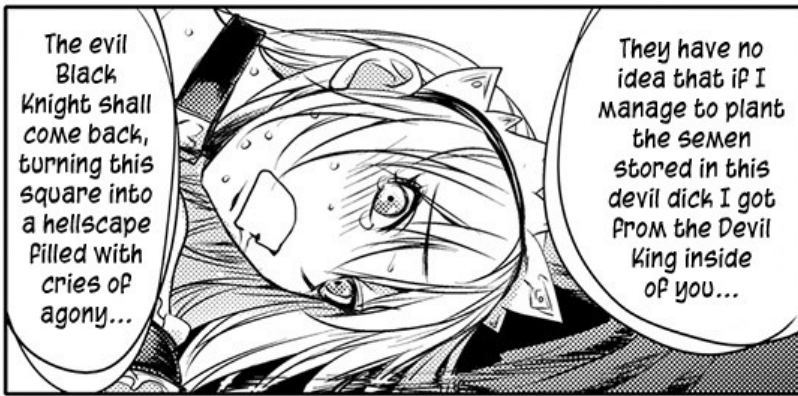

He-he!
People here
sure are
thoughtless,
huh?

は
る
ん
ん

Wow! Look
at that
woman!
She's a
Putanari!

Is she
another
one of
those dirty
Monsters
our Prince
keeps
Pinding
all the
time?

The evil
Black
Knight shall
come back,
turning this
square into
a hellscape
filled with
cries of
agony...

They have no
idea that if I
manage to plant
the semen
stored in this
devil dick I got
from the Devil
King inside
of you...

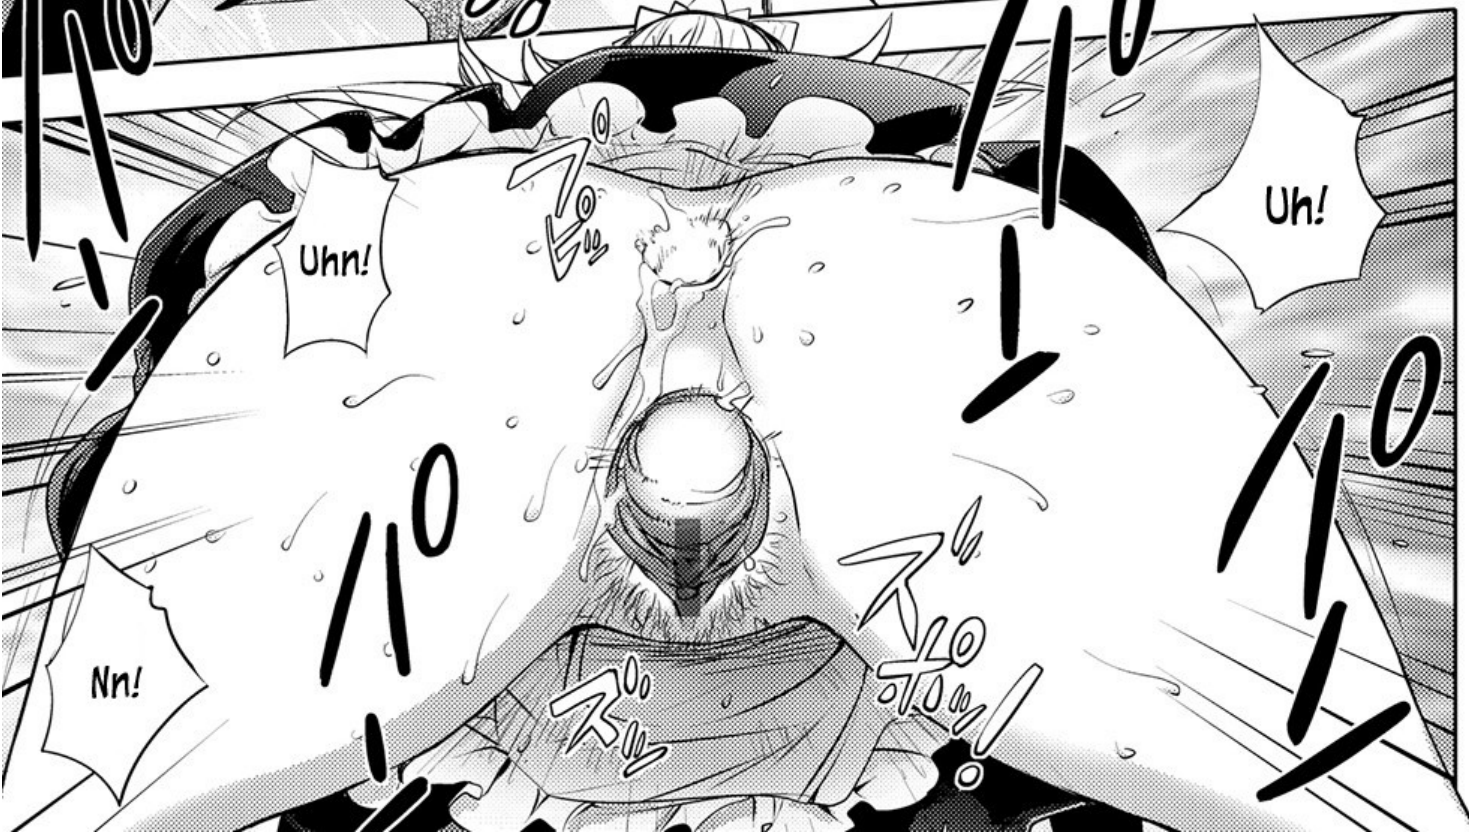

Stop...

Wha...
Wait!

Come on
and gather
everyone
here! Now
is no time
to be
working!

Uahhhhhh!

Uhn!

Uh!

Nn!

I have to bear with it... There is no way I'm going back to serving the Devil King again...

You know your resistance is futile, right?

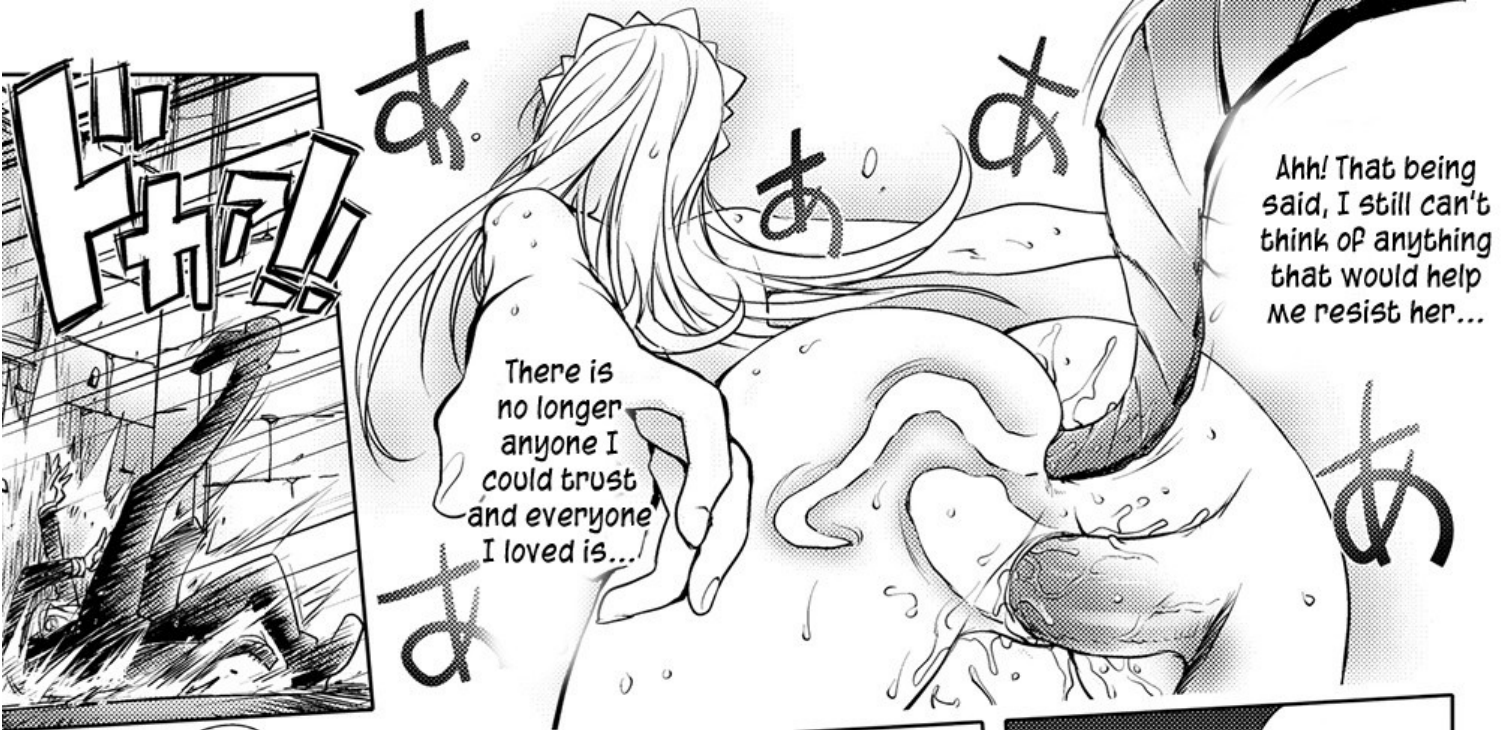

But that won't work on me twice...

Ugh... She's once again trying to take over my mind by making me believe that I already lost!

Or could it be that you're actually trying to protect these fools here?

And why do you resist in the first place? Because of that Prince?

Ahh! That being said, I still can't think of anything that would help me resist her...

There is no longer anyone I could trust and everyone I loved is...

Yeah, I know! He's total scum!

He is evil! Do not approach him, Your Majesty!

What in the world have you done to her?

Hey, Four-eyes, Lamiko seems to hate you quite a lot!

Your Majesty! Please hear me out!

And while I'm in this body, the disparity in our strength is so huge, there is no way I could fight her!

But more importantly, I just can't believe the way this guy treats his aides!

Damn that Lamia! Even though she's a monster, she's so innocent, I just can't take over her mind!

You... You bitch...

He-he... It looks like Celes has successfully captured the Black Knight, huh?

And that means this castle here is basically done for...

Now, if you got what I'm saying, tell this slow Lamia to leave me alone... Eeoghh! Hey, are you even listening to me?

And then, everyone in that square... Eeaaghh! Actually, everyone in this country will become my hostage! Never again will I... Eghh! / Let you harm me... Oghhh!

And once the Black Knight received a load of my semen, she will turn evil once again!

That's right! I'm not... Oagh! Oghh... Not your Four-eyed Friend, but a spirit that possessed his body! I am the Devil King you have once killed... Eeaaghh!

Aghh! Listen to me, Prince! Down there, your maid is getting raped... Uoghh! By a Fallen angel, who works for me!

Who let you come up with a name for me? I do not need a name from you!

How about Sarah? Although, that's just the first thing that came to my mind.

That's really inconvenient, so why don't I come up with one for you?

Is it true that you don't remember your own name?

Hey...

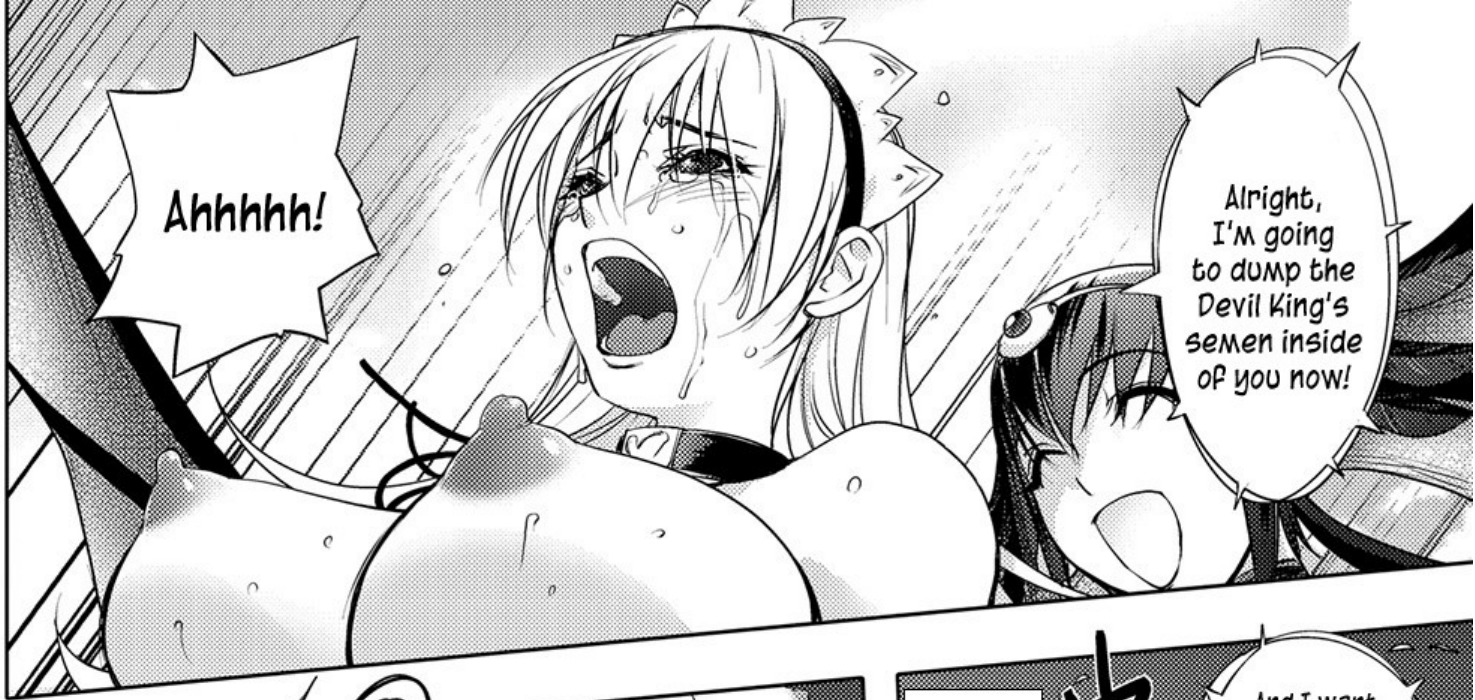

Well then, I'll call you Ms. Bra! And I'm going to call you that every single day from now on!

Oh, damn it... I had to come up with something to get rid of this feeling of defeat and this is what I remembered...

He might be the reincarnation of that person, but...

パシヤアア...

That really is meaningless now...

Ahhhhh!

Alright, I'm going to dump the Devil King's semen inside of you now!

Is nobody going to save me, just like a hundred years ago...?

Now... Is this the end...?

Crap... Every single guy in this entire country is the same...

And I want you to cum like crazy in front of all these people too, alright?

Wha...?

Could it be...

So, you are him
after all...

You
came
to save
me...?

My
Prince...

Oh, no!
Ahhhn!

Wow! A busty
Putanari! That's
so thoughtful
of you!

I knew
this would
happen!

It was
stupid of
me to get
my hopes
up for a
moment!

I guess your semen has cleansed the Fallen angel and she just disappeared...

Huh? What's that?

Oh, would you stop it, already?

Oh, well! Here I go again...

Eek!

And nobody even learned that it was actually one Lamia that destroyed the plot of Devil King...

I'm going to die... I'm really going to die along with this body here...
