So the cheerleading club practices over there

Oh

..Sasaki

Hey, how was I earlier?

Didn't watch

You should show a little more spirit!

Don't be so poker-faced

We've been off to a good start so far

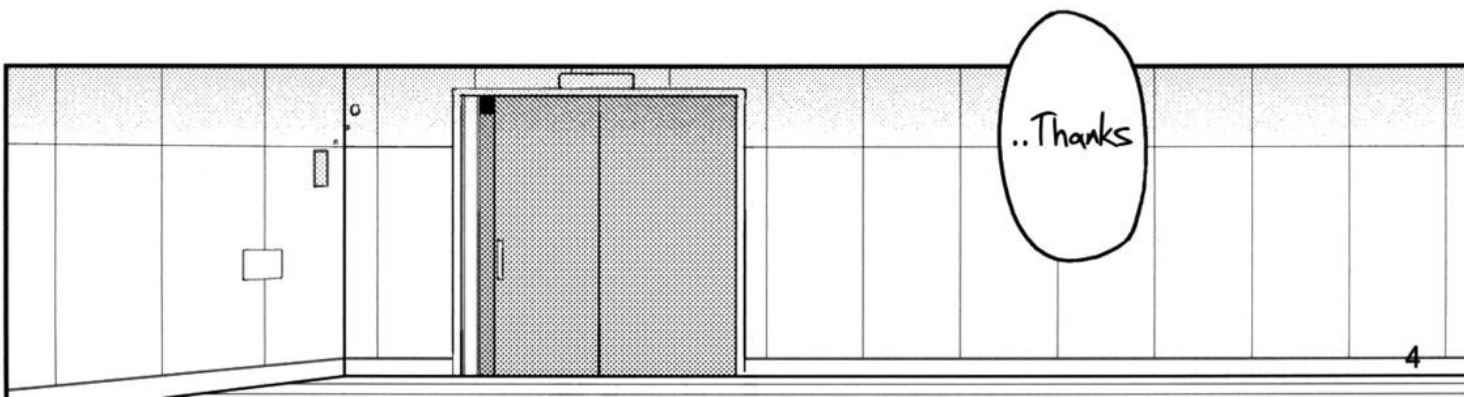

Hey Arata!

You'll drag down the other supporters during a match if you don't!

I dunno

I heard from
my parents
that there's
something

unpleasant
about the new
coach for the
Cheerleading
Club

I disliked
wearing these
clothes to
begin with

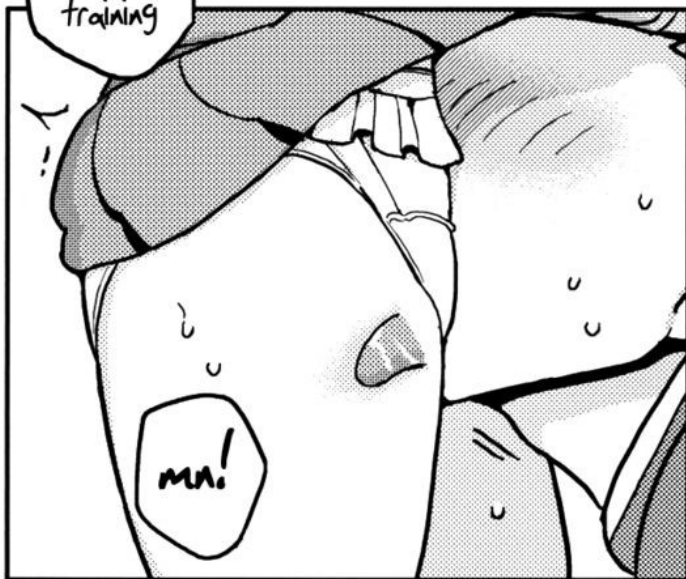

And recently
I've been really
forgetful
This really sucks

Um, this-
What are you doing?

This

Is special training

ma!

I see, I see

So that's what you think of me

I'll have to be a little strict with you

?

?

You wanted me to train you since you were lagging behind the others

Weren't you the one who asked me for help?

..Yes

?

?

..Yes

Taking the trouble to meet up after practice like this

Isn't that right?

That's why we're

!

The motions aren't bad, but you're tensing up because you're feeling embarrassed

Your movements are a bit stiff

ah

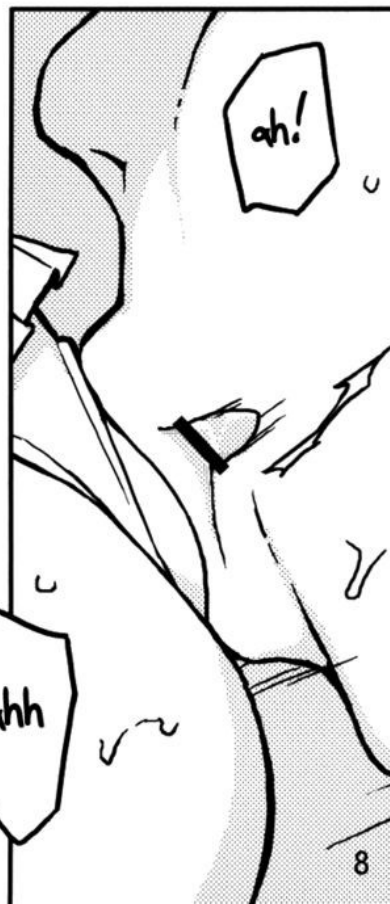

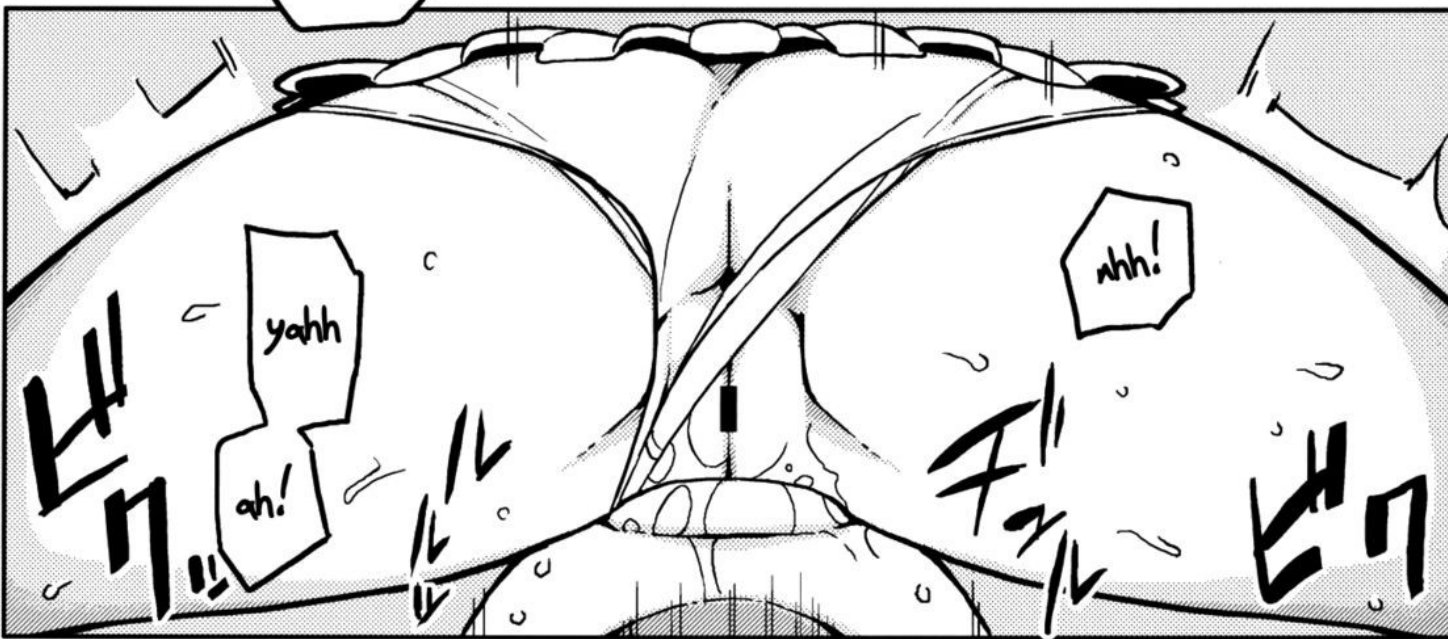

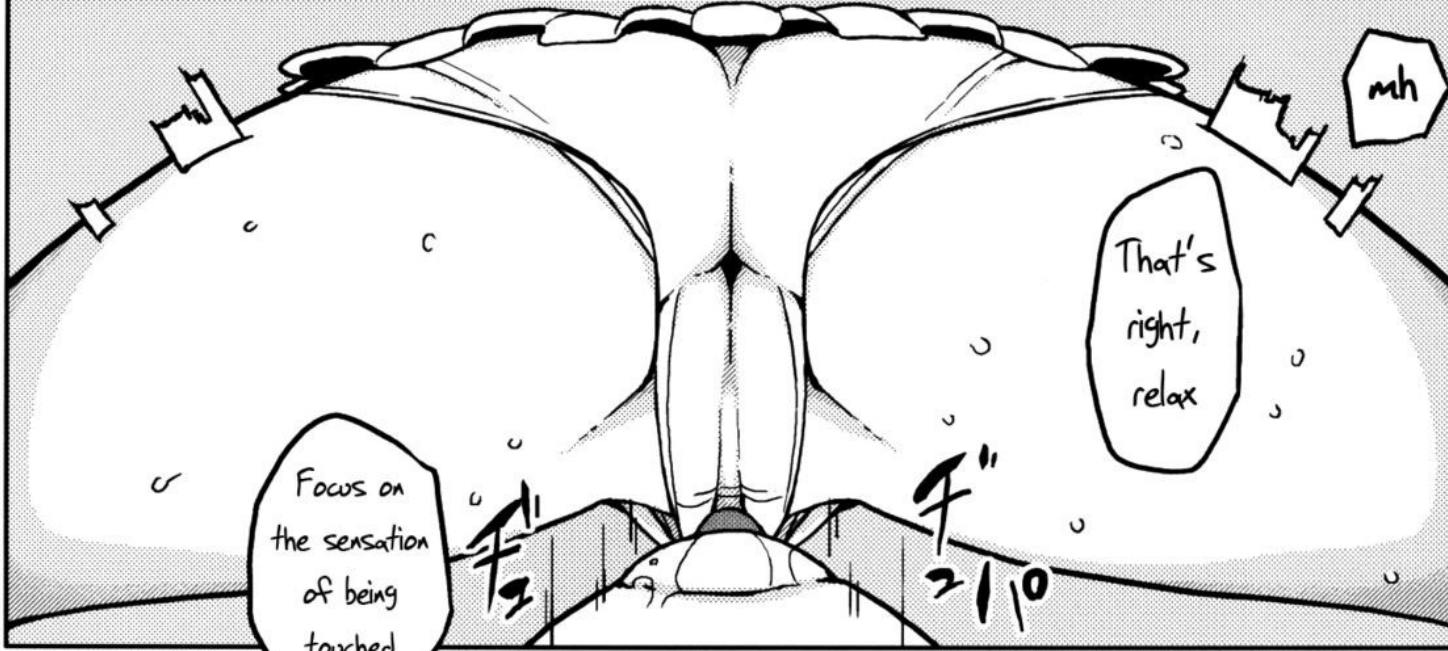

First we have to relax that tension

ah

Bear with it, Arata

It's just a massage

Yesh

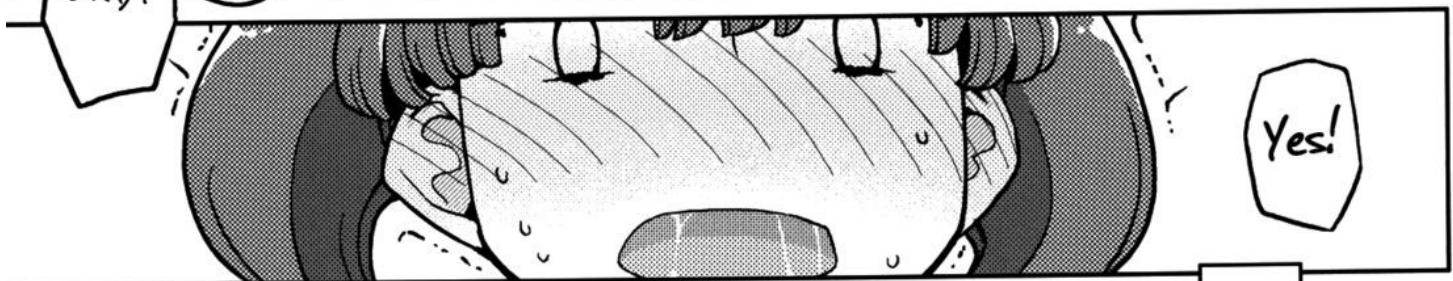

Good, that's how to do it

Let's work hard like this tomorrow as well

Okay?

Yes!

..Huh?

Oh, good! Tighten up like that

Now start shaking your hips!

..What am I doing

..Special Training?
Of what?

Heheh, you're doing just as I said There! There!

mh

ma

ma

Robbing membranes together like this is good for your metabolism! It'll bring out the shine in your movements!

Y-Yes!

Uhh, you have to do at least two sets daily!

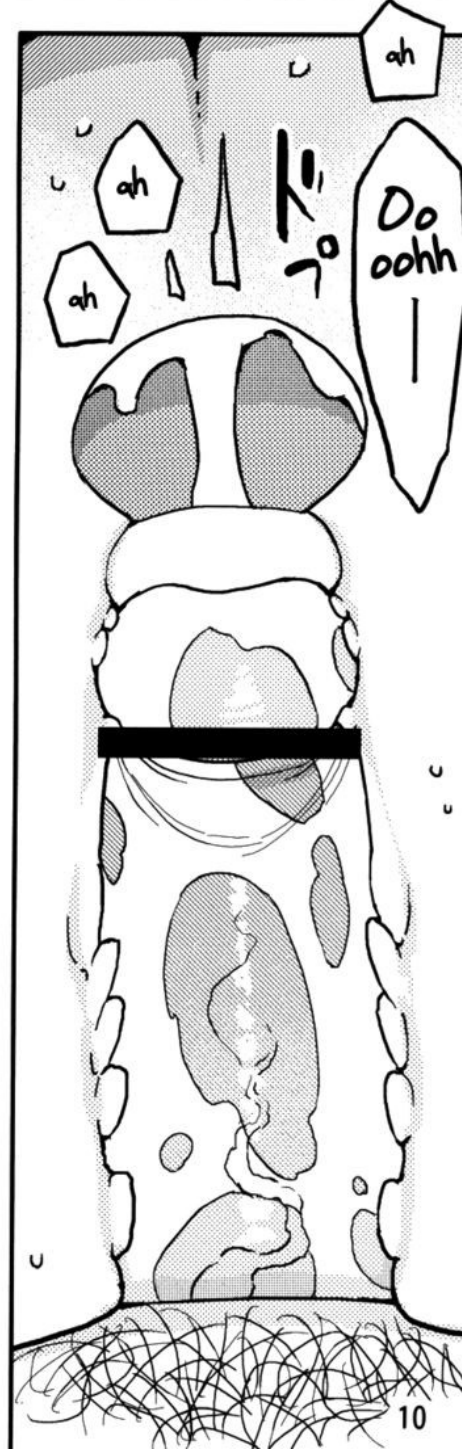

Take it firmly!
mnh! mgn!

hah

hah

I'll spend a lot of time with you today

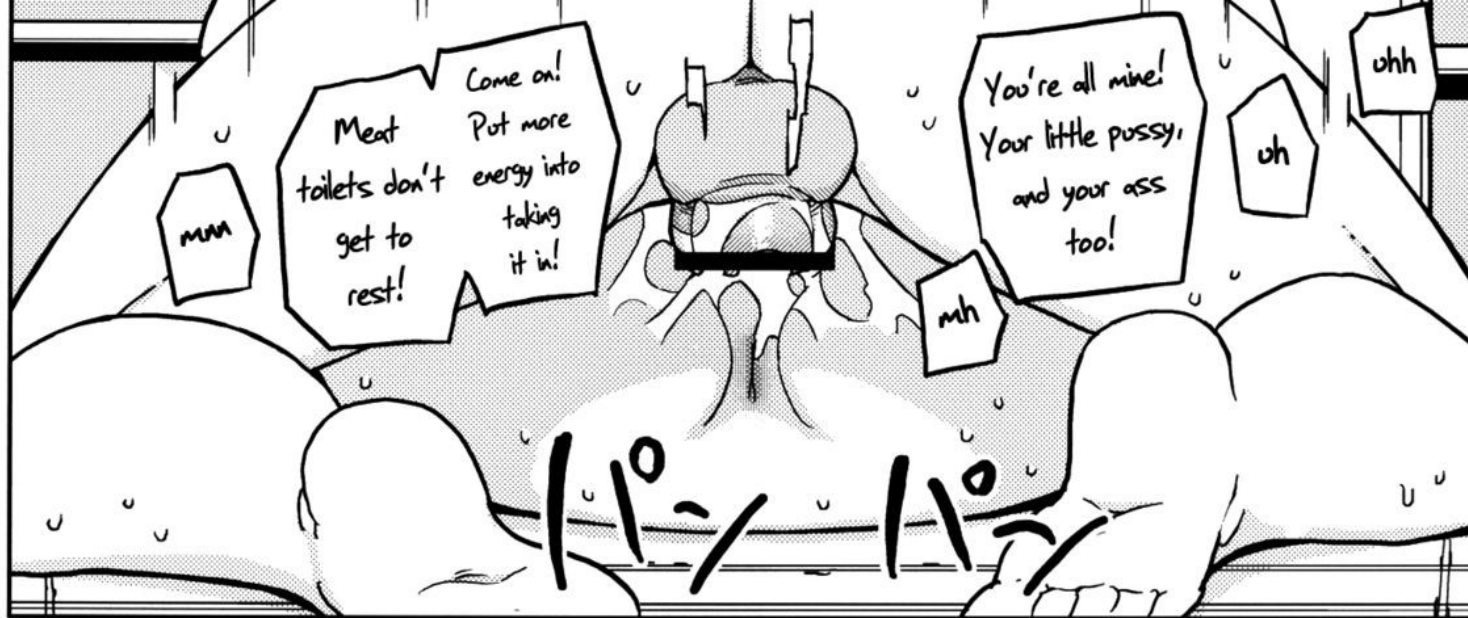

フムフム

ah

Do oohh

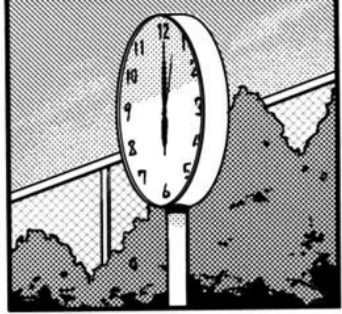

..You didn't have to wait for me

Oh, you're late again today

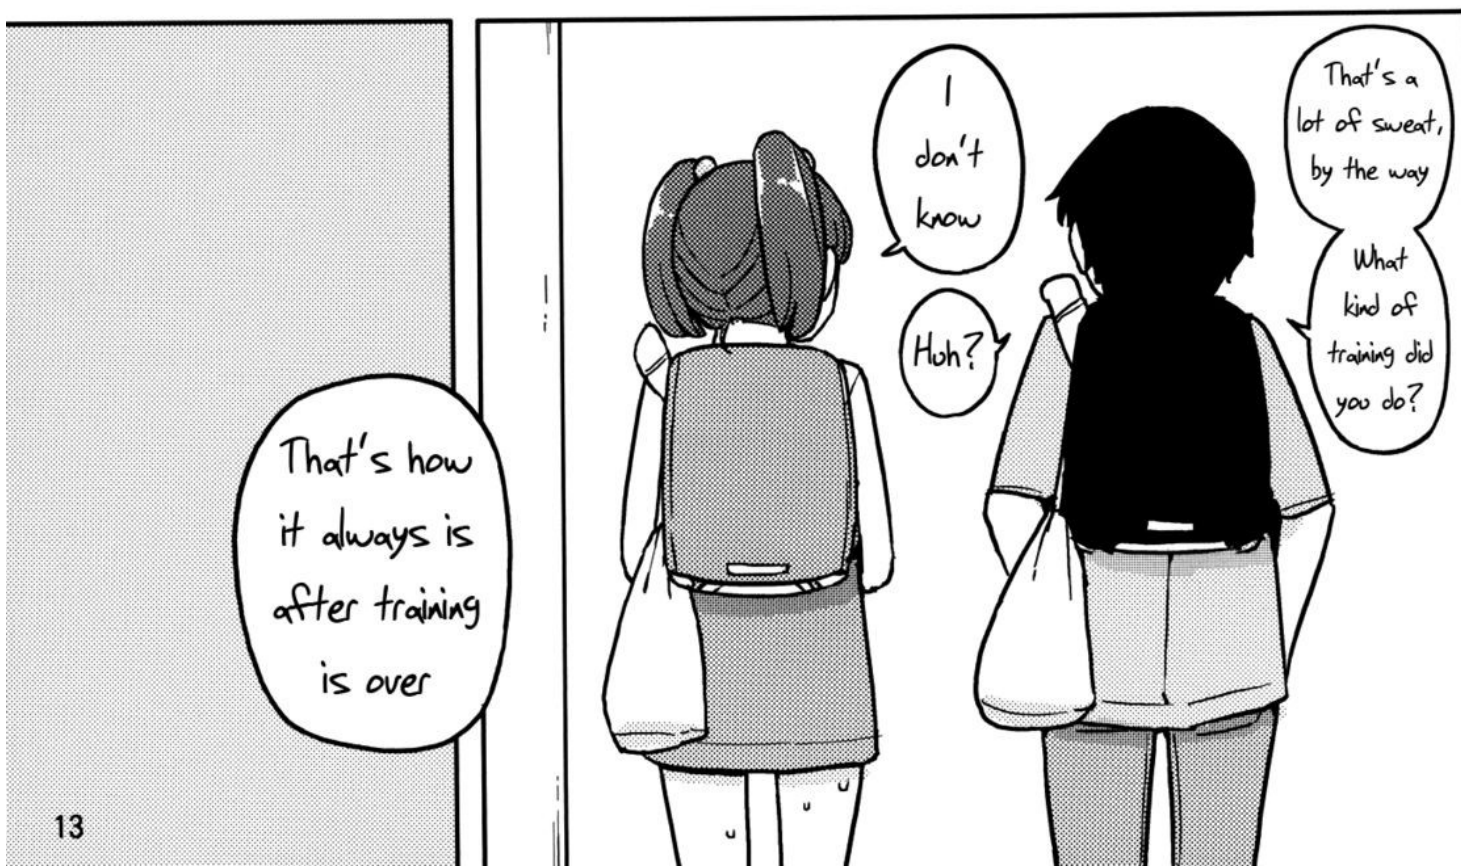

Let's go home before it gets dark

Don't worry about it

They kept me late for practice too

???

That's how it always is after training is over

I don't know

Huh?

That's a lot of sweat, by the way
What kind of training did you do?

It's nothing
Let's begin, shall we?

?
What's wrong, coach?

That brat had his eyes on you heheheh

I see!
Now that I think about it

Good, Arata!
You were able to improve your movements and expression

mn

Yesh

haha

Continuing from yesterday
Come on, smile!

Yes, coach!

ah!

ah!

I'll continue to guide you until you graduate

Say hello to the child today?

Then, may I once again

As you know, we absolutely can't have sex

Heheh, thank you very much

..That much should be fine

I know

Hey there fella it's me!

First I'll have to get you ready

LO

nh!

man

ma

スリ スリ

スリ

スリ

I'm sorry mugh

Yes ma

You have to focus on what you're feeling! Otherwise, I won't be able to meet the baby

I've done this so many times

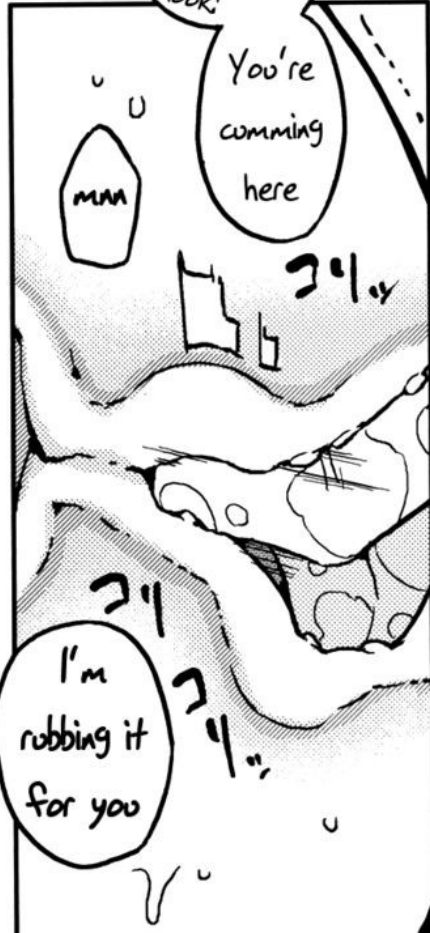

ah!

You should be adjusted to it soon look!

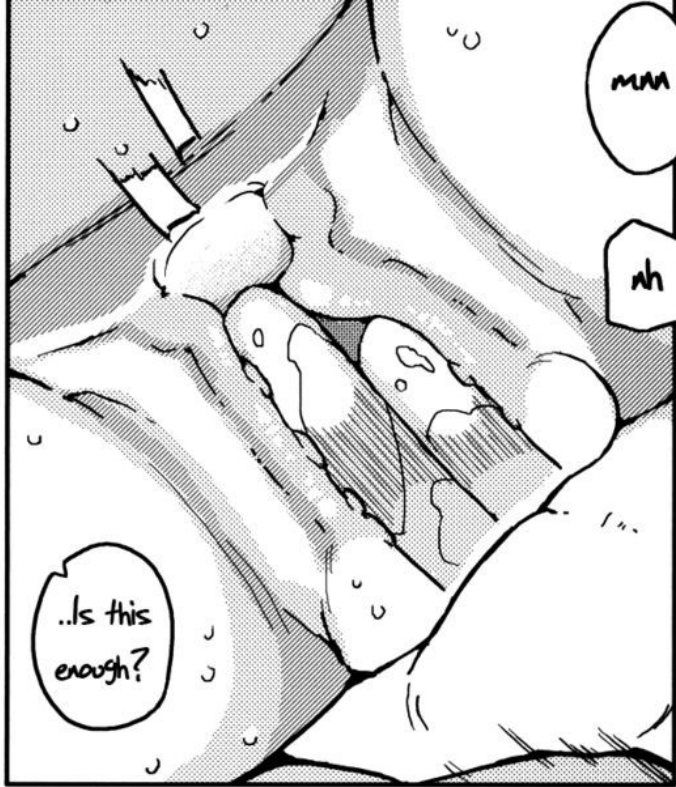

mm

ma

I'm rubbing it for you

You're coming here

ah

Okay, it's in, it's inside!

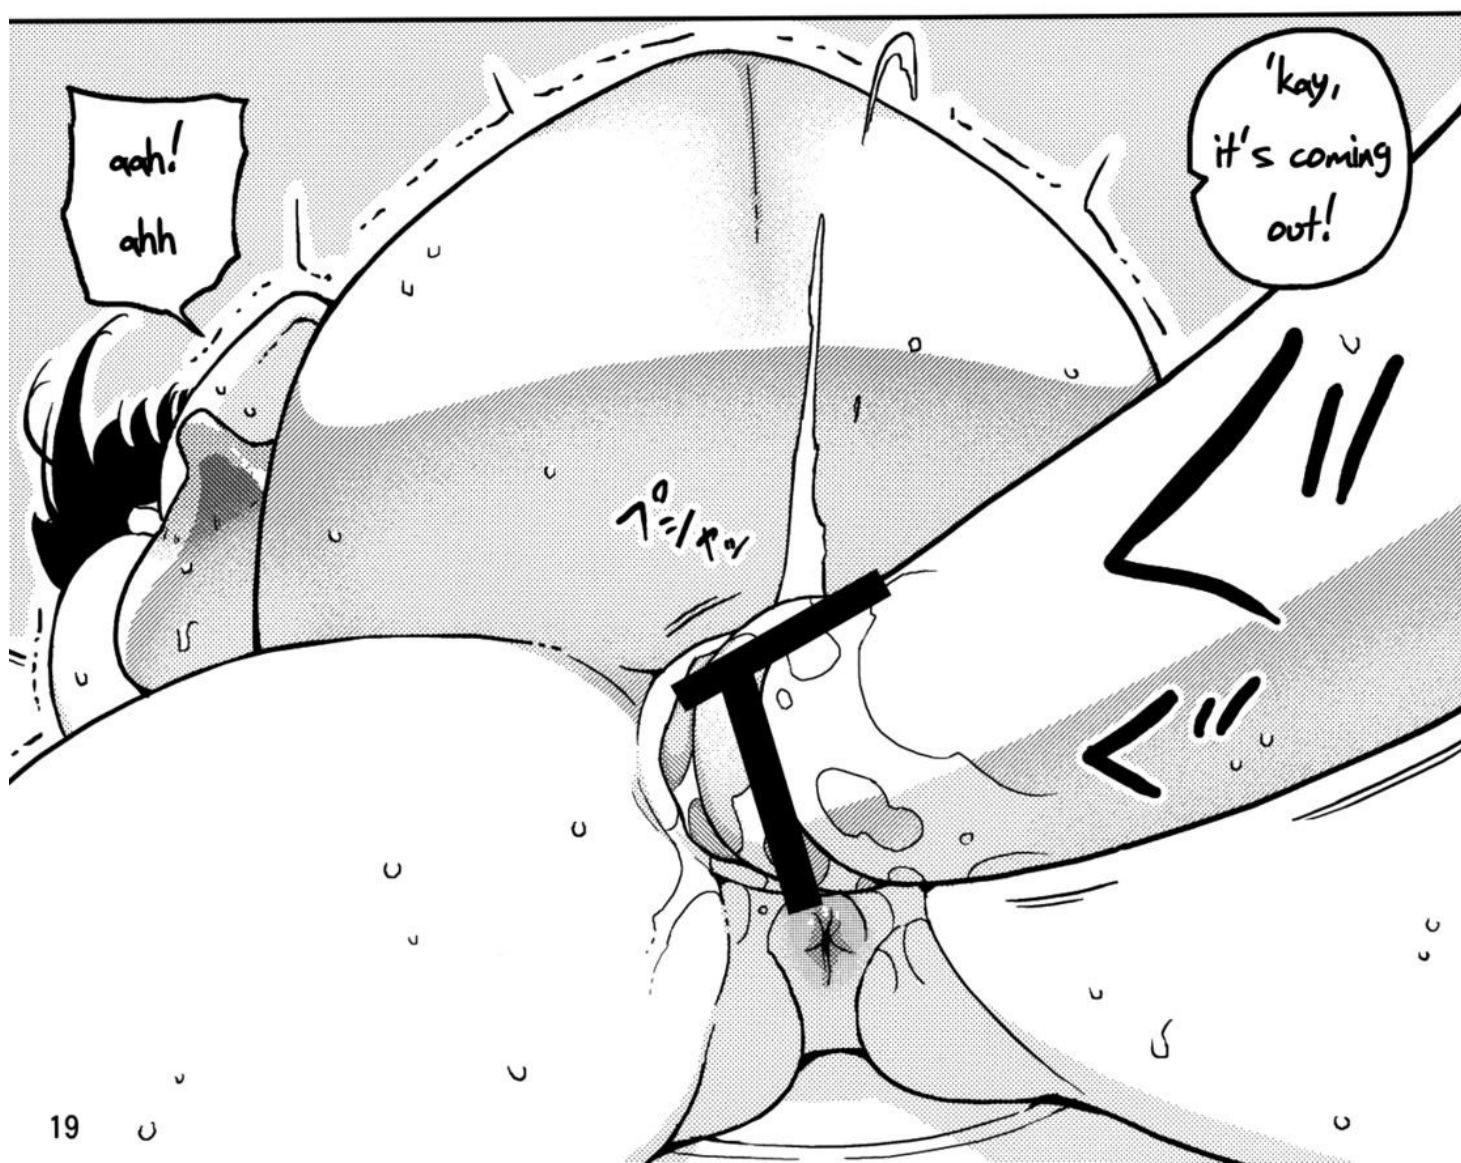

You were prepared for it, but as expected, it's still tight

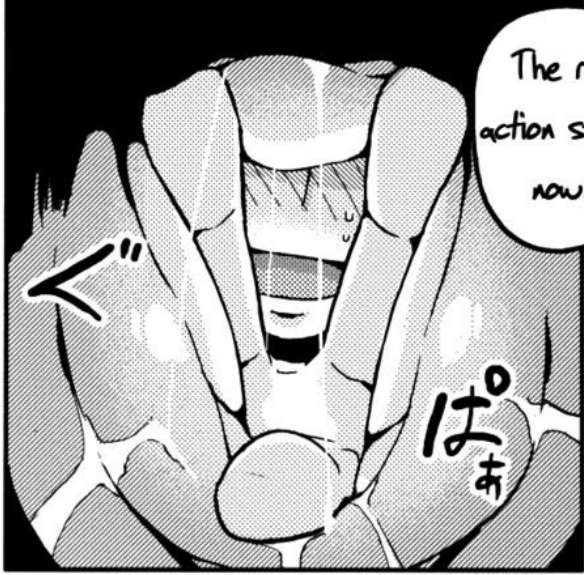

ah

ah

Pardon the intrusion!

The real action starts now!

haha

Don't faint on me now

E/N: That isn't an onahole. He pulled her vagina inside out

ahh

I just can't get 'nough of comming in a pregnant woman's womb!

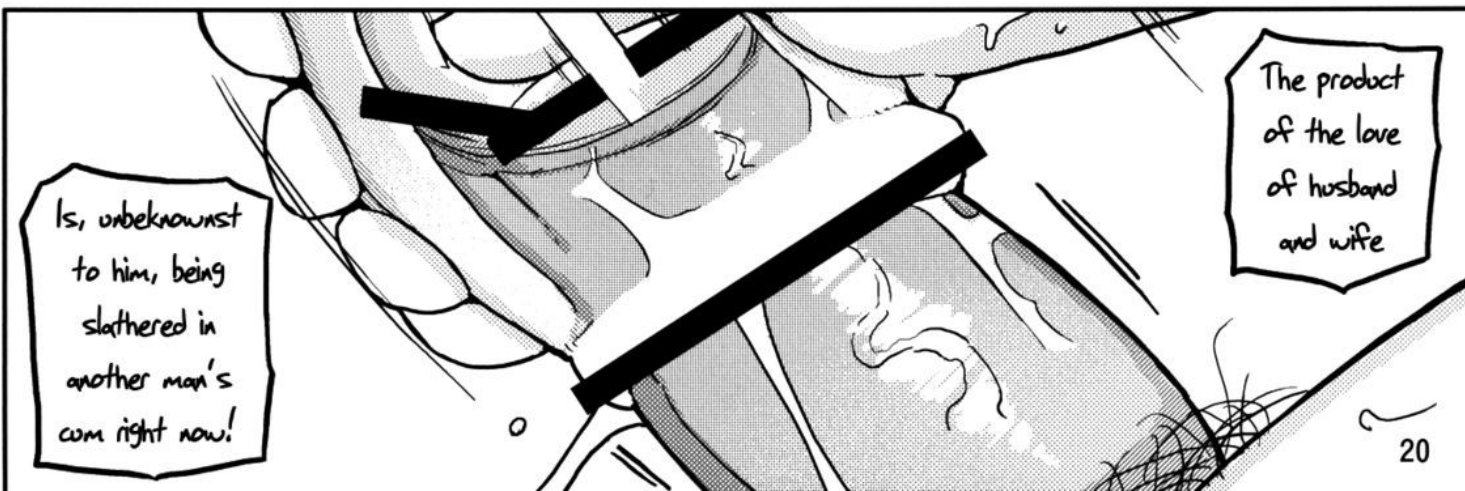

Dohh! Awesome!

mm!

Feels too good tricking and raping you!

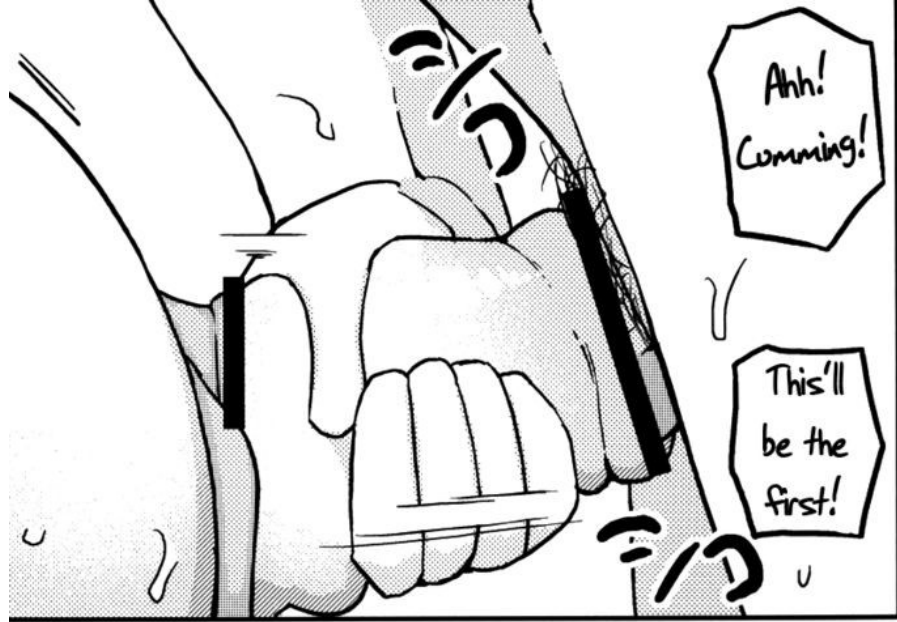

ズリユ

ズリ

Is, unbeknownst to him, being slathered in another man's cum right now!

The product of the love of husband and wife

It's about time I went home

Hah, that felt great

Thank you very much for letting me see the child

I'll continue to see you and your daughter from now on

uh

hah
