Sudden Shock!
Female
Investigator
Asuka

中海美影

The government has started an investigation to find the source.

Modern day.
A new drug,
High-Potency,
has hit the
streets.
It has a 98%
fatality rate.

In most
cases, the
government
sends agents
with special
abilities.

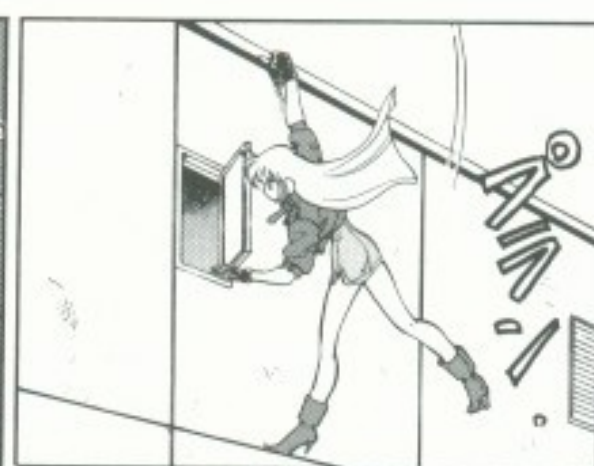

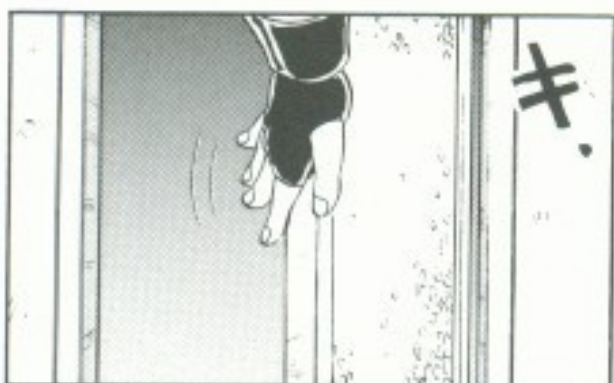

This is
definitely it;
three other
investigators
have
disappeared
from this
location.

This is
the
place...

I've been waiting for you, Investigator Asuka.

There must be a leak in our operation.

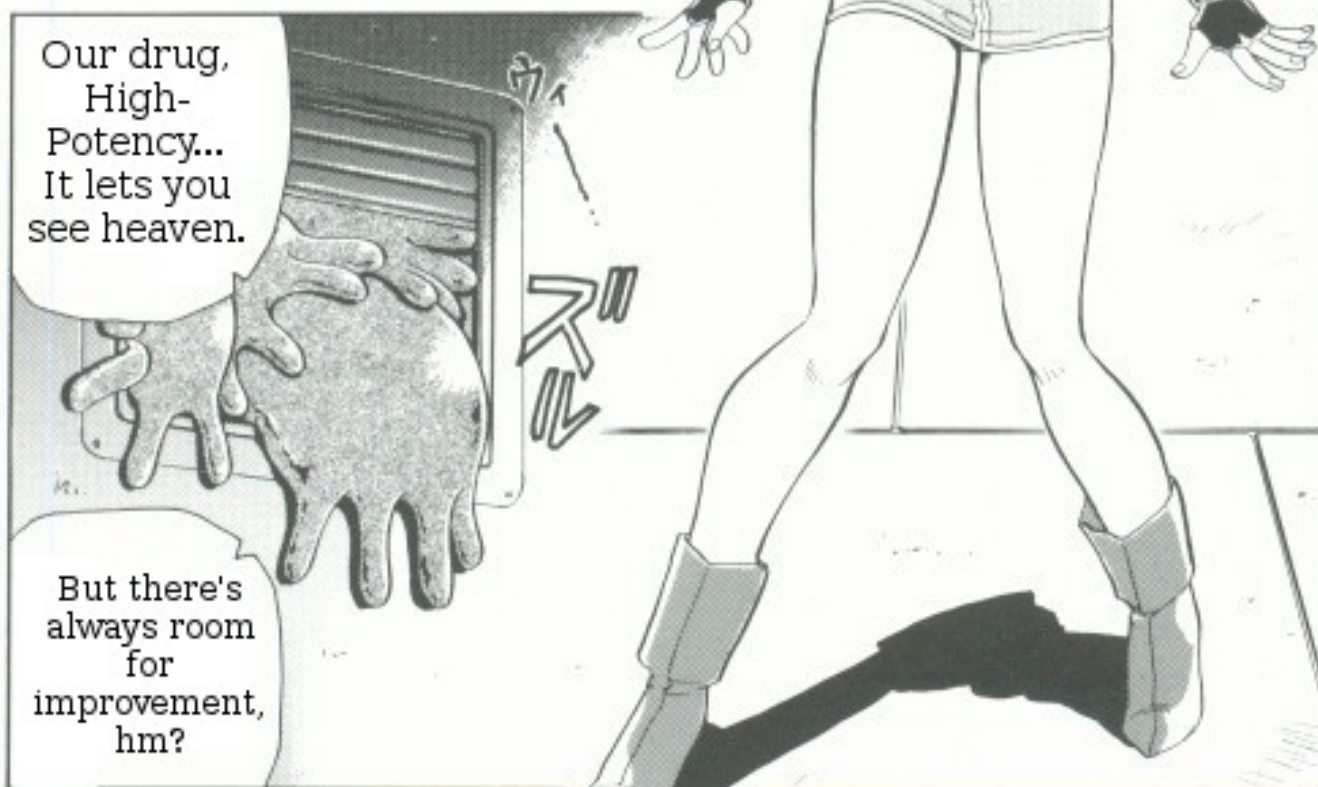

There must be.

I am the president of this company, but I make little girls like you come.

Who are you?

Now, isn't this just a special occasion?

This...

Yaaa-

Ha!

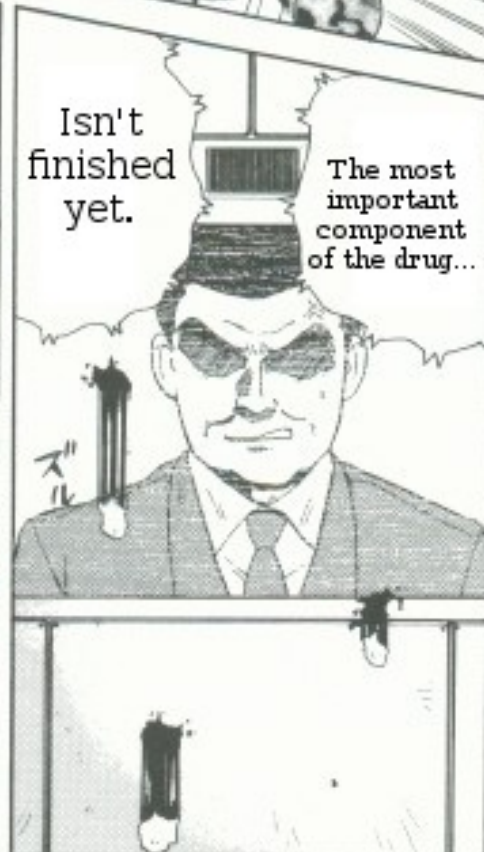

Pathetic!

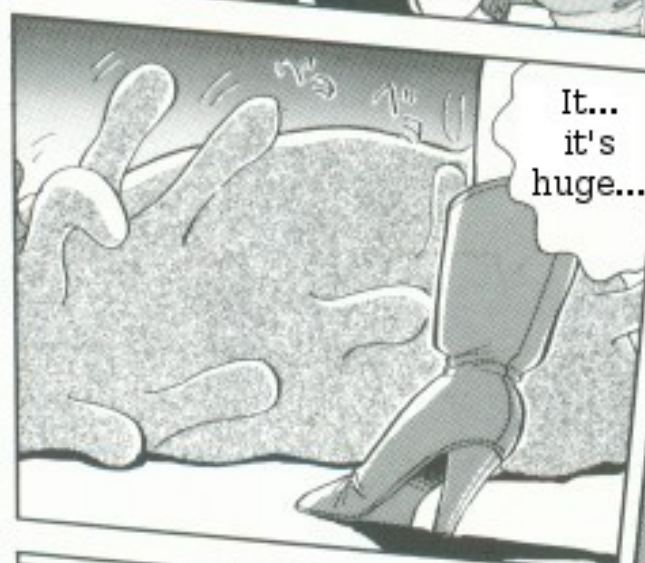

Is that
all
you've
got?

Isn't
finished
yet.

The most
important
component
of the drug...

Blgh!

Aa-

As it is now, it only works on women.

That's High-Potency's raw form.

Nn... Nnnnnng...

Sh... Shit...

Please, drink up: enjoy yourself.

Blgh... Nnng...

Kh...
This...

- must
make you
feel like
your body's
melting
with
desire...

How is it?
The taste
of the
undiluted
solution...

It's in my
clothes...

Good
luck;
please,
try your
best.

But... can
Elite
Investigator
Asuka
resist it...

Hnn-!

Nnnuh-

Uhh...

Ugh!
Uuugh!

You're
not
looking
so
good.

イシイイイ

Uh-
huh...

Nn...
Huh...

This is
Echigoya.
Yes...
I'm sorry.

Echigoya's
Public
Security
Agency will
be there,
therefore...

Understood,
it will be
the usual
price.

Yes.
Then
again...

??

Shall
we
bring
her
in?

Also...
Your
friend's
arrived.

Modern day.
A new drug
has hit the
streets.
The
investigation
of High-
Potency has
run into some
difficulties.

Ah...
Another
woman...

Thank you;
another
experiment
for High-
Potency...

Don't...
Come...
