The reason
my gift feels
heavy is not
that I've
become weak
or something
like that...

The
wedding

of my
classmate
from when
I was in a
women's
college.

CHATTER

It's the
gloom I feel
knowing that
they're going
to include me
into this talk
about mar-
riage that
weighs me
down.

I know,
mine too!
This is the
third year
they've
asked me.

My
parents
keep
bugging
me to get
married.

CHATTER

Eh...?!

Do-thump...

How've
you been
doing
in that
regard,
Chika-
senpai?

Oh... But something like copying apartment keys, then?

Ah... Yeah...

Really? So are you two living together?

Ah, no... Just, you know, living alone.

Uhm... yeah?!

You had someone when you were in university right? Is that still on?

It came up in conversation.

Gulp

Ah, that's because I met Kuroda the other day...

You sure remembered my love life well...!

L... I can't tell them...

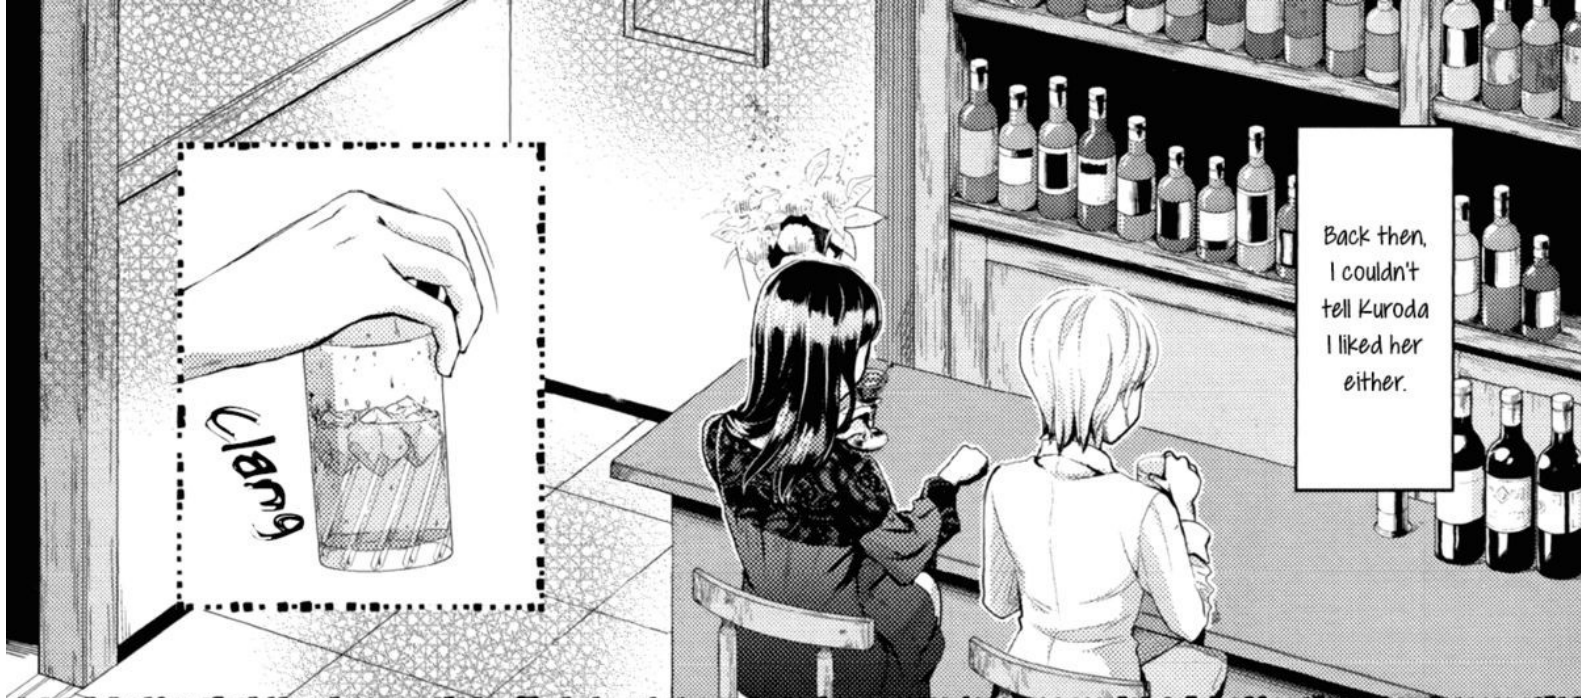

That it's Kuroda...

Who is my lover.

Ah... Yeah... You know it kind of just... went that way.

Hasn't it been quite a while since you graduated?

Eeh? Chika, you're still friends with Kuroda?

Back then,
I couldn't
tell Kuroda
I liked her
either.

The side

and gets it
over with.

Oh no...

I can't believe I've been found out

Ah! How long have you known?!

At least it was nice seeing your crying face.

Now, I told you to do something...

Confess and get it over with.

You drank too much.

Chika-san, you're completely red.

They're entering new settings.

And we?

My former classmates are getting married.

It's been four years since then. Kuroda is about to graduate.

That reminds me, when we met she told me she passed an exam!

She wants to go to a graduate school, she has to pass the exam now.

By the way... Has Kuroda found a job yet?

BUT... THAT WASN'T THE CAUSE...?

I thought it was normal with her being busy studying.

Recently, it felt like she was being a little distant.

...What?

Ouch!

How much did you drink before coming here? You reek of alcohol.

Gnn...

Come, Chika-san, if you don't change you'll wrinkle your dress.

Ah... Don't...

Geez. You've drunk way too much...

GRAB

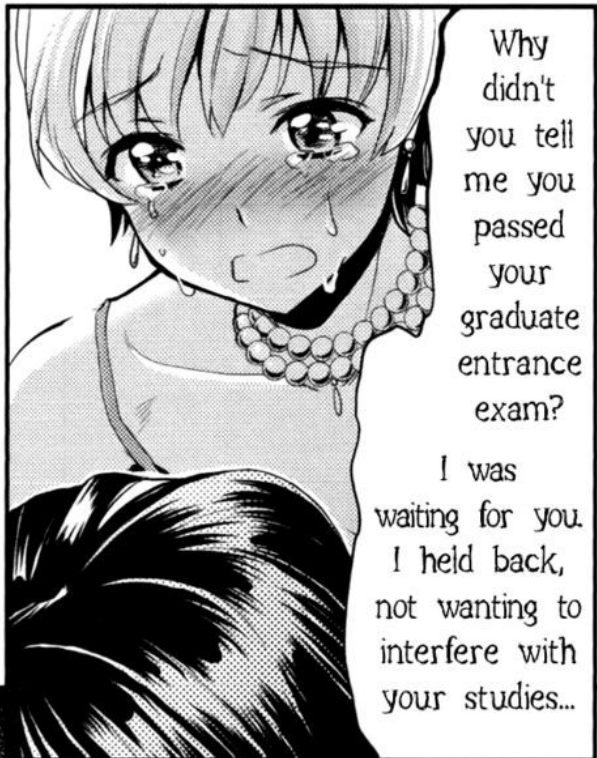

?!

...Chika-san?!

You've grown tired of me, haven't you?

Is it that you want to break up with me?

Why didn't you tell me you passed your graduate entrance exam?

I was waiting for you. I held back, not wanting to interfere with your studies...

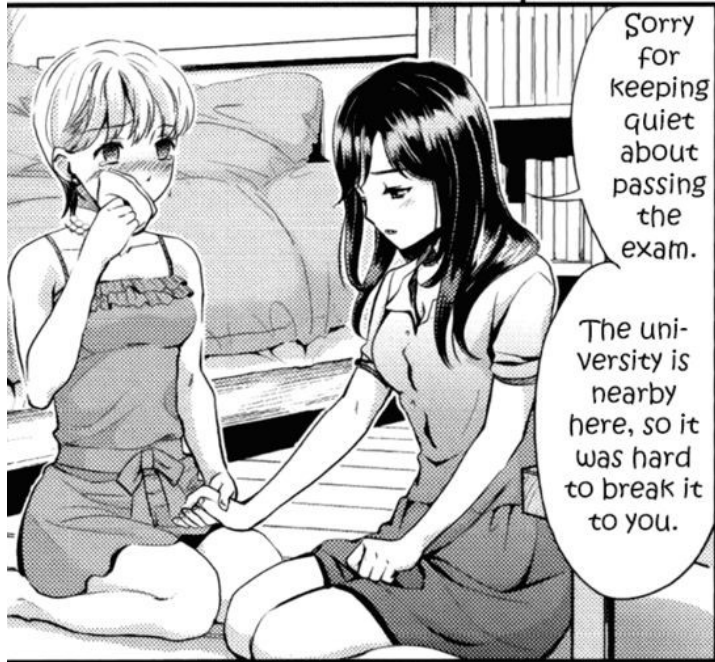

There isn't a future for us...

I'm too afraid to tell anyone. We can't get married.

What kind of frightening stuff is the alcohol making you say...?

CHIKA-SAN!!

Sorry for keeping quiet about passing the exam.

The university is nearby here, so it was hard to break it to you.

...Now calm down. I'll explain.

Huh? What does that have to do with anything?!

Being uncertain of the future can be said of anyone.

We had a wedding ceremony with just the two of us.

And those who want to be together regardless vow their love for each other.
