

Then,
tonight too;
at that Kouya
sacred
shrine...

Tonight's
a full
moon?

Yes

Yes, it's
northeast
of the
mountain

There are
spells that
suppresses the
demons that
lives in the
mountain

It's
a blessing
that monk on
that pilgrimage
came to this
village half a
year ago

Thus,
every month
we haven't
miss a casting
the spell

The demons
have not
cause anymore
racket.

うわあああああ

UWA
AH..!

Hi...

にやーんーんーん

Haa... It's fully stretched out and tender

ha...

ha...

ha...

Ok, Monk, come here and straddle **this**

Do I have to force you to penetrate you to my fill.

ah...
ahah...

Then slowly,
lower your
waist

I'm going
to enjoy
this slowly

AH...

AH...

OH...

AH..!?

I'm
determine
that

a more
wider space
would feel
better

ふん...

It's about
time I re-
move the
plug

But
anyway,
in that
case

ha...
ha...

ha...
ha...

but the
moon is
still out...

Oh?
rain...

たーん

That mysterious
moon, shine with
so brightly...

look,
there it
is again

サササササ

It's almost
like a
sunshower
