お手にとってくださいましてありがとうございます。ネムネムです。
今回もギリギリでしたが、気の向くまま少年忍者を描けて楽しかったです。
…といっても忍者”もどき”ですが。笑

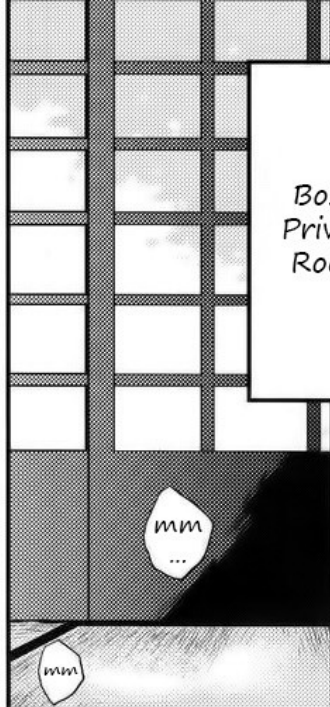

こういったハレンチ衣装はたまりません。
本当は恥ずかしいけど我慢している、みたいな設定だとなお萌えます。

またまた時間の関係で少ないページ数になってしまいましたが、少しでも
楽しんでいただけたら幸いです。
それではまた機会がありましたらよろしくお願いします。

You were so strong, but surprisingly you've become so honest with yourself!

You're doing all of this just to save your friends?

Your facial expression is so lewd!

Your technique has become extremely good!

Such a lewd little boy...

Oh!

Using my finger isn't enough for you, is it?

Mmm... Oh...

さす

ぬふふ

And this place is quivering with a desire to be filled...

つひ

Come. Beg for it like the spoiled brat you are.

くっ

Master, Please take your massive cock...

くほお

...and insert it into my lewd asshole.

Hello! This is release #3 on E-Hentai. I will be primarily releasing here, so if you're reading this and you aren't on E-Hentai, well, that's kinda how it goes... Haha...

Anyway, I hope you enjoyed this release as much as I enjoyed working on it!

See you next time!
