

Hahaha...
That's
ridiculous!
How could
that possibly
go smoothly?

Hmm... Should
I quit my job
and just go do
it?

If you were
to ask me,
I'd tell you
that this is
my home-
town.

This
unknown
land.

Filled with
new things
and new
people.

Every-
thing is so
unfamiliar.

But I
couldn't
stay away.
I felt very
homesick.

Ahh... I
really
want to
go back
home!

I
really miss
all those
friends of
mine and
those times
we fooled
around
together.

Ah...
Eh...
That...

...last
time...

Thanks
a lot!

Kimi's Hometown

Kimmi's Hometown

Is that so?

Oh!

Really? Wow! I also came here about three months ago!

Oh!

...about, like, three months ago?

I totally don't understand how this could be.

Yeah,

Wasn't it...

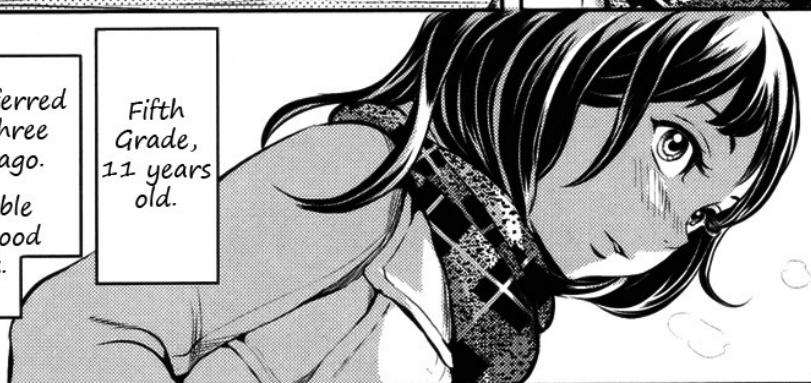

Yep~

...a local girl?

She transferred schools three months ago. Has trouble making good friends.

Fifth Grade, 11 years old.

We sat there for a while and I asked her all sorts of questions.

Her name is Yumeno Yumegumi.

She's a completely different age than I am, and the things on her mind are very different as well, but none of that matters.

Since the assigned seats changed last class,

But,

The person who sits next to me is from Ueno.

By fifth grade, everyone is already divided into cliques...

Her situation and mine are very similar.

We're able to talk to each other about the things that matter to us.

From then on...

friend?

be my...

Mr. Iizuka

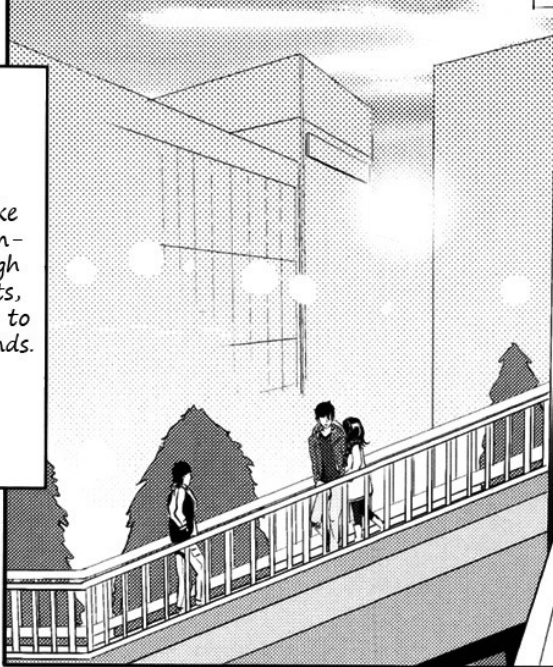

Please...

Could you...

We were like children running through those streets, adventuring to unknown lands.

Going wherever our curiosity guided us.

Whenever we both had free time, we would go around town, visiting all of the famous places in the city.

These kinds of things someone wouldn't dare to do alone. But when two people do them together, it makes for an incredible experience.

Where we would go would only depend on how we felt on the given day.

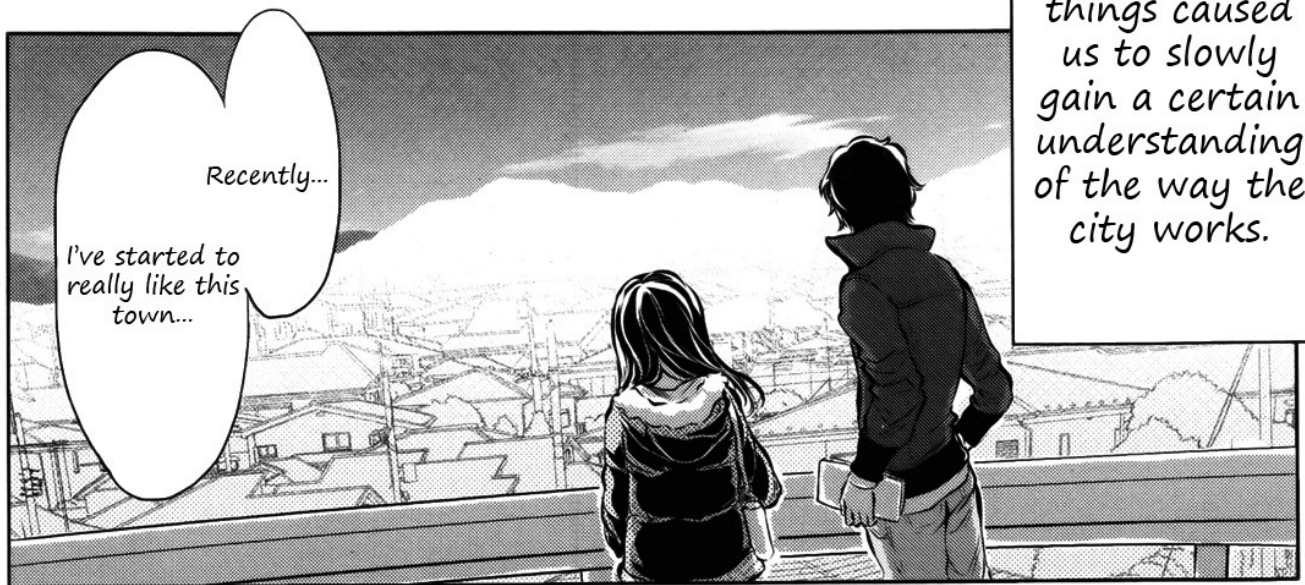

Sometimes we would just go out for something to eat.

Then we'd go shopping.

After that, we would eat a snack or dessert.

Recently...
I've started to really like this town...

Doing these things caused us to slowly gain a certain understanding of the way the city works.

Yeah!
They're pretty kind to us, huh?

Yeah...
I know, I know.
Finally, I feel like I could actually live in this town.
I'm also acquainted with a few shop owners.

...Mr Iizuka's Apartment, for instance...

.....

One of the scenic spots we haven't seen, or something like that?
There are still quite a few.

Where do you want to go today?

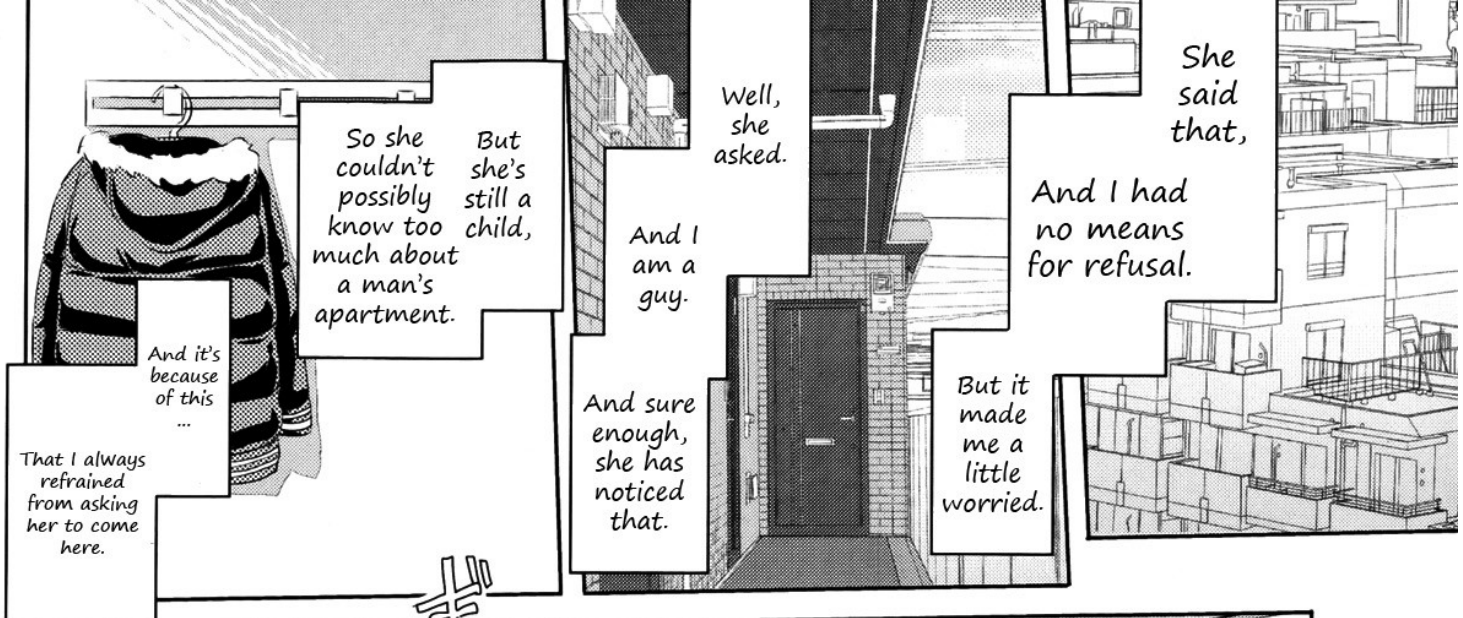

Oh?
Where?

Ah!
Can I make a request?

A place we haven't gone...

Huh?

She said that,

And I had no means for refusal.

But it made me a little worried.

Well, she asked.

And I am a guy.

And sure enough, she has noticed that.

So she couldn't possibly know too much about a man's apartment.

But she's still a child,

And it's because of this ...

That I always refrained from asking her to come here.

What should i do...

Sure enough, It got weird really fast.

Wait...
Kimi?!?

Or rather, unpredictable.
Contrary to reason, she started the conversation.

Until now, I've always...

Liked you.

...What's wrong with you?...

Mr. Iizuka...
I...

While from her mouth these words have come, I have already...

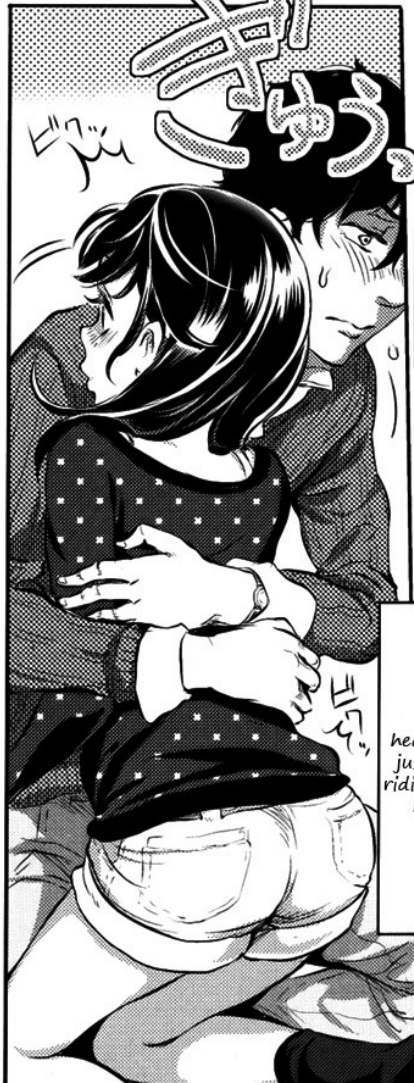

...but...

I should say something back to her...

...felt the same way, vaguely.

In fact, I also, from the beginning...

But I was always worried about if someone like me would be good enough for her.

Ah... Ah...
So...
Is this what love feels like?

In my whole life, I've never felt my heart beating so fast.

I...
To Mimi...

Hey...This development of feelings toward you ...

I can feel Mimi's heartbeat is fast too.

From below my hands...

Am serious.

You scared?

That...

Such a supple feeling...

ooh wah...

Oh...

Does it hurt if I rub them like this?

Ah...
A little...

If you want me to stop, just say so.

yeah...

A little...

Hi...
Hiroshi ...

There too...
Don't...

I can't
touch here
either?

Wha-?
Th-

That
place is a
little...

... is it
not okay?

...
touch
there.

Ah!

Mimi...

Don't
worry!

You look
super cute
like this!

... so
cute.

So...
only a
little...

It'll...
... make
me
go...

...
crazy
...

Really.

Really?

R...

And if your body likes it too, there's no problem.

So, Like this...

Wait a second!

Wait!

Ah! Ah!

EIIYAAAA

... ooh

Mimi...

You really are too cute!

AH!

oh!

oh!

It's just that...

...I already

squish
squish

Ah
Oh...

...you
scared?

It's no
problem!

woah.

I think about
sticking my
penis in her and
it makes me
think things are
moving too fast,
making it hard
for me to go
forward with.

Can I...
put it in?

...already
can't
control
myself.

Calm
down
...

I'll put
it in
slowly...

...hm

Ugh!
Ugh!

Egh

... eh!

Ah!
Ah!

Ah..
Just as I
thought...
It fits...

Woah!
...this is
great!

Hmm?

Hug...
Me...

I want...
You to
hug me...
Tightly~

I want
...

It hurts so
much that
tears are
flowing out
of her eyes.

How could
she possibly
be fine?

I'm fine
...

It's all
inside,
but...
Are you
okay?
Does it
hurt?

...ok.

Let's calm
down and
stay like
this for a
moment.

Ah...

R...
Really?

... yeah.

As
expected...

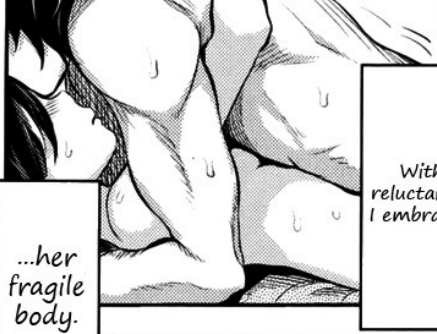

no
...

Makes me think...

Mhm..

Like this...
Two people, connected to each other ...

...her fragile body.

With reluctance, I embrace...

...?

Hiroshi?

As expected, it hurts a lot!

However... The pain still hasn't gone down.

Haa...

But...

...yeah.

We in love with each other!~ ... or so it seems.

As...

As they say, you've finally, become a...

man.

Mimi

....

I'm really happy!

Yeah!

Mmm ...

... yeah
I do too.

What ?!

Mimi ...

...I like you...

Mmm ...

smooch

smooch

Mmm ...

Mmm ...

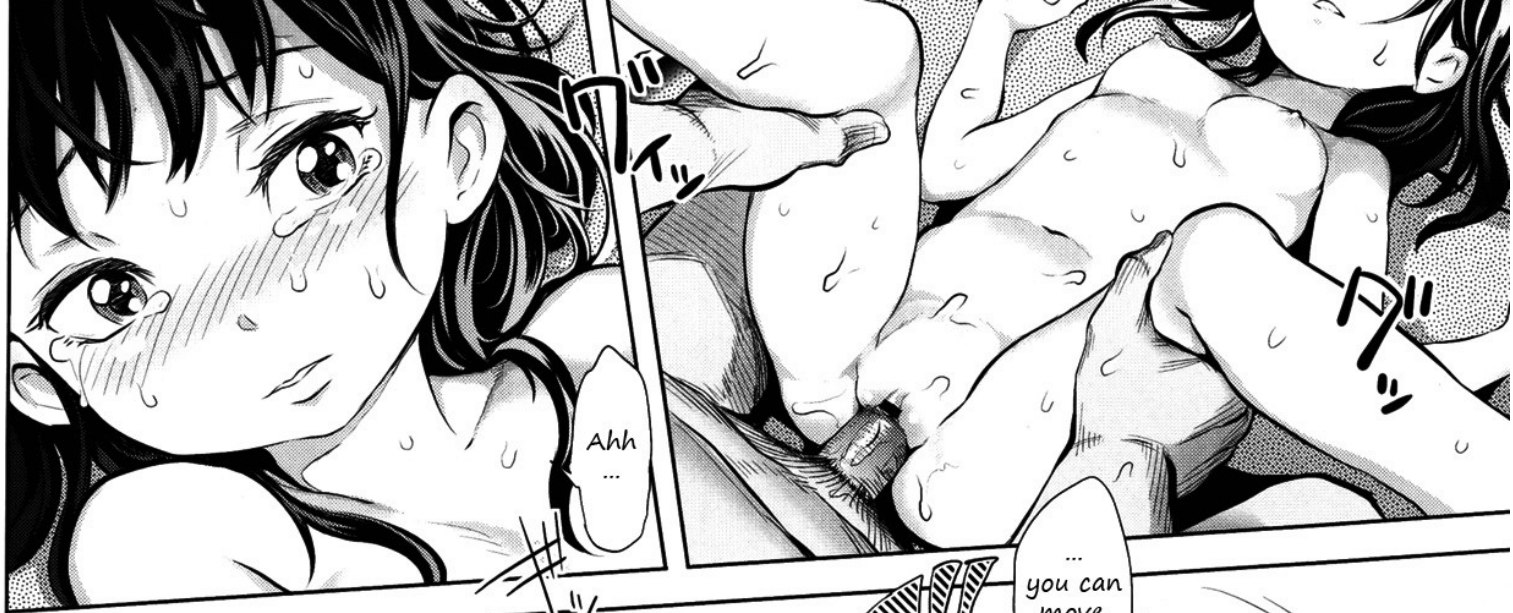

Ah ...

Mimi's...
Insides...

bump

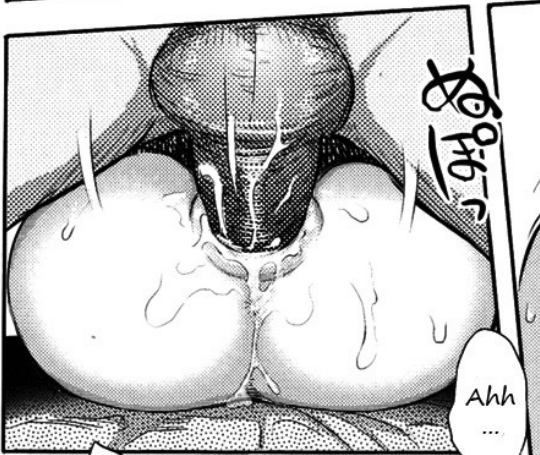

bump

...are so tight
that I need
to be careful,
or else I'll
come...

Ahh ...

... you can move.

Ahh ...

Oh... Oh...

Did it get... a little bigger?

... mmm

Ahh ...

Oh... Oh...

Eh... Ah...

...gonna come!...

Mimi
I'm about to...

...?
?

...come inside...

Can I come inside?

Can I...

Uh...!

YOU GONNA COME?!

Mimi ...
You really want me to come inside?

...okay.

Mimi ...

... really ...?

COME INSIDE!

OK!

Come inside... Yeah ...

Yeah!

OH
OH
OH

OH!
OH!

Ah!
Ah!

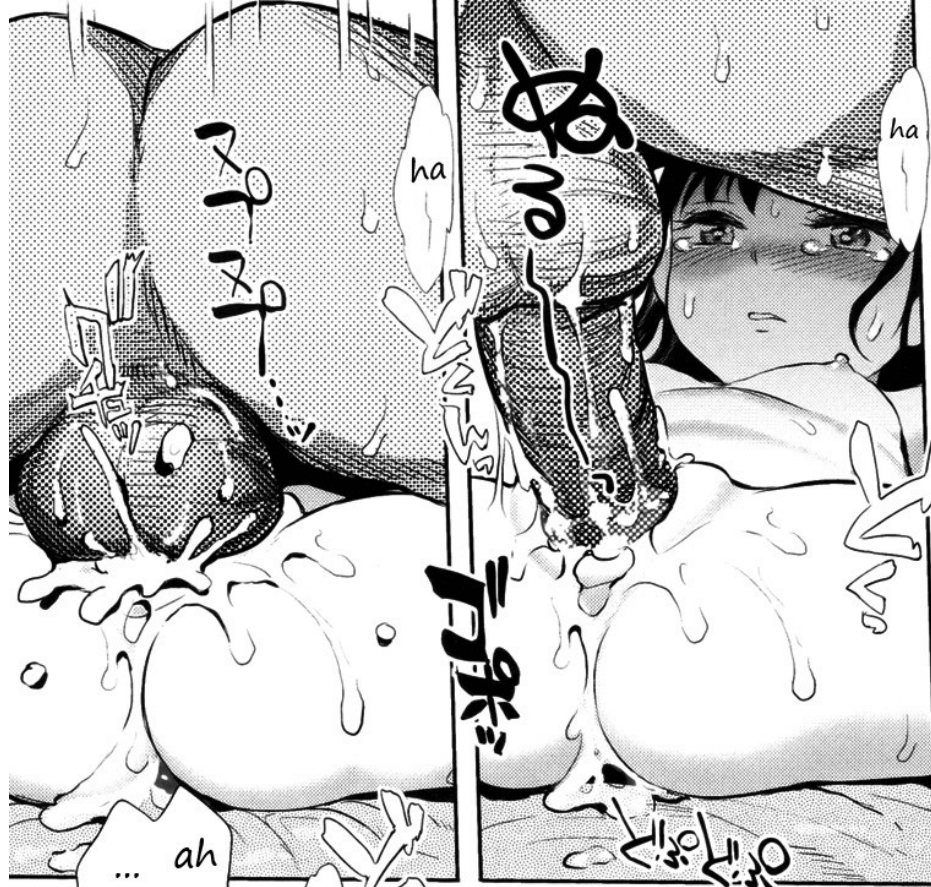

アハハハ!

OH
OOH

OH
OH

アハハハ!

Is that so? OH!?

It kinda does.

...it's already been four months... Since the day I moved here.

Oh... That... Does it still matter, after all?

Didn't you say you thought you had seen me somewhere before?

Think about it... The first time we met...

What?

ALRIGHT!

Just then ...

The girls in the park...

Just when I built up enough courage...

They were talking ...

Because being by myself was very lonely, I tried to make friends.

They laughed at me so much!

HEHE HEHE HEHE HEHE HA HA HA HOW ABOUT THAT?

I saw all the kids ...

It made me really upset.

And then, I started to cry.

I stepped in dog poop. And slipped.

And I landed on the poop.

Ah... I remember ... Very clearly...

It was a suit that I had just bought.

...I don't want to think about...

That

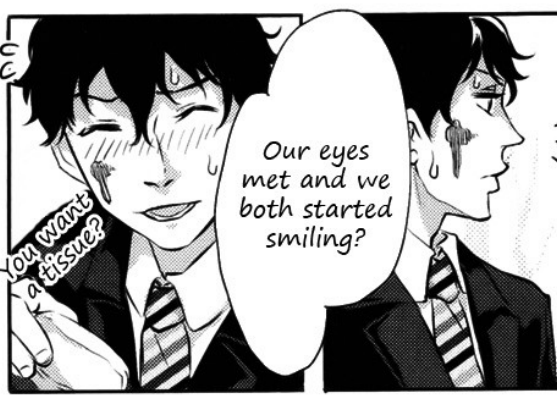

So it was you, at that time...

There was Next to you... another person who also stepped in dog poop, slipped and fell.

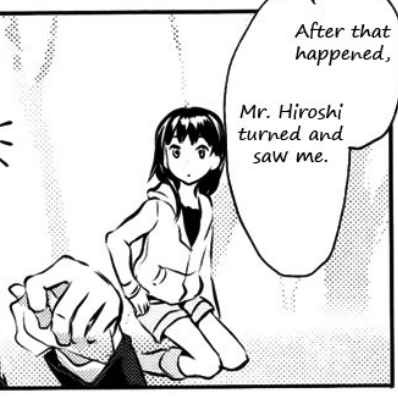

Suddenly, I felt at ease, and I stood up.

You want a tissue?

Our eyes met and we both started smiling?

After that happened, Mr. Hiroshi turned and saw me.

You know, it wasn't because we both stepped in dog poop that I helped you...

So I... ...really want to tell you...

Thanks!

Just now we both got dirty..

What a coincidence...

Who could have guessed?

Mimi
The person who should be saying thanks...
Is me.

...sorry.

You don't remember, but... At that time, to me, it was like a bolt from the blue.

...but so I could meet you again.

We've been able to get to know each other very well.

So...

But with just a little bit of courage,

That everyone always worries about the same things.

I certainly didn't notice at the time...

I wasn't aware that there were things as important as this.

If it wasn't for Mimi, I wouldn't have built up my courage.

I would have continued just as I was, becoming an even more useless guy.

Me!

And I wouldn't have been able to love someone as much as I do now!

If Mimi hadn't taught me the things I know now,

I wouldn't have been able to...

Love this city so much!

Yeah!
Mine too!

This is my favorite city!

End

We've been able to get to know each other very well.

So...

That everyone always worries about the same things.

But with just a little bit of courage,

I certainly didn't notice at the time...

I wasn't aware that there were things as important as this.

If it wasn't for Mimi, I wouldn't have built up my courage.

Credits Page

I would have continued just as I was, becoming an even more useless guy.

Hello!

This is my second H-manga release.

And I wouldn't have been able to love someone as much as I do now!

If Mimi hadn't taught me the things I know now,

This one is a lot less rapey and a lot more lovey-dovey, but I enjoyed working on it! :) I hope you enjoyed it too!

I wouldn't have been able to...

Please keep an eye out for my next release~

Love this little city so much!

-HavocAngel

This is my favorite city!

Yeah!

Mine too!

End
