I'm off

(name on the bag is Miyahara Soushi)

Geez,
you're so
careless

Sorry,
mama

You have
cram school
after so don't
be late

ok

ah, Soushi!
You're
forgetting
your PE
clothes!

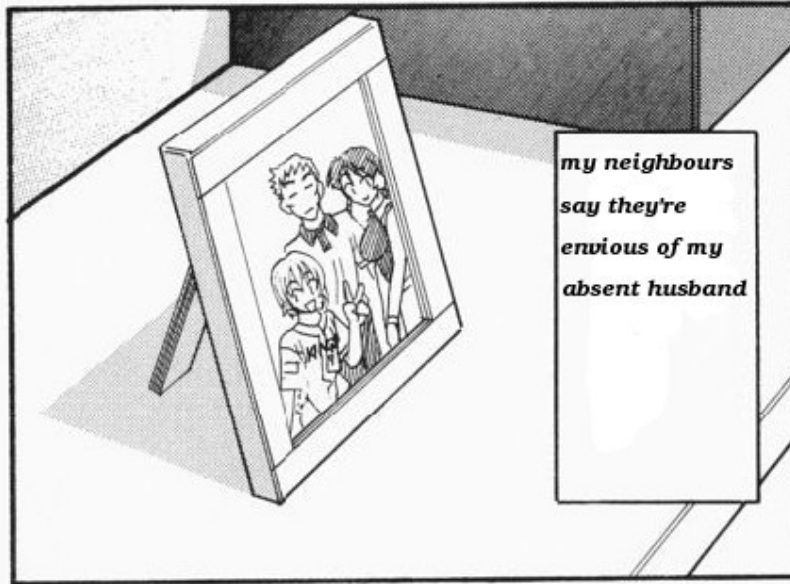

we don't
need to
worry about
money

it's just
been me
and my
obedient
son

my husband
has been
working
away from
home for
half a year

without him
around, the
only thing to
do is
housework,
everyday

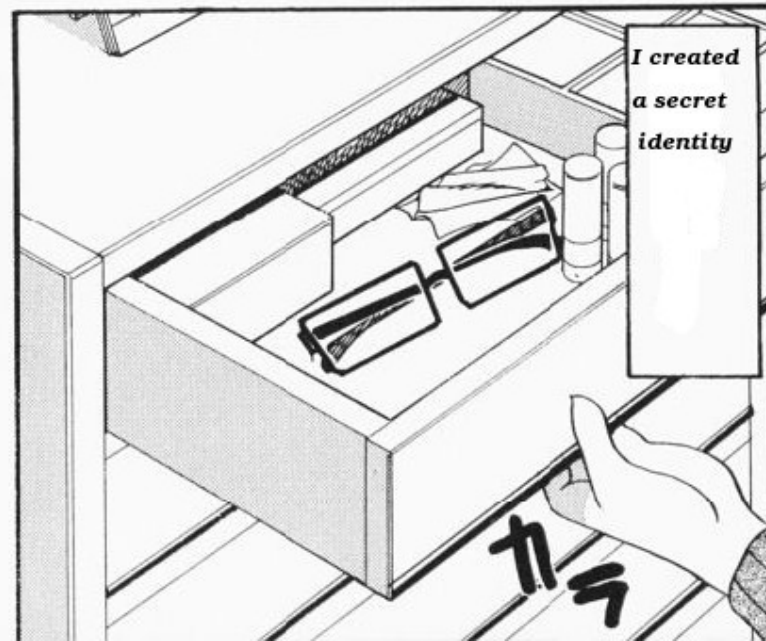

my neighbours
say they're
envious of my
absent husband

to add some
thrill and
excitement to
that dull
routine

but my heart
and body are
left longing

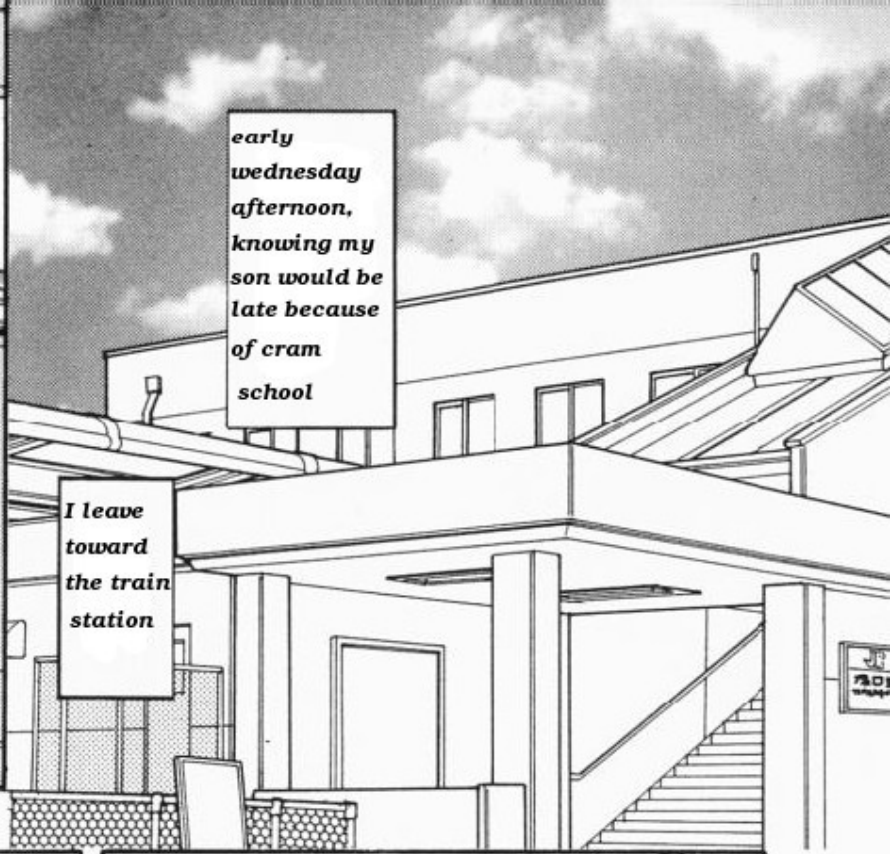

I created
a secret
identity

119

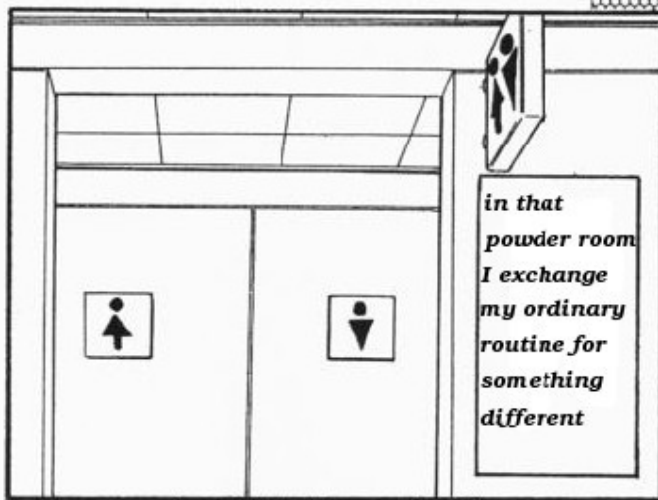

from there I take 2 trains

early wednesday afternoon, knowing my son would be late because of cram school

I leave toward the train station

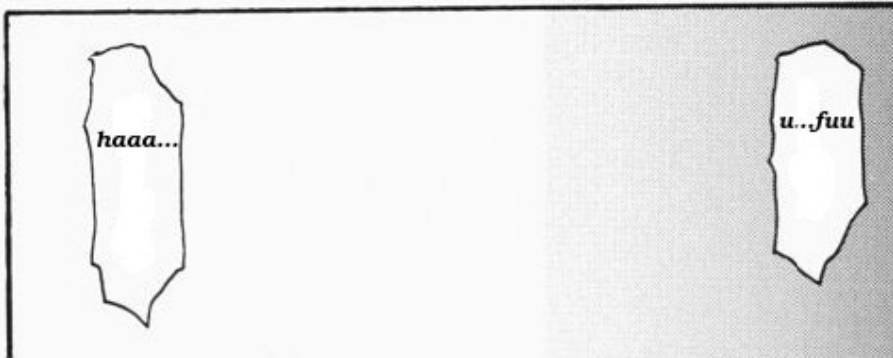

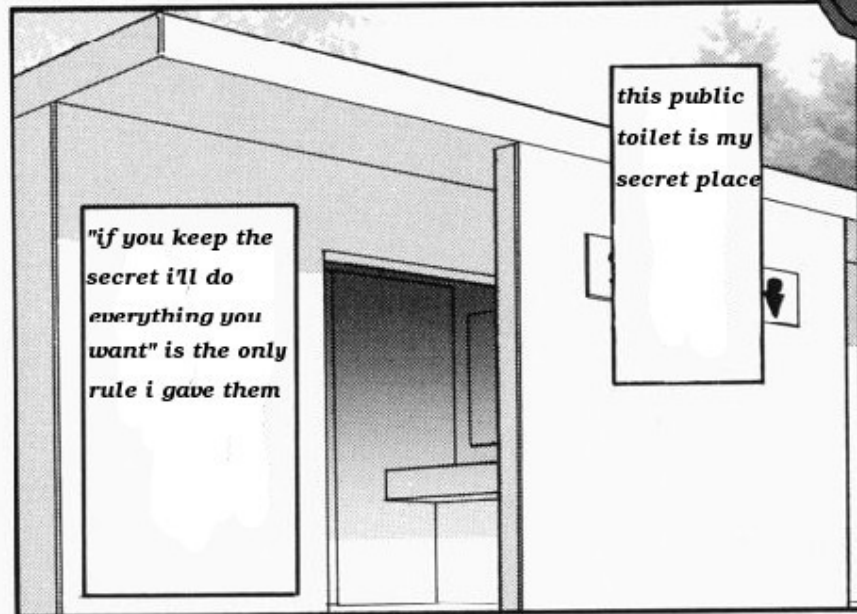

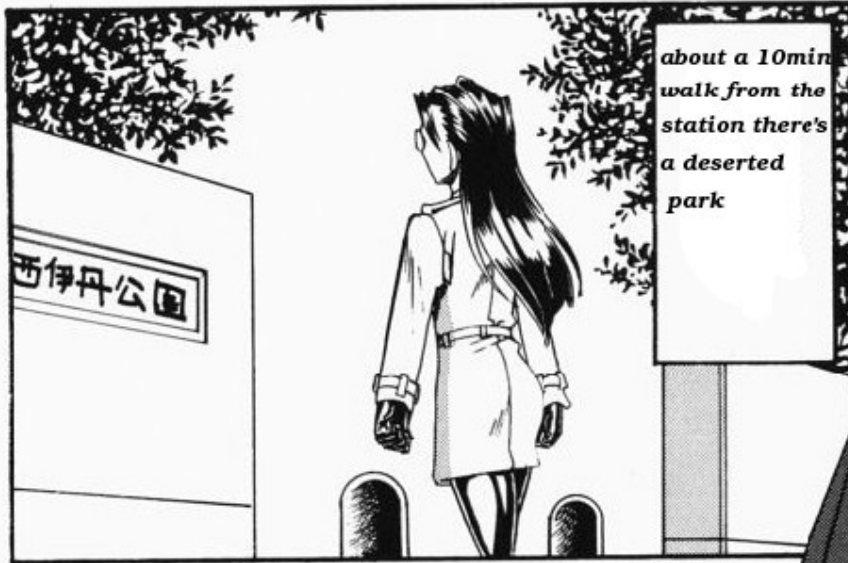

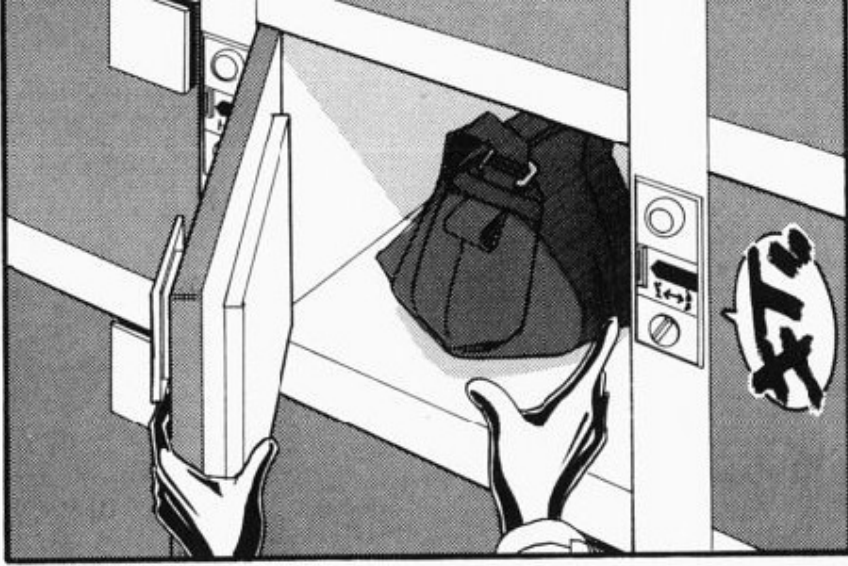

in that powder room I exchange my ordinary routine for something different

I get off at a station which doesn't have many passengers during the day

West Itami
West Itami

it's...
too
intense...

They wanted to
keep having
sex, so they
kept the secret

nmm

uwa...
oba-san...

fuau...

ku...
i'm about
to...

this
pleasure
won't
end...

Give us a bit of time to recover

We've... already done it twice...

This is my friend from cram school, Miyahara.

day...
I've stopped
going to
that place...

*When this door is opened...
the dull routine until now...
will be entirely changed...*

*I don't need to go
to that place
anymore*
