エストレージャ

★ESTRELLA★

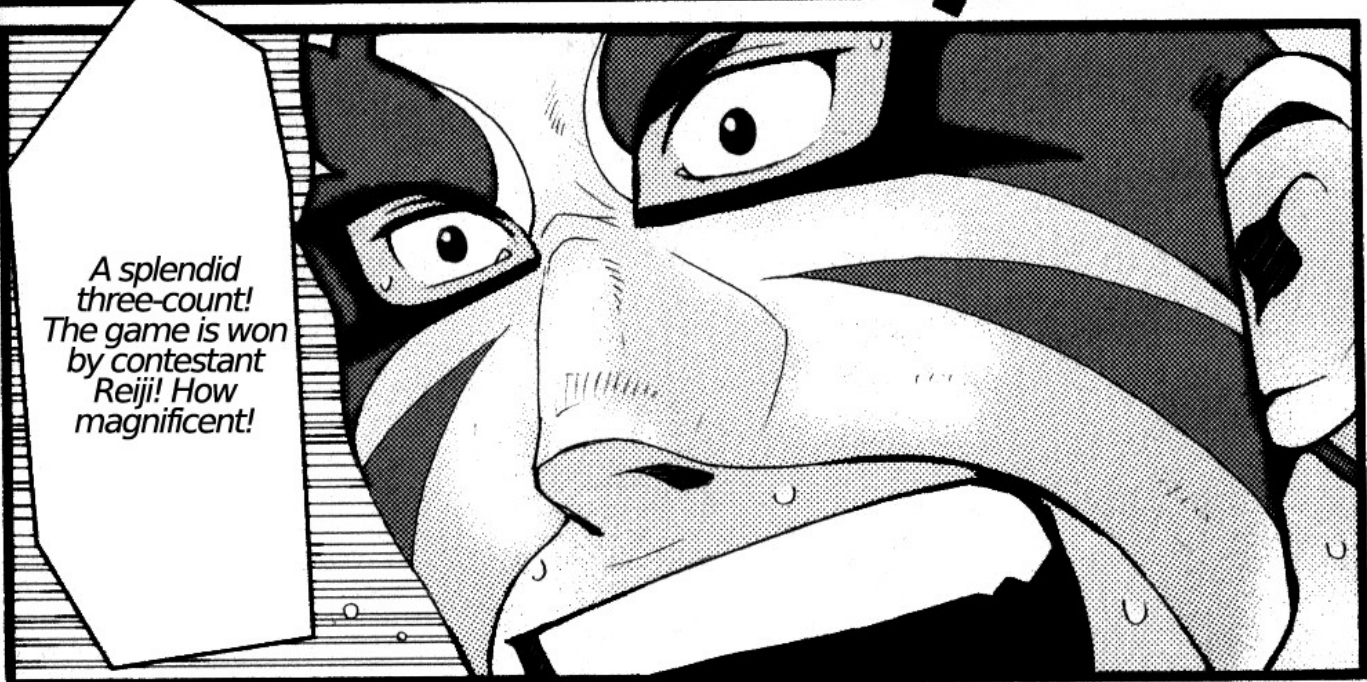

By Tsukasa
Matsuzaki

Now, the whole arena is astir! The trademark killer move of Reiji, the handsome masked wrestler that's also making huge waves as a multi-talented entertainer.

ダダダ!

SFX: Graaaaab

A splendid three-count! The game is won by contestant Reiji! How magnificent!

He's striking a vociferous pose in response to the enthusiastic cheers from both his male and female fans! He might be young, but he's glistening for sure! Compared to last year when there were many conspicuously empty seats, this year it's almost completely full! This is certainly the Reiji effect!

The whole arena is roaring! There are many young women sighted within the audience! Seems that contestant Reiji's popularity is skyrocketing!

We can surely look forward to contestant Reiji's future improvements from now on! It'll be a battle worth watching!

Let me embrace you, Reiji!

Kya-! Embrace me!

SFX: Yay, yay!

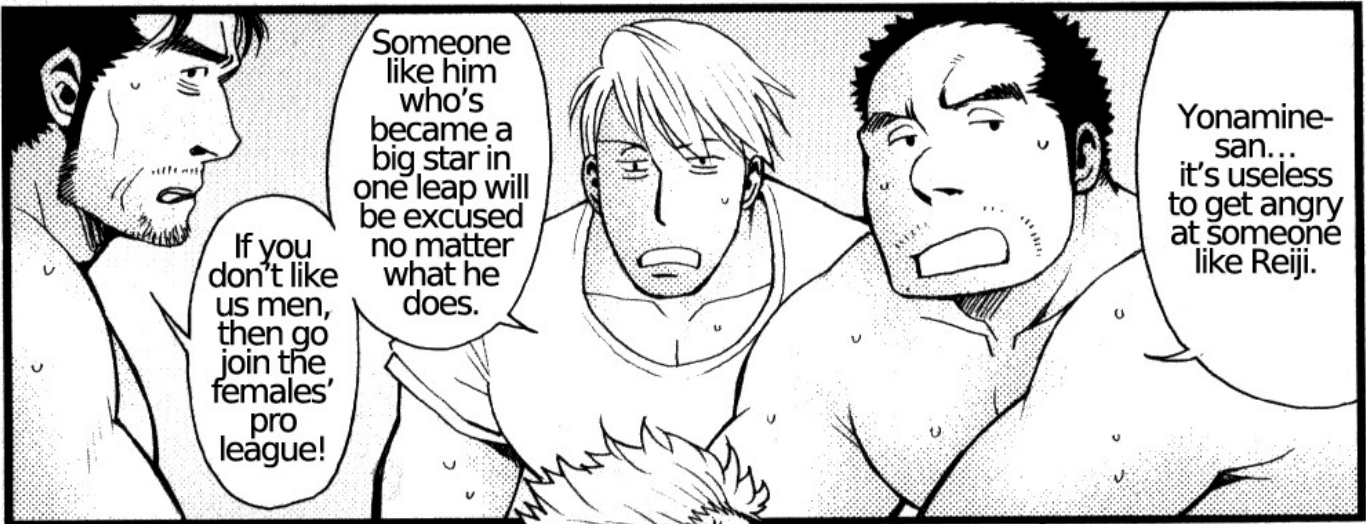

Eh? The postmortem review session is still ongoing? I have finished showering - so I'll take my leave first, senpai!

What's with that attitude!? And generally, showers are taken in order of seniority!

Please spare me from a meeting full of stinky, perspiring men!

Reiji! I was just thinking where you are, did you just say you're leaving? You should know that everyone's supposed to be present at a postmortem session!

If you don't like us men, then go join the females' pro league!

Someone like him who's become a big star in one leap will be excused no matter what he does.

Yonamine-san... it's useless to get angry at someone like Reiji.

Hey, you! That's so imprudent of you to say such cheeky things to your seniors!

I won't mind if any of you guys want me to look at your practices and offer you some advice, even on my own free time!

Aww... are you guys getting jealous on me?

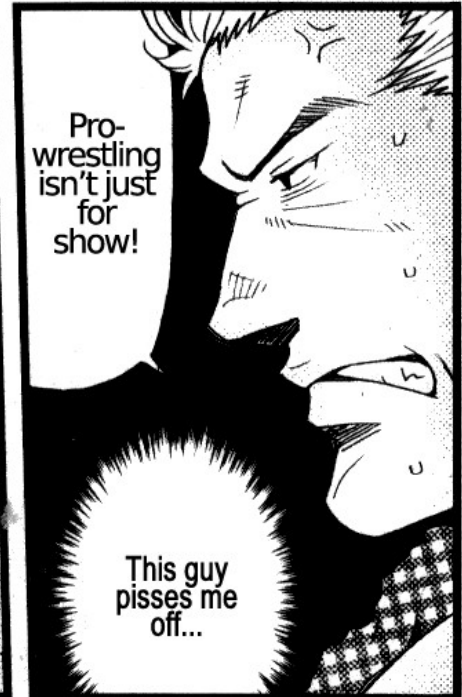

Isn't our work a form of entertainment? The most popular one is always the greatest.

Yonamine-san, you're such a nag!

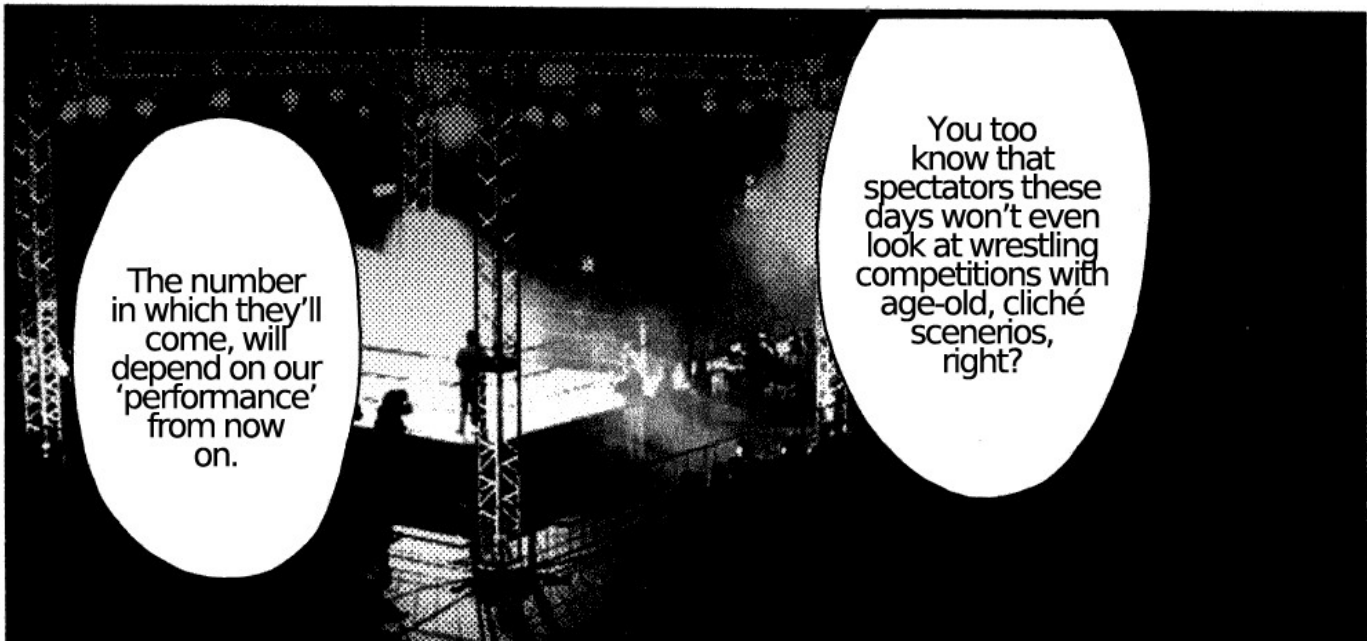

It's just because of your stupid labels, this industry has started to decline.

Pro-wrestling isn't just for show!

This guy pisses me off...

The number in which they'll come, will depend on our 'performance' from now on.

You too know that spectators these days won't even look at wrestling competitions with age-old, cliché scenerios, right?

I'm not someone who only knows how to talk, even this club itself, can't carry on like this!

Reiji...! you're stepping over your boundaries!

There was a period of time when you were popularly known as "the next Inoki or Baba" too, is it alright for you to bury your talents in this simple, plain, wrestling club?

Yonamine-san...

Anyway, for those senpai without good looks, how about dressing up in some cartoon character costumes and earning a few laughs that way?

Reiji, you bastard!

Yonamine-san, you can be a bear, hahaha!

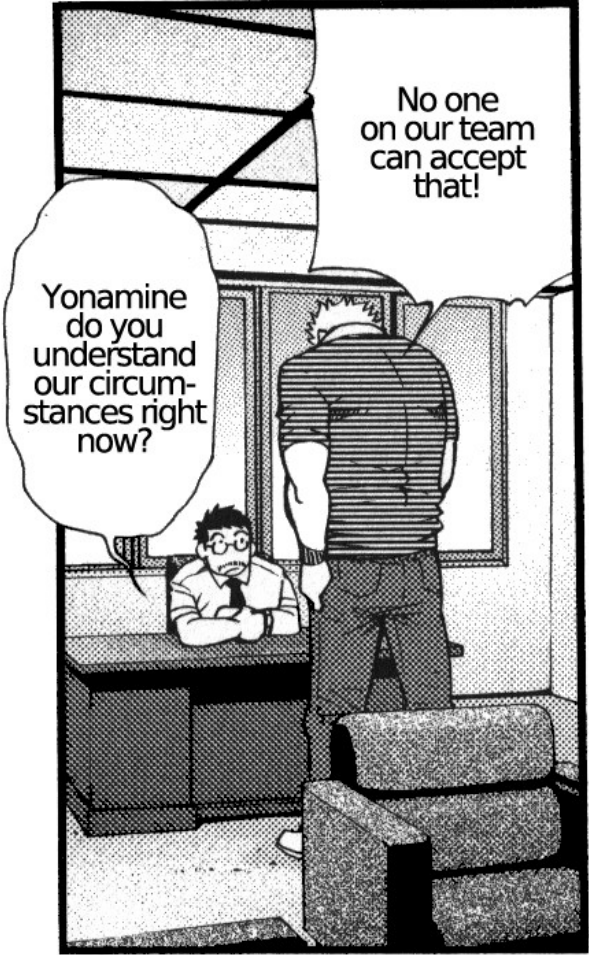

Ah, I'm keeping the magazine reporters and the TV station staff waiting next door! So then, if you'll excuse me~

Reiji!
I'm going
to propose to the
club president
to fire you!
Remember
this!

President!
I've had
enough
of Reiji
already!

SFX: THUNK

Yonamine
do you
understand
our circum-
stances right
now?

No one
on our team
can accept
that!

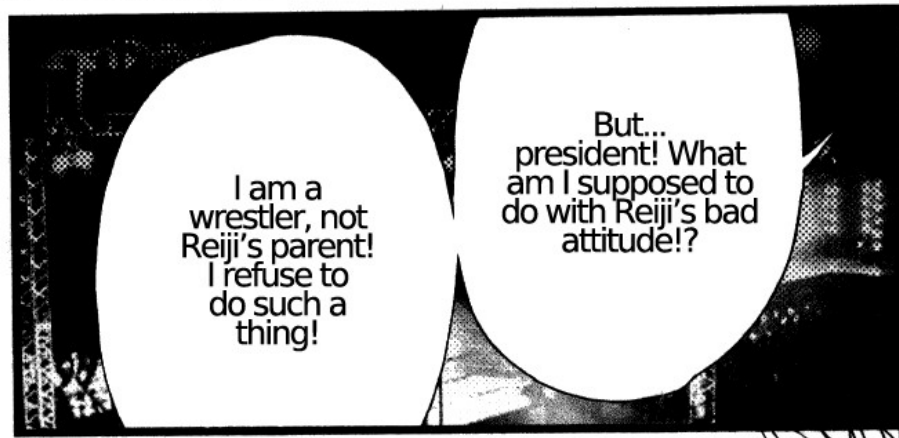

Aren't
you giving
him too much
special treatment
already!? Even his
pay is too much
higher than that of
our mid-level
wrestlers!

If you do, then as our oldest veteran, you should teach him to compromise and make sure that he gets along with all the other members too...

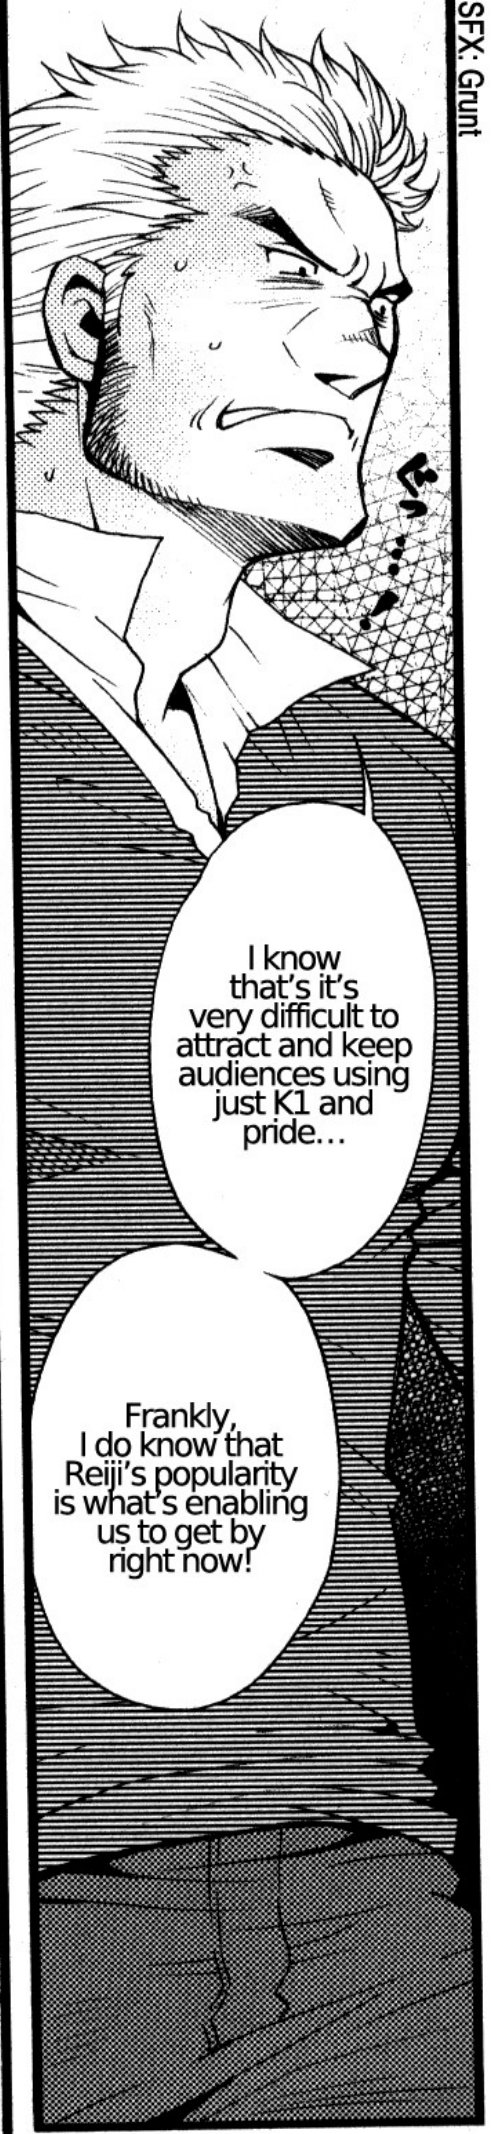

I am a wrestler, not Reiji's parent! I refuse to do such a thing!

But... president! What am I supposed to do with Reiji's bad attitude!?

I think it's quite the reverse. I am the one that's supposed to educate Yonamine-san.

Reiji!?

I know that's it's very difficult to attract and keep audiences using just K1 and pride...

Frankly, I do know that Reiji's popularity is what's enabling us to get by right now!

Too bad, I am the one who've made an appointment first. The truth is that I've had enticing offers from other clubs, asking me to switch over to them instead, however, if you will accept **my** conditions, I will stay.

I'm the one who's currently talking to the president!

Please understand, Yonamine. If Reiji moves to another club now, our own won't even be able to maintain itself anymore...

That's right... we'll be changing Reiji's contract, he won't be just a wrestler anymore, he'll manage the club as a producer... in other words, he will be your superior.

Reuji!

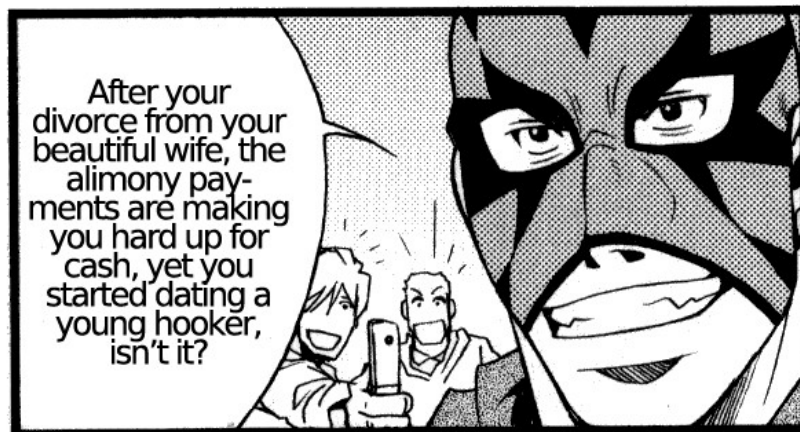

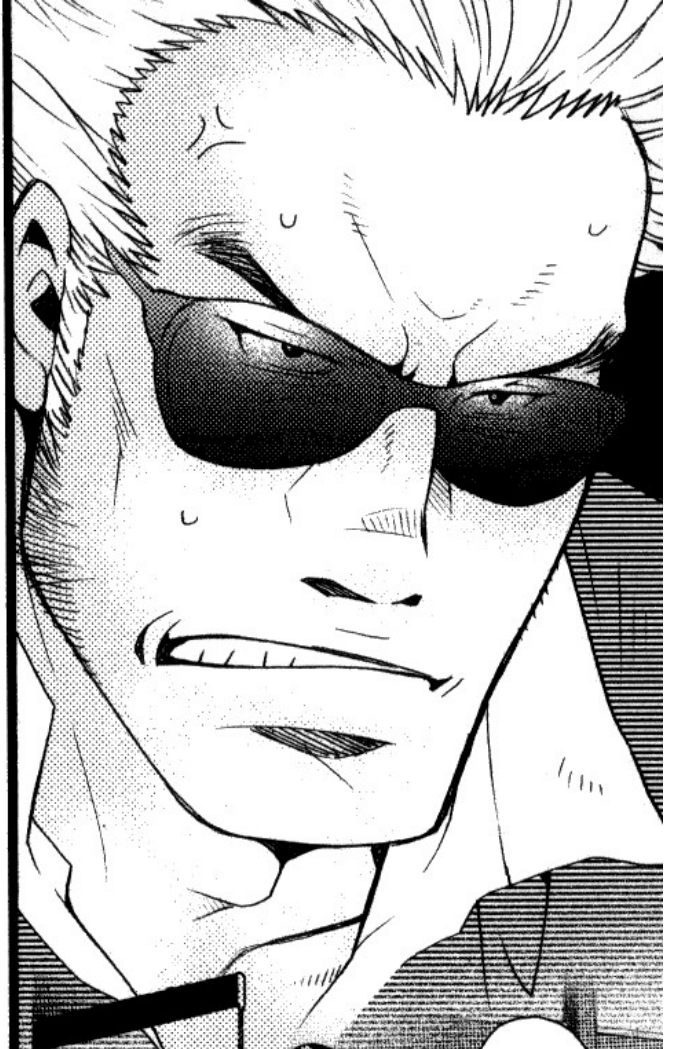

Please abide by my performance plans! I'm looking forward to it!

What!? He as a producer?

I'm not going to be a stepping stone for you to look better! And I'm not one who fools around with women!

Are you going back already? Let's go discuss our future plans, at some place with some ladies for company?

After your divorce from your beautiful wife, the alimony payments are making you hard up for cash, yet you started dating a young hooker, isn't it?

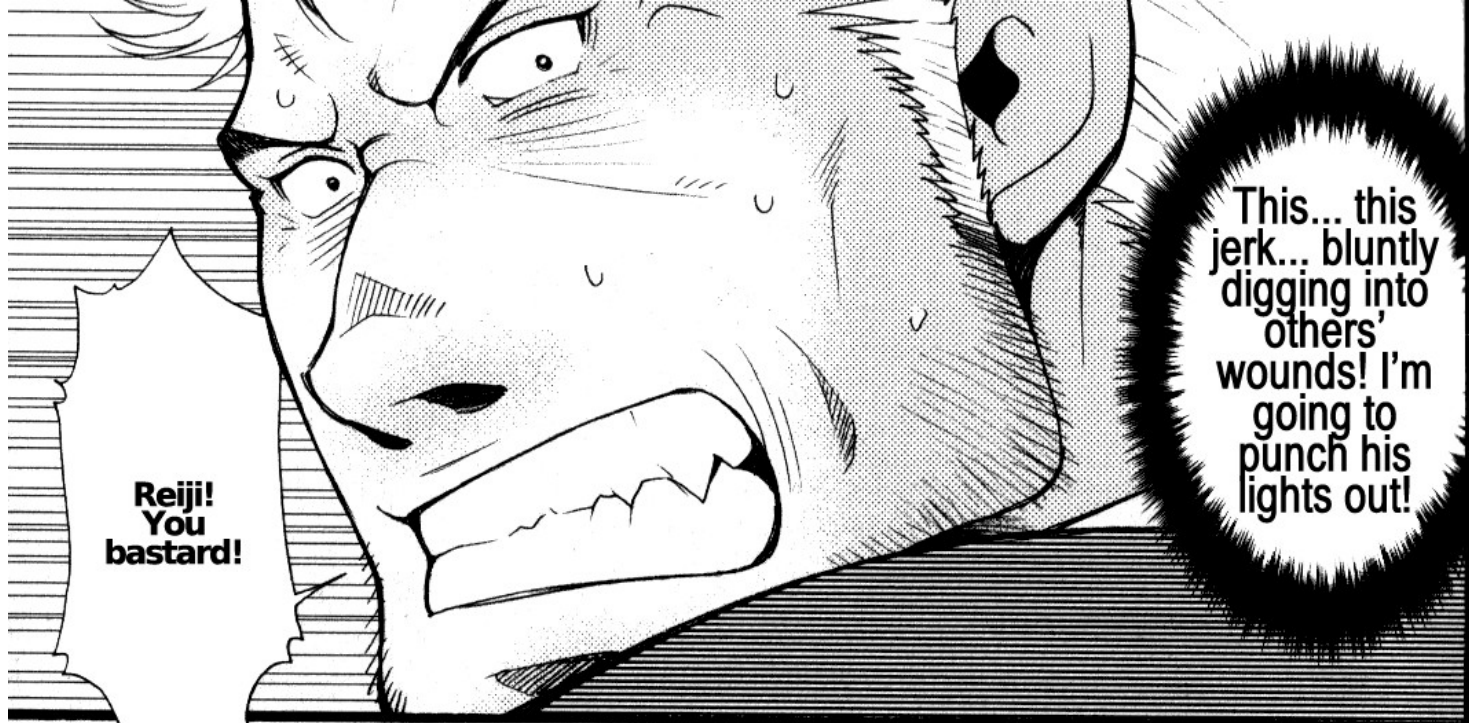

Wait, Yonamine-san~

Shit! To think that I'm going to be ordered around by this green-horn...

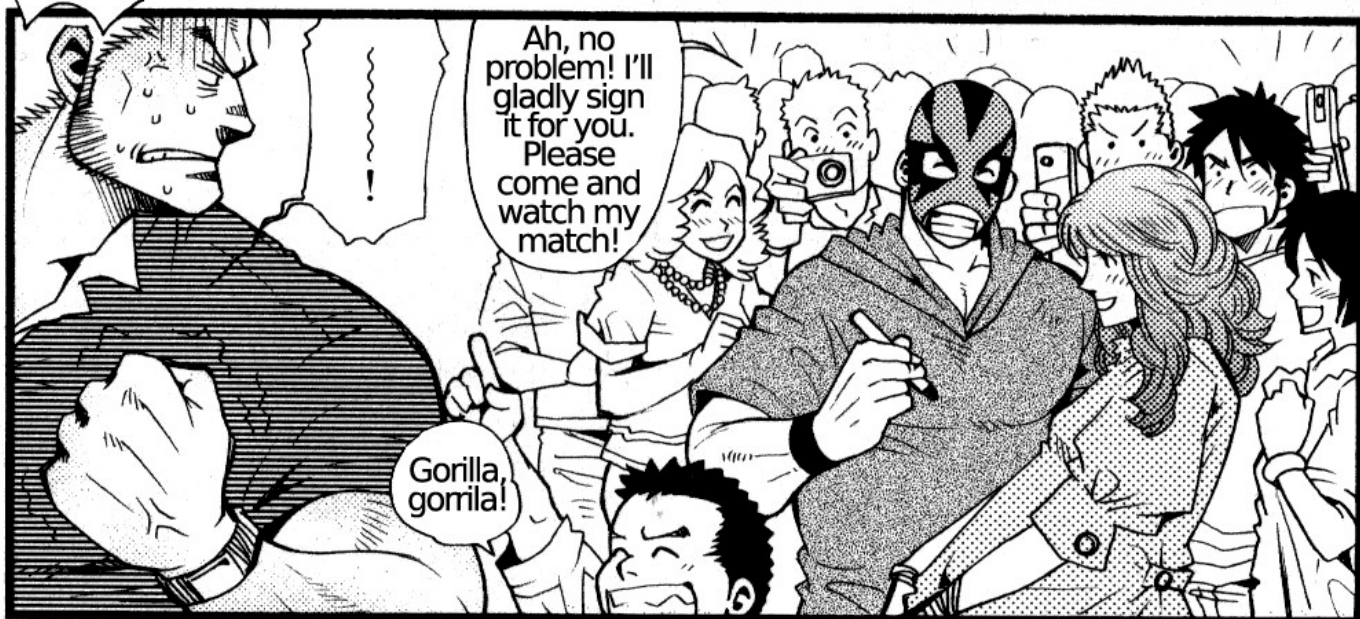

But that girl left you too, so you went grumbling to the president about your loneliness from having to sleep alone, isn't it?

Reiji!
You
bastard!

This... this
jerk... bluntly
digging into
others'
wounds! I'm
going to
punch his
lights out!

Ah, no
problem! I'll
gladly sign
it for you.
Please
come and
watch my
match!

Gorilla,
gorilla!

I hate it,
but I have no
chance but to
go along with
his games...
but anyway,
he'll screw
it up soon
enough...

I am damn
pissed off, but
if I'm kicked
out from the
club now, an
old geezer like
me is unlikely
to get another
contract.

It's a sudden change of style, but I think they've gotten the heart of the spectators!

Hmm... indeed, there hasn't been such a large audience for some years now.

What does a greenhorn like him know about pro-wrestling!

Although there are many fans of his stoic style, he's really suited for this role!

Especially the rampage of the normally traditional veteran, Yonamine, who's playing the bad guy - that was particularly stirring!

Commentor Kunimatsu-san, what do you have to say about the numerous surprises tonight?

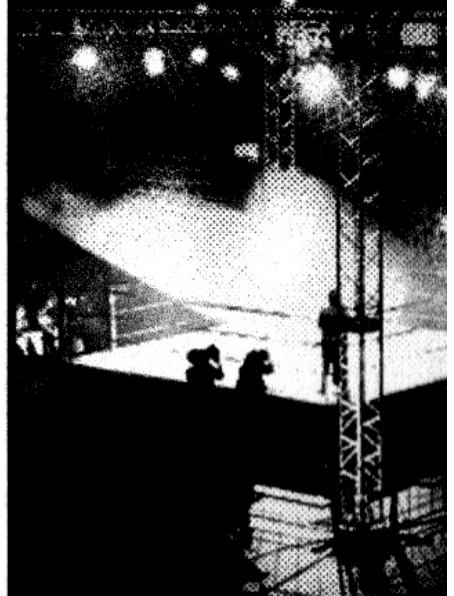

Yonamine is unstoppable tonight! He's just easily thrown the newbie Uchidou onto the mat!

pant
pant

The number of spectators is also abnormally large this time!

Will he
be able to stop
Yonamine?
...ooh! Yonamine!
He's attacking Reiji
with his elbow, that's
against the rules!
Reiji... he's
bleeding!

Uchido is down!
The tremendous
strength and
power of
Yonamine right in
front of us!
And now, Reiji's
intruding!

As expected
of a veteran
like him, he
can do
anything!

Looks
impressive
but it's just a
small scratch
on my lips,
what great
technique!

The
arena's
filled with the
spectator's
boo-ing on
Yonamine! And
ofcourse cheers
of encoura-
gement for
Reiji!

*Reiji's
kick was timed
beautifully!
Yonamine's
down! Oh no!
He's standing!
He still stood
up!*

*And
Reiji's now
continuing his
attack! He's
down again!
Can he get
up this
time?*

*Why do
I have to go
according to your
scenario!? Did
you think that you
can knock me
down that
easily?*

*Reiji's
leaping down
from the top rope!
Yonamine's tightly
guarding himself!
Will this be
the decisive
move?*

*You've been
happily
engrossing
yourself in your
role, but you'd
better not persist
and forget your
job now, old
geezer!*

U-
Uhhh...

S- shit...
My body
feels like
it's gonna
fall apart...

Oh!
You're awake
already? You're
indeed
tough!

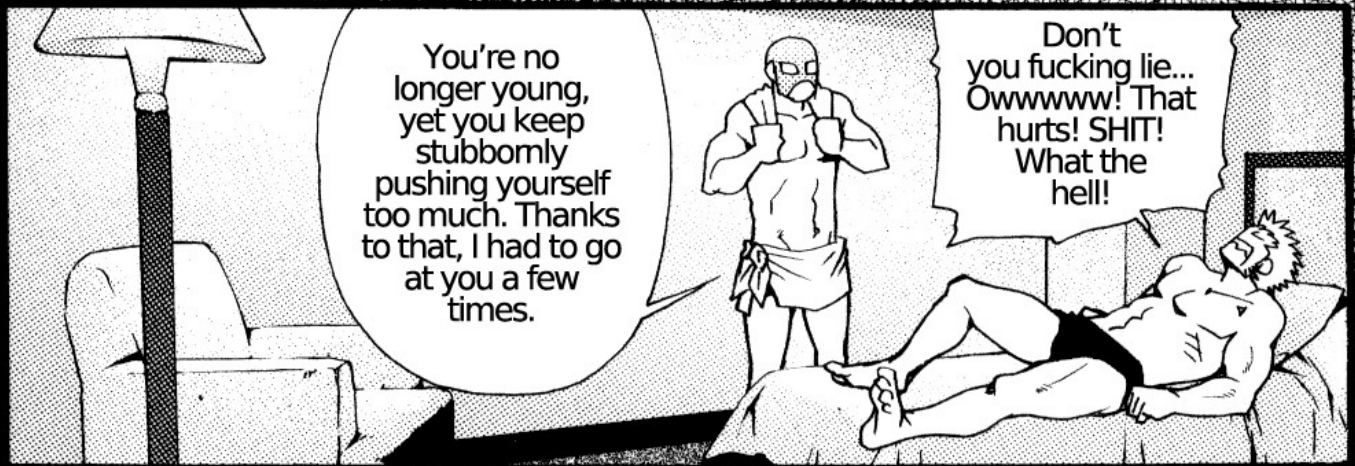

Where
...am I?

It's better if you don't force yourself to move around? The doctor said that you were too reckless, you're apparently pushing your old injuries to the limits of your tolerance for pain already.

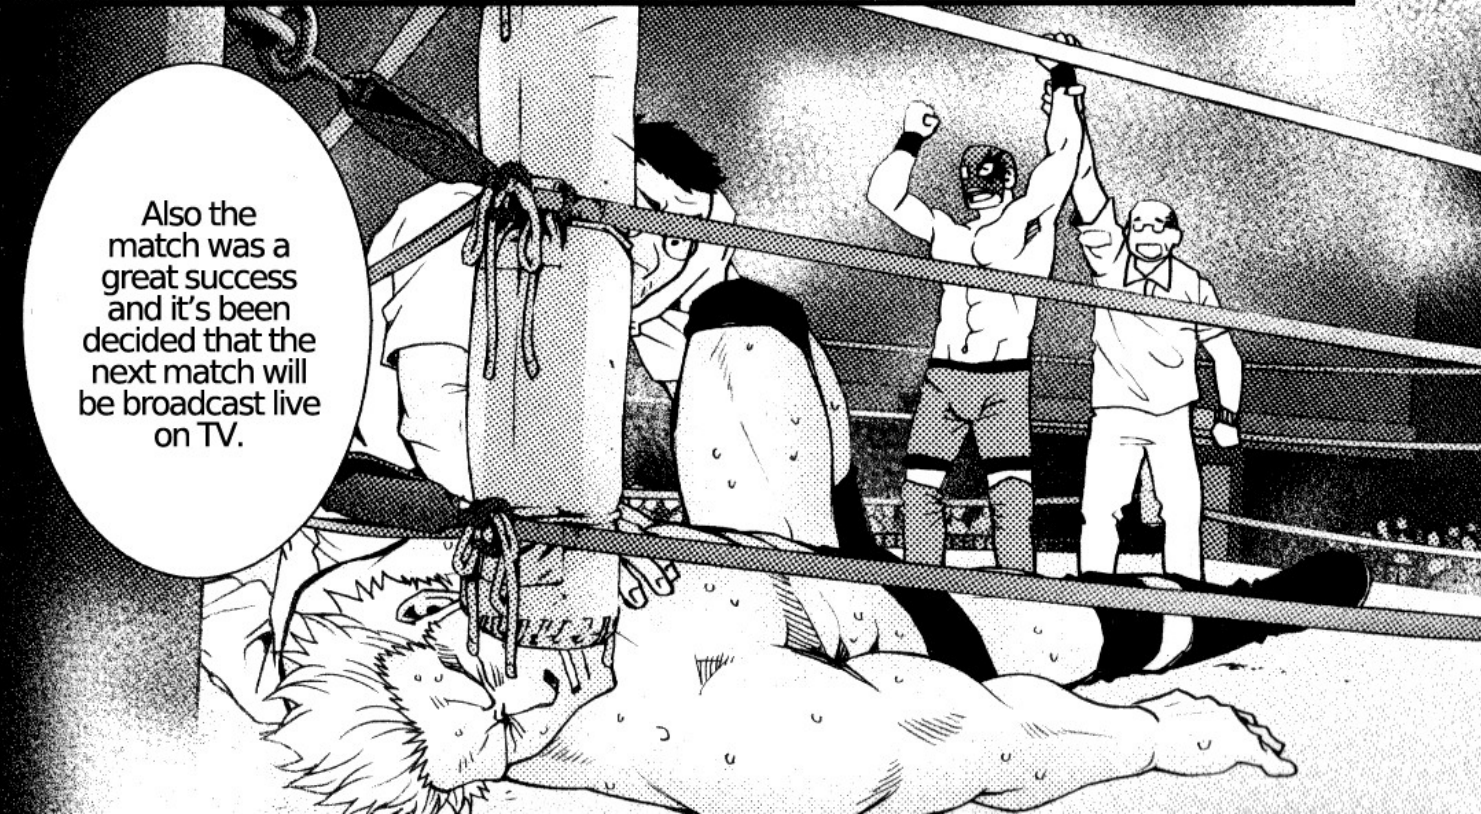

Reiji...!? Why are you here?

twang

You're no longer young, yet you keep stubbornly pushing yourself too much. Thanks to that, I had to go at you a few times.

Don't you fucking lie... Owwww! That hurts! SHIT! What the hell!

Also the match was a great success and it's been decided that the next match will be broadcast live on TV.

This is the hotel next to the arena! I am going to collect my "special bonus" right now.

Huh!? Hotel? Special bonus? What are you talking about?

That wily old fox of a president had promised me that if I don't transfer but stay on and accept the post of producer, and succeed... Yonamine-san's private life will also become mine.

Huh!? What the hell was that! I've never heard anything about it... and what!? Y- you're a homo!? Uwa! Don't touch me!

You're that "bonus".

Shit... that means in the end, things will go according to his plans...

Ah that's good then... by the way, where exactly is this place? I'm going home, so call a taxi for me.

I can't do it with a man!

Hey, let go of me you coward asshole... taking advantage of me when I can't move!

Don't take it off...! Oww, my waist, it hurts! Reiji, let go of me!

SFX: Pull! slip

Don't be such a noisy brat, Yonamine-san.

SFX: Throw

E- even if you do such things, I will not get hard!

Whaaa! Let go! Don't touch me! It, it's disgusting! **Stop it!**

SFX: Spurt

You have all this vigor, yet because of your women shortage, it's been a long time since this place has seen any action...

It's for the sake of the club, you know? Give up and become mine.

SFX: Squelch, squelch; slip ->

Now, shall I apply some insurance, just in case?

#2...

Strech

So just from a little rubbing, it's already like this... looks like you can get hard with a male partner too?

gn! gn!

A rubber tube...?

SFX: Squelch, squelch

Ah-aah! Don't touch it, you stupid-idiot!

Reiji... S-stop!

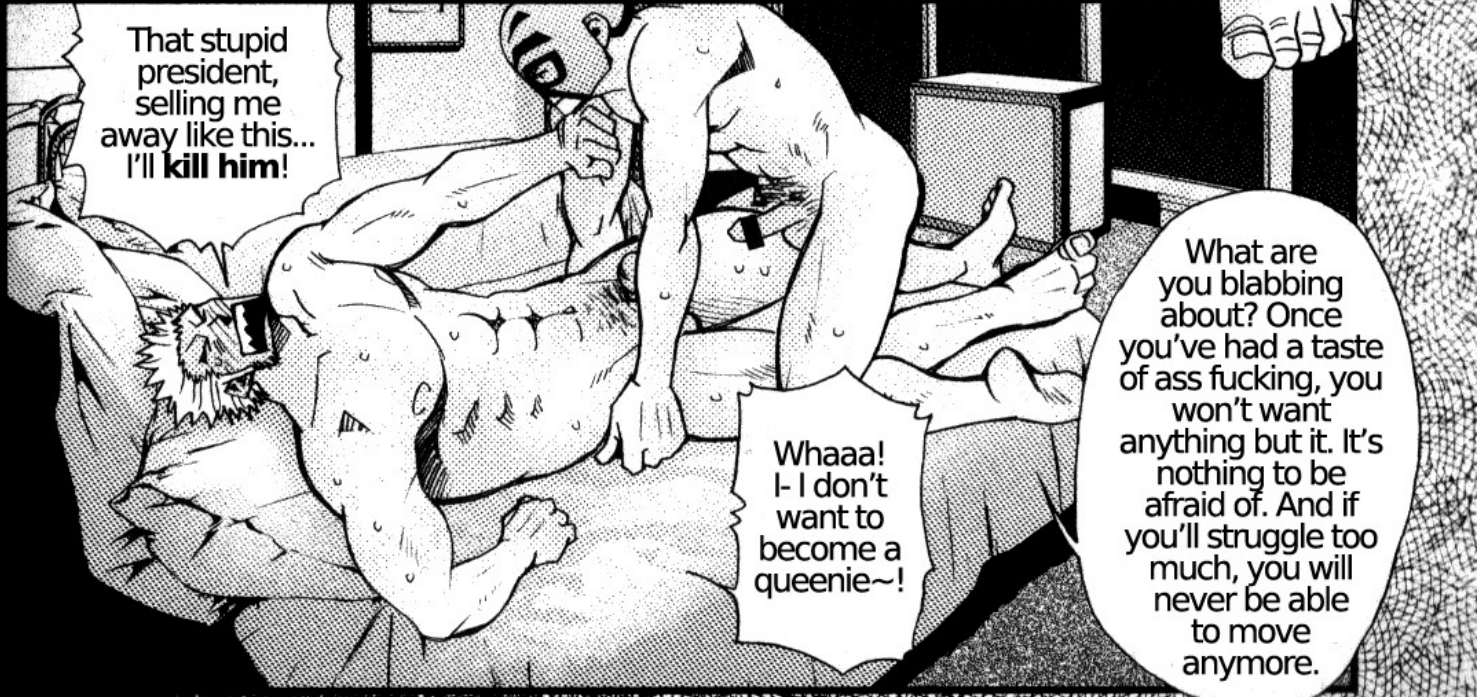

SFX: Grind, grind

You don't know when to give up, do you? I'll make you feel good, so just give up!

P- please...! Anything but ass fucking! That's damn gross!

That stupid president, selling me away like this... I'll **kill him!**

Whaaa! I-I don't want to become a queenie~!

What are you blabbing about? Once you've had a taste of ass fucking, you won't want anything but it. It's nothing to be afraid of. And if you'll struggle too much, you will never be able to move anymore.

Nha?

squelch

Shit!
I'm going
to get
fucked.

A- a
wonderful
feeling
is
coming
from
my
cock!

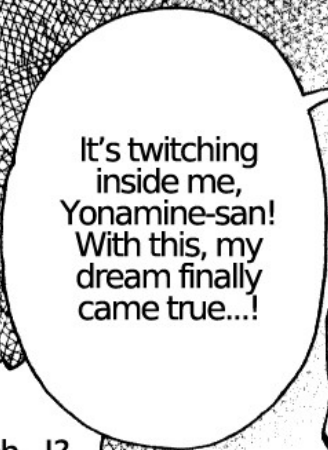

Wahh!
W- what
is
this...!
What's
going
on!?

SEX: Squeeze, squeeze

I-I have
always
been
in
love
with
you.
That's
why
I
made
up
my
mind
to
become
a
wrestler.

Eeeh...!?
D-
dream?

It's
twitching
inside
me,
Yonamine-
san!
With
this,
my
dream
finally
came
true...!

Unn...
such
great
size
and
hardness!
A
good
"sword"
indeed.

It all went well, as you can see.

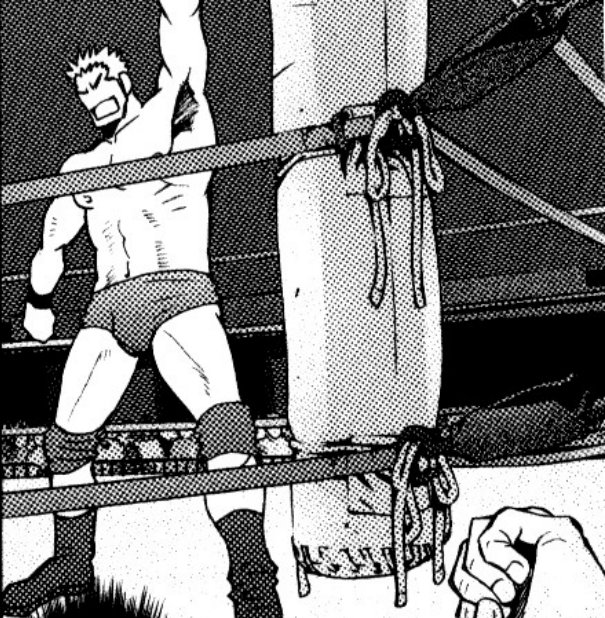

I wanted to become someone that's on the same level as you...

A long time ago, when I first saw your debut...

So, I became a wrestler.

I fell in love with you at first sight!

Bit by bit, I got closer to you... I'm gay, so I wanted you. I have been waiting for a chance like this in so much time!

You damn bastard!

Stop fucking kidding me!
You're just discharging your own feelings...
Think of my feelings too, for being made to cum in your ass!

You might have some resistance against a male partner, but it's fine. You are quite talented, as you haven't softened my ass at all!

SFX: Grab, creak, creak, creak

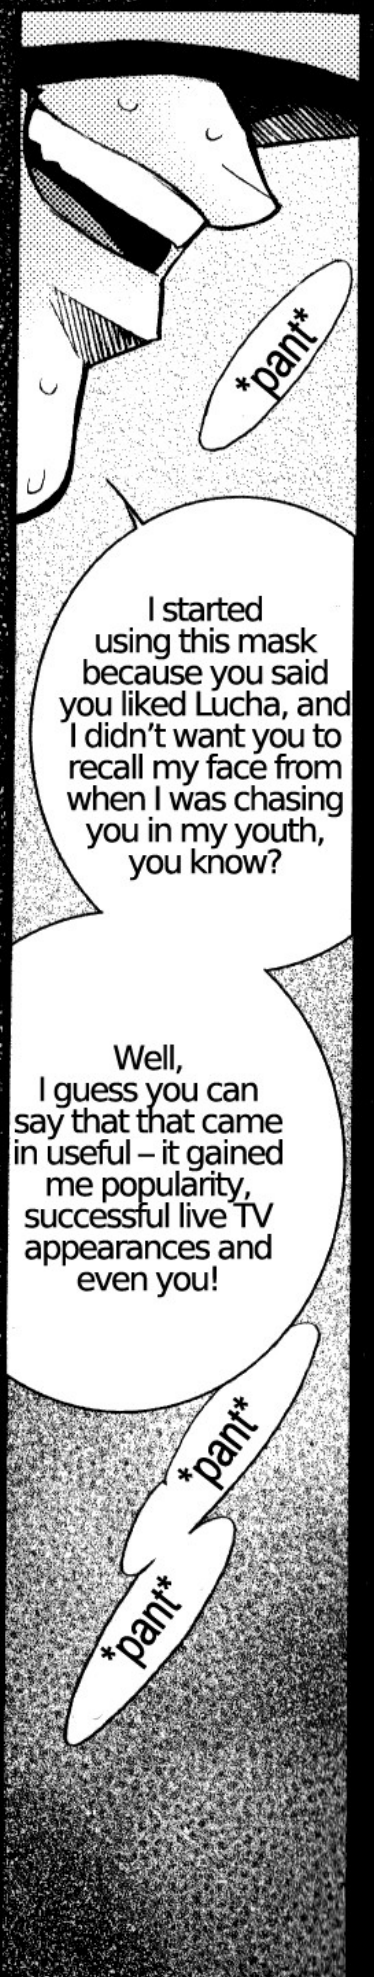

Shit!
Why are you so overbearing— Hey!
Stop moving your waist... or I'm gonna cum!

SFX: Grit, grit

I inherited my stubbornness from your fighting style too... It'll be fine if you cum!

SFX: Creak, creak

I started using this mask because you said you liked Lucha, and I didn't want you to recall my face from when I was chasing you in my youth, you know?

Well, I guess you can say that that came in useful – it gained me popularity, successful live TV appearances and even you!

pant
pant

Aah,
that feels so
great!
Yonamine-
san's inside
me!

I am so
happy,
fucking love
you!

splurt

Kuuh!
It's... squeez-
ing me too
tight... What
is this? Aah, I
can't stop!

throb

throb

With the
rubber tube
constricting
my urethra,
I can only cum
in spurts... I
can't orgasm
properly
at all!

Then,
without a
time limit,
the second
match
begins!

Fuuh~
Your cock's
pretty strong
too! It's pretty
happy with a
male partner,
isn't it?

Take
off the
rubber
tube...

SFX: Wriggle, wriggle

★END★
