グググ グググ

An alien bites off Kawakami Kumi-chan's limbs and is slowly swallowing them... It bites onto her crotch, and tentacles come out of its mouth and slither into her womb. She shouts from fear and the disgusting feeling. "AAAAA!" Behind her, the enormous alien opens his mouth, and chomps onto her head. "n---gh" Unable to resist like this, her entire body is gradually swallowed...

The alien's slimy tongue wrapped around Toumine Kasumi-chan's entire body with a slithering noise. "aaaghahuh" The alien's tongue pushes into her pussy and anus, fucking them both... Jerking and twitching convulsively, she is being swallowed down into the alien's mouth. Now, there is nobody left for me to watch over...

A PEEK INTO  
KIRAHA'S
