What happened with those Acquaintances?

んん

A momen-!! Erinal!

O-of what?

ほん!

What's the meaning of this!?

You'll be in front of everyone!! Do you realize that!?

Why... nude modeling!!

I- I realize that...

Erina...

I thought that I'd work part-time on free days... Since this job has a good hourly wage...

But my current salary, that of a high school graduate is insufficient...

Then why-

Because I want to live together with you soon.

Mine... You're only mine to see, Erina!!

Even so, don't work part-time where you have to show yourself naked to people you don't know!!

Look... such as the softness of breasts...

Are you thinking about something naughty?

Erina- we can't...!

or the softness of my thighs...

...wah-

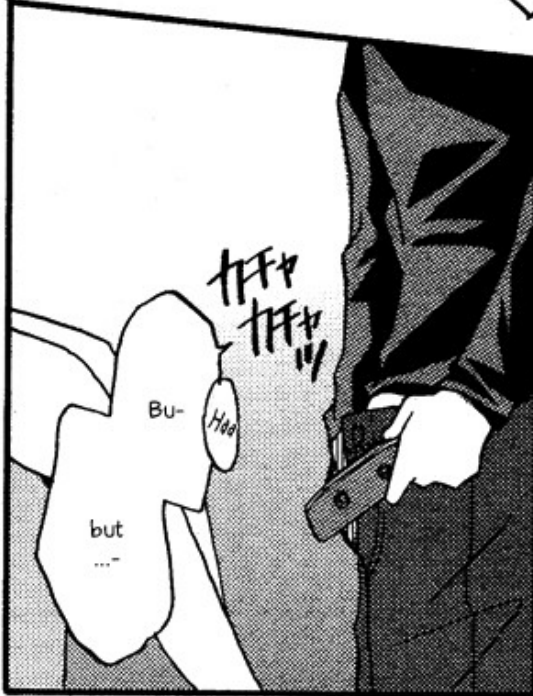

It can't be helped, huh? Once you get rid of those naughty thoughts you'll be able draw me?

Kya-

Erina-

Yeah...  
it's okay!

Erina!!

Hn-

Aah-

!!

Y-yeah...!

Girl's insides are soft, don't you think?

Hn-nnah ♡ H-how is it?

Inside it's especially sticky, I think I'm gonna melt-

I... I can- feel- feel it...

Because...  
I want to see  
Erina from  
behind too...

Everything-  
everything  
is so soft-  
I'm gonna  
melt-

I can't resist  
this line from  
your waist to  
your ass!

Erina- Erina's  
mouth too...

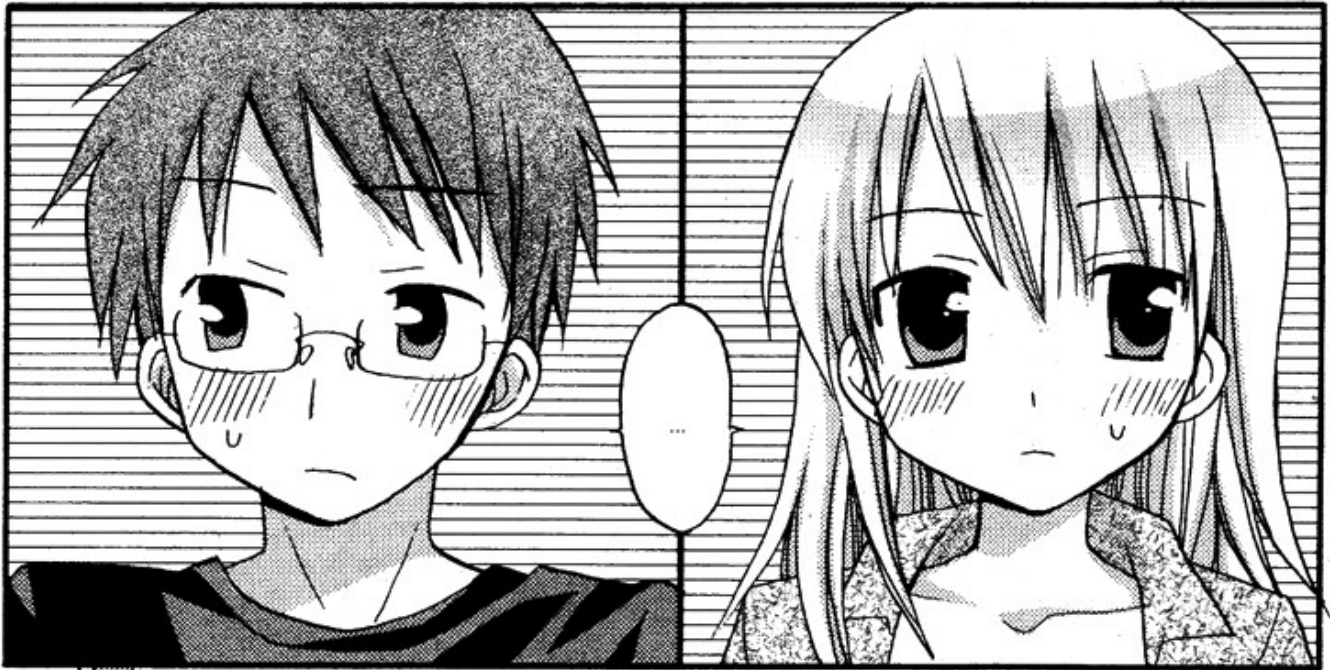

slurp  
kiss

nibble

いつでも人肌脱ぎますよ♡

I-It'll be alright.

I wonder if it'll be ok. I let out a very loud voice when I came ...

They might find out ...

Gakuto -!?

It would be nice to draw the sensation of Erina that I remember ...

Seems like I will be able to overcome my weakness of drawing nude sketches. Anyway, thanks for today.
