LOVE THE YOUNGER SISTER AND SMALL GIRL

『お兄ちゃんこのみるくちよっぴだいい』

I'll become big, and then we'll see who gets the last laugh!

Time for milk, time for milk ♪

You always make fun of me for being small

ポフッ

Ahh—♪

You're meant to massage them if you want them to get bigger

わ

And don't pat my head!

The milk isn't just for my chest!

Yeah, yeah, g'night

My chest, huh...

ふに...

Ah!

You suddenly collapsed, I was so worried!

S-Sorry

Uhh...

You feeling alright?

Then I started feeling all hot down there, and when I touched it, I suddenly jumped
Then since onii-chan touched me, it hasn't stopped...

Eh?

What's wrong, did something happen?

My chest...

I wanted my chest to get bigger, so I was massaging it in the bath...

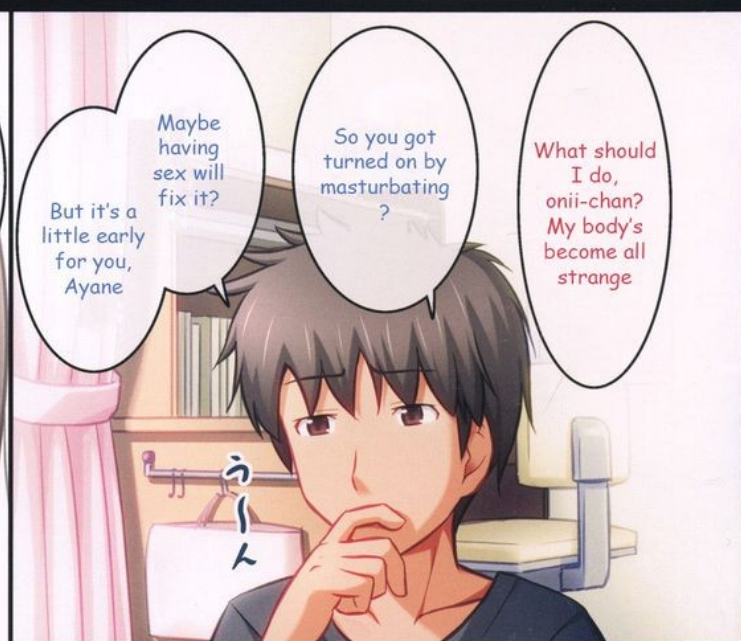

ムムム

But I like onii-chan

But we're brother and sister so...

I want to do it with onii-chan. Not with someone else

But it's a little early for you, Ayane

Maybe having sex will fix it?

So you got turned on by masturbating?

What should I do, onii-chan? My body's become all strange

Sex? Will that cure me?

H-Hold on a moment, sex is for after you become an adult, and find someone you like

They're small, aren't they...

Don't bother yourself with that

But you like them big, don't you?

I was just trying to tease you

さわ、

You really came just from me touching you, huh

I need to loosen you up so it doesn't hurt as much

It's dirty there, onii-chan

You're this wet already...

Onii-chan's voice is... filling my head

Okay...

Ayane, we're going to have sex now

Bear with it for a bit, Ayane

Looks like your symptoms are worsening, I've got to hurry

You came, from just my voice?

ひん!

ん!

So tight...

Sorry, it just felt so good inside you

■こんにちはOgataです。今回はロリキャラになりました。最近目を小さく描くようにしてたんですが、また昔みたいに目の大きな、いかにもロリキャラ！って子を描きたくなくなっただけです。
■珍しく眼鏡キャラじゃないですね。オリキャラ漫画で眼鏡無しは3年半ぶりらしいですよ。ラフの段階では眼鏡描いていたんですが、無い方がしっくりきたので外しました。眼鏡好きのかたごめんナサイ。
■そういえば今回お漏らししてないですね。ちょっとしたマイブームだったんですがまた描きたいですわ
