Summer-time Bus stop

Man...
What a
great day
for a bike
ride!

Hah...
Hah...

Like
hell it
is...

Global
warming's
really made
the Summer
heat a
lot more
serious.

So why the hell
are we doing
something that
would only make
us even more
hot...

Has one of those between her legs too.

I guess grandma...

Whatever! Just get out!

Don't yank on it too much or you'll become an idiot.

'Sides, I'm your cousin anyway.

Does no one in this house understand the concept of privacy!

You complain an awful lot for a guest.

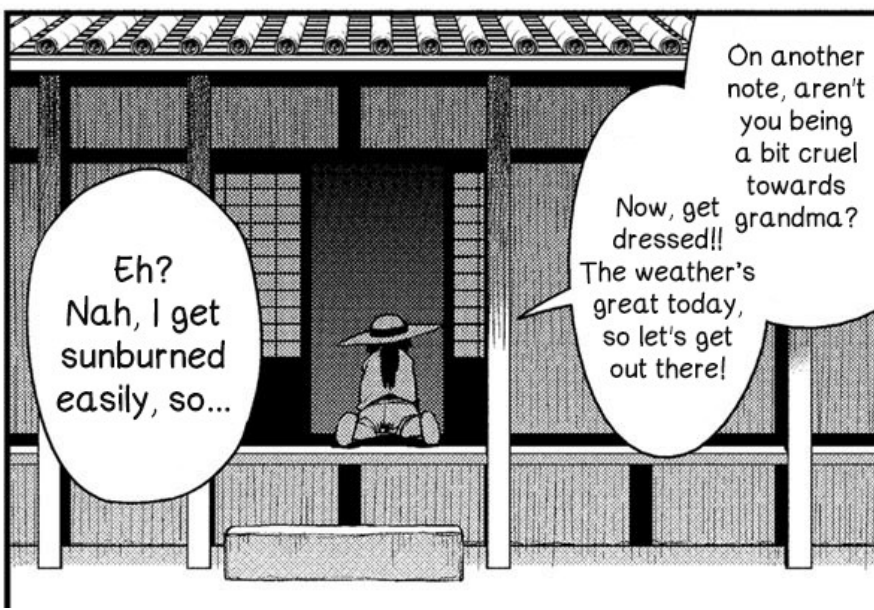

Yuji~!

Da-!

That's not up for you to decide!

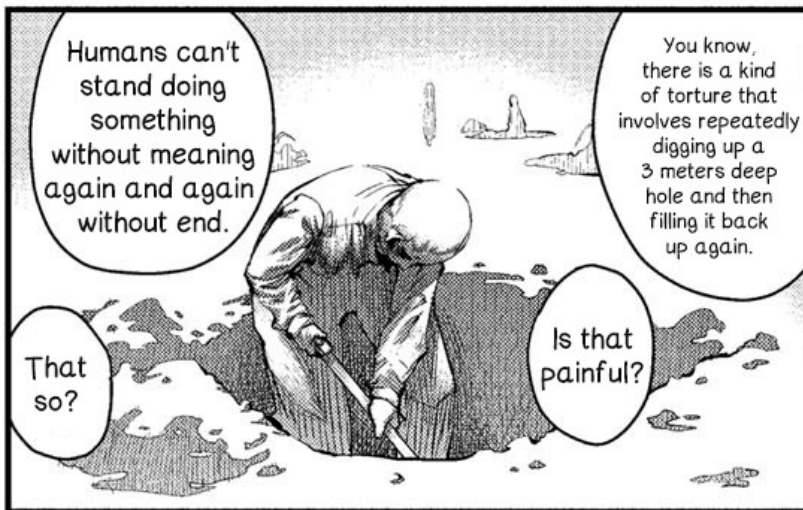

It's fine!

Eh? Nah, I get sunburned easily, so...

On another note, aren't you being a bit cruel towards grandma?

Now, get dressed!! The weather's great today, so let's get out there!

A
river...

Hmm...

Wonder
what her
"eggs" look
like.

Like one of
Columbus'
sailors that
just got a
bunch of gold
coins after
he had just
found a new
country.

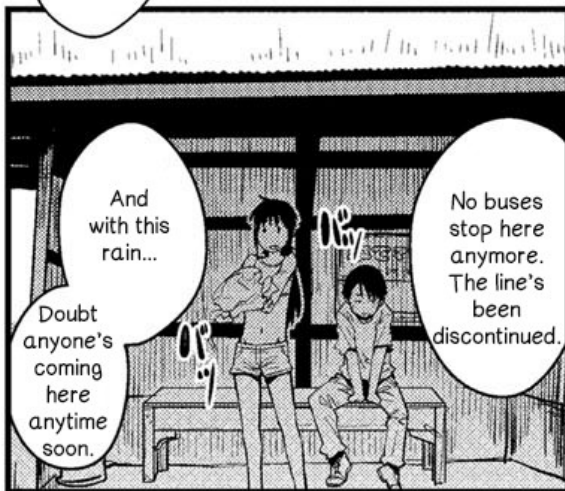

Suddenly
I feel like
I can go
for a little
longer...

Aah...
What a
bummer.

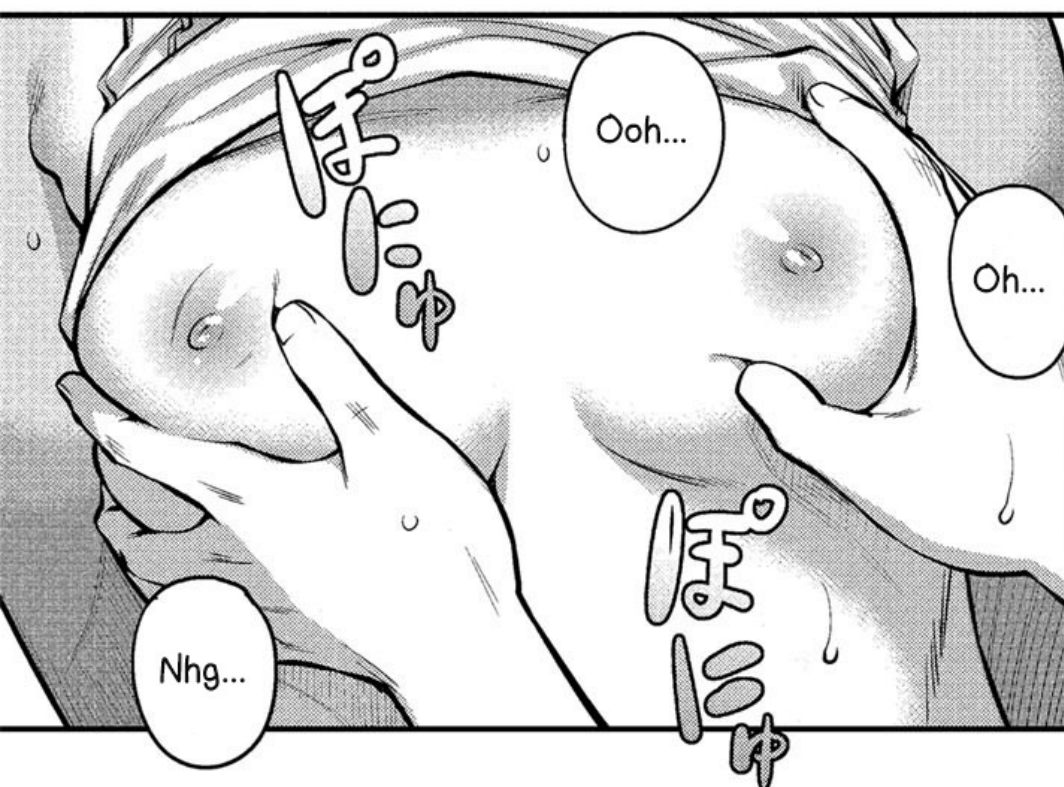

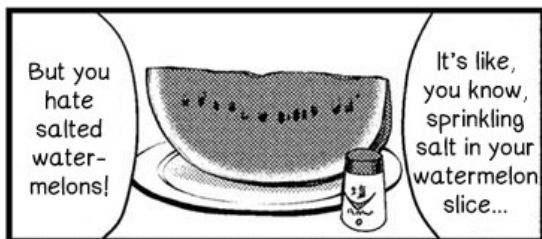

The
weather
forecast
said it'd
be sunny
all day
long.

Hya...!?

Uuh...

Then...

Uh...

What about this, nya?

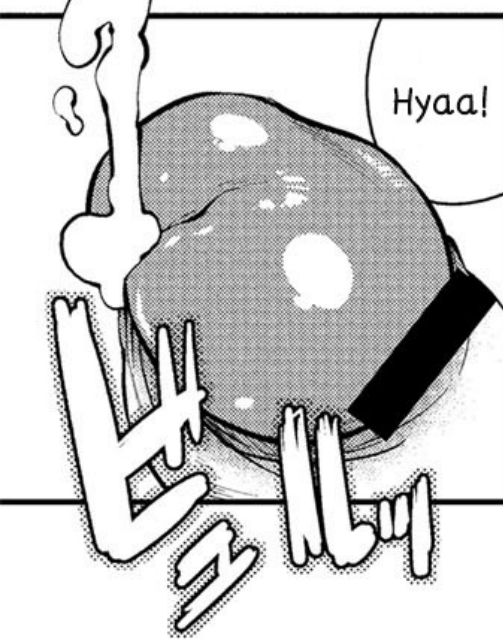

It's salty as heck is what it is...

Uoh... Don't, it's dirty...

Aaaah!!

*swish
swish

I drank
it...

*gulp

You like
things
that feel
good,
dont'cha?

I'm
sure...
It'll feel
really
good...

y-
Yeah...

Hey, Yuji...
Know what
we're doing
next?

No, I
don't...

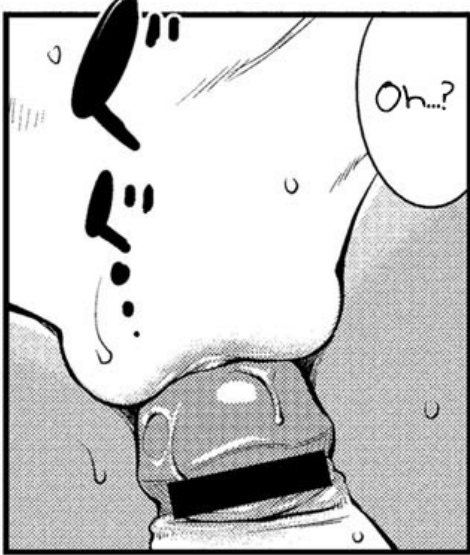

Why
am/I
lying?

Well,
you
see...

We're
going to
put your
p-penis in
m-my v-
vagina...

S-stop...
This is...
too much!

Hgu...!

ヒッ
ヒッ

This
is pretty
good...

Ah...

Ah...

You're
messing
up my
stomach!!

Pretty
darn
good...

Uh...
Ugu!?

Fue...!?

Ah...
Wha-?
something
hot's...

ヒッ... ヒッ!!

Aa gu...
