

I've already
put your
boots away.

Tatsuya
.....

Have you
seen the
boots that
I put here?

I just wanna go
out. It's not like
i'm going to try
to pick up a guy!

But it's so late...
What are you
going to do?

Ayakal

I'm going to
have dinner
with my
father!

You have more
important things
to do!

Hey...

From the beginning, it
seemed to be impossible
for us to get along well
together.

Oh...
Yeah, Saki-chan.
She did.

You haven't gone
to bed yet?

Did my sister
have to go do
something?

ほん

Yeah,
I know...

Recently, she's
not been in a very
good mood.

I'm Sorry.

Yeah...

You can ask
her about it
when she---

What
happened?

Based on how
she was talking,
it didn't sound like
she will be coming
back tonight

I'm sorry that
you had to see
that....

But how can she
be with a person
like me?

I still can't figure
that part out.

This is
true...

She's also
a very
independent
person, so
she can make
a countless
number of
friends.

A free-spirited
and cheerful
person.

About
Ayaka,
she's...

I'm here.

Saki-chan?

Haha...

Okay....

Here.
Drink up!

Thanks!

Finish drying your
hair or you'll
catch a cold.

I'll go grab
you a glass
of milk.

If I'm supposed to
act like your Uncle, I
should be able to do
that much at least!

She's blowing on it
to make it cooler:

No...
No problem.

fuu

fuu

I'm
sorry.

Yeah,
a little...

ふん

Did you burn
yourself?

HOT!
HOT!

sip

Your hair
still isn't dry
yet, Saki-
chan.

You figured
it'd be fine
like this.

Because
you're free
tomorrow.

Oh...

Hmm...

In that
case...

You still haven't
started using
a hair-dryer?

Hey!

Ah!

If you play around like that, I'll drop it!

Ayaka really likes this sofa ...

If we make it dirty...

Don't close your eyes...

It should be okay to go to sleep a little late tonight!

Although this moment has arrived, I still feel a little scared.
