T/N: "I am going to Jiangnan for at least two months and at most six months before I return. The affairs of court will take over the governmental affairs temporarily.

OH MY GOD! THE EMPEROR SLIPPED AWAY AGAIN !
No need to be so surprised over this, after all this isn't the first time.
5 years of ruling and he has a record for slipping away 10 times, the country is able to flourish is only because of the good concentric king's ruling and loyal dedication.
I truly do not know what was the old emperor thinking giving his country to this prince who only cares about looking for something fun to do.
And I have to go to the concentric palace again ...
How bothersome ...
Ah--- So sleepy...

T/N: He's talking about the boat ----> Haha...

You see, I have already stood on this bow for half an hour.

Oh, This matter has been making us extremely worried.
What happens to the women you kidnapped?
If the king does not want them,
Then naturally they are enjoyed by the rest of the brothers!
This Lu cang doesn't seem all that good, he doesn't want the women, but he won't release them either, he'd rather let them fall into the hands of these dirty culpirts instead.
This crime cannot be forgiven! I need to punish this [eagle] severely!

BIG BROTHER, BIG BROTHER—
HURRY AND COME SEE THE GOOD STUFF WE HAD BROUGHT!

Seems like he's the [eagle] —
He's more decent looking then I had imagined ...
