I was supposed to be the new coach of my High School alma mater's volleyball team.
The reason being...
After four years, I had finally graduated college and returned to my hometown.
Of course, this isn't really what you'd call a "normal" high school volleyball team, now is it?

All of the schoolgirls in the area who had grown large due to the mysterious outbreak would gather and compete, and a "Champion team" be decided.
Or so they say, but...
In any case, it seems like the sports division set up a new "Monster Class" tournament, which is supposed to start soon.
Alright everyone! Practice starts now!
We'll begin by recieving the ball!
Wha..?
Kono-
Oh...
How the heck am I going to...
Don't worry about a thing, Onii-chan!
