I always  
sucked  
at  
sports...  
But  
I joined  
the Track  
and Field  
club as  
soon as  
I entered  
school.

And now,  
an unexpected  
sequel!!

OOOH

She's  
huge!!

The  
reason  
is very  
simple  
but a bit  
impure.

You ask too much from me, really!!  
You're too good at teasing me all the time!

It was  
love at  
first  
sight.

Come  
join  
the  
Track  
and  
Field  
club!  
♡

I wanna kiss,  
kiss, kiss, her!

*Four months have passed since... The plan to join that club in order to get closer to her was a success but...*

*I still wonder  
how I ended  
up with her  
controlling  
my orgasms...*

Edging complete!  
♡

You were  
so close to  
cumming...  
But now  
we'll make  
your dick  
wait in this  
cage until  
tomorrow!

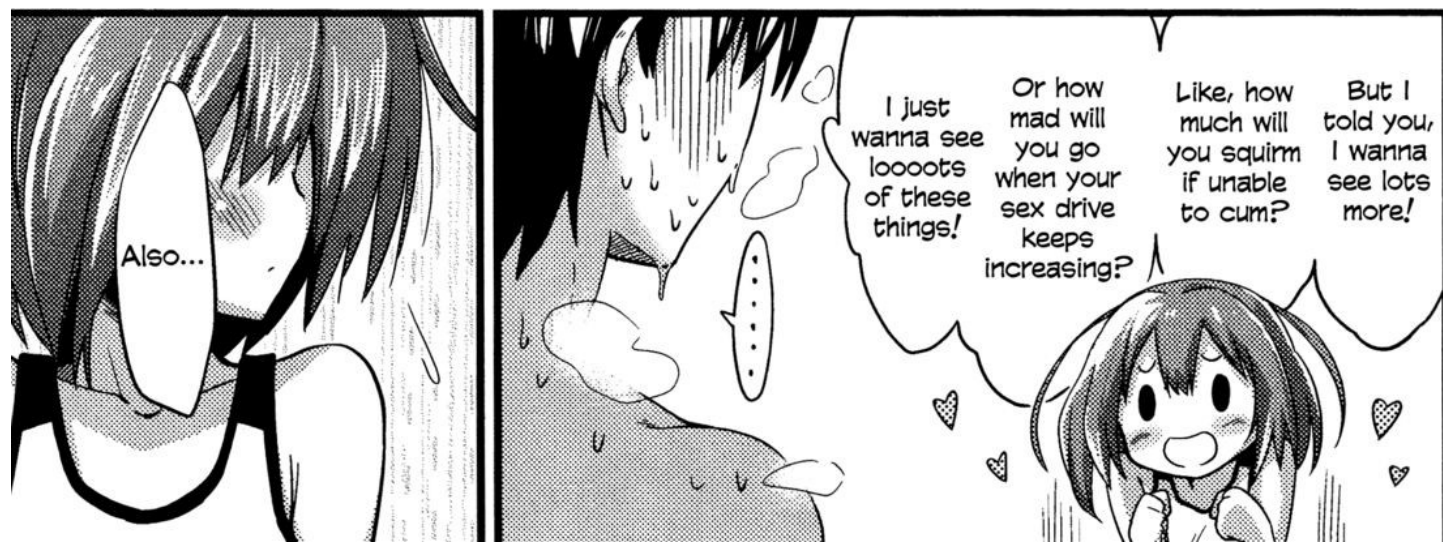

☆

Alright,  
we're done  
for the  
day!

Do you wanna kiss me that badly?

I bet that rather than kissing, you'd prefer to ejaculate right now... Am I right?

But if I get through it... I'll get to kiss her...

I'm sure there are still lots of students in the main building...

The rooftop...!

Haa...

Ah!

You're a friend of Sakura, aren't you? Do you know where she is?
