

It's currently spring break.

Eh

... ONLY THE TWO OF US.

STARTING FROM MONDAY, I'LL GIVE YOU THREE DAYS OF EXTRA LESSONS ...

DON'T "EH" ME!

For that, I'm receiving this special treatment.

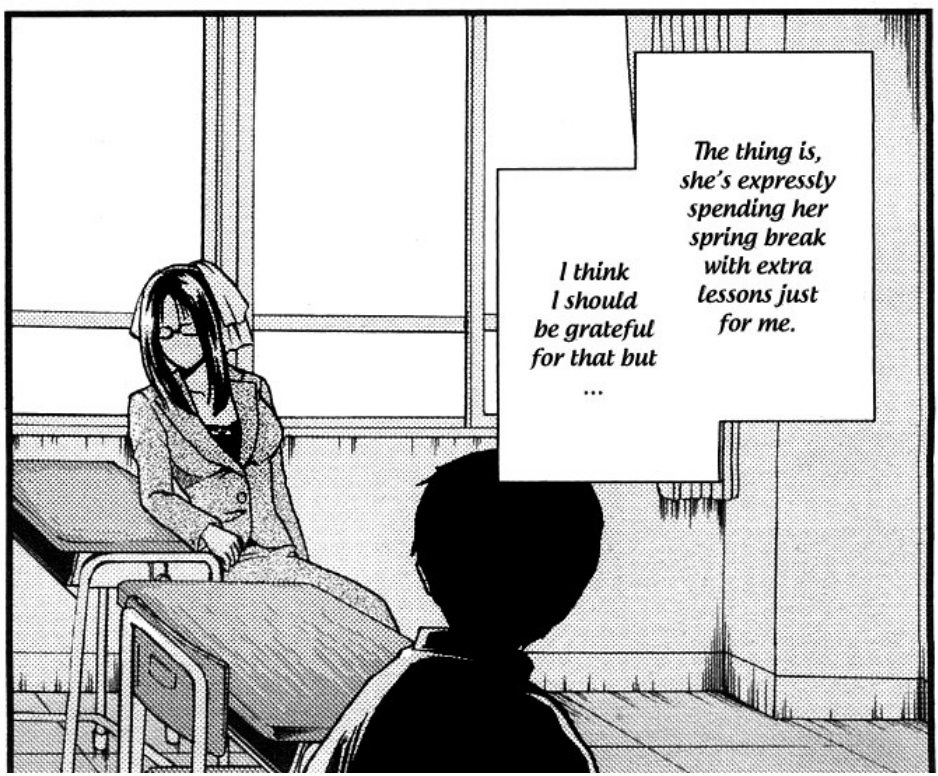

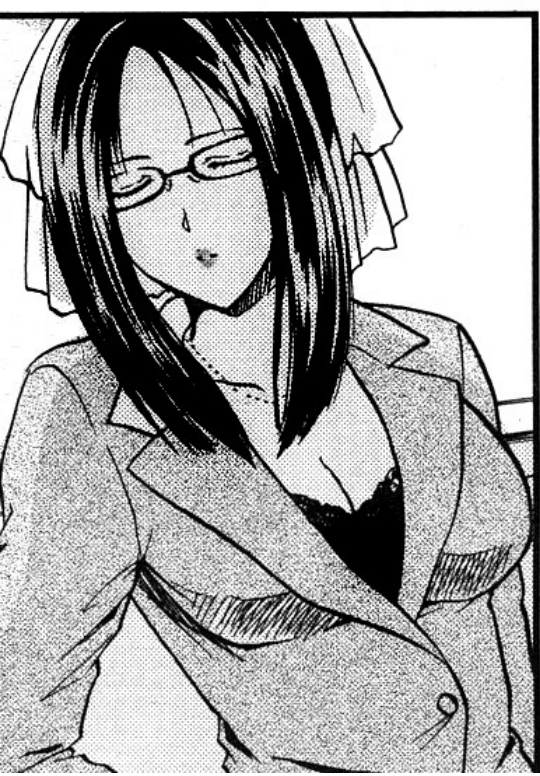

YES MA'AM-

I had to consider my promotion.

Still, this is kinda harsh, sensei...

It's fine by me since it will decide about my promotion.

The thing is, she's expressly spending her spring break with extra lessons just for me.

I think I should be grateful for that but ...

Taking a nap is a little~...

I've been such a fool to accept those extra lessons...

...

Thus...

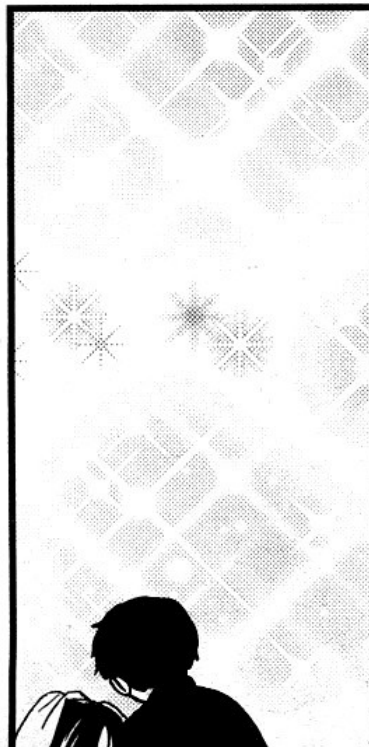

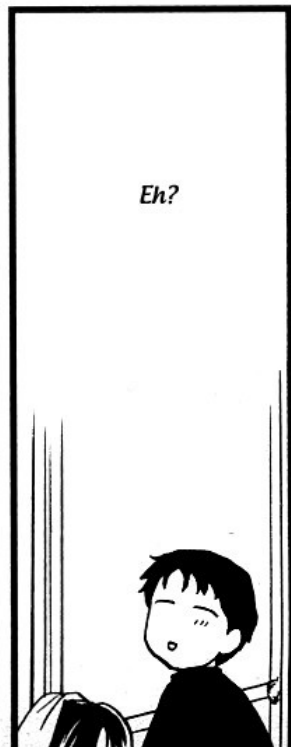

As she wakes up, she'll have a shock!

Let's try to tie her up to the legs of her chair.

IT'S TIME FOR EXTRA LESSONS  
補習のあ時間

Looking at Sensei so close from above ...  
It was pretty easy after all.

It's safer to just have a quick touch.

If she finds out, she'll glare at me~

Hey~ Undressing is so wrong!

I won't be able to know unless I take off her jacket.

There's a big hold...

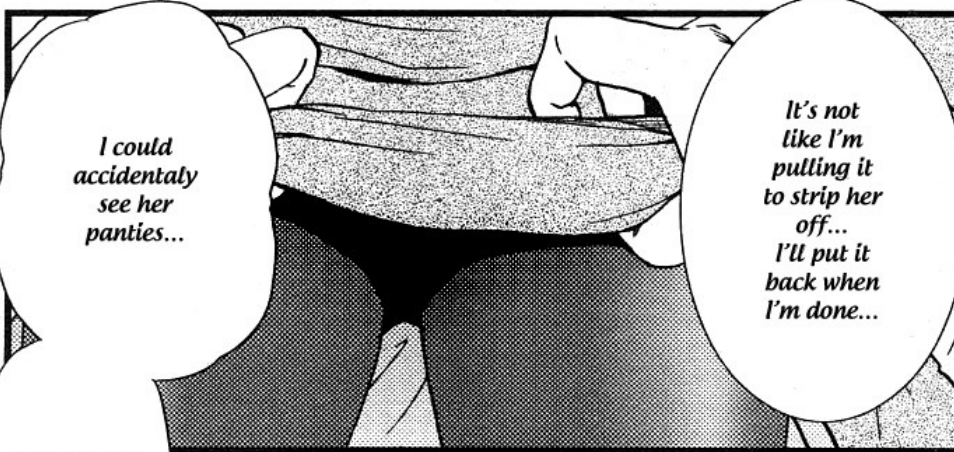

Don't know what to think...

...

Actually, you'd have to check the inside to make sure it's a camisole.

Let's forget about the top and carry out my original intention!

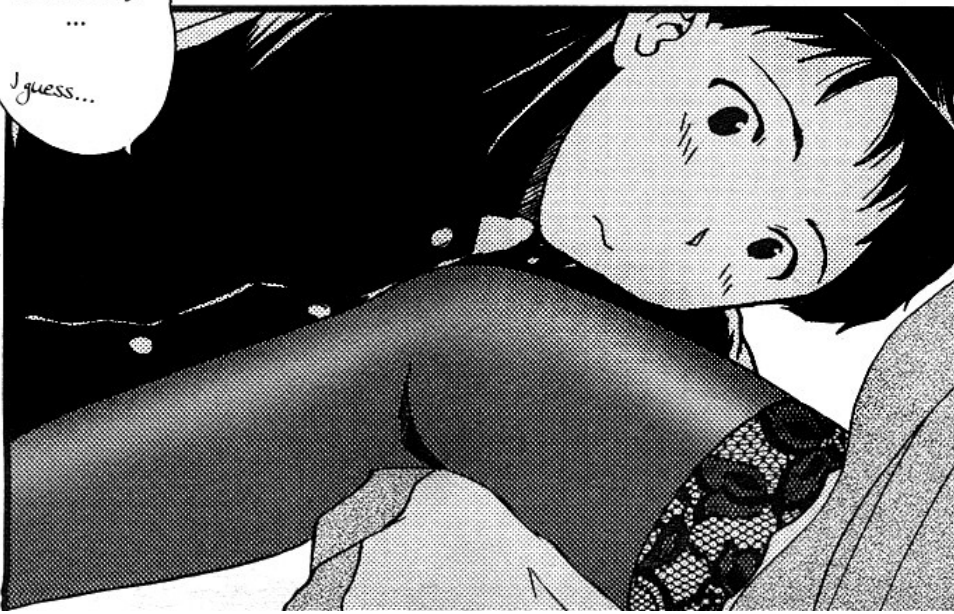

I could accidentally see her panties...

It's not like I'm pulling it to strip her off... I'll put it back when I'm done...

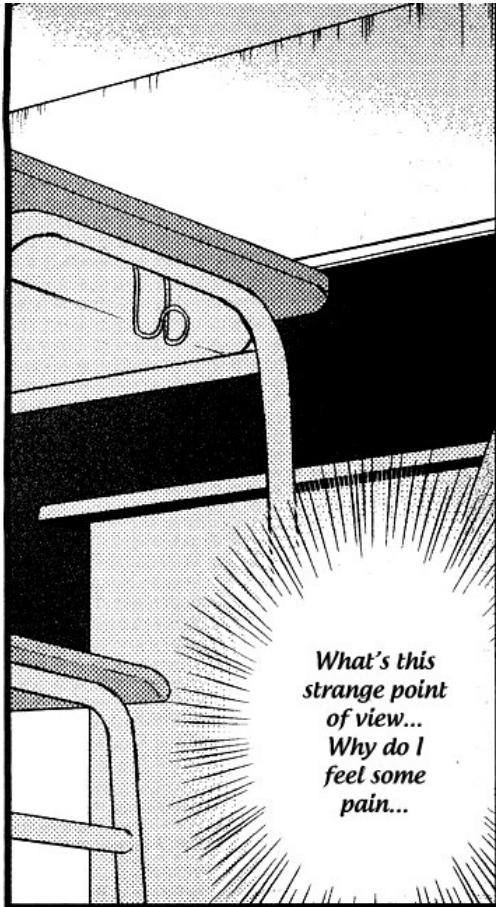

Okay, if I'm to tie her up, it will be easier around her knees.

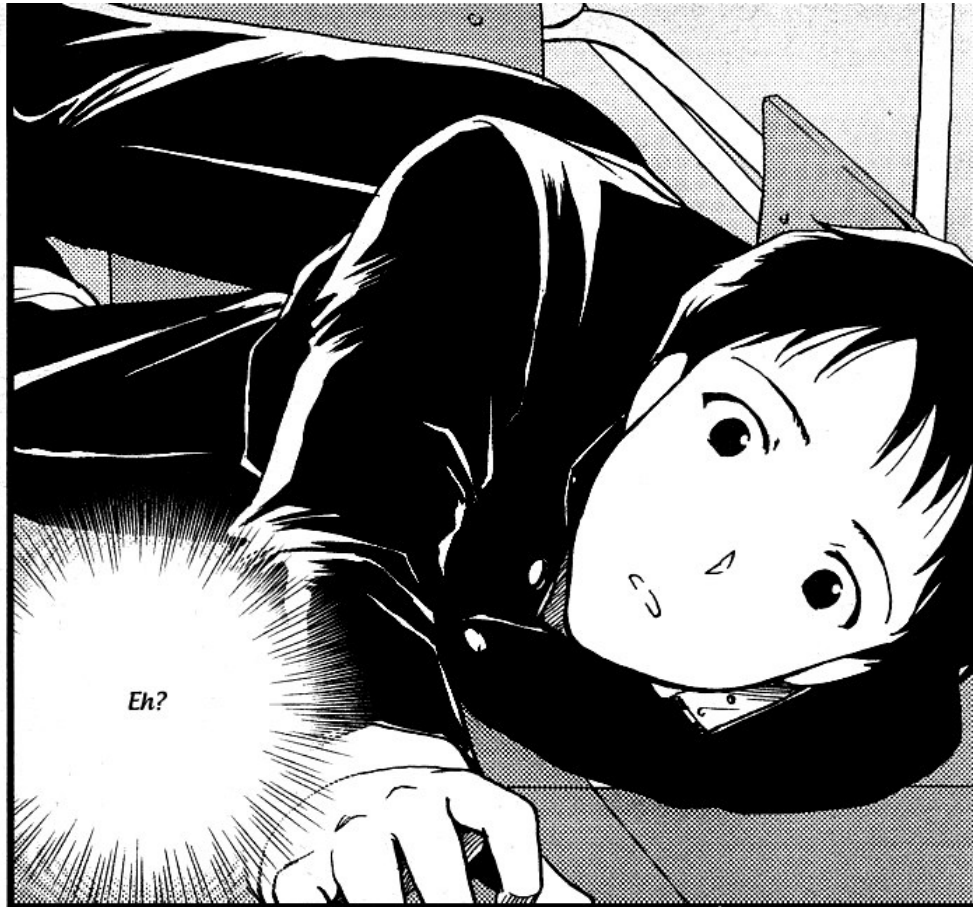

Accidentally ...

I guess...

What's this  
strange point  
of view...  
Why do I  
feel some  
pain...

Eh?

WHAT  
THE...

"I DID  
IT".
