Selfish Neighbour

For the last time, I'm not a hikikomori, I just work from home.

Not that you'd know, Shun-chan, you hikikomori.

You're pitch black!

You...

Did you just spend all your time swimming?

So what? swimming feels real nice.

Fu fu fu

Is that what you call looking at porn all day?

Seriously, I'm just doing my job.

Mind if I grab myself some ice cream?

This cheeky girl's name is Ranko Haruno.

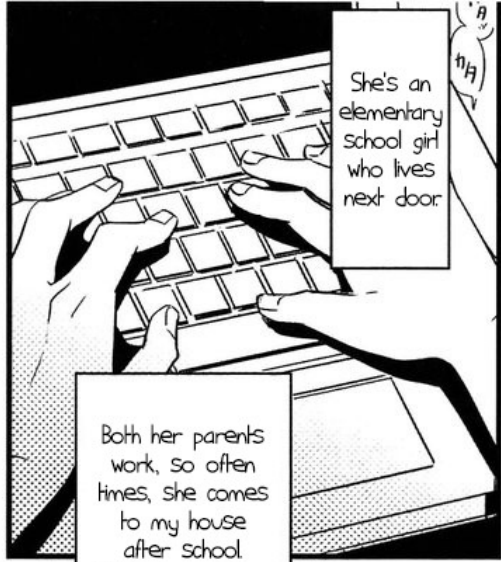

Only take one, or you'll get a stomach ache.

Ah...

I've told you before; you only get to eat one a day.

She's an elementary school girl who lives next door

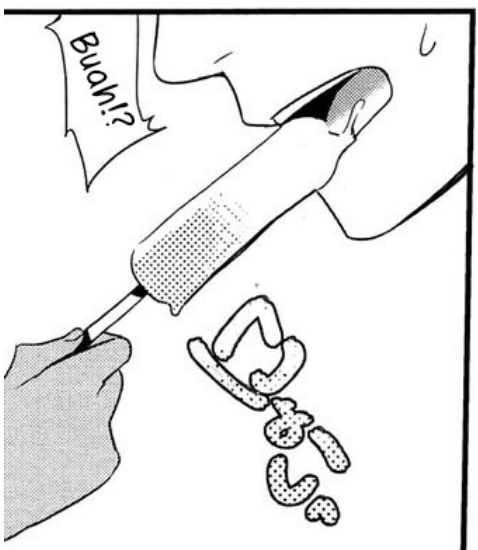

Both her parents work, so often times, she comes to my house after school. She's been doing it for so long, it's become a part of my daily routine.

Hey!

You little...

Buah!?

He he

You got me...

Right?

It's fine if we split it, though.

...Too sweet!

Geez... I'm no match for her.

Surely you can spare some time to play with me.

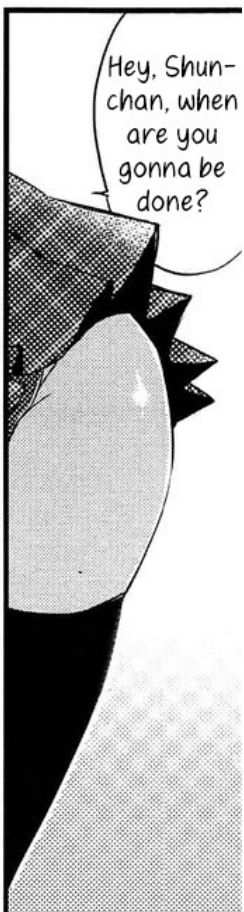

Ne! Ne! When are you gonna be done?

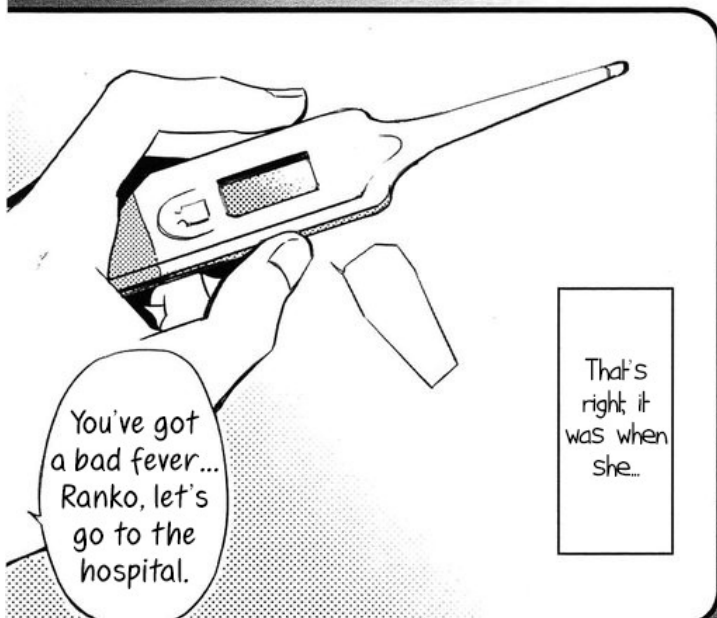

Come on... My deadline's tomorrow, you know?

Yo...

Don't jump on me when I'm smoking.

Hey, Shun-chan, when are you gonna be done?

You've got a bad fever... Ranko, let's go to the hospital.

That's right it was when she...

...Our relationship first became like this...

You're gonna regret it!

You're gonna regret it if you don't~!

...Now you're just being unfair.

I don't wanna go to the hospital...

Hau...
I'm fine...

Then, I'm going out to buy some medicine.

One year ago Ranko, 4th grade

Oh my...

Shun-chan...!

I don't wanna be alone either...

Is this why you said I'd regret it?

It was definitely that day...

He he, I came in my swimsuit. ♡

That this little elementary schooler became a little sex fiend.

Shun-chan is a pervy lolicon, so I assumed you'd love this.

Ah... Saying such a thing...

Don't even try and deny it! ♡

You shouldn't make fun of adults!

Ah ♡

Houn ♡

VII?

Anyway, this swimsuit sure is something, it feels great to touch!

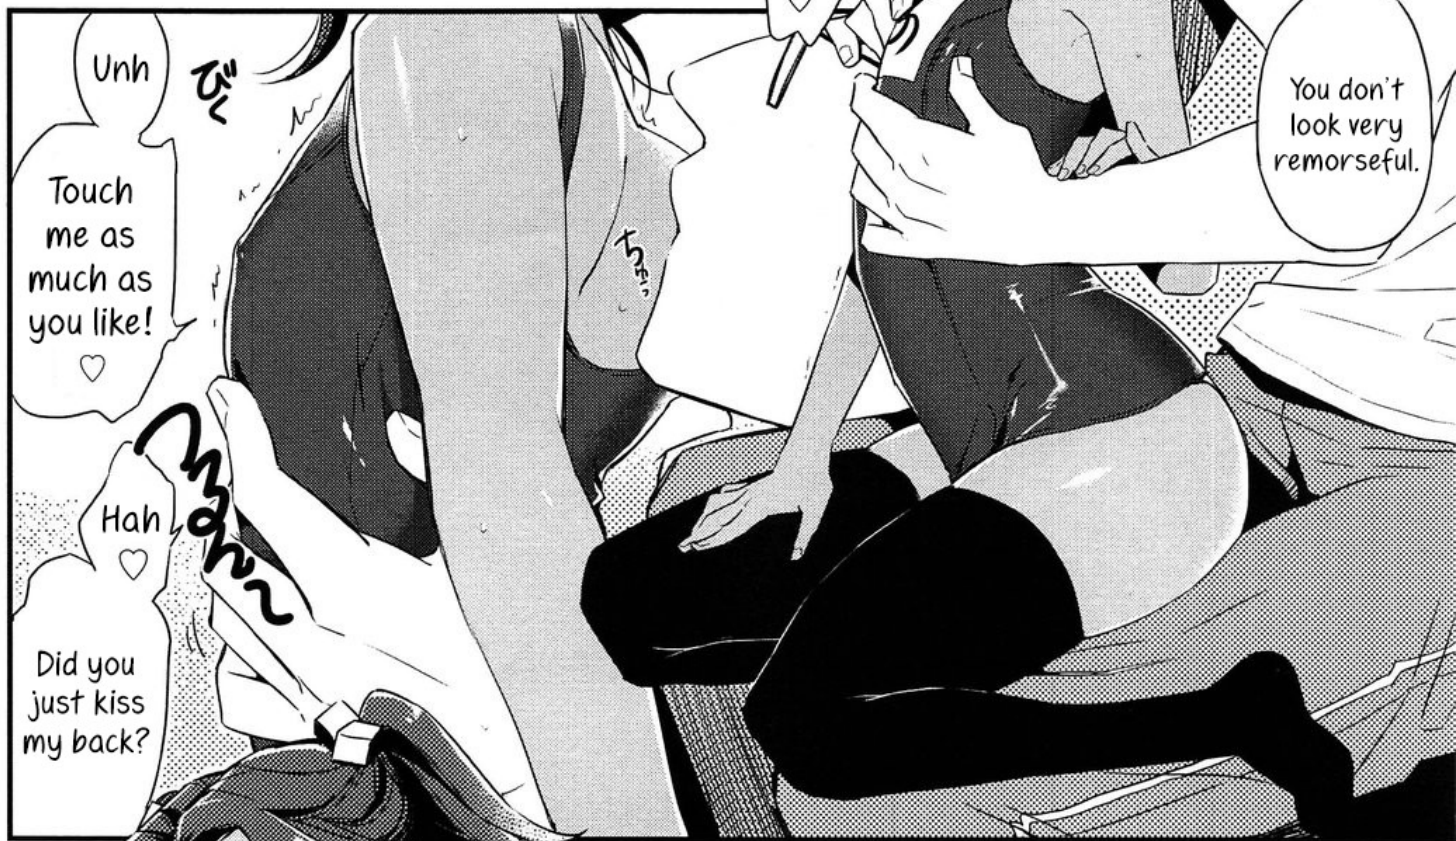

Ving

Fuah

I totally am!

Ha
nh

Are you gonna punish me?

Unh

Touch me as much as you like!

Hah

Did you just kiss my back?

You don't look very remorseful.

I can't hide it when I'm in my swimsuit, you idiot!

Whatever, you can just hide it with your clothes.

Don't bite me... It'll leave a mark...

Fuah!

Ah!

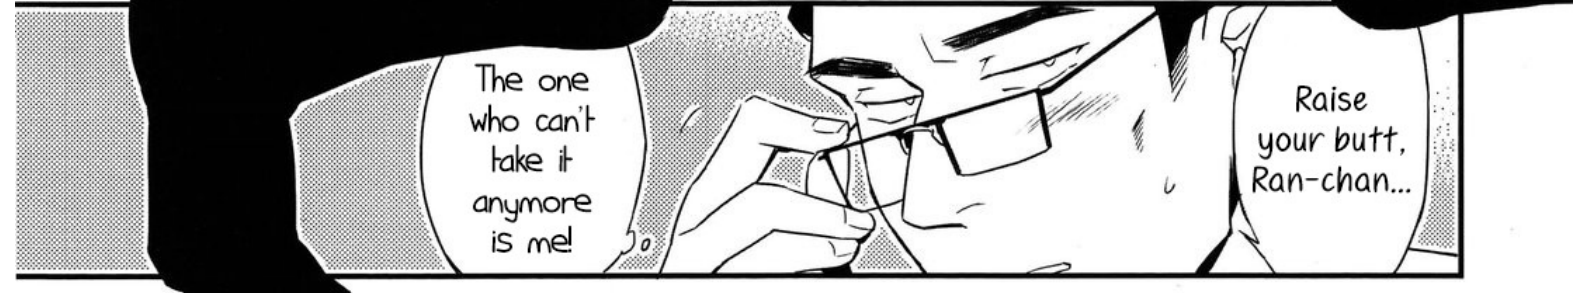

Shun-chan,
make me
feel good...

I can't
take it
anymore...

Hah...

Quickly...

Ku...
Ku...

The one
who can't
take it
anymore

up!

You really can't stick it in!

She's drenched..

Yeah, yeah.

I feel really hot deep inside...

It's weird...

Han

This feels completely different fom my butt... somehow... Fuah...

Deep inside?

Shun-chan, please do something about this...!

Yeah... My insides are twitching like mad...

It feels funny...

To hell with it!

Arg! Damn it!

Huh?

There you go, saying dangerous things like that!

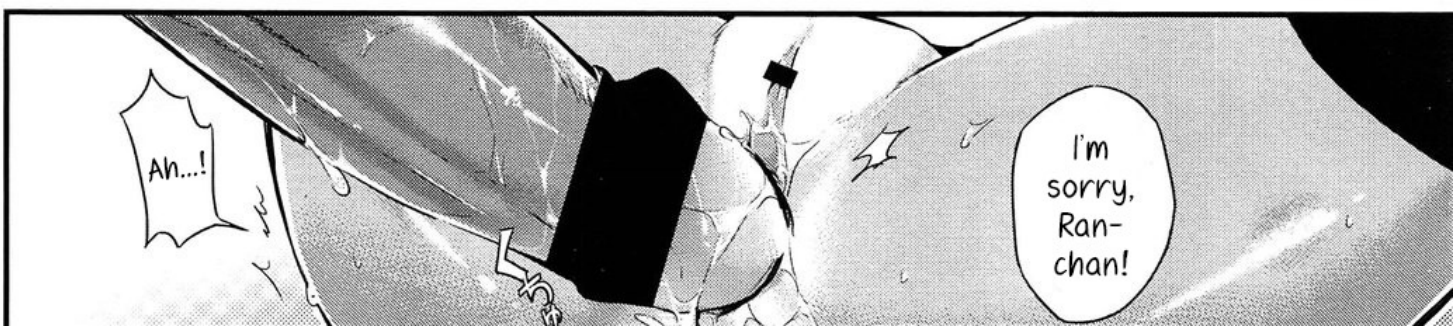

Kya!

I'm done!
I'm putting it in!

Wait,

I'm sorry, please forgive me!

Shun-chan, you dumb-ass!

Well...

What the hell were you thinking!?

Ran-chan, it's fine, I'll take responsibility for it!

Idiot! Dummy!

Ouch!

Sto... Ran-chan!

Wah! Stop hitting me!

Who says something like that in this day and age?

Wha... What are you talking about!?

I've been thinking about this for a long time...

I'm serious, Ranko.

Be... Besides, becoming a wife is kinda...

What are you, an idiot?

I know it's impossible now, but some day in the future, I want to marry you.

Huh?

No way!

I don't wanna be Shun-chan's wife!

Shun-chan...

Ranko...

to be my husband instead!

I want Shun-chan...

Wha?

Geez, you really are a handful...

Then, oh husband of mine, wanna do it again? ♡

...Hah.

It's completely different! OK? You gotta do it, or else...

Isn't that the same thing!?
