

Smother Escorts

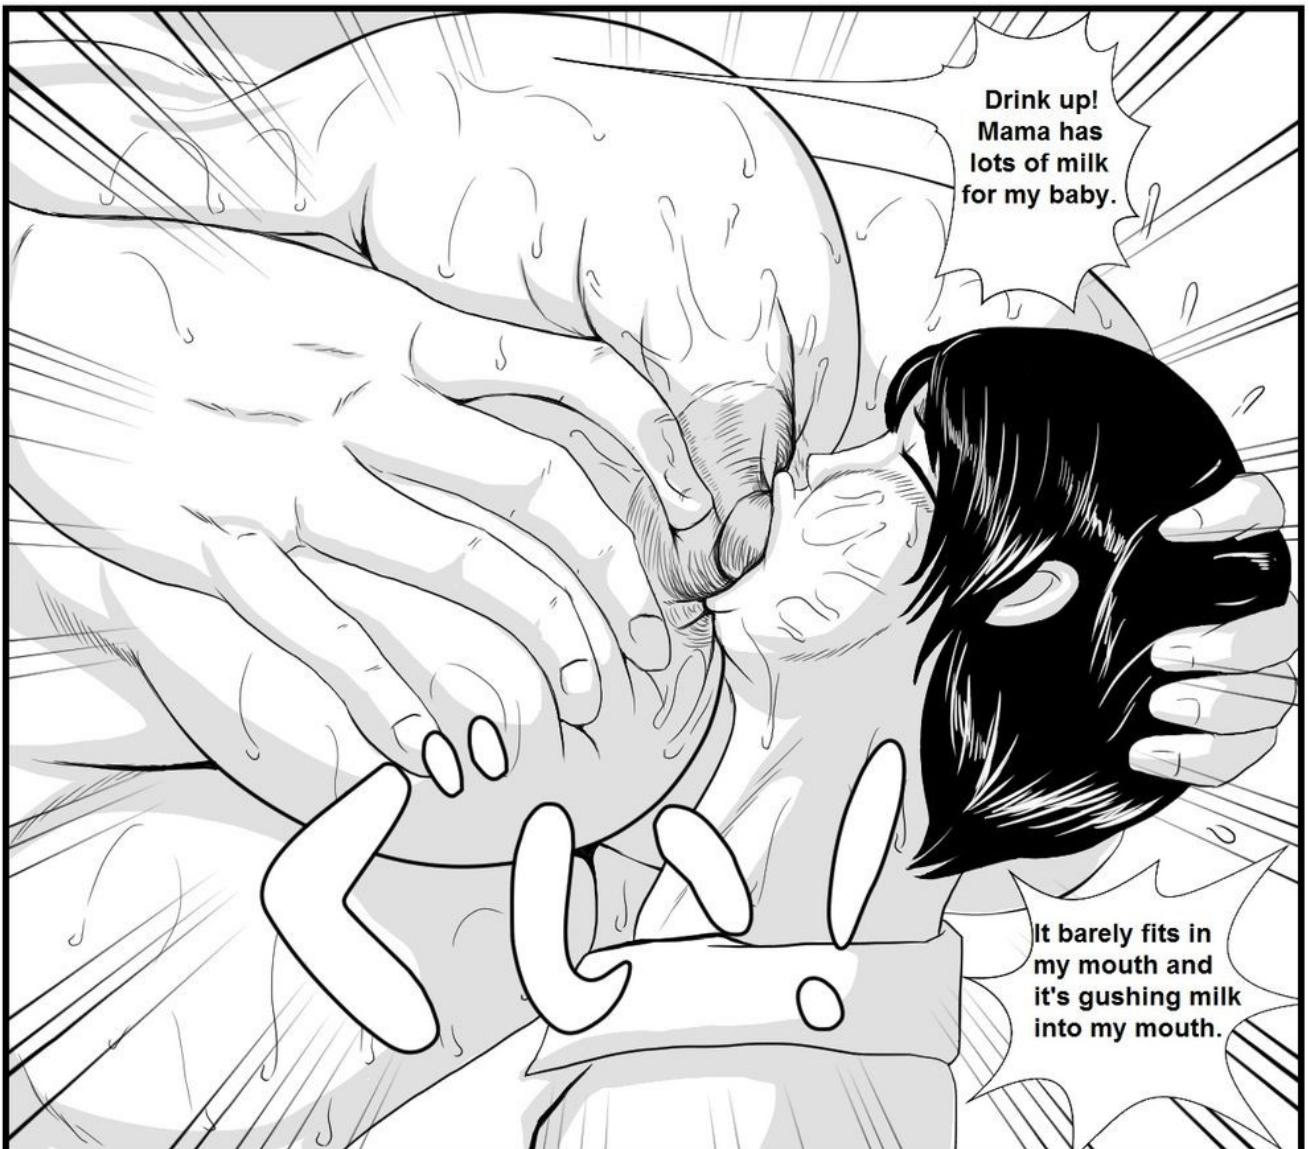

Oh yes! I bet the pressure just increased for you. Having someone trapped in my breast is heavenly.

I can barely hear what she's saying, her breast are blocking everything but her heartbeat right now.

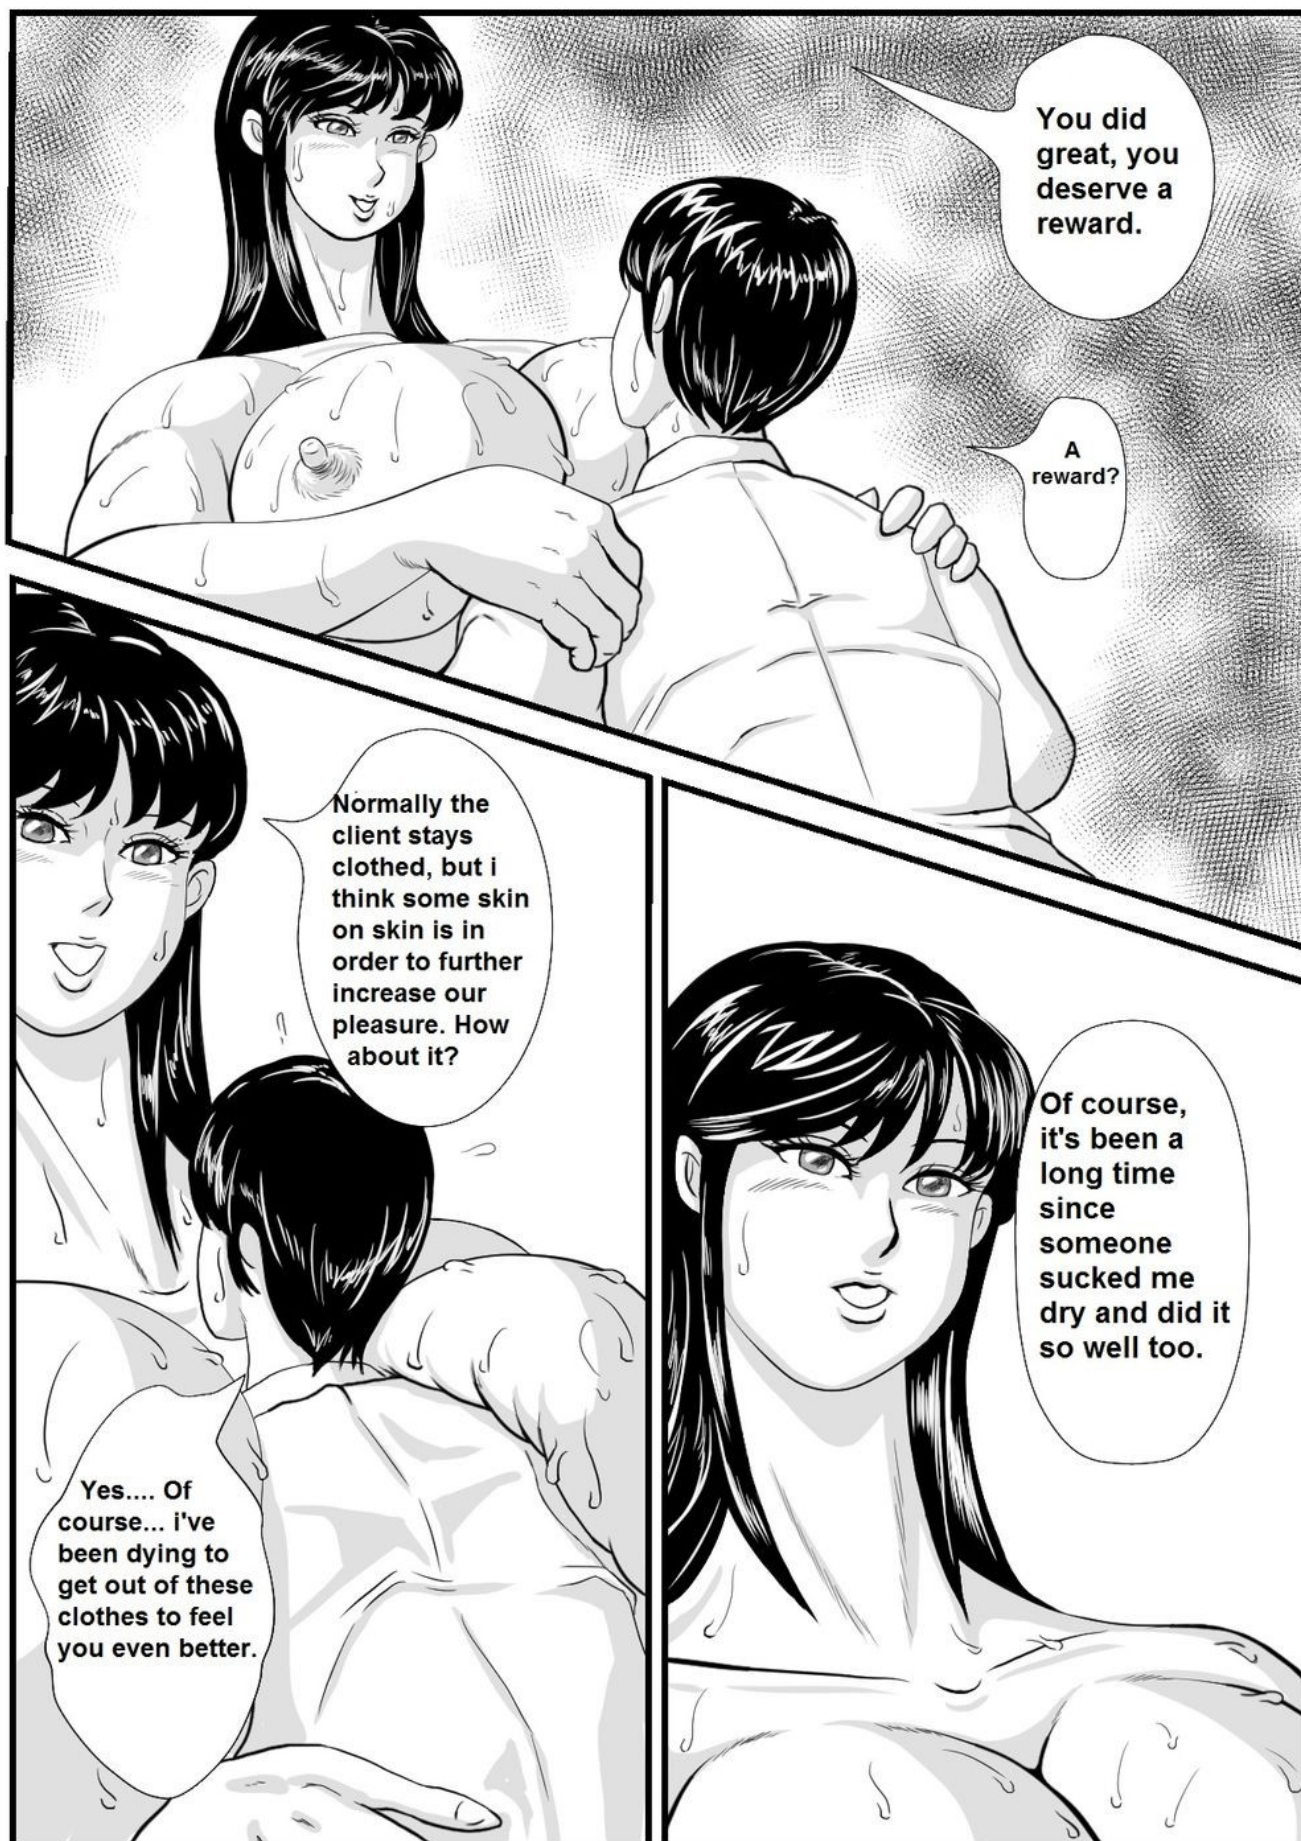

I know i'm full from just one breast, but i can't stop sucking. Her milk and embrace is intoxicating, i just can't get enough. Please be my mommy.

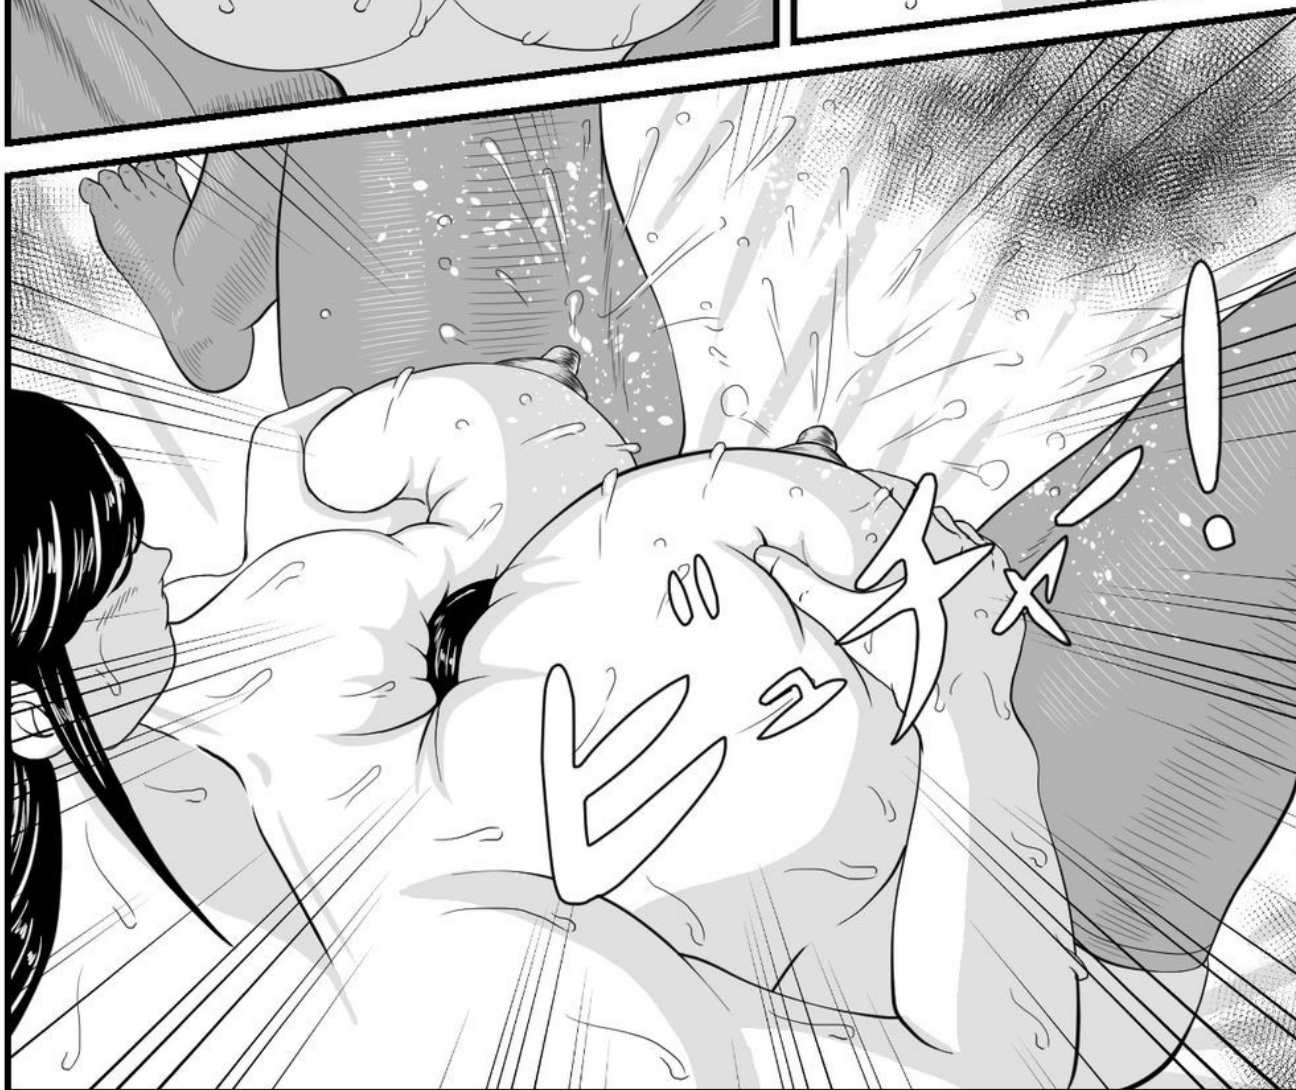

One down, one to go. You're seem to be really enjoying my milk, i bet you weren't breast feed as a baby. It's ok, i'll be your mommy and make everything better. Oooo.... that's it, get in there, you need to squeeze every last drop out.

It felt like i was completely surrounded by you. I can feel your body quake with your orgaism just now. Please i want more.
