I don't even know how to talk to them.

Of course, I've also never gotten with a girl.

Every day, I imagine myself harassing different girls - that's all I can do.

CHAPTER 1

The man who gained a mobile
with the power to control women

With this...

How's that?

Nagumo will hold her hands behind her back, and will not be able to move them away.

アハハハ

I really didn't...

No... not really...

Tch... This is why I don't like taking the train.

Let's see... if I take a picture...

Next I just have to give her instructions by mail or directly...

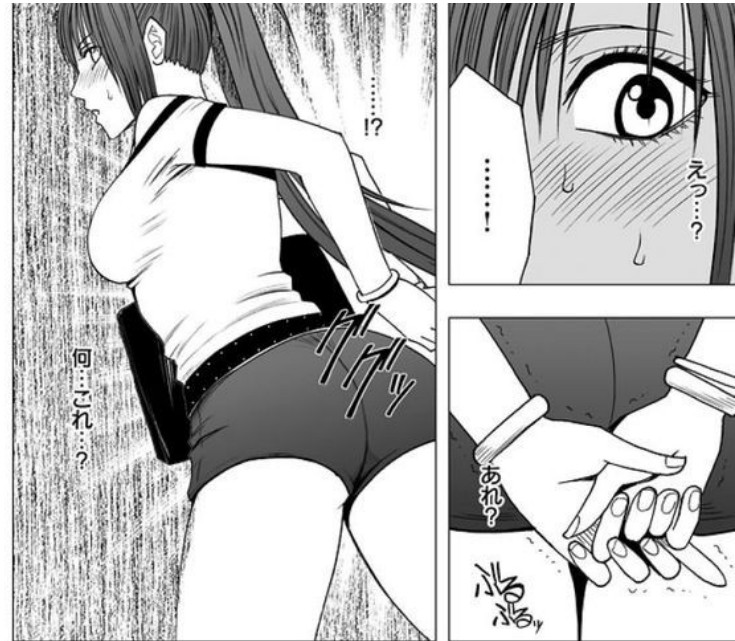

To think she really was so tough...

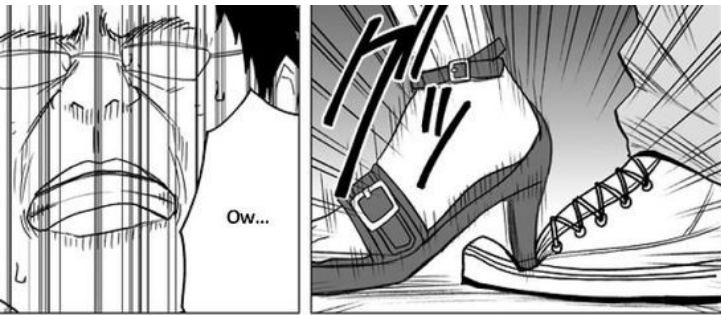

That was dangerous.

Nagumo Sayuki always plays tough female characters on TV, but...

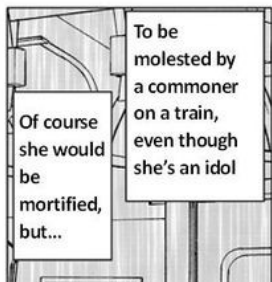

Her breasts are as sensitive as her clitoris, and they're being continually molested

She's really feeling it :)

The mortified look on her face...

Of course she would be mortified, but...

To be molested by a commoner on a train, even though she's an idol

There's no way she wouldn't feel any pleasure...

Oh, she's wearing a swimsuit underneath her clothes.
Is she going to a gravure shoot later?

She's confused

Just by stroking her clitoris!

Nagumo Sayuki's body will easily cum...

Alright... let's finish this...!

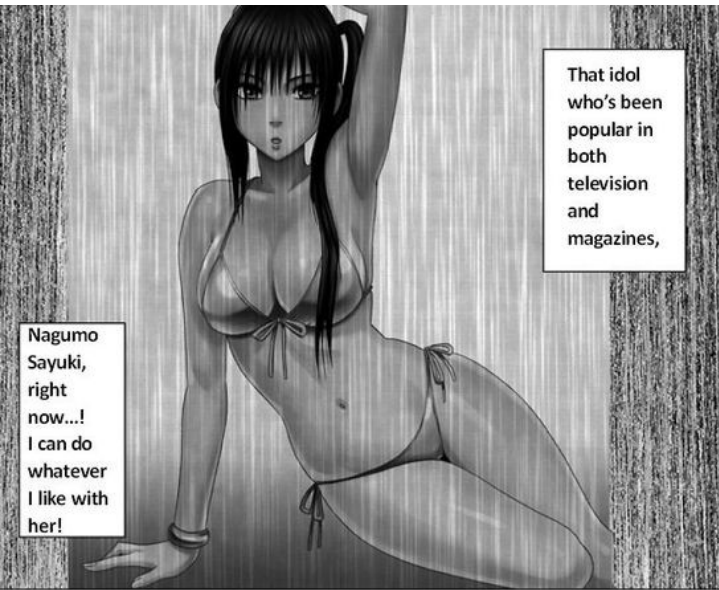

That she can no longer resist.

Is getting so much pleasure from having her breasts molested...

This busy idol...

This is exactly what I saw in my fantasies!

Nagumo Sayuki, right now...! I can do whatever I like with her!

That idol who's been popular in both television and magazines,

Time to cum!

On this train

Now

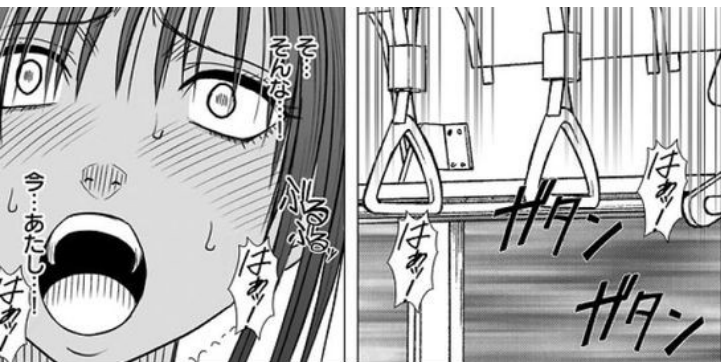

With one finger, I can bring her to orgasm...!

She's noticed the changes to her body
She's looking even more confused

This feeling
I can't get enough of it...!

Fu fu fu...
Just from being stroked by my finger...
She will cum inside this train.

Alright, next, bite your top with your mouth

With this Embarrassing pose

Once more...!

Surprised? Of course you would be... You just suddenly had an orgasm on the train...

Spread your legs a bit wider... It might be unbelievable but it's true...

With this insolent body...
I'll realize all my fantasies!

Good...!
Good...!

Just like those fantasies I had... they're all becoming reality!
