

Really,
thank
you.

And it
was all
thanks
to you,
Elma.

It really
was a
long
journey.

Finally,
Tomorrow
we can
reach the
city of the
demon.

to get
us out

ha
ha
ha

Xiuli, your
great
ideas
always
led our
little team
into trouble.

因为之前阿修利的无脑行动
结果只剩我们两个了

But now you
want us to
have com-
panions
.....

Because of Xiuli's stupid
actions, only the two of us
remain.

So now it
is up to
only the
two of
us?

ah
....

Good
thing!

Oh!

Bfore i
forget, I
bought this
strength bra-
clet at the
bazaar.
Better then
nothing

偷笑

... but it
is still
hard to
say how
I feel
about get-
ting to
the city.

We really
have been
together
for a long
time.
Almost
five years
from the
start.

But I
am still
happy to
have
travelled
with you.

My body seems to be tightening up as

How is it? Good

..... to what end will my body

AHH !!!!

AND !?

What changes!?

This is the body of a woman !!?

my chest... !?

It was a set up !!?

彼女 クラスチェンジ!

Yes, that is because that is actually a femini-zaiton bracelet.

Hey !?

This is simply

Why do you want this? Also your tone of voice ...

YES

Also it does not strengthen, you weakened you.

ELMA!
I became a woman?

But i pretended to be your companion, ready at your side. Just waiting for the right opportunity to happen.

The first generation of devils, who are not strong or brave, stayed in the city. They just wait to be overthrown.

Despicable, despicable me. Anyways i have always been the devil.

You have been so humble !

I am the king!

Wait what !?

Rest assured you will not be killed immediatley ...

So EVIL!!

.... Elma, what are you planning to do with me?!

HUH?
The Sword it won't move!

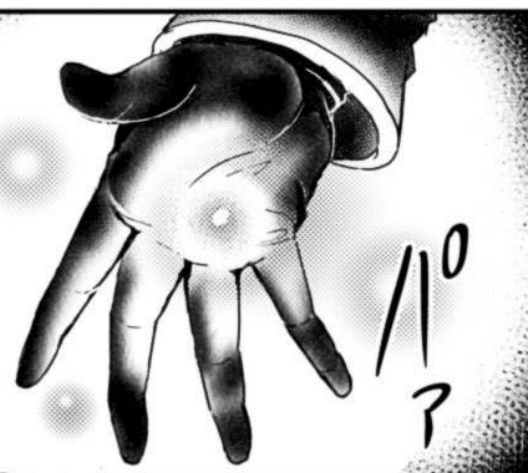

Now that your a weak girl, you can't even move a sword.

What are you doing?!

Sui Ming!
(magic casting)

1/0
?

AHH
!!!

The
muscles
you were
so proud
off, have
really
turned in
to nice
big
breasts.

Stop
....
shut up!
This is
all
because
of you!!

Don't say
that.
Looking at
it think
the way
a guy
would think.

This is
not good!
I was
once a.
....

Be happy,
although
they are
your own,
it must
also be
the first
time you
have seen
breasts.

Well....
they are
useful for
pleasing
men with.

Woo
wow
wow

has my
body really
become that
of a
womans?

Rest assured, we'll take advantage of this right here.

I am hateful of you for making me this!

You must use your sexy body to take care of your companion. And now I am happy to see a naked woman...

Haha, see in the middle of your legs there is beautiful pink pussy.

Well ...

哇...我的小弟真的变淫了!

Alas ... !!!

第二次看到的女人裸体竟然是自己的!

The first time I have seen a naked woman turned out to be my own self.

Wow... I really have changed

But ...

Do not touch such a strange place! Quick change me back you fool!

The situation actually turned out pretty well...

Some people can not withstand such pleasure!

... fool.

Oh YEAH !!

Would it be so good to turn you back?

EH ?

Now your
not fighting
heroically.

how could
this
masturbation
never felt
this good
before!!

Elma
stop !!
AH

it feels
to good
....

Your just
an
ordinary
girl, I
hope
you un-
derstand
this.

Now right
....
you really
want to
have this
inserted.

Do not
say that,
you will
soon
become
yourself
again.

I'm
a
man
!!!

Yeah
is it
not
....

I'm a
virgin,
but he
inserted
it in to
me

Nice
and
Tight

Must feel
good to
have
something
inserted,
but I
wouldn't
know.

This is
really
bad!!

Your
pussy
doesn't
want me
to stop.
Just look
how it is
clamping
down on
me.

But
....
my body
is so
hot

Is
that
right?

This
kind of
thing
the
regret of
.... this
is prefer-
able to

Such a thing

But I am not making these noises.

These embarrassing sounds are my own voice.

The sounds you are making are those of a sweet girl.

But I'm a MAN !!!

Ah AHH

You honestly want to change back to your old self, all the while holding back the pleasure

Do you believe yourself while saying that you are a man?

Only a fool would believe that.

Oh oh

This bracelet is also particularly attached to my magic, where it will change your way of thinking to that of a woman.

Once you orgasm as a woman there will be no way to restore your old self.

As a man you got a thrill from saving the world, but holding this pleasure back must be much harder?

Those before I could fight but a situation like this.

How will to become so unlike my self ...

OHH
AHH

Holding
back in
this
situation
.....
AHH

NOO!!
The
intense
thrusts will
make me
.....

This is not
possible
....
it feeling so
good does
not help.

AHH
I
WILL
Ah
Ah
AH

OH
AH
I'm
about
to
CUMMM

はん はん はん

DON'T
GO
ANY
DEEPER
!!!

Your
hitting
my
sensitive
point!!

So I
am to
fully
change
into a
woman
.....

AH
AH

I
should
not be
feeling

I'm
cumming

I'M
CUMMING

And now
for the
final
step!

あ
あ
あ

AH

AH

AH

AH

into a Woman
I'm turning
: : :

The rest of your lifetime will be spent as a woman.

A man
....
no not anymore.

ゴッ...

A few months later.

Wow, look at this cute locket.

Oh, young miss has a good eye.

Xiuli and I have continued to travel together.

She used to be excited by swords and fighting, but now only jewelry

She is no longer the same person she was before, now that she has full accepted being a woman.

ELMA

My mood has also changed.

I need to hurry

Get a room at the inn and buy some herbs. Be back soon.

Stingy !

Don't just run around.

More specifically, I think she has become a real beautiful woman.

Oh, just wait a moment.

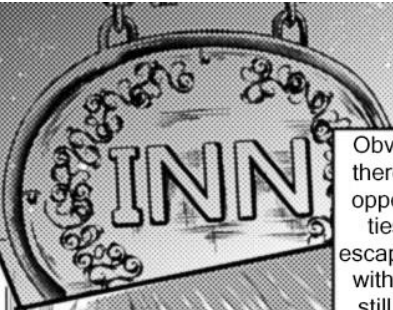

Although this is probably a trap, but she hasn't been thinking strait. Probably didn't even plan

ズル

And

How do you like this?

During the trip, Xiuli started offering her help to deal with my sexual frustration.

Obviously there are opportunities to escape, but with Xiuli still with me.... we come together often.

You
This is
!?

I got something for Elma to look at.

OH ??

Ah...
I used the money to
buy these.

I just want
to make
Elma happy
wo be with
me.

Yeah
!!!

You think
you can not
escape? You
think i will
not eventually
tire of you?
I made you
into this
a woman.

I was born
into a
man's life,
and I
thought that
a man's life
was my life
.....

Your
betrayal
really
did
scare
me.

Oh
!!

....
but I have
reluctantly
become a
woman, and
now I feel
liberated.

I was really
scared
being turned
into a
woman, but
now I just
have to
thank you
for this.

Eh
?

And
I
....

....
have
always
like Elma.

WHAT
!?

カマママ?

.....
making me a
woman. Even
now the
thought of you
makes my
heart beat
heavily.

I never
thought of
you as a
devil, nor
have I hated
you for
.....

I
....
I don't
know
what
to....

WHY
!?
AH

I'm
shaking
with
excitement

Ah

Listen, I just took you everywhere so that you could see the world. That is that you could see mankind before its' destruction.

At least that is what the plan is.

So Forceful !!

啊!
Inserting it so suddenly
.....
AH
AH

....
you have been together with me since then.

I never thought you would become a woman like this.

Even after this, you also

AH !

She actually became really cute.

And I Mean it !!

After we have been traveling together for so long.

I want a child Elma

AH !

No I just want Elma

Ha I have become so promiscuous as long as I am with you.

As the demon has made a woman out of Xiuli, she has become the type of woman the demon wants.

AH !!

... to make me orgasm so har. From now on I only belong with you.

I know you don't need to say it !!!

The world
of devils
fighting
men has
disappeared.

A
couple
of
months
pass

King of
the
demons
is now
associated
with men?

men are
now to
live free?

After a time
humans and
monsters
chose a path
of
understanding

Xiuli
!!
