Afterword

Hello or Nice to meet you, I'm Itto.
I'd like to thank you for picking up a copy of "One Fourth".

"One Fourth" started with me following an urge to draw a "urethra fuck" manga no matter what it took, and this is how it ended up. Occasionally I go off on a rant about "how sex is a joining of sex organs and so for gays the true sex is urethra fucking!" but it turns most people off. Why don't they understand this fetish...

I'm happy if even a few people read "One Fourth" and now understand the wonder of urethra fucking. You may think that it's not possible in practice, but I've seen penises that exceed 40cm in movies and pictures! Couldn't a penis that big take a normal sized penis in the urethra?!Right, sorry.

At any rate, I'm happy if you enjoyed this even a little bit. I gladly accept mail if you have any thoughts or opinions.
See you later.
