ONLY

Crash

Jeez!!!

双子エピソードラム

Sure, sure.

Ah, right. I like my fried eggs well done.

Like I said, Ako, you should be considering how you're responsible for stealing my precious morning time.

Sizzle

It's going to rain this afternoon...

Sizzle

HEY!

Are you paying attention to me!?

Ehh?

To begin with, you want to kiss me, right? Then you shouldn't be complaining about me taking up your time.

Hmmm? I don't understand you.

I'm going on ahead.

Not at all like me, even though our faces look identical.

Wait!

She looks beautiful with her make up on.

Her hair looks cute.

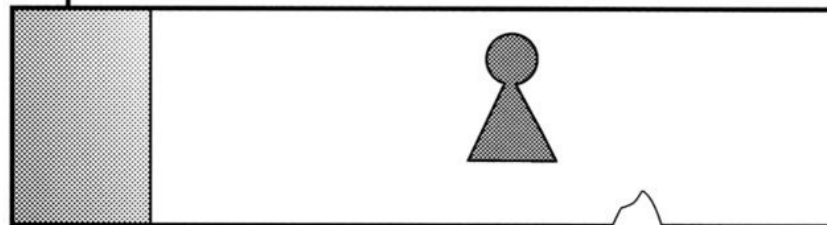

Sorry! We're going to the classroom now.

What!?

Where are we going?

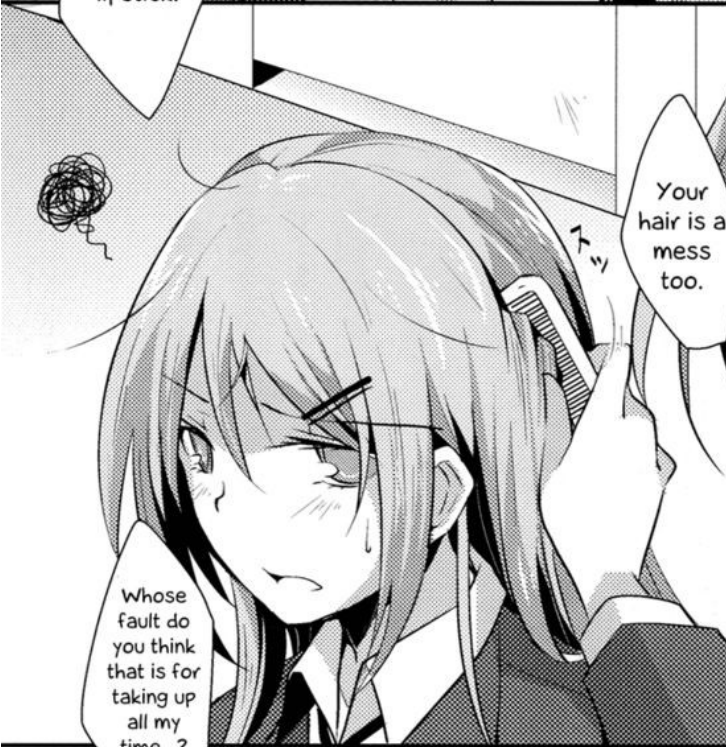

Hey!

Hey!

What are we doing here?

Your hair is a mess too.

There!

Now we
look the
same.

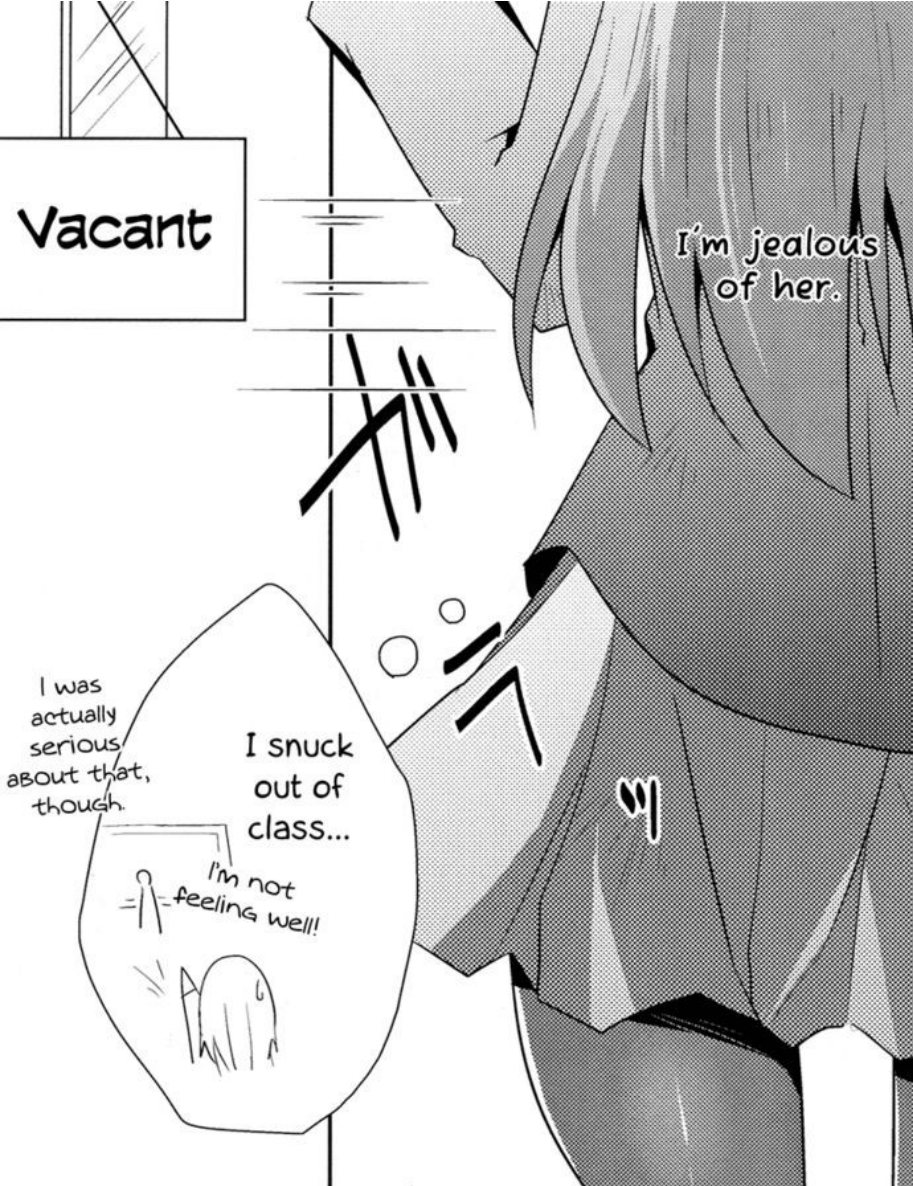

You're
such a
narcissist,
Ako.

There
she goes
trying to
have her
way
again...

We need to talk.
Come to the
infirmary now!

She
always
does
what she
wants to.

Ako...

I wonder
why it
is?

What
is this,
hmm?

Yeah...

you're
right.

I found
this in your
room,
Nako.

△@*X●\$&~!!?

Y-You
went in
without
my per-
mission!

Nope!
I'm not
giving it
back.

You have
to tell me
about these
kinds of
things.

Hey...

Try using
that toy
on me.

Grab

...Fine.

Click

Ahh
...!!

Hm?
So that's
where you
start
using it...

Isn't it almost like looking at yourself when I'm using the toy?

.....

Ah...!!

Look how wet you are...

I'm not like you, Ako.

You can't use these stockings anymore, huh.

Ah!

You're such a dirty girl, Ako.

AH!

Oh?

You're pretty wet yourself, Nako.

HAHAHA

Don't be ridiculous ...

Did looking at me get you in the mood?

You've become dripping wet so quickly, Nako.

Hehe he...

Ako,
wait!!

zzz

Nako,
stick out
your
tongue
more.

Haa

Nako

HAA

AHH

you're
cute.

I love
you.

I love
you too,
Ako.

... ..
It's nothing.

Afterword

It's been a while! Orico here. I've been seriously into black stockings lately, so I drew this book with a lot of them in it.

"Yuri twins may seem brilliant and lovely on the outside, but I'm sure they have their own troubles! I want to see that!" This was the mindset I used to draw this book.

By the way, the title comes from another flower. As you may expect, I couldn't find a flower name that would mean "twins" literally. I tried to pick something that came close.

This book ended up being quite different from what I had imagined, so I would like to pick up this story again some time.

Anyway, thanks for reading!
