

Smoking

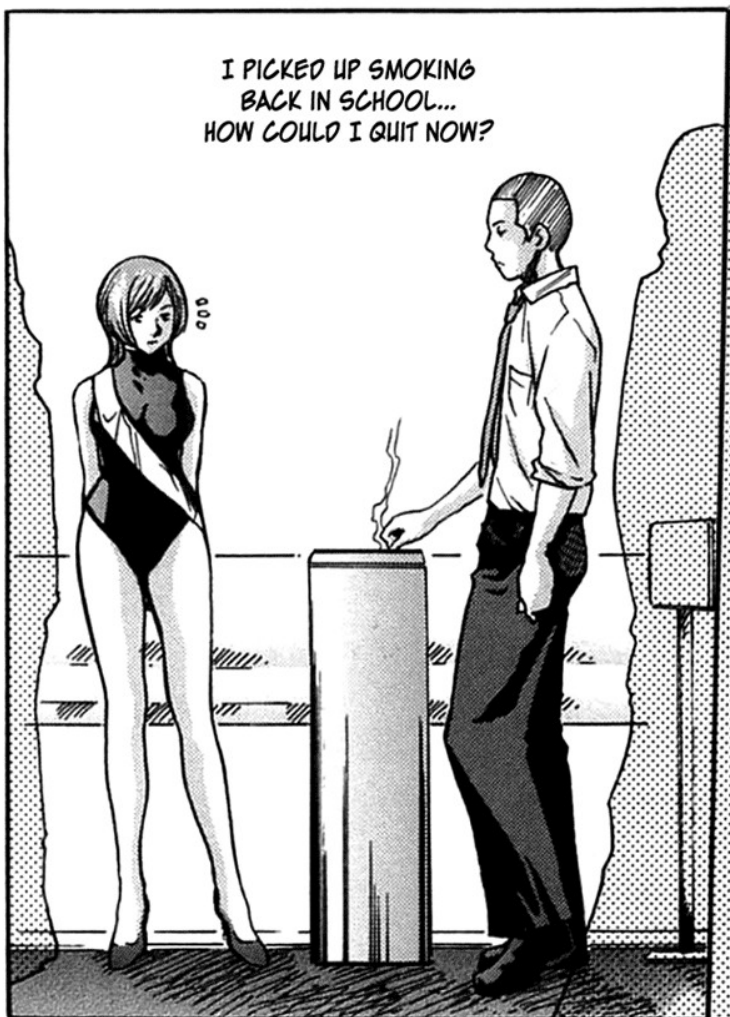

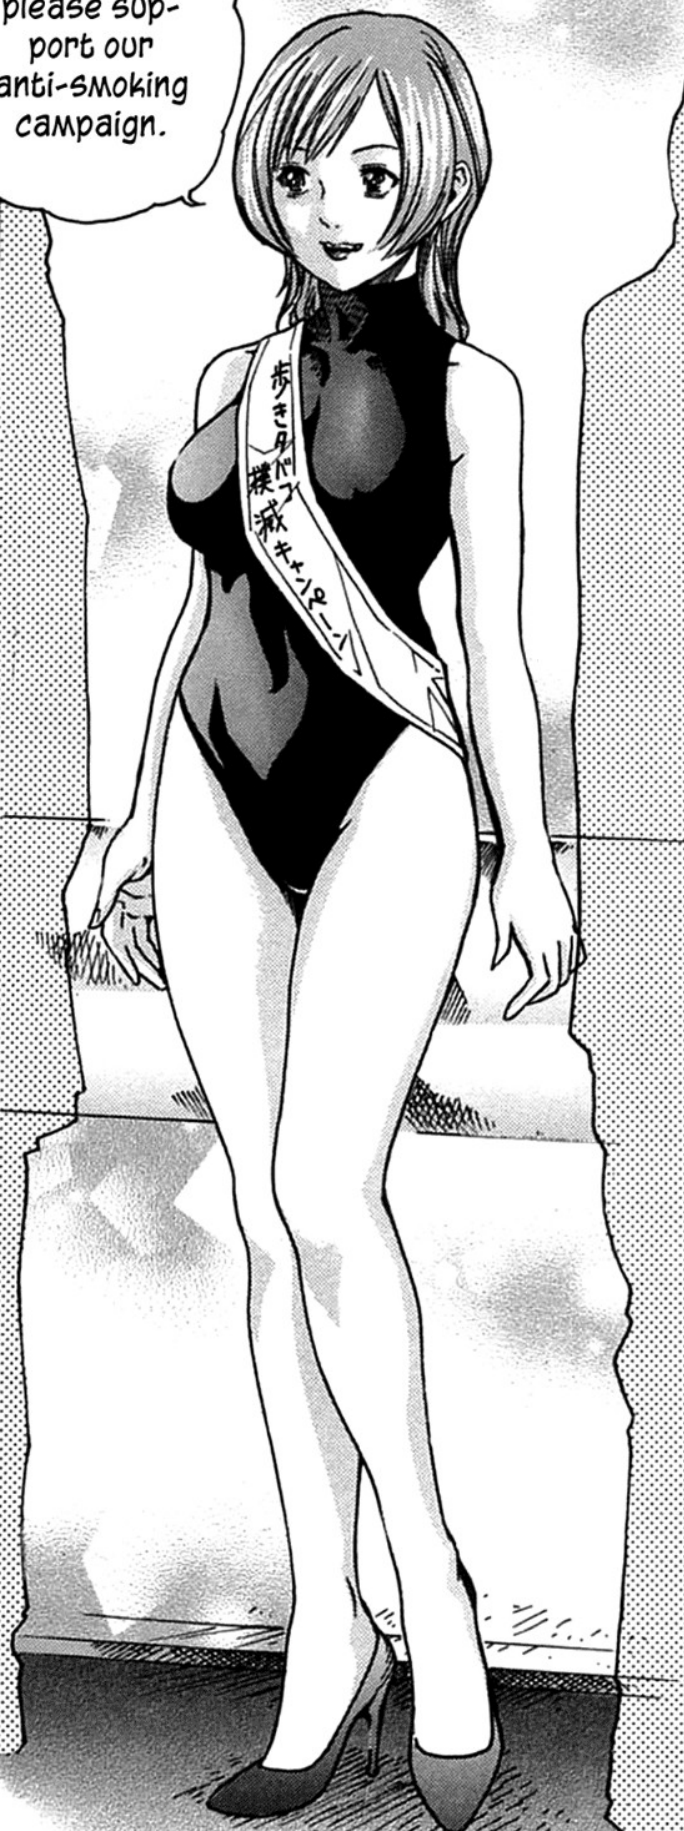

Please,
everybody,
please sup-
port our
anti-smoking
campaign.

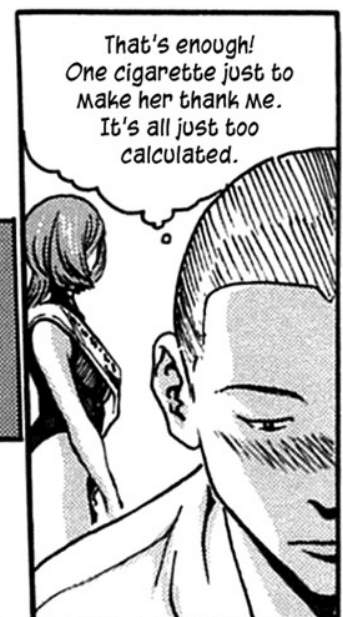

I CAN'T RESIST...
THIS ANTI-SMOKING
GROUP'S PEOPLE ARE
GETTING HARDER AND
HARDER TO HANDLE.

I PICKED UP SMOKING
BACK IN SCHOOL...
HOW COULD I QUIT NOW?

What's that...?

That's disgusting...
I feel like puking...

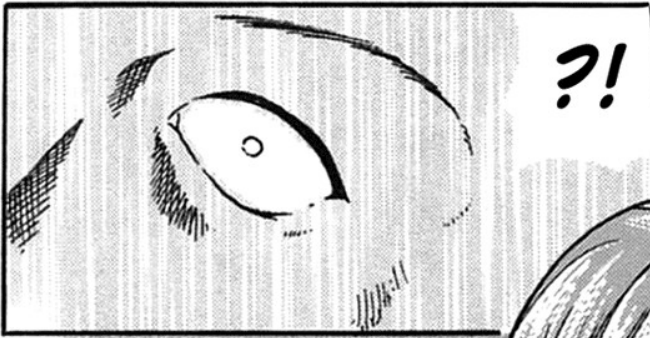

It's be-
cause of people
like that, that
the public image
of smokers is
so bad...

Oh?

That's
actually
the brand
I smoke.

You could've
burned down
your flat.

This
really is
danger-
ous...

Don't
talk to
me like
that!

You
are
...

Lit cigaret-
tes are
dangerous!

Putting
that kind of
fuel right at
your side...

In the end
I just think
that you're
a very nice
guy.

That's
because you
always are
so good to put
out your
cigarettes
for me.

...Z!

Yeah.

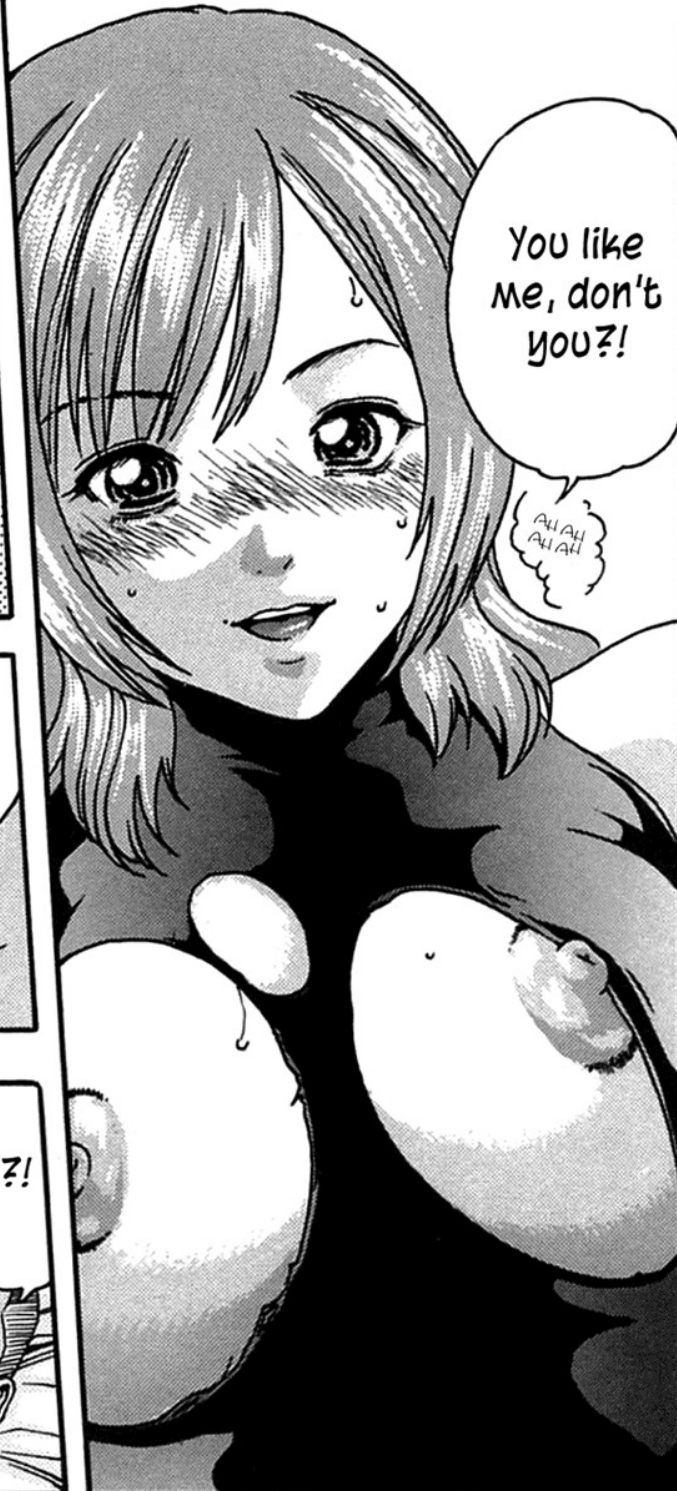

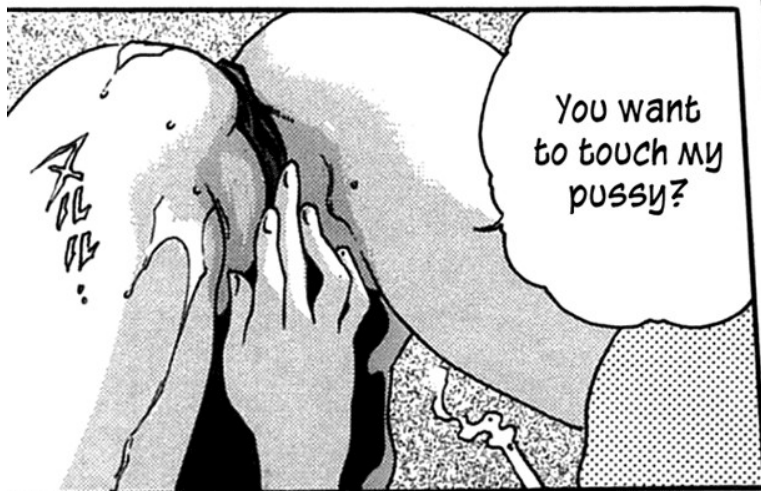

You're
the guy that
always comes
to see me,
right?

You're that
anti-smoking
activist...?

Wow?!

Wait
a bit.

Aaah!

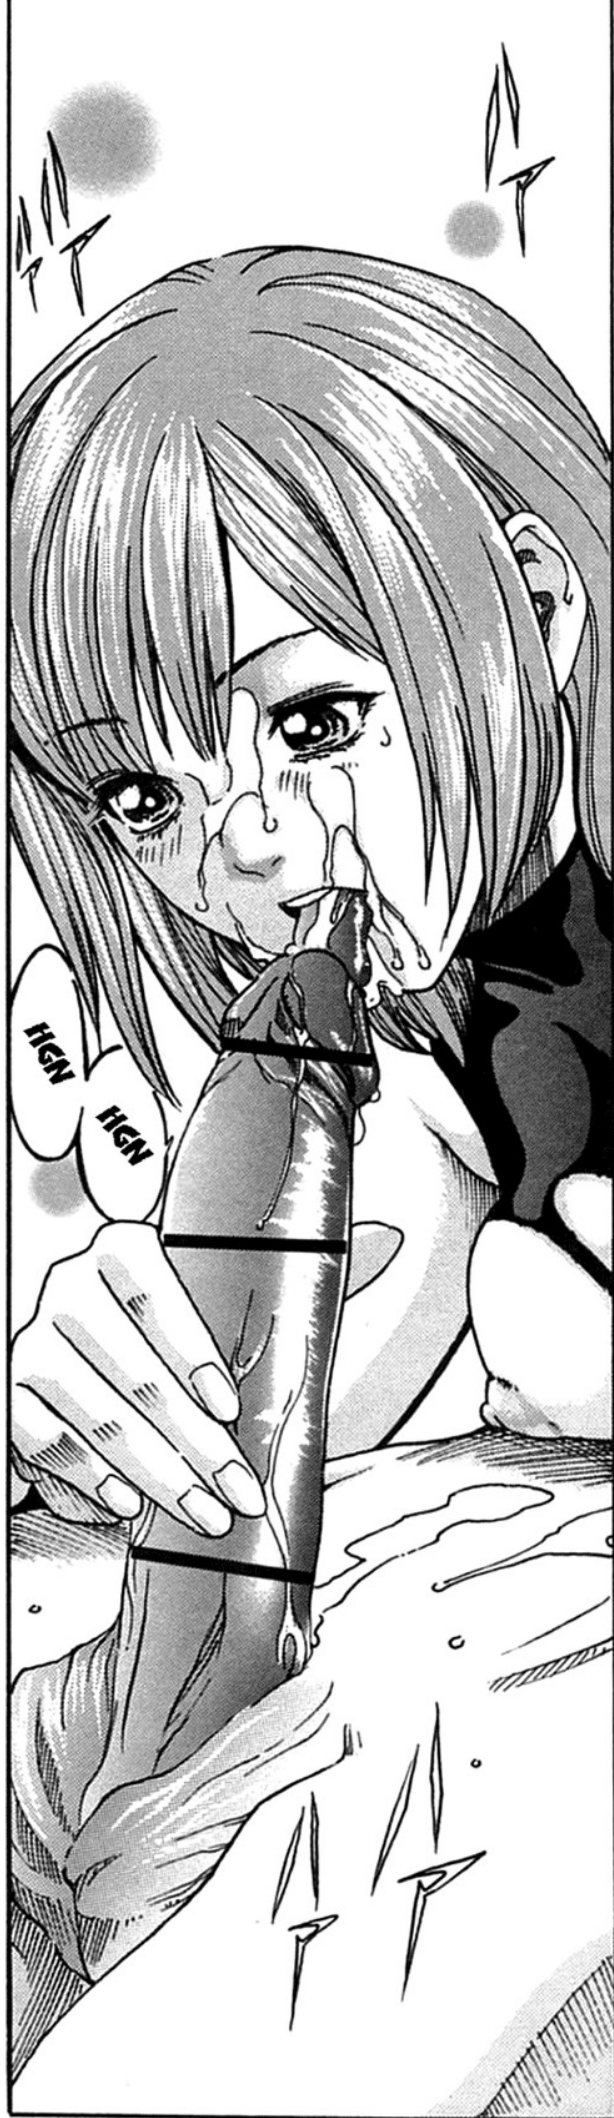

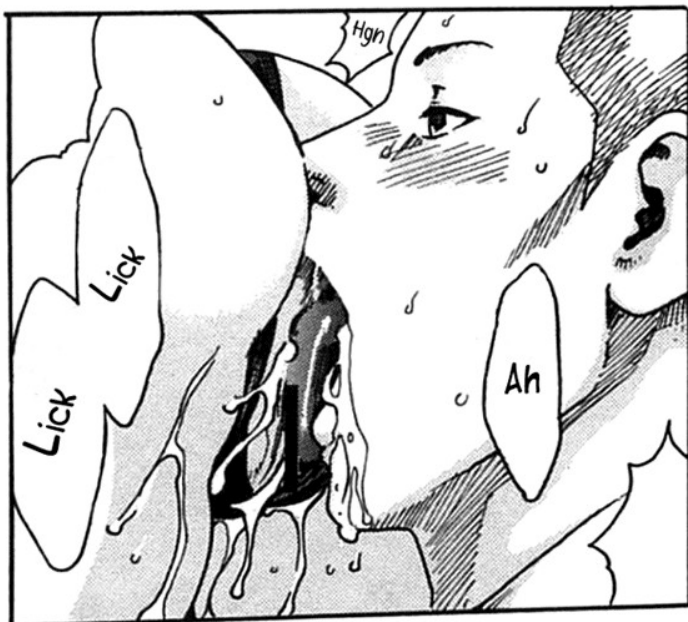

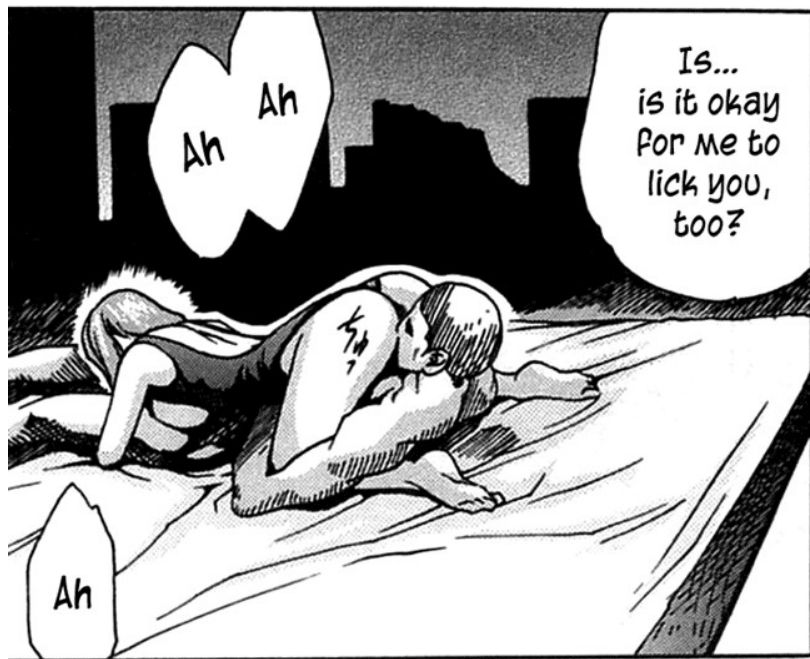

I al-
ready
know that
you like
me!

Don't
try to
beat
around
the
bush!

HIGH
HIGH

Ah!

Ah... You're
breathing
heavily...

Ah

Ah

Ah
Ah

Seems like
you already
want to
finish it...

Please,
please
let me
come...

I'm
already
gonna
come!
I'm
gonna
come!!

Ah
Ah

Don't.
Not yet
...

Let me
come,
too!

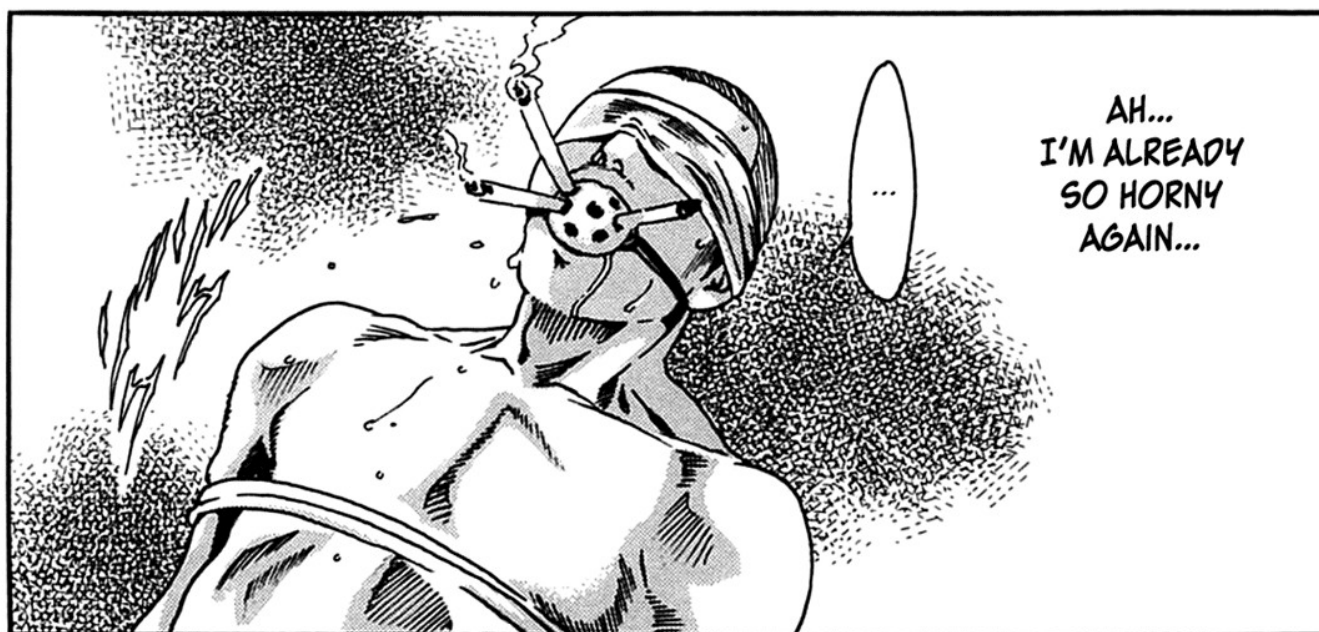

A bit
deeper...
deeper...!

I'M ALWAYS
LIKE THIS; I
ALWAYS COME
FIRST, AND
AFTERWARDS
I GET
SCOLDED...

Really...?
This is no
good. I still
haven't
come yet.
