Whenever
I'm left
behind alone
in the dark
like this

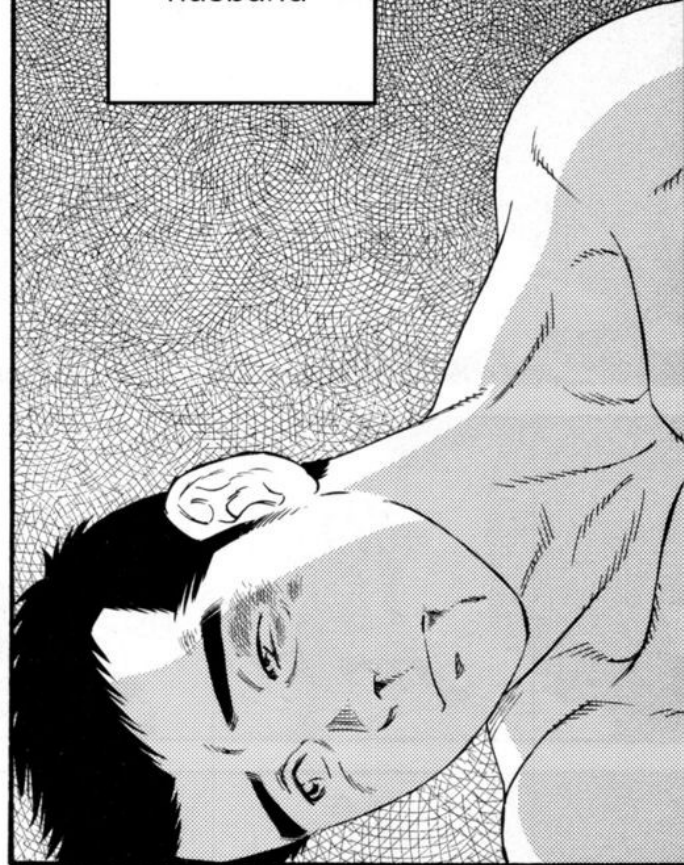

I always start
thinking of
the same
thing

Despite him being that kind of man

I didn't understand why she went so far as to marry him

Why did mom take him as a second husband

Ahh...

Do my insides hurt

my penis burns deep inside too

What month, what day, is today?

The inside of this chest is really steaming now

But
this is
nothing

Stinks of
piss, stinks
of sweat

the taste
of blood in
my mouth,
makes me
want to
vomit

I can bear
the pain in my
body, the
stench is
nothing to me

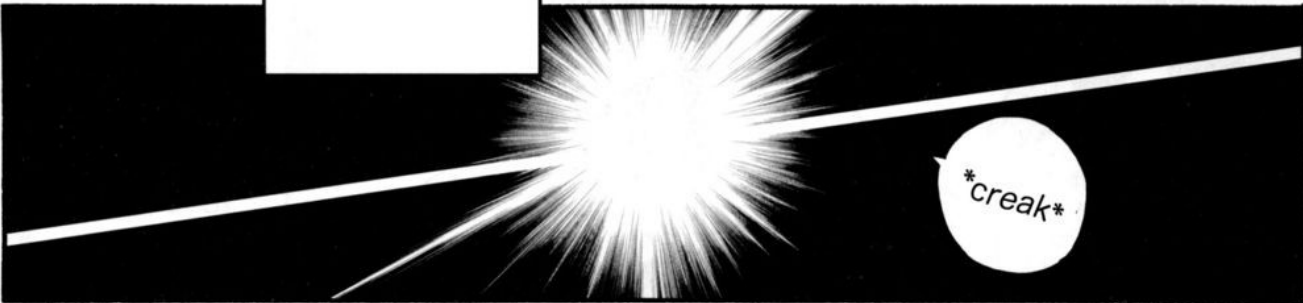

But

drunk and calls
in a sweet voice

Times

Hey, your mother was the same

But, when she had dick stuck in her, she'd get to crying out without a pause, she was a slut

Usually she possessed a posh indifference

For the first time in my life

I knew what the taste of semen was

untied the

dropped me
down

He took me
while
choking my
neck again

At the end,
I felt him
release inside
my ass, but

my
memory
isn't
very
clear

When I came to I was in the chest again

Another chopstick was stuck in my piss-slit

I didn't know what that was

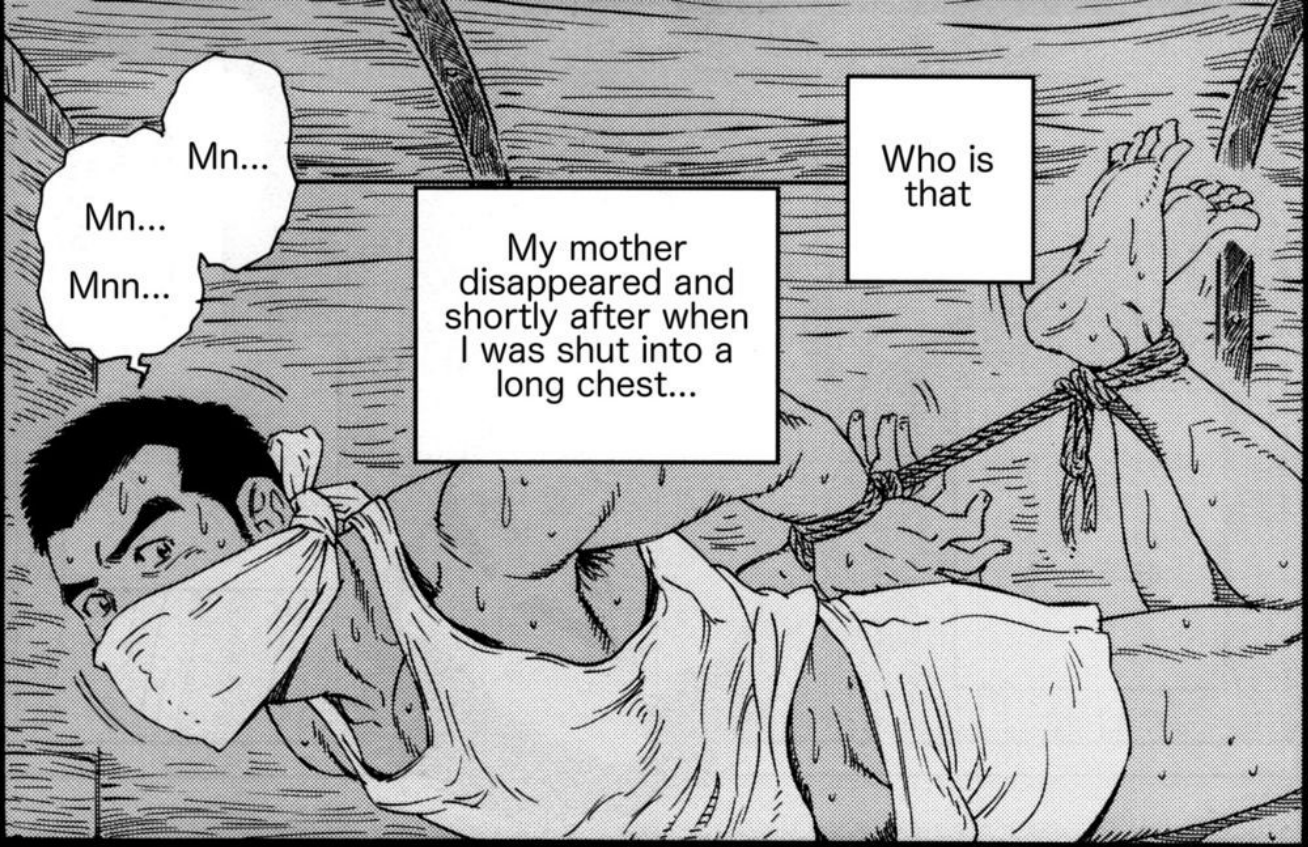

No matter how hard I pushed out, it wouldn't budge

Even in my ass something like a thick pole was stuck in, but

will this continue
I wonder

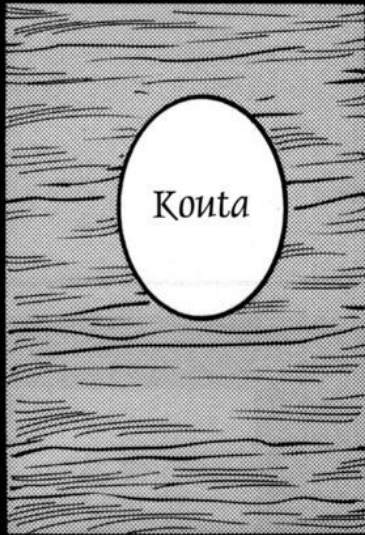

How long

I ejaculate with
tears in my eyes

He roars in laughter for a short time, but

When he sees that

In an instant he will begin to savagely beat me

That's as far I can remember

It's like he says

I'm a disgusting and filthy pussy-boy

When I woke up in the chest

I knew my face is swollen all over

Without having to look in a mirror or touch myself

But

I felt something inside my bottom

And my dick got a little stiffer

And him

He's

A
madman

I cannot
resist him

I love it when he does this to me

This is pleasure to me

I must think it's delicious

I must find it delicious

The chest
lid opened

Like
always

It was the same he'd said before but

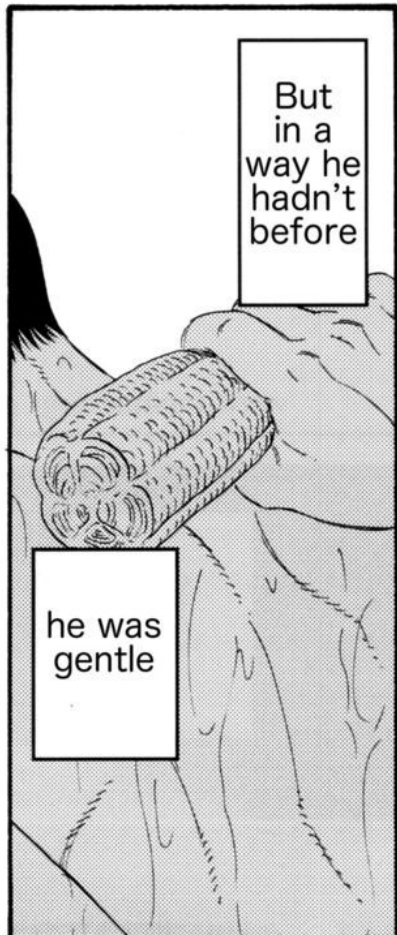

Bathtime Kouta

Come right away!

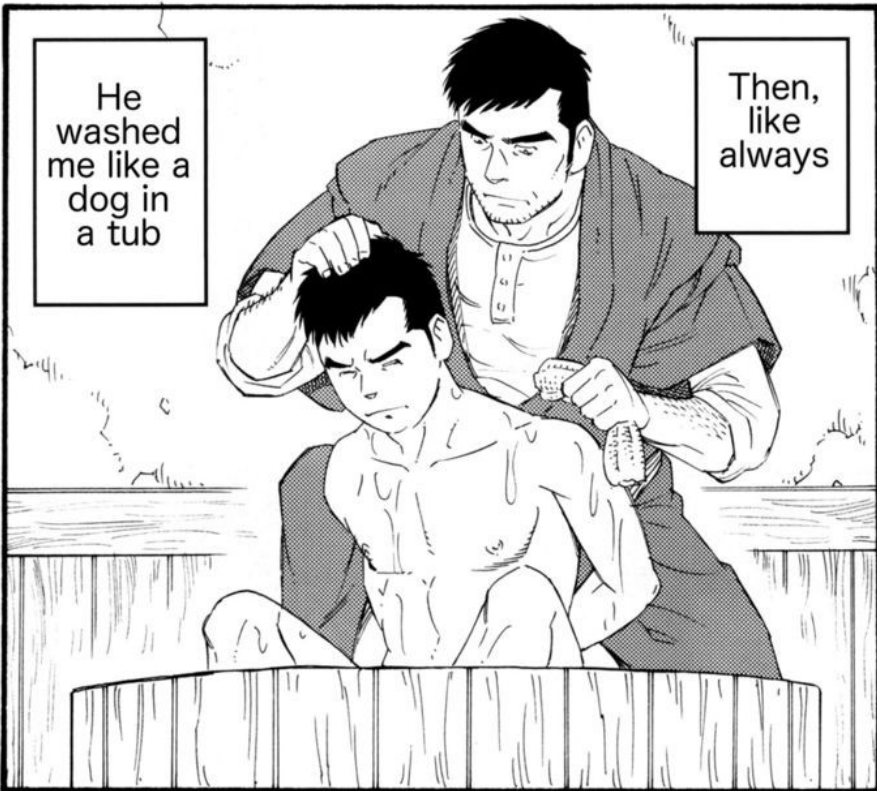

He wasn't drunk,

And it was bright outside with what looked like midday sun

But in a way he hadn't before

he was gentle

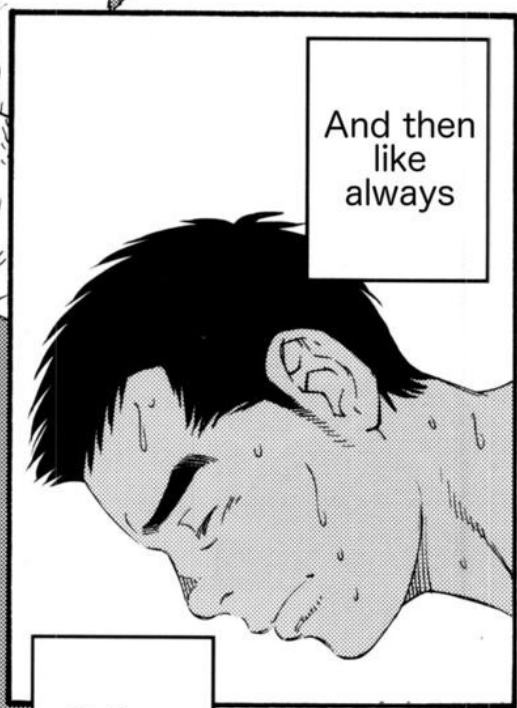

He washed me like a dog in a tub

Then, like always

Go on, hurry and push it all out!

He'd make me defecate

And then like always

Before his presence

He'd wash my hole

thoroughly thoroughly

Ahh... Mm....

Mm... Ah....

SHUDDER SHUDDER SHUDDER

Mn-
Ahh....

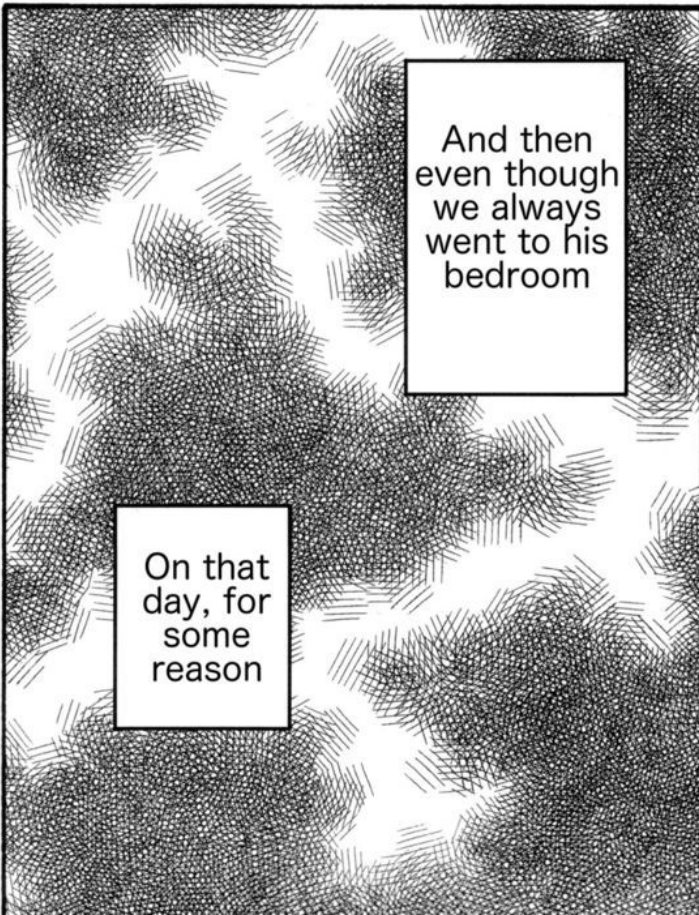

When my
penis got
hard despite
myself

He wound
a string
around the
base

With the blood
circulation cut
my penis stayed
stiff as wood
while throbbing
painfully

This was
the first
time it
was done
to me

~~TIE~~

And then
even though
we always
went to his
bedroom

On that
day, for
some
reason

Alright,
let's go!

.....

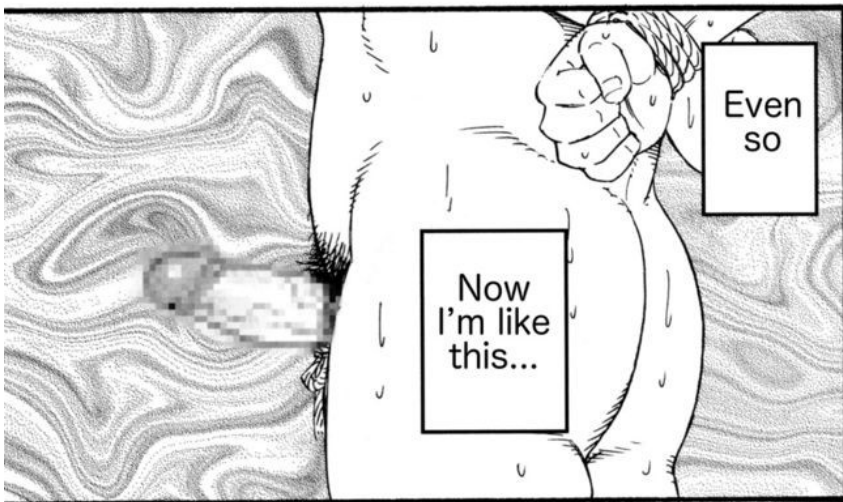

This is where I grew up
My home

He lead me to the living room

This was also a first

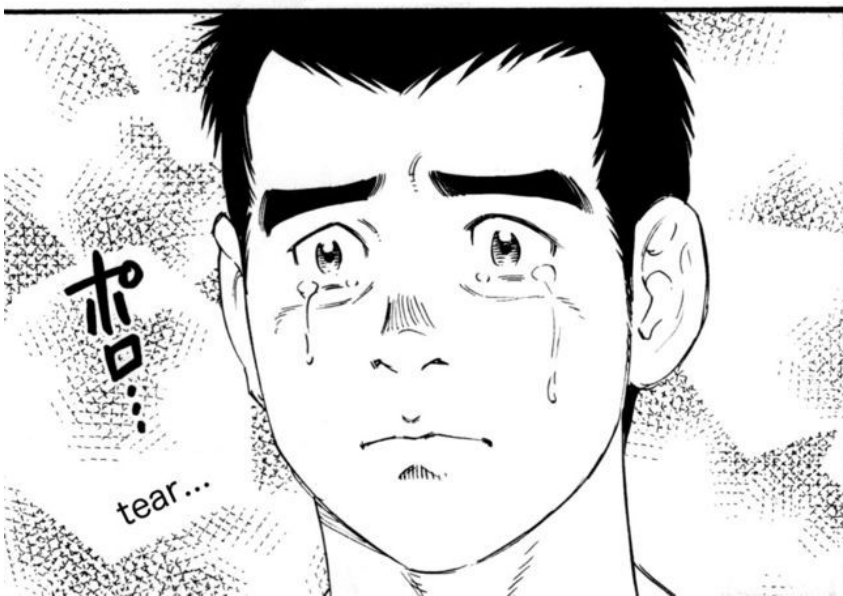

Even so

Now I'm like this...

The low table, even the sliding door handle, I knew it all so well

The sings in the tatami, the stains on the walls, I knew it all so well

泣...

tear...

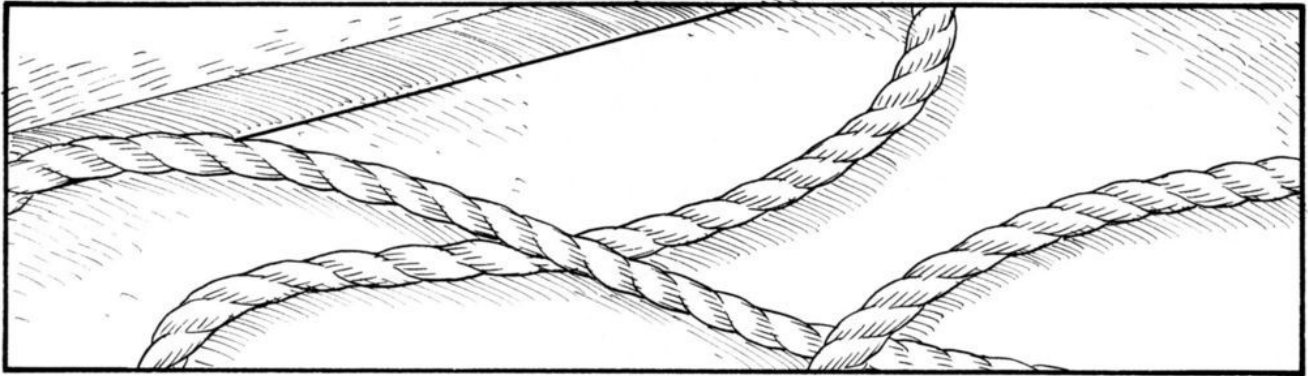

I don't know what he'll do to me

Oh no, I must stop crying

if I don't

What's this? You're crying, damn brat!

FLINCH

Ahh-gulp

And then I sucked him

Try and show me how much you've improved in cocksucking!

Go on, Kouta

He gave the order while sitting atop the low table

SUCKING

"Do you want a second helping, Kouta?"

Hey, see how far deep you can take it down!

This is the low table on which me and mom would eat together everyday

Now, I'm being made to suck a man's penis on it

SUCK SUCK

SUCK SUCK

Not one tooth graze! Keep the tongue moving too!

"Was it good? hehe Momma's glad"

Ulp...
Ggh...
Gkh...

Slurp...
Slurp...

That's it, keep it up

Cocksucker-brat, you like sucking a grown man's cocks?!

Even with the string untied

my penis remained as hard

RAM

RAM

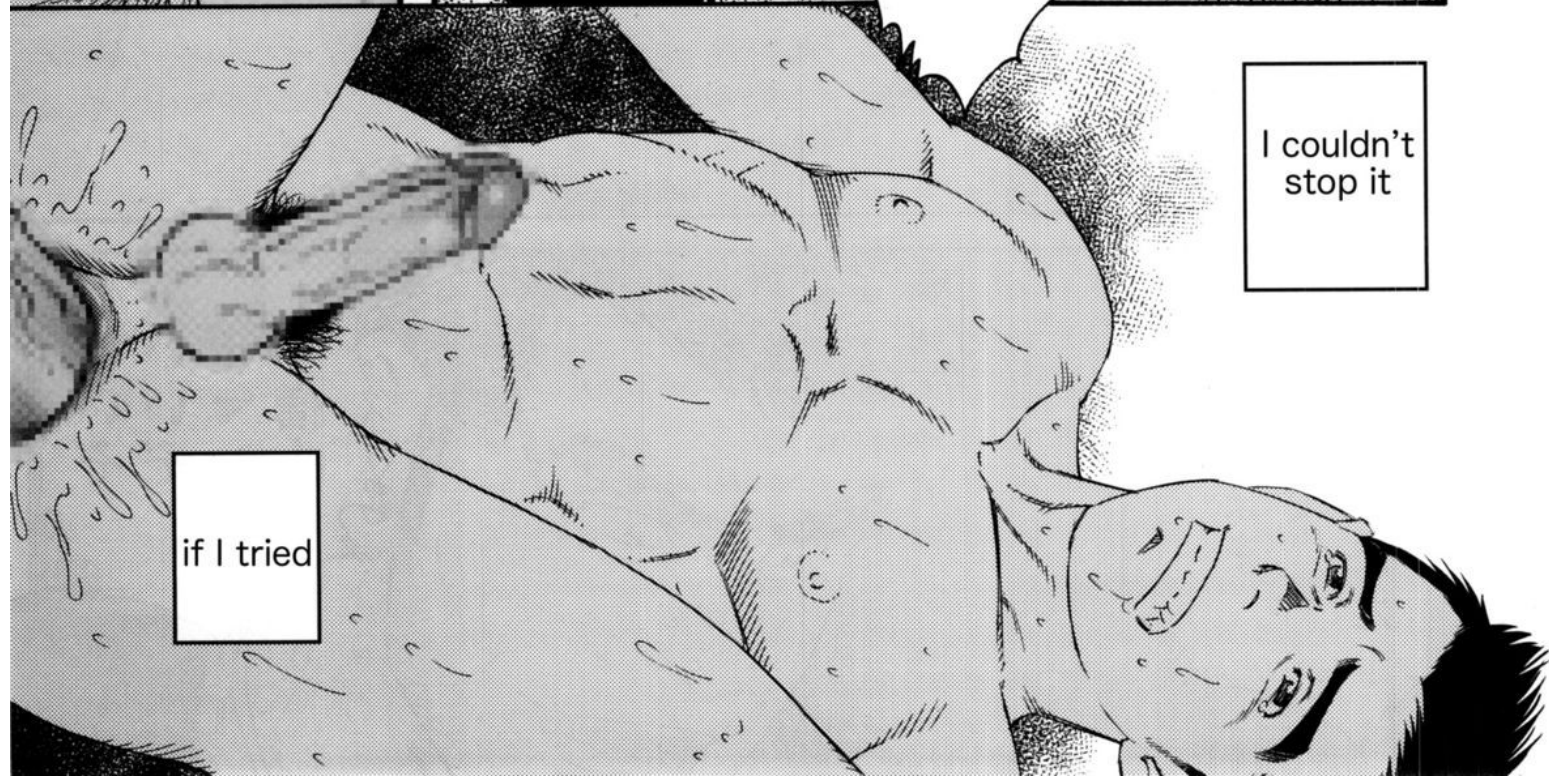

Aah...

Mm...

Ahh...

I couldn't stop it

if I tried

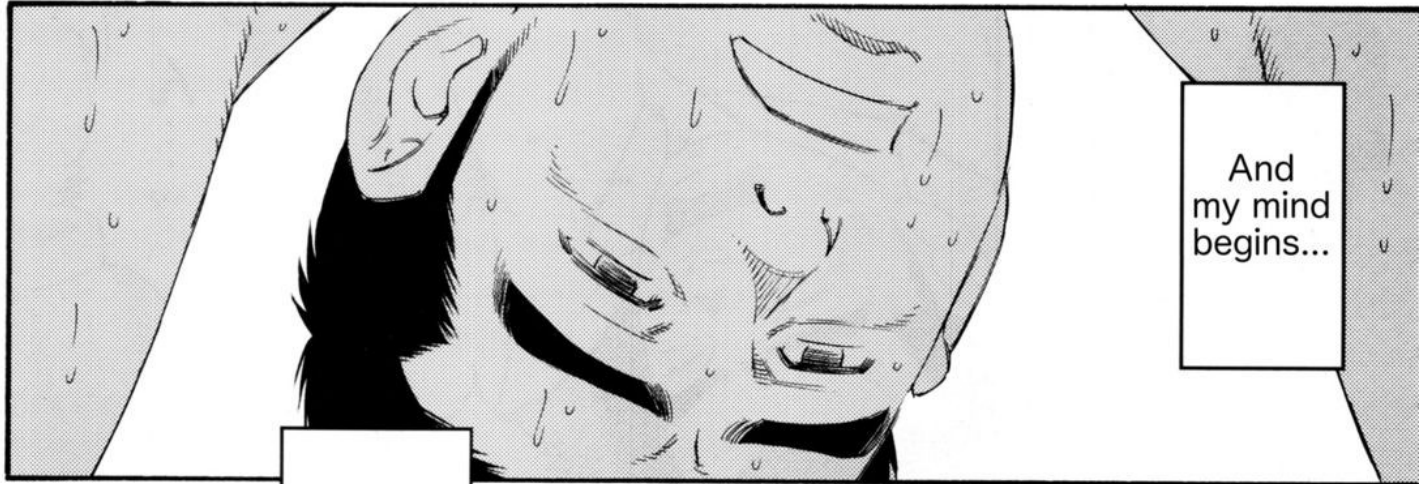

Once that's happened, I can't think of anything else anymore

it gets hot deep inside my bottom and my penis begins to feel so good too

When this is done to me, steadily

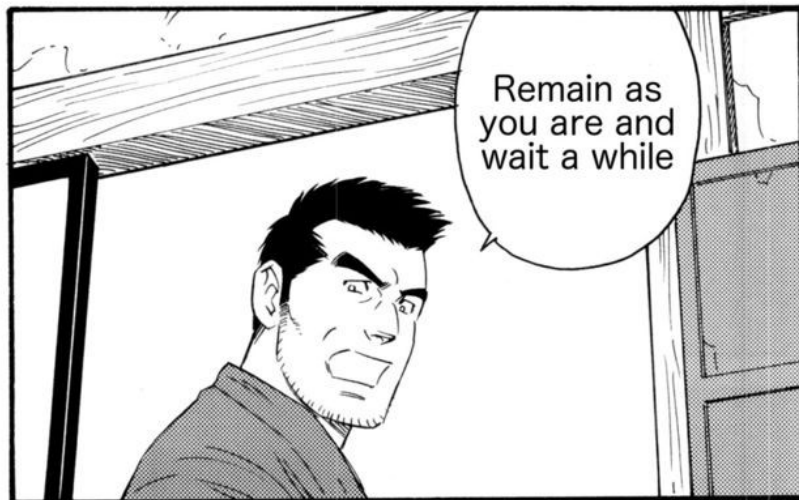

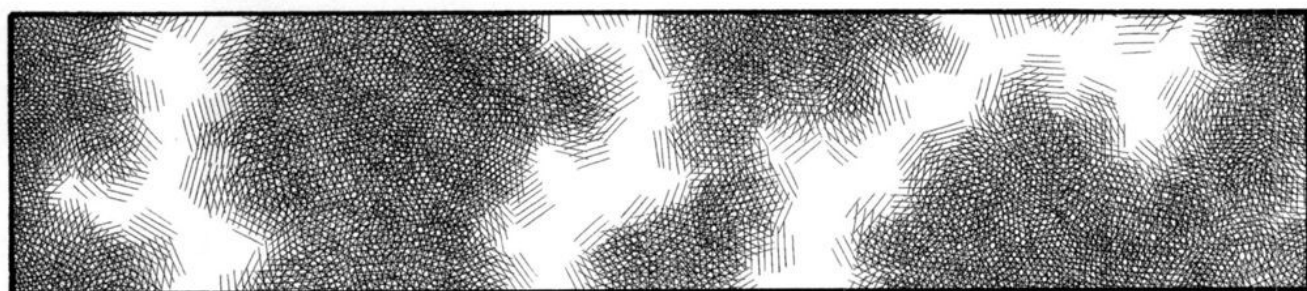

And my mind begins...

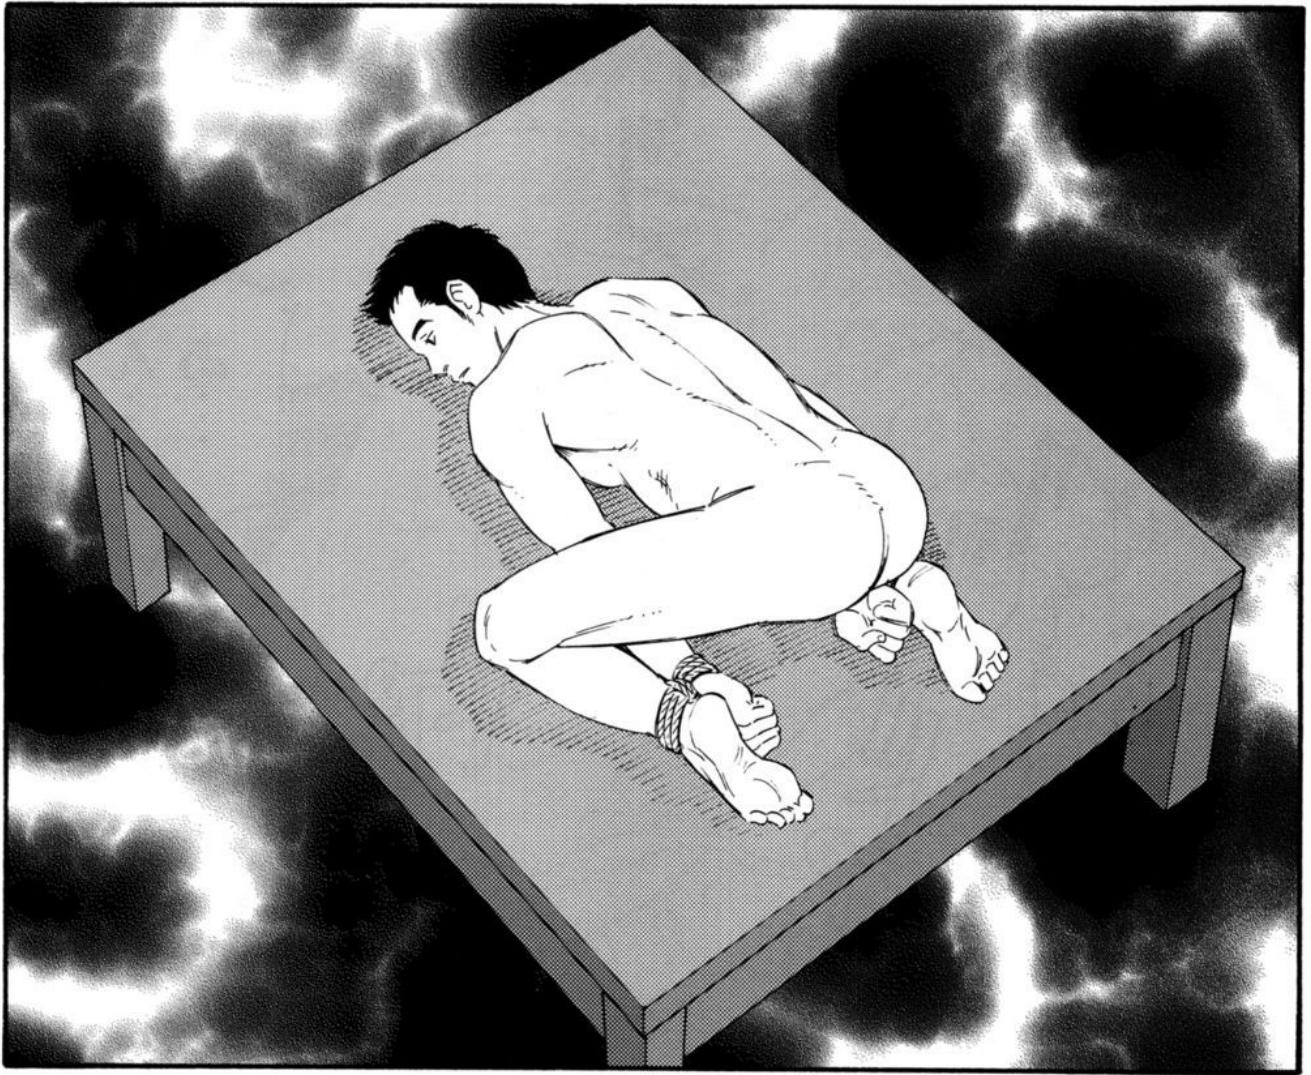

to blank ou...

At this rate I'll be cumming in your ass!

Good boy, Good!
Pussy-boy!

I wasn't beat up and my neck wasn't strangled

That'd be great

I wonder if it's over for today

A black and white photograph of a cloudy sky. The clouds are dark and dense, with bright light breaking through in several places, creating a dramatic, high-contrast scene. A vertical line runs down the right side of the image, possibly a page fold or a scanning artifact. Four white rectangular boxes with black borders are overlaid on the image, each containing text.

down and
immediately

But I
couldn't
understand

It looked

over yet

CREAK

On that day

there was another turning point

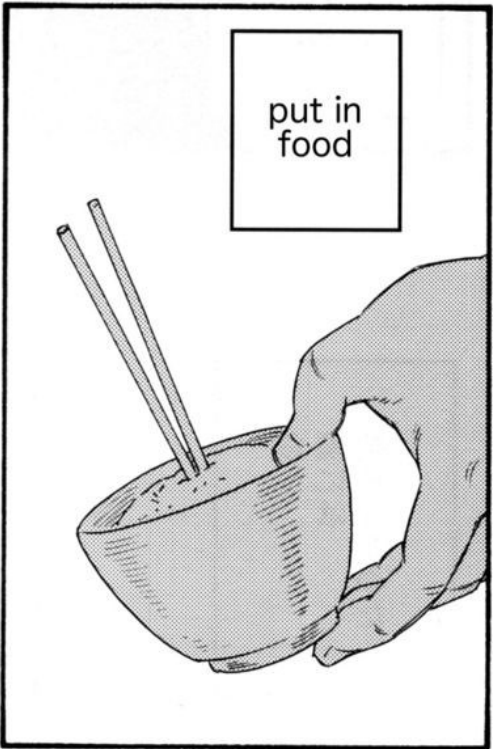

lifted the lid

He wordlessly

and exchanged the chamber pot

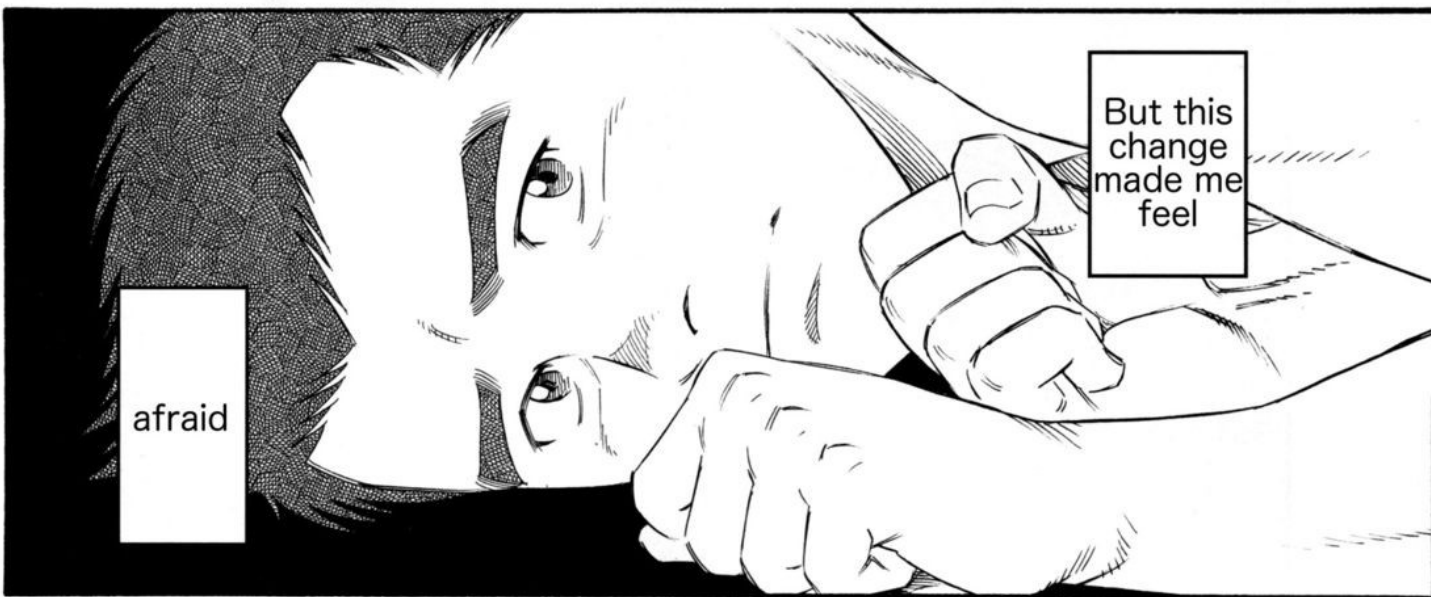

put in food

I wasn't made to suck his penis or penetrated from the back or anything

It should have made me feel relieved

But this change made me feel

afraid

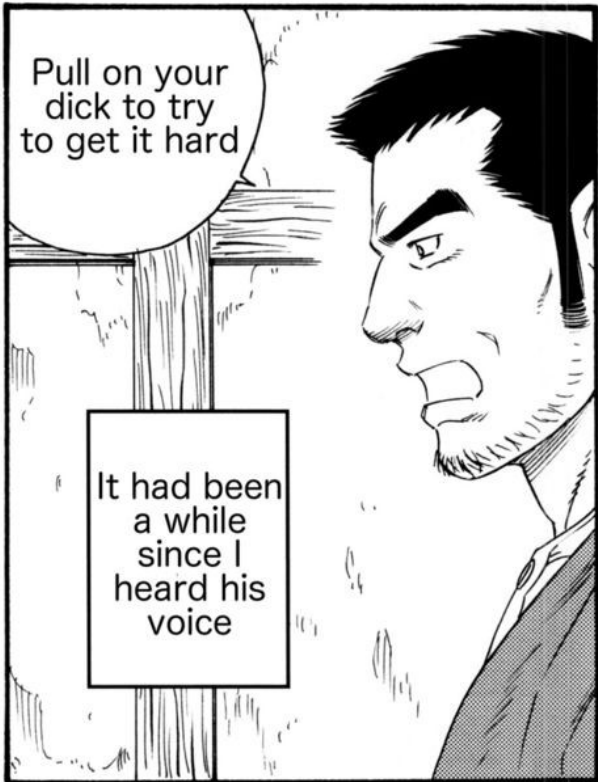

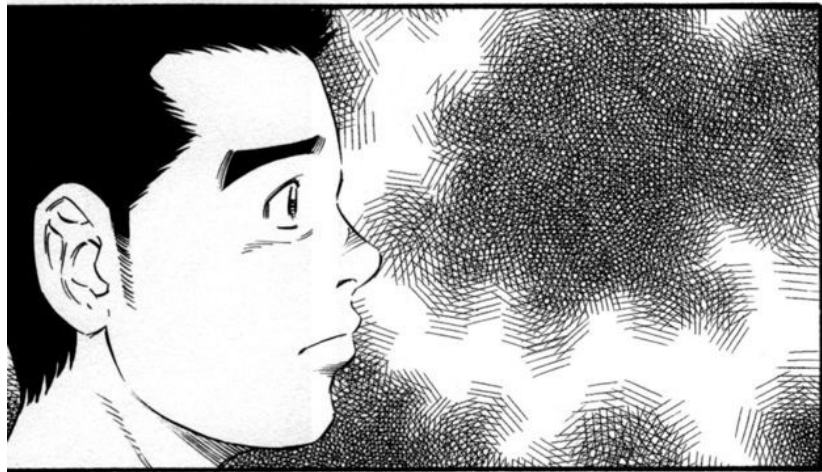

And of asking why...

I was finally taken out of the chest after such a long while

In time my injuries scabbed over

when those scabs fell

Pull on your dick to try to get it hard

It had been a while since I heard his voice

Taisho Era
September 1, 1923
Great Kanto Earthquake

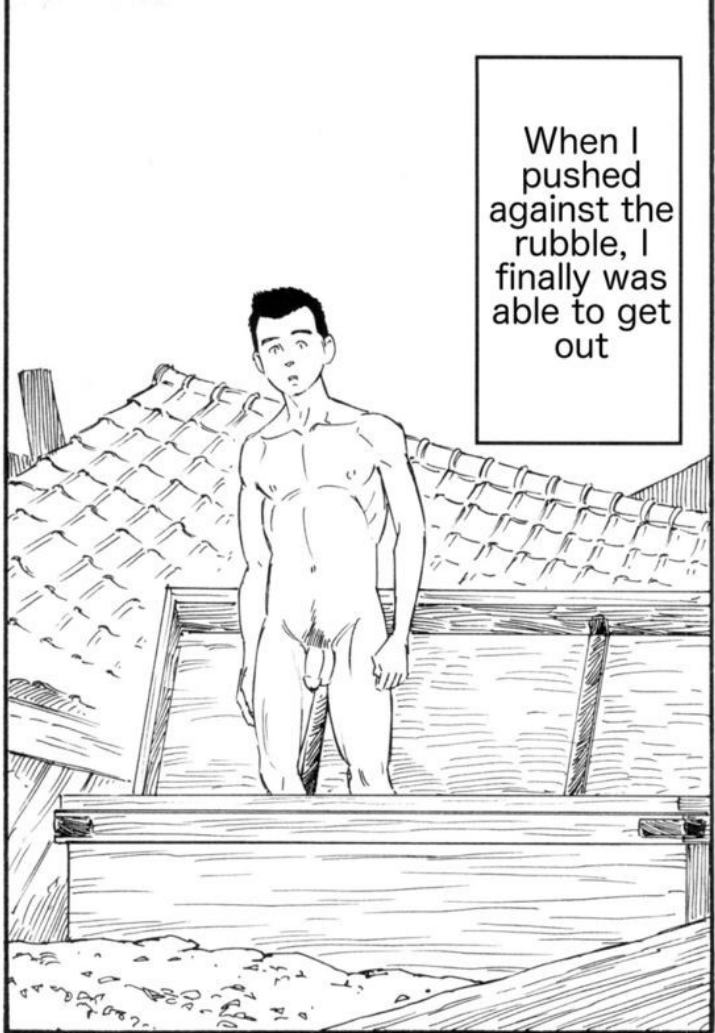

I was told it was
a truly horrific
earthquake
in which
tens of thousands
of people died

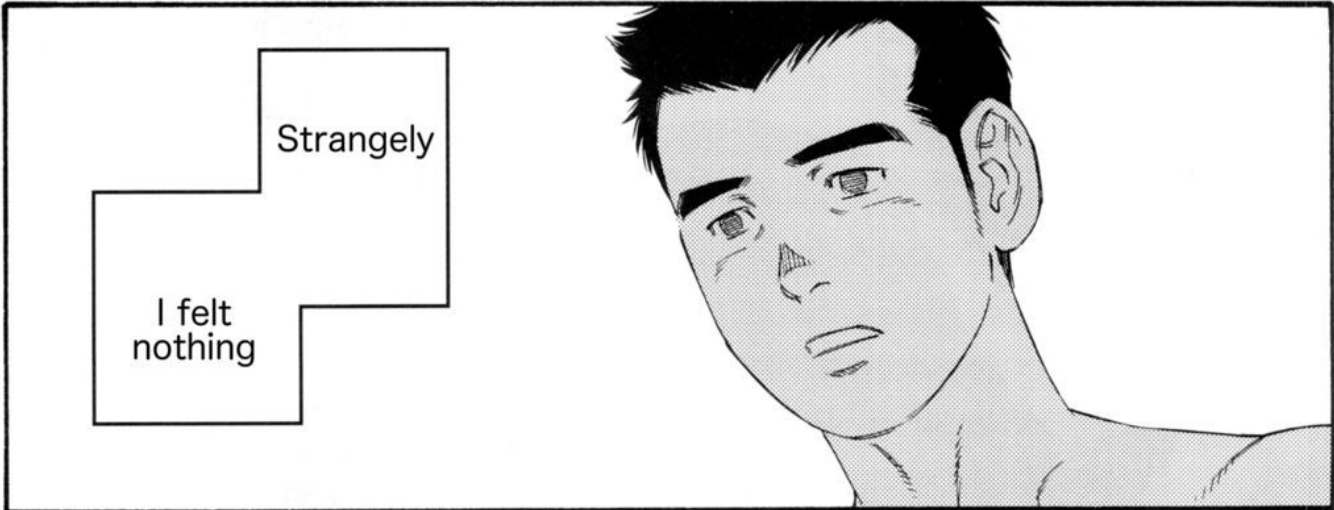

He

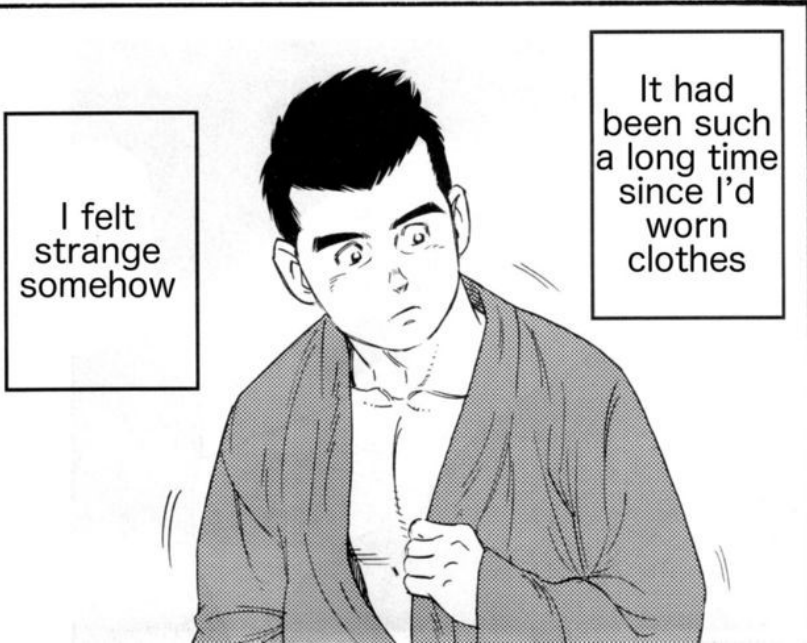

was already
dead,
crushed by
a beam

When I
pushed
against the
rubble, I
finally was
able to get
out

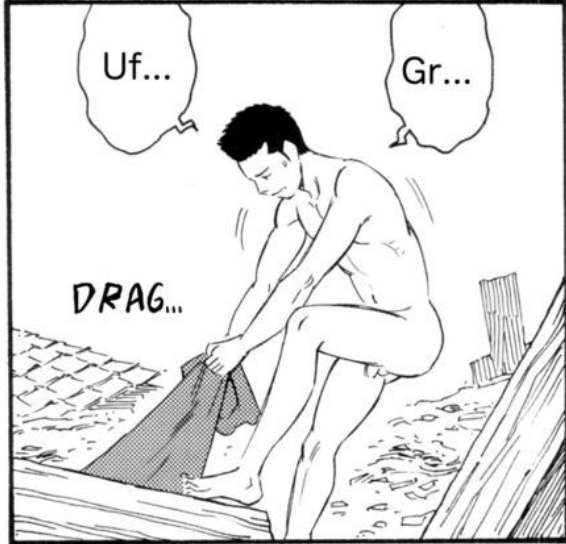

Strangely
I felt

I felt
strange

It had

Old sir,

Old sir is...
Your mother
has asked
me to come
fetch you,
my boy!

Don't worry,
your mom is safe
too
That's right.
I was asked
by your mom
Were you
scared?
Oh, but it's okay
now!
She's waiting
for you at
my home

So now,
Kouta, my boy
Go together
with this old sir!

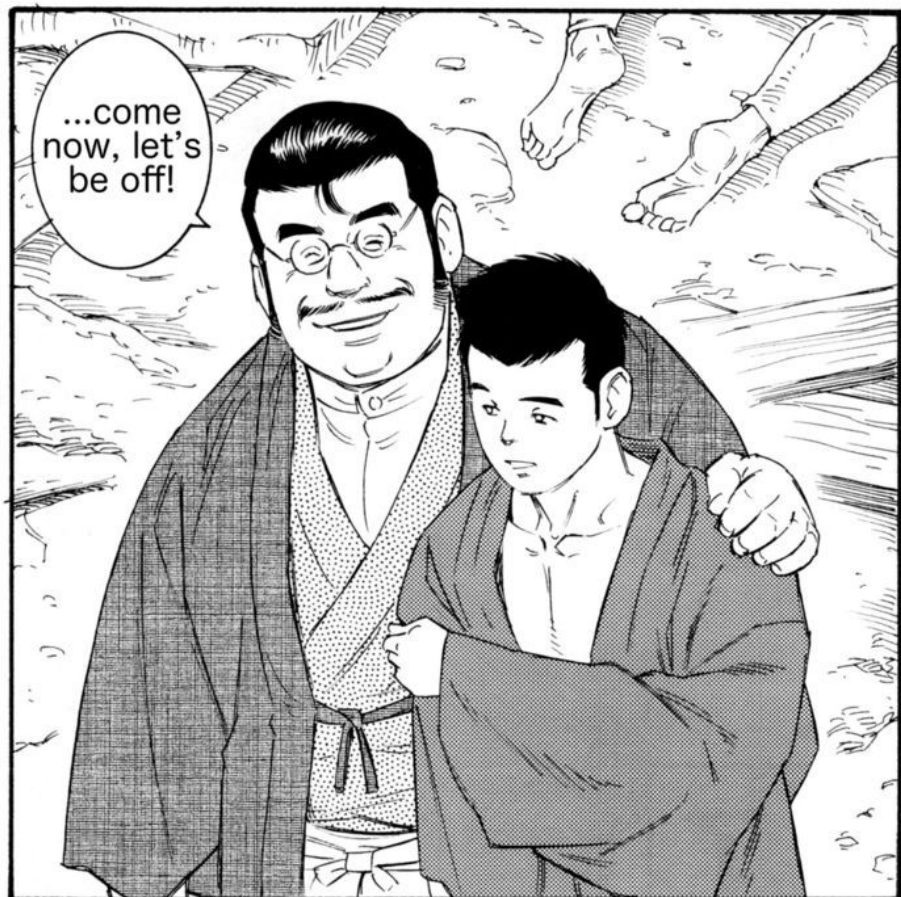

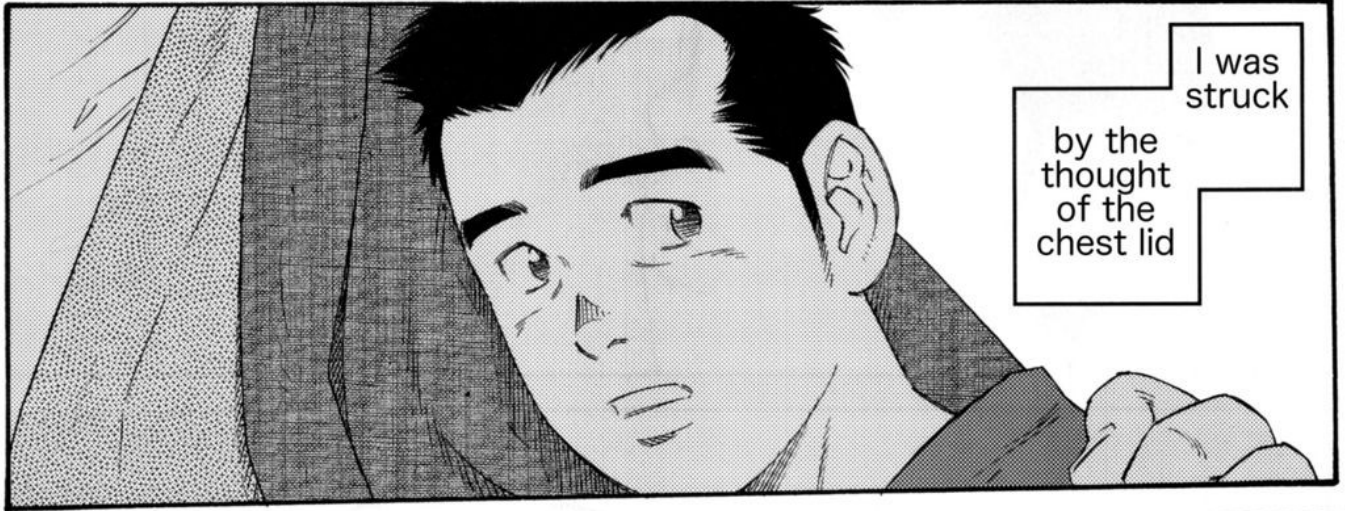

Then

while this seemingly kind gentleman had his arm around my shoulder

...come now, let's be off!

I was struck
by the thought
of the chest lid

I had come out of that chest

But I wondered to myself where am I going now...
