In this room there is...
...a ghost.

Senpai...

I can also see the... apparition

It seems that he was a virgin who lived here long ago and died while masturbating.

No. How do you know he's a virgin...

He does nothing but masturbate.

A ghost bound to this room.

That and the rent was super cheap.

did you rent out this room because you knew this ghost was here?

Anyway, senpai,

You've got a lot of problems, huh?

No ghosts either!

It's fine. It's with a ghost.

Senpai, how could you...

You're the only one for me, senpai!

S-Senpai?

You can do something like that?

Synchronization complete...

It's okay. It's me.

I have him under my control.

Are you r-really senpai?

Or were you possessed...

AHN!

AHHHH!

See?

I'm the only one who knows your weak spots, Kayo-chan.

It's not a real cock, but it feels good... stirring me so deep...

S-So good!

Yes!

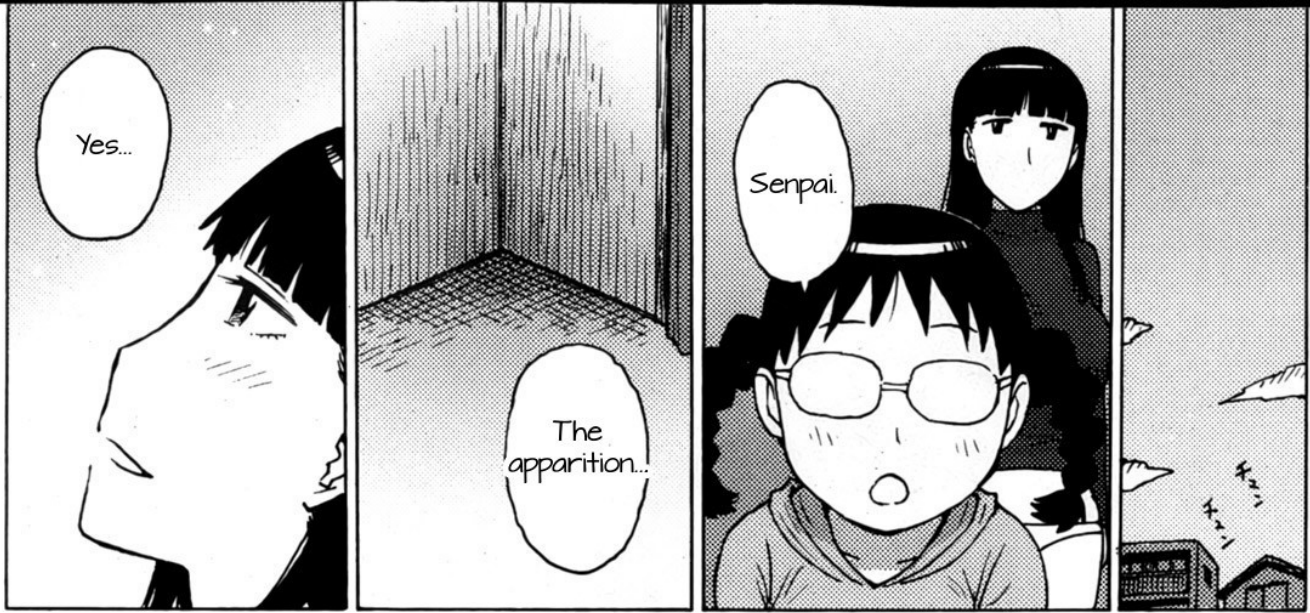

Really, senpai?

AH!

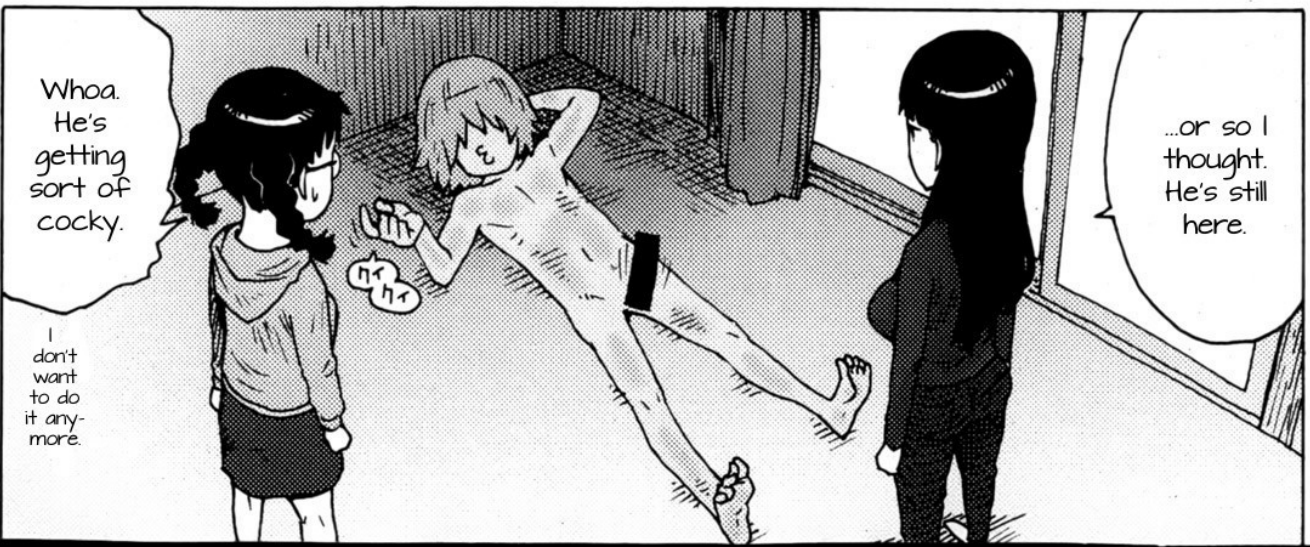

AH!

AAH~~~ You feel so good... inside~~~

ちょっとウザいけど、憑依すればペニバンの代わりになるし、意外に役立つかも？
