I was trying not to burst out laughing the whole time.

M-My bad,

Gimme a break! It's all your fault, Natsumi-san! You said that there'd be no more customers.

I did, but... Nfufu!

Is the coast clear?

Dammit—

Nghaha! This is too much! Ahahaha haha!

I'll put on the coffee-hehehe!

Aha ha!

Close the front entrance Pfuha please...

A'ight. You don't hafta laugh that much, y'know.

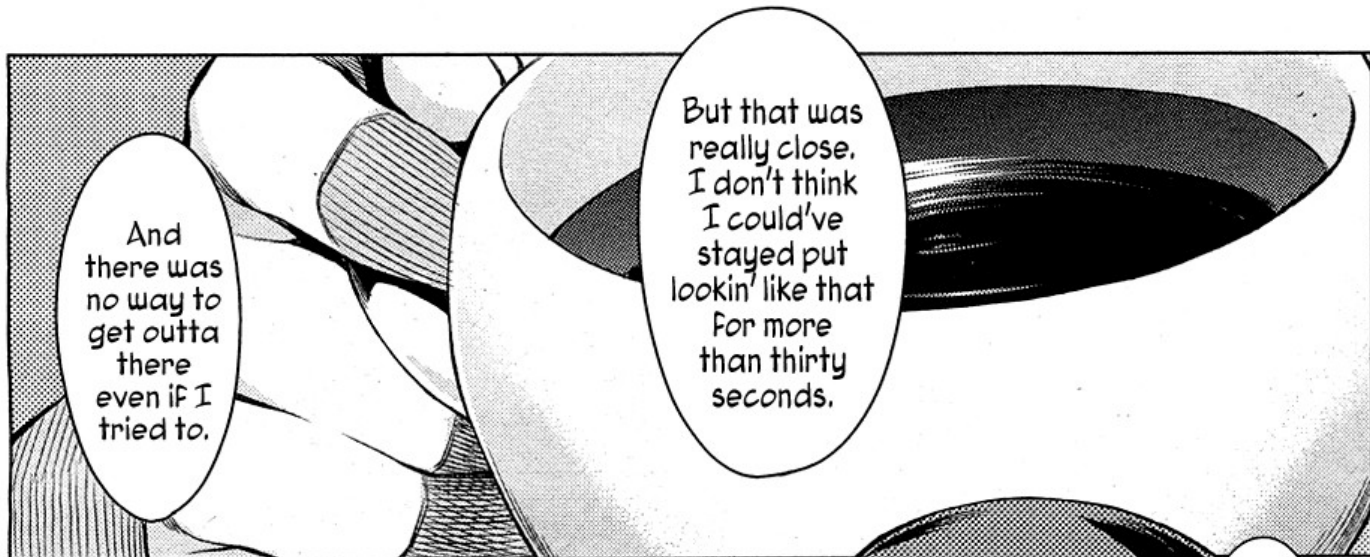

Yea-haha, you can come out now!

Pfufu! Ahaha!

Closed

And there was no way to get outta there even if I tried to.

But that was really close. I don't think I could've stayed put lookin' like that for more than thirty seconds.

I'm sorry that you had to go through that because of my selfishness.

Mmh, yeah...

So cheer up, 'kay?

I am really sorry.

Oh my, "little"?

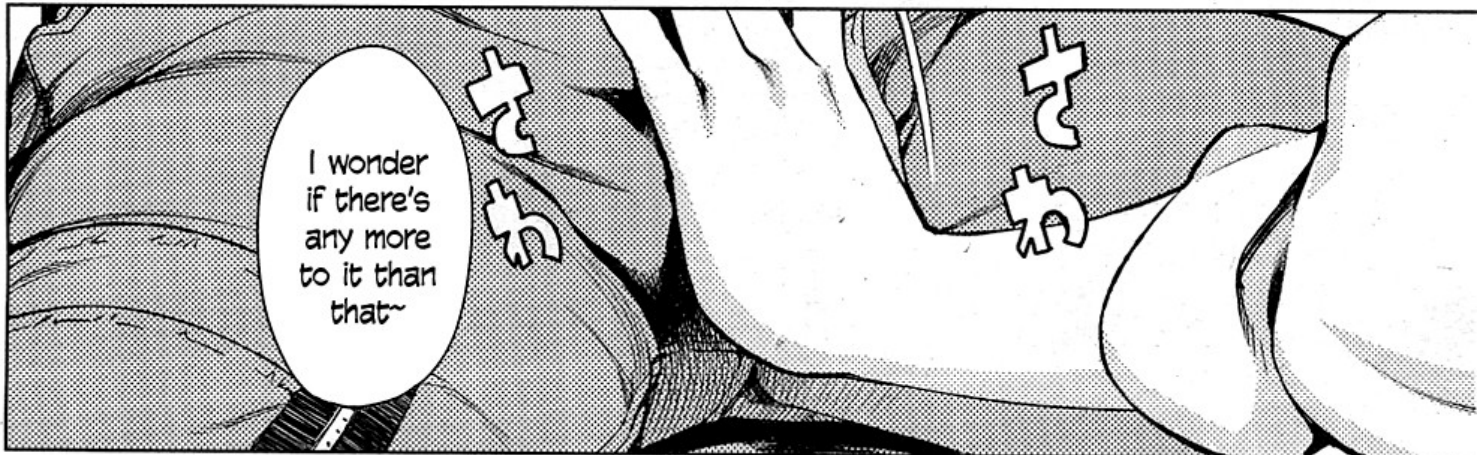

Are you sure it's "little"?

That there is just my "little guy" ...

To Takaharu-kun of course.

Umm, Natsumi-san, who are you talking to?

I wonder if there's any more to it than that~

Mhhh~ The musky smell of a man!

Ah! ♥ I think I should confirm it first-hand...

H-Hey, Natsumi-san...?

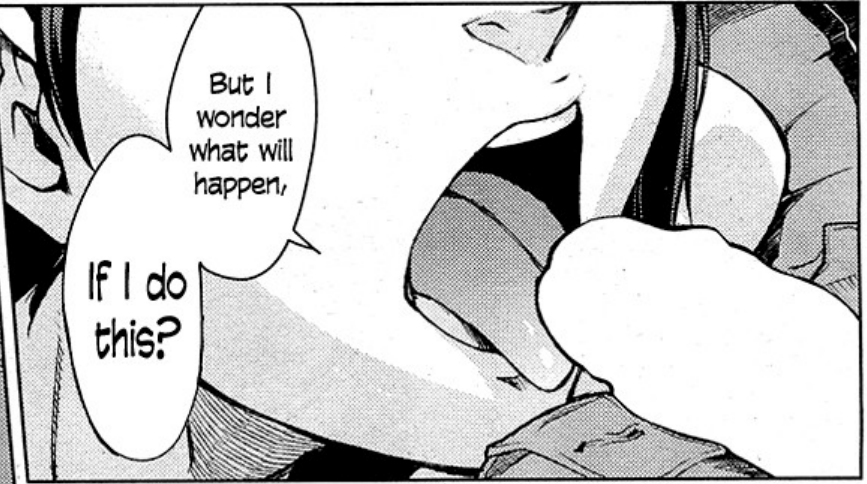

Aha!
It really
is...

You're
still
going on
about
that...

I'll have
to confirm
firsthand
if it's really

Mnh

Nku... Haa!

That's 'nuff...

P-plear

Natsumi-san...

I wonder if it'll become even bigger~

Noo waiii~!

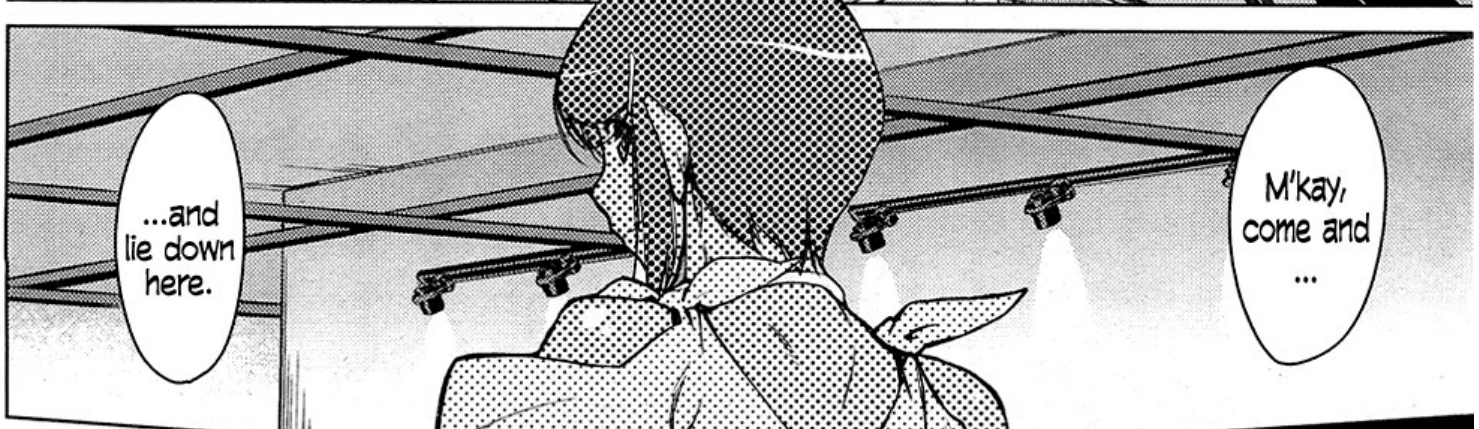

But knowing your appetite for sex, just cumming once isn't enough, right?

Ah, w-well... yeah...

I'm totally satisfied!

Just as always, you let out so much-

...and lie down here.

M'kay, come and ...

Hey, what do you think about this?

Going bottomless is pretty erotic, right?

I'm gonna cum already.

~~~~~

Isn't that just lovely? ♥

And like always, you're so quick to recover~

About how you had pushed me down and forced yourself on me.

I was just rememberin' our first time...

**GWAH!**  
That hurts!

Tell me!  
Tell me!!  
Teeell meee!

I was totally at my limit at that time.

Yup, that's how it was.

Now that you mention it, that's how it all began.

Aah...

It's not like I'd do it with anyone just like that.

Ah,  
I'm just talking about how I was feeling.

"Any-one's will do" is it?

When you just crave for a dick in your pussy and anyone's will do.

It was one of those moments, y'know...

Alright,

Let's do it in this position next.

DAMA!

Nfuh!

Be as rough as you want.

Don't hold back.

Are you feeling good, Takaharu-kun?

Does this feel good?

Hey?

You bet! This feels great!

Your pussy is just sucking in my dick!

It feels Fukken awesome!

Ha!

Aah!

Ah!

Ah!

Aa!

Ah!

In the end, I didn't enter the bath with her,

Or else I bet that we'd be humping away till morning!

Natusmir-san can be so pushy at times.

What the-?!

My legs feel like jelly all of a sudden!

So you finally decided to show up.

But man, I kinda went overboard today

WOAH!

Hmm

Haruko.

Ah,

You

## CHAPTER 2

Pshh, just where are you getting that stupid confidence from?

It's alright! I'm confident that neither mine nor Yuki's genes will lose to his!!!

Hey, you!

Let me warn you, Senpai. He's the kind of idiot who watches amateur porn videos during his work-shift!

Are you sure you want your child to carry such genes?

Whaddya mean "it's settled"? This is way too...

Come over to our place after closing time.

Alright, then it's settled!

It's the natural thing to do.

Huh? Of course I'm going!

So...? What are you going to do?

Don't tell me that you're actually thinking about...

Yup, she did say that there're no strings attached in the deal.

Are you really gonna make babies? Make babies?!

Whaa-?! Are you really gonna do it?!

What about uncle and auntie?

I'm gonna take a shower first.

Eh?  
Why?

They've gone on a Pachinko parlour tour!

Cya, and take care of the shop for a while.

Even if she said so, it doesn't mean that...

Hey, wait--!

Alright, take care.

Ah, mom asked me to bring this over.

Oh by the way, why did you come over in the first place?

It's stew.

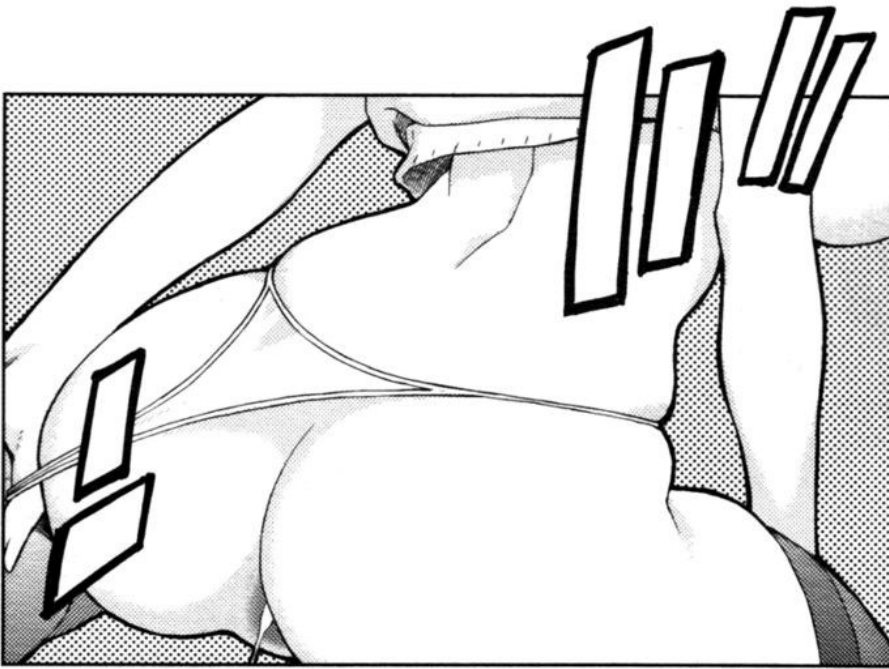

Great, thanks!

What's your problem?

OW!

SHOOTING.

Call me again when you grow some cow udders on that surf-board!

Like hell I will, ya dim-wit!

You're one to talk! It's as if the semen you waste masturbating being useful at all?!

Now hurry up and get an erection pronto!

Eh?

Just where are you looking?!

Piggy style fuck.

W-well, I guess I do have some obligations as the requesting party.

Fine, I'll at least listen to what you have in mind.

So, how do you want to do it?

Now she agrees ...

Ugh!

Oh?

So MiPoyu's first time was with Ikenagaku-kun, huh?

And in the first place, you kept crying "It hurts, it hurts," the whole time, so I ended up cumming quickly!

That was my first time, dammit! I couldn't help it! Blame the excitement of youth!

Oh come on! I remember when we had sex back in high school, you came without even getting a proper erection!

It's not like we were going out or anything...

Just how much rubbish have you cooked up?

Him! He's the guy!

Yup!

Didn't you say that since some good-for-nothing guy kneeled and begged, you had casual sex with him?

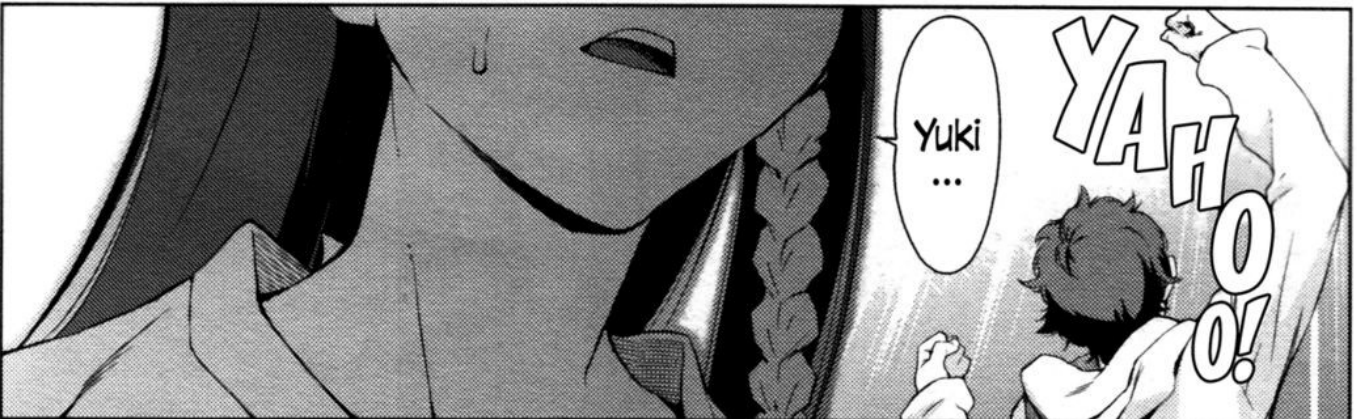

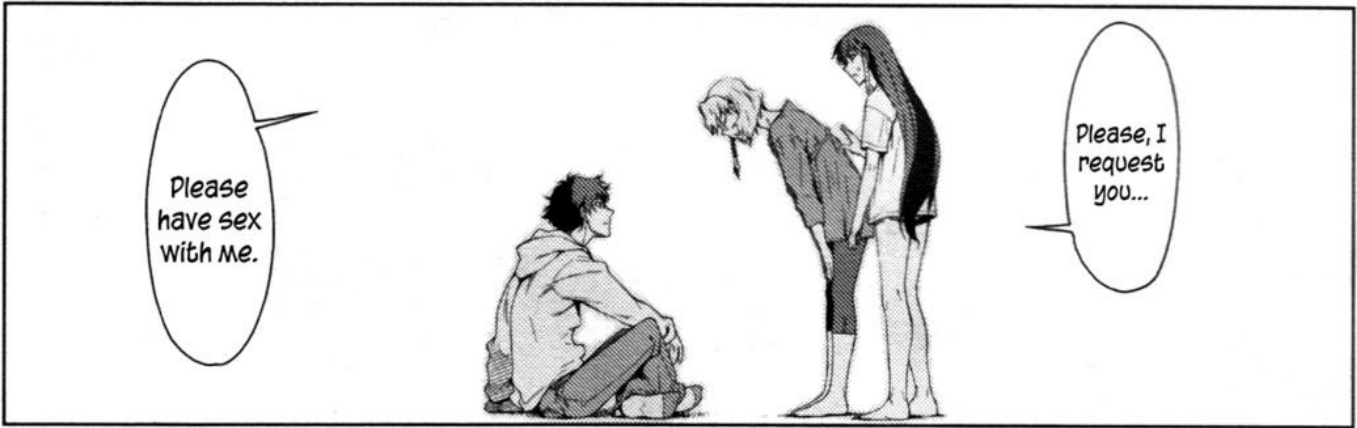

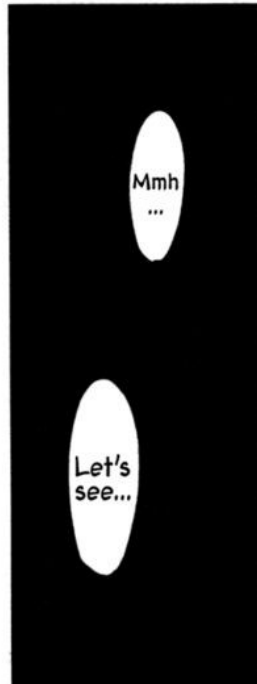

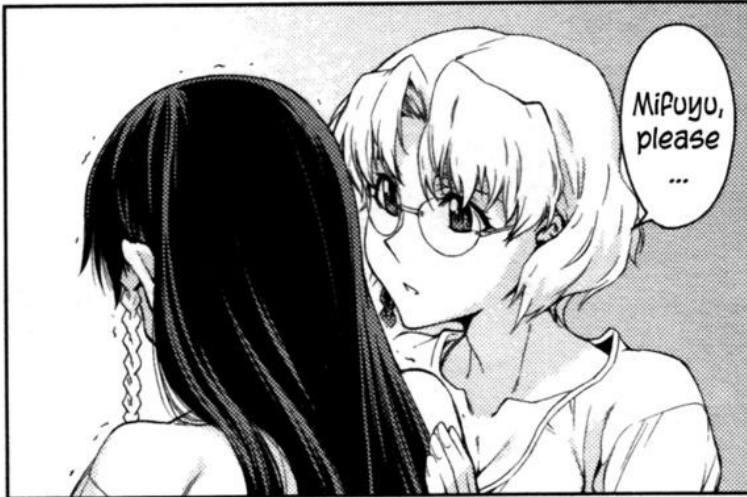

Hey!

Yuki?!

Ikenagaku-kun.

Isn't it a little too otaku-ish?

What's with the whole maid uniform thing?

Is this your fetish or something?

Naw... I just wanted to change the mood a little. So I thought maybe...

I wouldn't have asked if I knew that you were going to make me wait out in the corridor for half an hour.

*looks away*

Wha-?!

Aww, but I think they're cute.

*Just leave me alone, you jerk!*

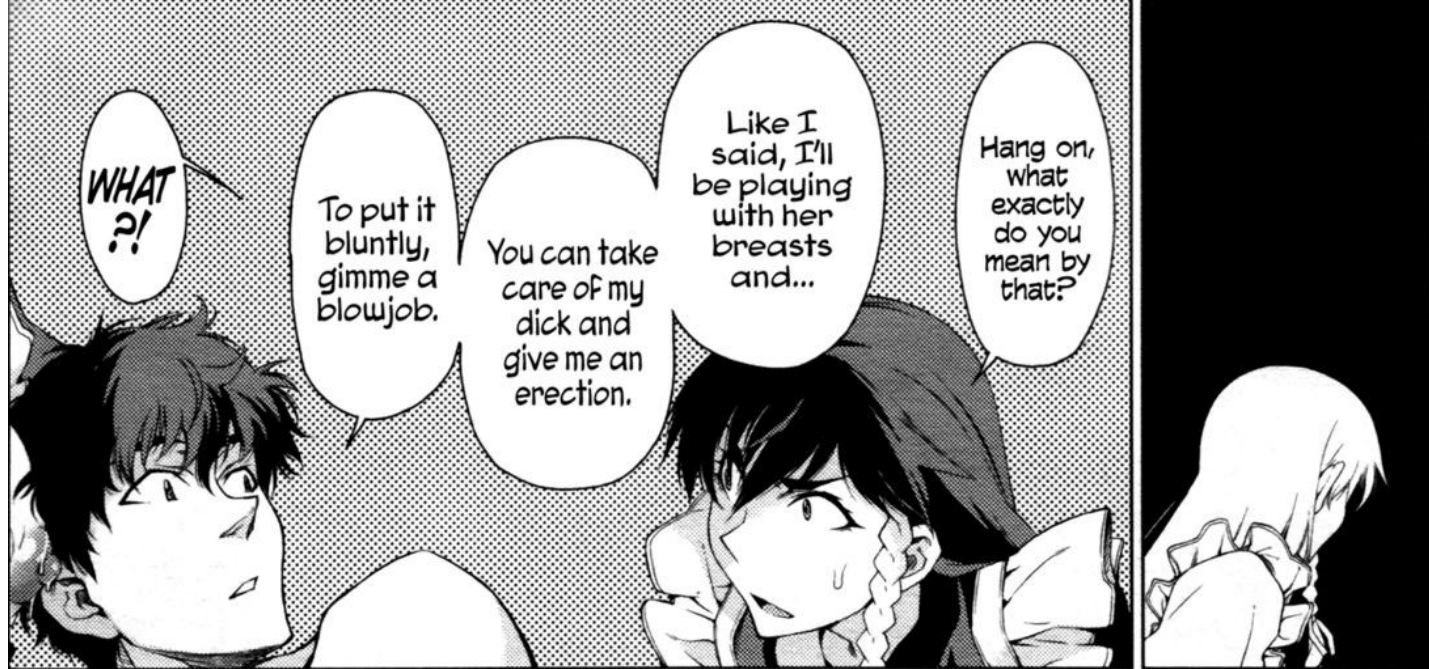

*Is that the first thing you have to say?!*

Just how much padding do you use?

Hmm, your breasts appear quite smaller than when you're wearing a bra...

And here I thought you were growing...

WHAT?!

To put it bluntly, gimme a blowjob.

You can take care of my dick and give me an erection.

Like I said, I'll be playing with her breasts and...

Hang on, what exactly do you mean by that?

Come on, hurry up, hurry up!

Why you...

I'm trying my best to not get one, to be honest.

There's no way we can continue until I get a boner, right?

Mmh yeah, it seems that boobies alone won't do the trick.

W-Why do I have to give you a blowjob?!  
And why haven't you gotten hard yet?!

Taka-haru!

Nn

Nh

Hmm?

Ah!

Taka-haru!

It's alright, you just keep goin' with your boobs, Hirano.

O-okay ...

UMM, if you don't mind, I can...

Heh, since I said it so harshly, I bet she's gonna suck my dick!

Are you impotent or something?

Woah, that was close!

Heh, as if that's gonna make a big difference.

Duh, that's 'cuz it's not erect yet.

I thought it was pretty big back then. But I guess that's because it was my first time, huh?

What?

Yours is kinda cute, too, isn't it?

You were making fun of my breasts just now, weren't you?

Tch!

Just get on with it and then...

I'll show you how much I've grown!

Alright, alright!

No need to click your tongue! And Hirano, you can come over here.

O-okay ...

But please don't talk about that, it's embarrassing.

Thanks, MiPuyu.

Hey, there's no need to say it over and over again!

You'll be fine. It's smaller than the vibe we usually play with.

Do it gently, you got it?  
**GENTLY!**

Listen up, Takaharu!

Yeah, I heard you the first time!

Ikena-ga-kun, please carry on...

... Yeah

I think I'm doing Pine...

Take it real slowly ...

Slowly...

Nh

Nhh

Ah

'KAY, HERE GOES!

AA  
AA  
Ah!!

Ikenaga-kun...

It's okay, you can start moving.

It's so big and feels really hot!

Are you alright, Yuki? Does it feel unpleasant or anything?

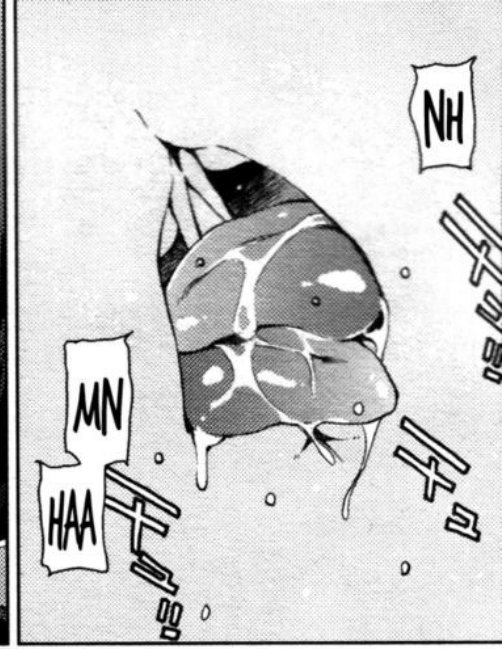

Do you have to thrust in and out? Can't you just cum like this?

Like hell I can!

It's all the way in, so can I start moving yet?

I thought that her pussy would be too tight to thrust in but...

Your pussy is dripping wet, MiPuyo...

She's getting lubed up pretty nicely!

Hey... Sto-!

Is it because he's watching you...?

Hira  
noo  
ooo

Fuah

Ah!

AGH!  
I'm  
about

Alright, you're up next, MiFuyu!

Right ...

I guess so...

So that was inside Me...

No wonder it felt so big ...

Hey!

Wha aaaa?!

Whad-dya think about it now ...?

It's 'cuz Hirano's pussy felt really awesome!

Wait I tell you! Stop pushing me!

Wait!

It's Fine, it's Fine, don't worry.

Relax, relax. It will fit inside.

I'll start with the tip, 'kay? Juuust the tip.

Are you a horny teenager or something?!

Ah...

Hey!

You must be playing with vibes and toys, right?

UMM, how do we...?

Say, Hirano, how do you girls usually make out?

So I was wondering what would be the best way to do it...

Aaand... Ram it back in!

Er...

UMM, that's ...

Ah  
Ah

And occasionally, thrust in all the way at once...

Ah!  
Ah  
Ah

Ah, MiPuyu's right side.

Try rubbing the right side when you're around her tummy.

Like this?

Right From which way?

No!  
No  
No

Then Make quick small movements near the entrance.

Ah

Woah, that's so cold of you!

You can go back now.

Thanks for your hard work.

Alright then, we are done.

Yuki?

Huh?

What's the matter.

If something feels good, then what's wrong with enjoying that?

You silly girl...

Why were you suppressing yourself?

Did you cum right now? Just from that?

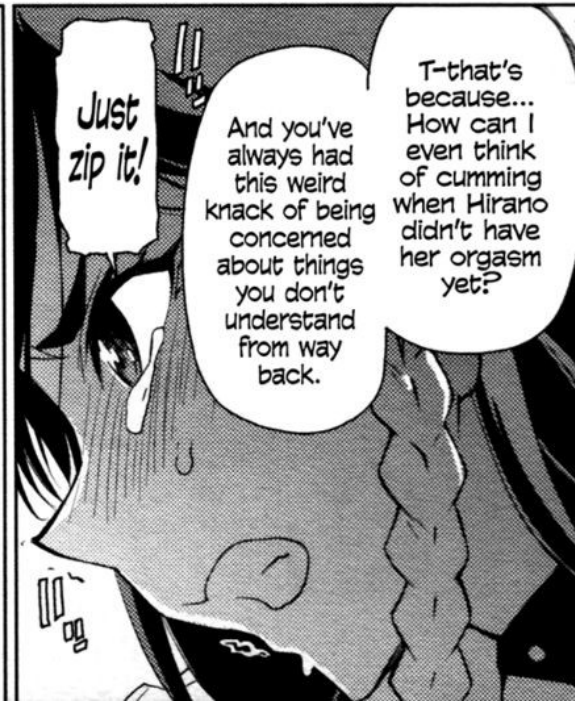

Don't tell me that you were holding back your orgasm the whole time?!

MiPuyu, you don't have to hold back, y'know?

If we are gonna do it, I suggest we keep it simple and honest.

Sorry, I know that the situation's kinda complicated but...

Just zip it!

And you've always had this weird knack of being concerned about things you don't understand from way back.

T-that's because... How can I even think of cumming when Hirano didn't have her orgasm yet?

To be honest, it felt amazing for me!

...and I get you two pregnant.

Does that sound good?

We have sex,

If it feels good, we enjoy ourselves...

Sure!

Huh?

What are you talking ab-?!

I'll try my best to give Hirano an orgasm too!

Shall we begin round two?

And so...

What's going on here?!?

Hey!

WHAA AA-?!?

Then how 'bout I return the Favour?

Ah

An

Hey!

Sto-

Okay, I get it, I get it.

Hey, what's the big idea?

You were the one who asked for round two so why do we have to help you get hard?

Nh

Ho!!

Mh

Ho!!

Sorry, my bad, my bad.

Fuh

You idiot!

I just thought that I'd make you feel good...

I told you I got it!

Now hurry up and cum inside!

Here goes ...

Nh

Why must his penis reach my sensitive spot?

I'm totally confident that I have knocked up you girls!

I've let out everything!  
There's not a single drop left!

Whew ...

What an orgasm!

Geez!

I was afraid you'd break my pussy by cumming too much!

And it'd be shocking if we don't get pregnant after this!

Don't tell me that you're regretting now after doing it so much?

What?!

Are you really fine about doing it with me?

Say...

I'll just leave the towel here, 'kay?

Sure,

Thanks!

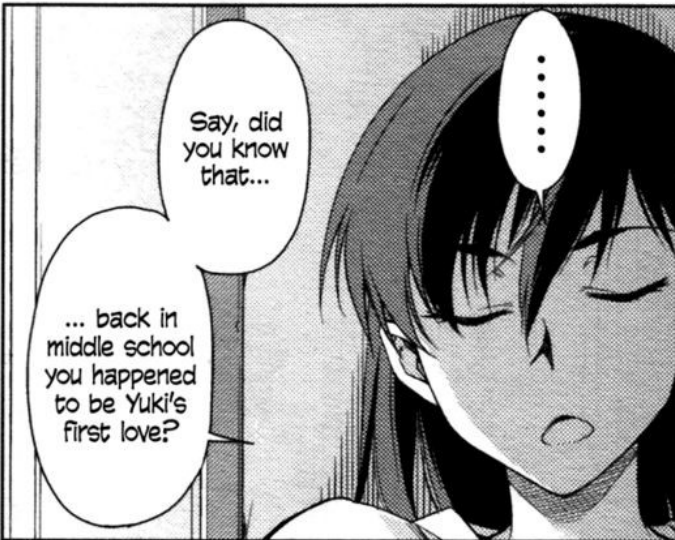

Ooh, so you're scared now?

Naw, it's not that.

Our families are on good terms with each other and all...

Why the hell is there a bottle of lube in the bath?

Well, sorta ...

Say, did you know that...

... back in middle school you happened to be Yuki's first love?

.....

Don't worry about it...

My lips are sealed.

I think they have given up on the two of us...

.....

And besides, it seems that they don't plan to return from England.

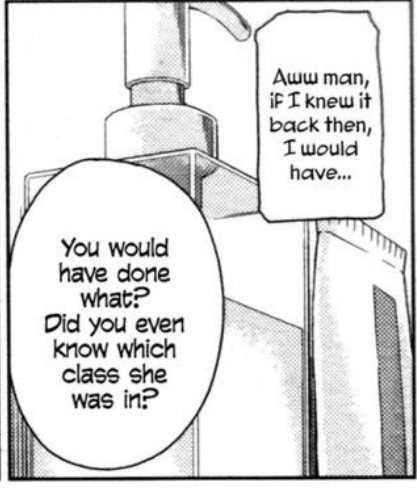

Woah, for real?!

Yeah... I guess it's because you stood out like a sore thumb.

I thought as much.

Nope, not at all.

Aww man, if I knew it back then, I would have...

You would have done what? Did you even know which class she was in?

You make it sound like you're trying to cover it up...

**I AM NOT!**

It's not like I did something wrong, y'know!

But it was kinda awkward to bring it up.

Well it's something that happened before I met Yuki. I didn't really mean to keep it a secret...

I heard about it when I first started going out with Yuki.

Hmm...  
Is that why you kept our relationship a secret?

**WHICH MEANS I'M FAR MORE CHARMING THAN YOU, RIGHT?!**

Hey, stop comparing with me for each little thing!

But in the end, Yuki chose me over you!

But I still can't believe that Hirano really was...

Yeah, I have spent hours agonizing over how she could fall for someone like you!

With this much cum, we will most definitely get pregnant.

It still feels as if there's something stuck inside!

WHA-?!

What're you saying after cumming inside us so much?

Wanna do this again?

By the way, what're you gonna do in case you don't get pregnant?

Then how 'bout tomorrow ...

Oh, really now?

Or maybe day after tomorrow?

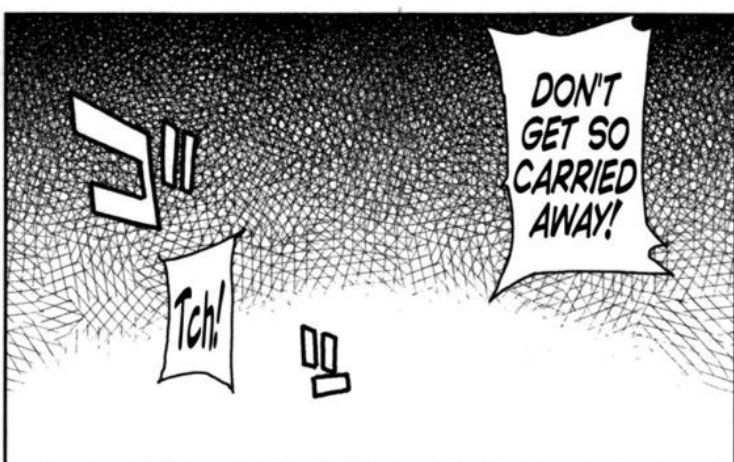

In the unlikely event, we'll ask for your favour again.

But yeah ...

Well,

I guess ...

It didn't feel all that bad, either.

DON'T GET SO CARRIED AWAY!

Tch!
