

We apologize for being late, young sensei.

From today, we look forward to training with you as your disciples.

Young sensei! Congratulations on inheriting the dojo.

Sorry,
you two.

I am closing
this dojo today.

Ah... um, this
is sudden, but

Wha-!

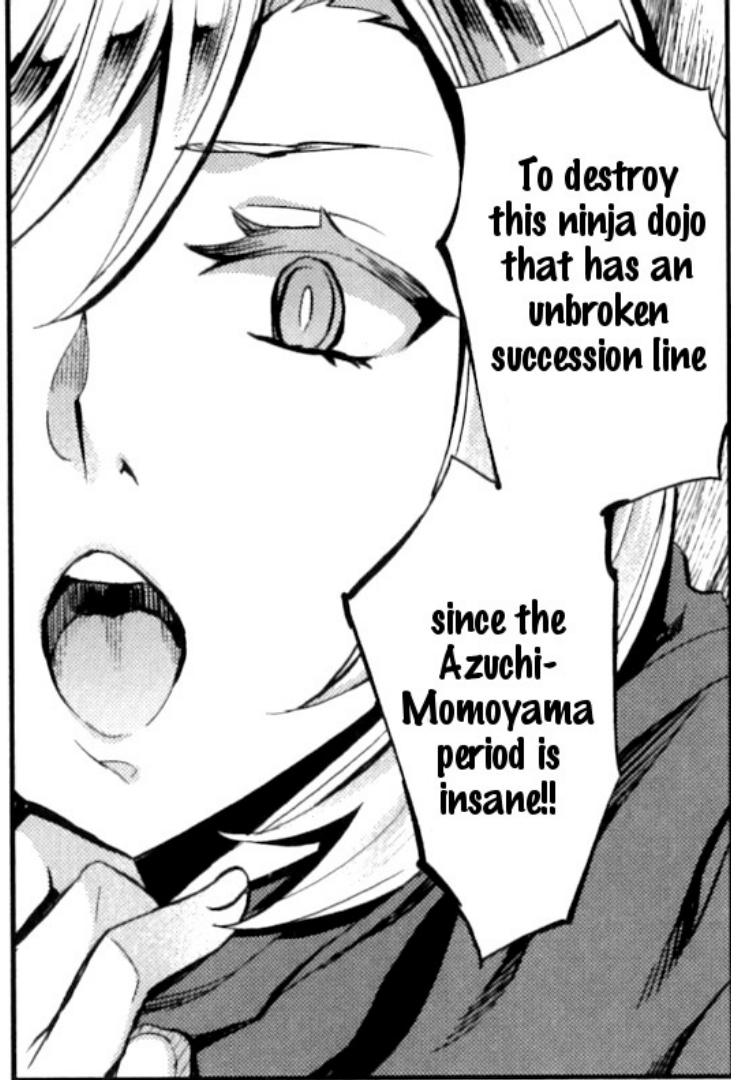

What
did you
say--!!

NINJA
忍術

would be ashamed of you!

I agree. The previous head, who worked so hard,

To destroy this ninja dojo that has an unbroken succession line

since the Azuchi-Momoyama period is insane!!

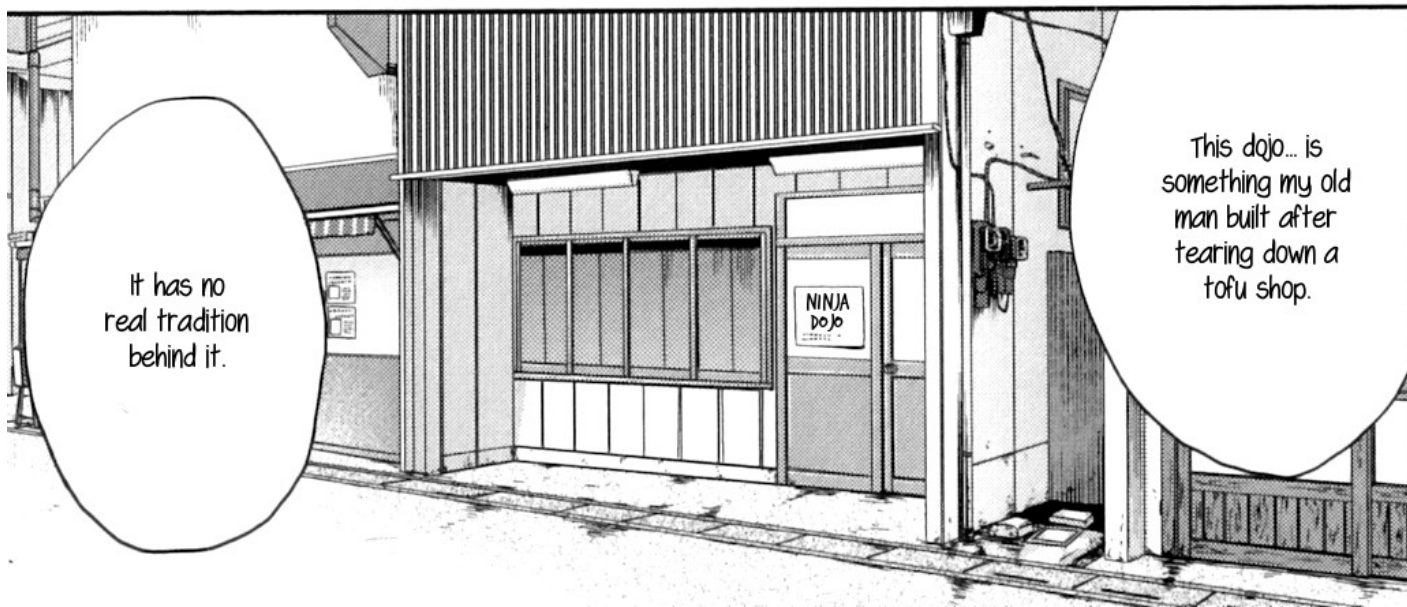

T/N: Azuchi-Momoyama = 16th century AD

I peeked to the right.

Merida-san and Lisa-san... was it?

U...um,

It has no real tradition behind it.

This dojo... is something my old man built after tearing down a tofu shop.

are you lying to test our loyalty?

What are you saying? Young sensei,

...It's not a lie.

Uwah!

Please don't quit--!!

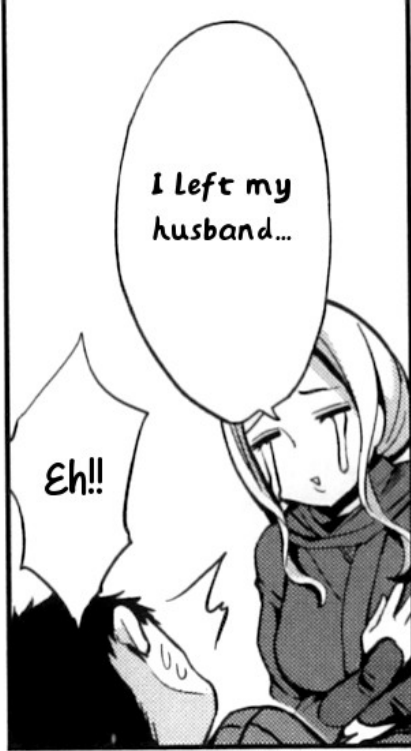

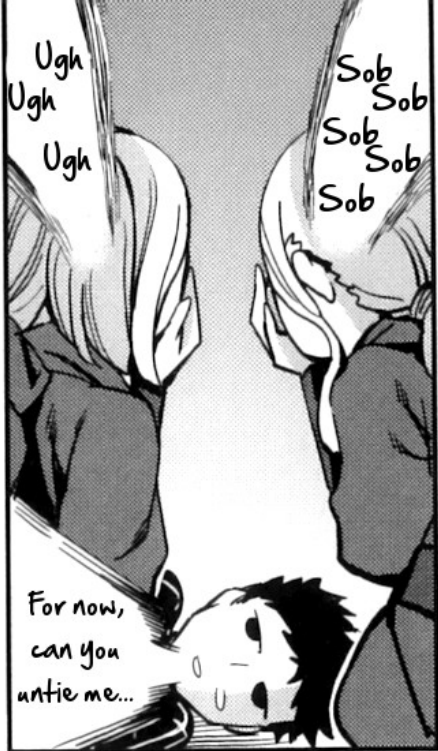

And so, please pack up and go home.

We cannot go home halfway through... not with all the sacrifices we made...!

We sisters came from a faraway country to master the ninja arts.

Sacrifices!?

Then, let's start right away and have you observe

There's no use worrying about it.

It feels like your priorities are backwards...

the state of our training!

Wha!

What's with those... amazing outfits?

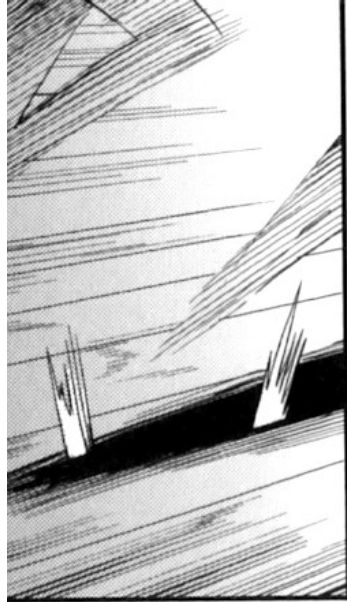

Oh, these?

Damn old man!

They're our practice clothes. The previous head made them for us.

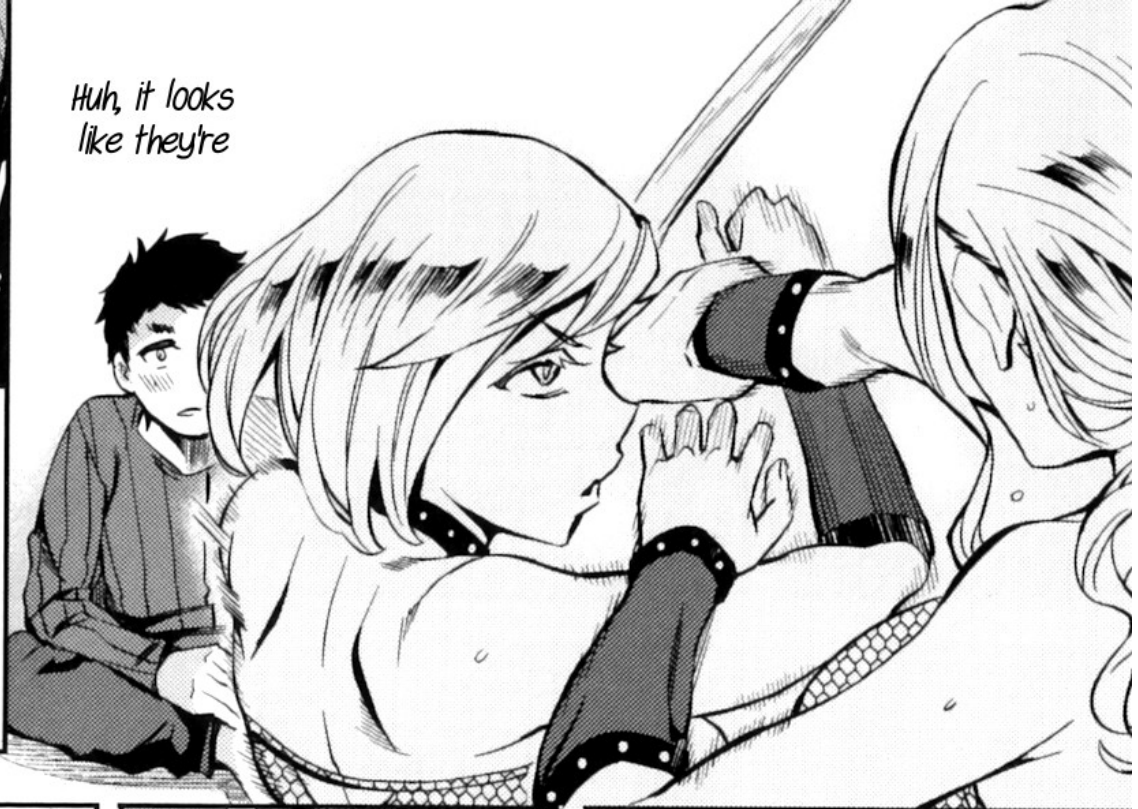

Huh, it looks like they're

actually doing it seriously...

Aah! Young master!

Uwah!

Eh?

EYAAA!

Ouch... this is embarrassing.

Are you alright?

.....

What is this?

Here!

Oh?

Something hard is touching me.

!!

Oh, this.

Hm? Really, what is this... I picked something up.

It's an item for ninja arts training.

Is it a scroll?

You wet it a little...

Conceal?

Let's try it out with my big sister.

Item for training? For what...?

It's to learn a technique to conceal secret documents.

Skinobi Mission

Enemy station

This way, you can carry important documents right under the enemy's nose!

if she's hiding anything, right?

Well? Just at a glance, you can't tell

Fu-h!

Fu...

Huh!?

You think this woman's a spy, and you're checking to see if she's hiding anything.

Now, young master, please try checking for yourself.

Come now, this is also part of training.

ε... eh...

Hah,

Hah...rh!

フッフッフ

Y... yes,

Nh!!

As soon as I became his student, he drove it in...

Um,

Lisa-san... did my old man

teach you this...?

Hauh!

is touching something hard.

Hmm? My fingertip

Hih

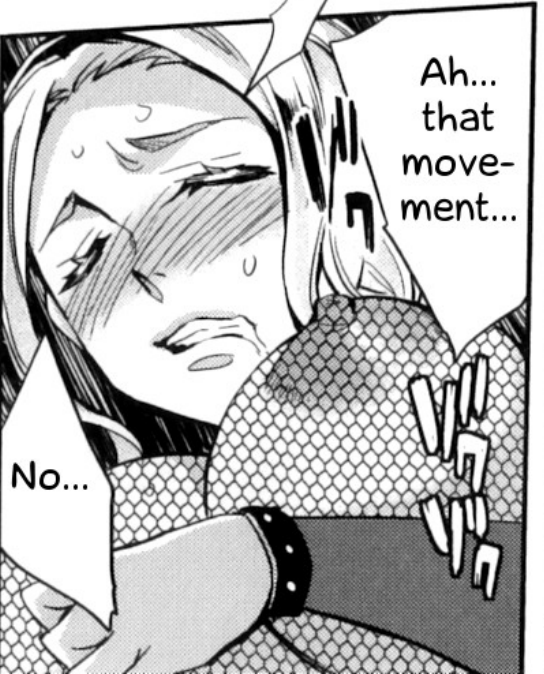

I...

Ah... ah!

Her asshole is soft... and inside is warm...

Uh!!

Ah... that movement...

No...

Young master, can you put it in a little deeper?

Ahah! It's coming out... uuh!

Ahhh...

I'm cumming...!

Uh!!

Oh... oh,

Ouh...!

In a different era, she would be beheaded.

My big sister is still inexperienced.

..Now then, young master,

Hah, ah

Hah

harsh punishment on those who failed his training.

The previous head would bestow

Ha-h

Haa

please bestow punishment on my sister.

Then,

how about I show you a model.

What... do you mean...

Punish... ment...!?

For kunoichi...
in the case
of women,

failing a
mission
means
death.

In the ninja
world,

Aah...!

they were
generally raped
by their captors
before being
executed.

The
previous
head

drove this
lesson
home...

Ouh!

Cock!

But...

my sister

Hihh ♡

First-hand!

The harshness of

life as a ninja!

Ah---!!

Cock... ooh!!

Aah!

It's embarrassing that she's my older sister!

And was always forcing the previous head to discipline her!

Kept on messing up in her training

Ah~!!

Yes~!

This punishment... is great!

Ah!

And then,

He poured his cum inside my sister as he severely scolded her!

Auh!

my sister started to enjoy being punished like this!

Yes...

like this every day...?

My old man raped Lisa-san

But he was just using you two as outlets for his sexual appetite...

You act like this is for ninja training.

This was all just for sex...

Old man...!

And blindly doing whatever you're told!

Ah!!

Wearing those erotic costumes!

This is how... things got carried away!

Ah, it's deep!

Aah!

Ah!!

Young master...!?

Aah... young master!

Please...

Punish me too...

んんん

Afwah!

Hya!!

As if I care about a cunt used by my old man!!

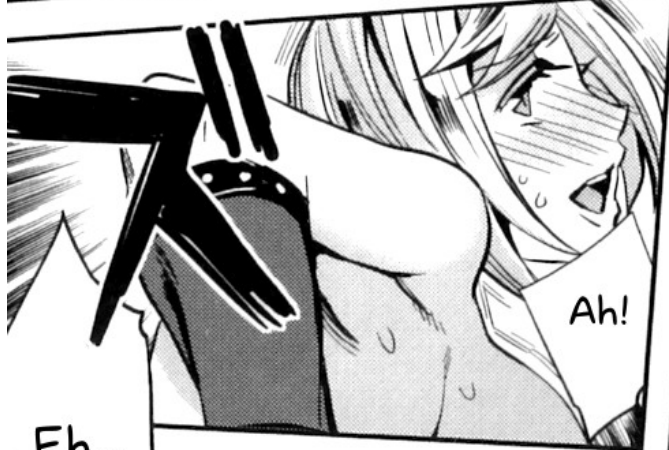

I love asshole training too!!

んんん

Please train my ass harder than my sister's!

Young master... my training is not done..

Ah!

Eh... aah!

Aaah!

Nho

the previous head's!

This ass training is better than

Yes!!

Nhoh!

How's this... Meridasan!

This is my first time...

With such ugggh! rough training! Amazing!

Haah

Ah ah ♡

It's in my ass! Yes... ♡

I'm gonna cum from my ass...!!

Large stylized sound effects at the bottom of the page.

Oh, aah, yess!

Amazing!

Yes!

Nhoh!

So it affects you that much, huh...!!

Oh!!

Not yet!

Yess!

That's where I want it...!

Nhah!

Ah... nhah!

Kaha!

Ah, guh!!

Ahn!

Aha... hn

Aha!

Nho!

Young master, yes...!

I'm cumming!

Ah! Your arm feels good!!

Young master's cock is twitching...

Ahn ♡

Please squirt your cum into my ass...!

Ooooo oh...!!

Uwoh!

Gh !!

I'm cumming!!

Aah! It's in my ass!

Aah, I'm cumming...!

Yes ...!!

Yes ♡

Auuh!!

!

Did you... calm down...?

Ah!

Haah!

Hah...

It felt like we were playing.

But when I was a kid and did ninja training with my old man,

I hate my old man...

Even though my mom left...

He's a grown man, but he won't even work and instead wanders around talking about ninja training...

so, once in a while... please let me join in the training.

You can use it as long as you wish,

風林

I don't want to succeed my old man,

But I'll keep the dojo running as is.

It was really fun, and I thought ninjas were awesome...

let's train every night... ♡

Don't say once in a while,

I can't move!

.....

Hmm... the day before he left, I told him that I might be pregnant,

but that can't be it...

Still, why did the previous head leave so suddenly?

Big sister, do you know anything?
