

People usually only ask us to find their dogs or cats, but every once in a while we get requests like this as well...

Please... Please, find my daughter!

Uhh!

Uhh!

Please... I haven't seen her for so long!

And in order to give these people hope, my brother and I decided...

Please don't cry...

I'm so worried about her...

Ahh...

Ahhh!

And we don't choose jobs, so we never turn anyone down. There are a lot of things in this world people can't resolve on their own... And at times like that, they need somebody to rely on...

To start working at the Arakawa Detective Agency, that our parents have left us...

Don't worry! I'm sure we will find your daughter!

So... Please calm down and wait. We will contact you!

名探偵
Pussy Detective

She went to school three days ago and nobody heard anything from her ever since...

After receiving the picture of the girl that went missing from her mother, we started our investigation...

We found somebody, who saw her with a man and went from there...

We couldn't really find any good clues to her whereabouts, but...

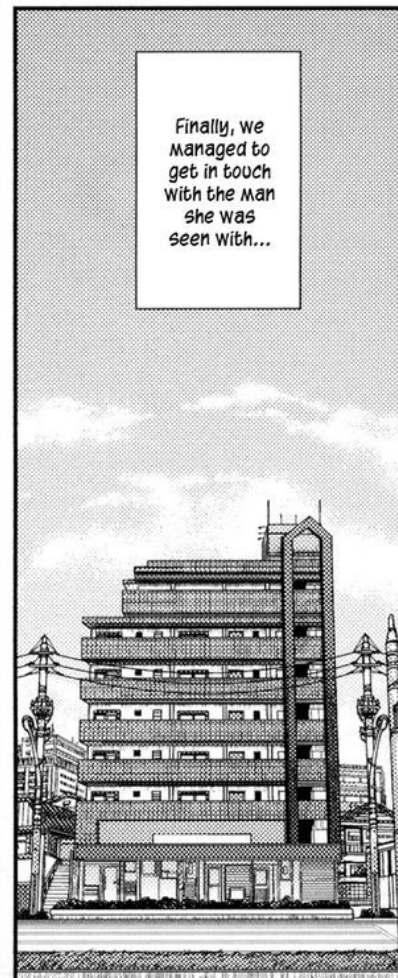

But his neighbors don't think much of him...

This is the guy - Harada Izou (22). Apparently, his parents are just loaded, so he's very well off.

I've never met this woman!

What do I have to do with her?

Finally, we managed to get in touch with the man she was seen with...

At times like this,
we have to calm down
and slowly ask him
everything we need
to know... Alright?

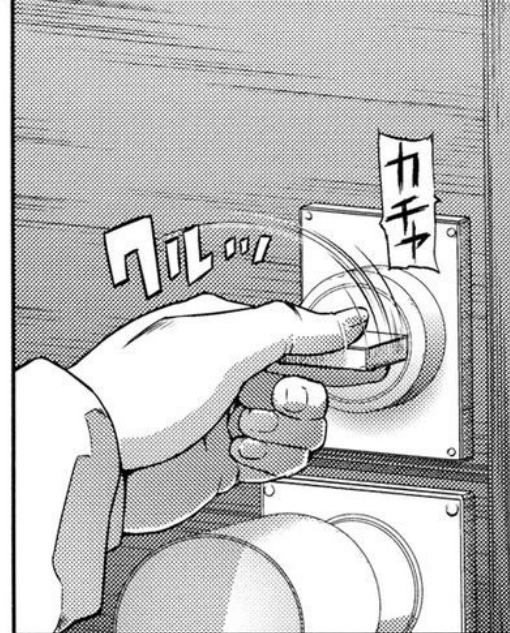

You
shouldn't
get so
emotional!

So, would
it be alright,
if I took over
from this
point on?

Onii-
chan!

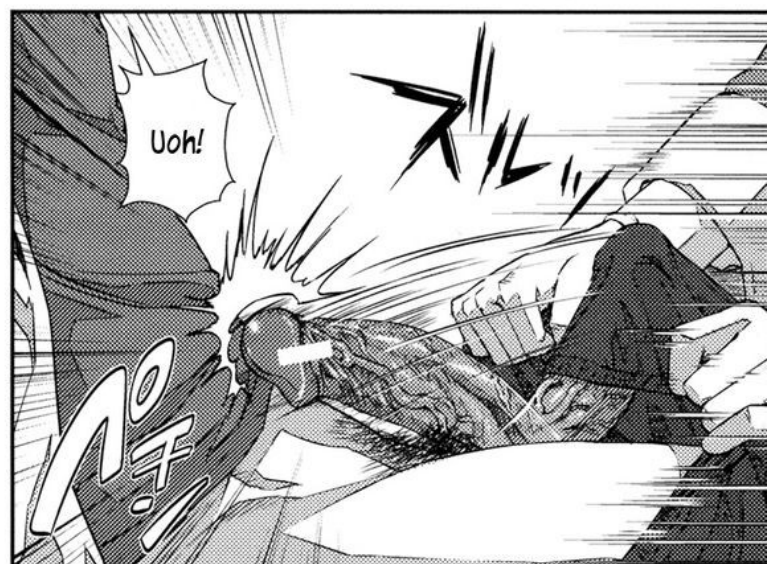

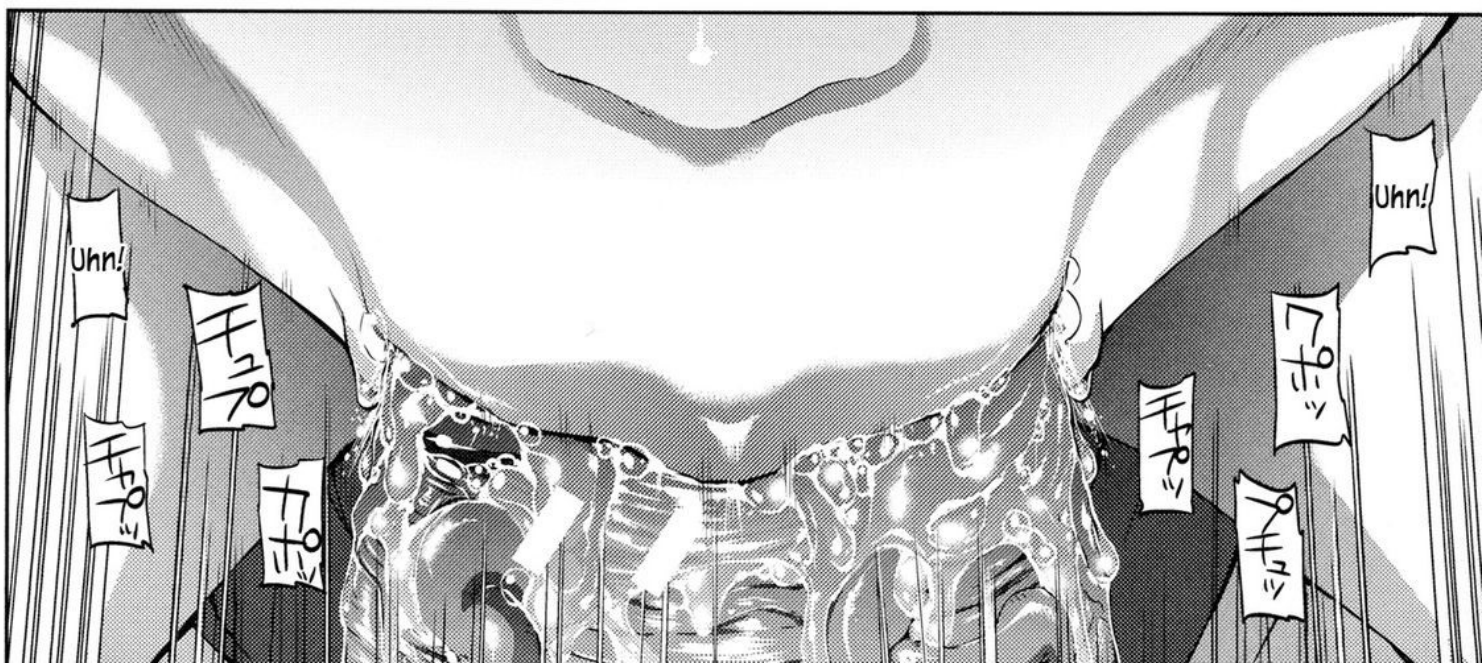

Do it harder!

What?!

Harder...

Take it all the way down your throat!

You can't satisfy me, unless you...

So...

Nn!

Nn!

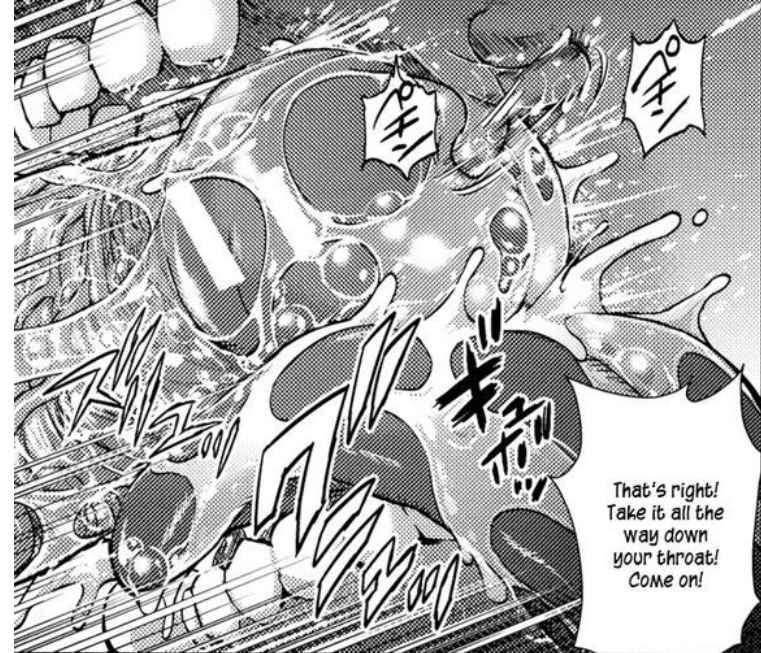

Nn!

There we go!

It has to go at least this deep inside you!

!!!

That's right!
Take it all the
way down
your throat!
Come on!

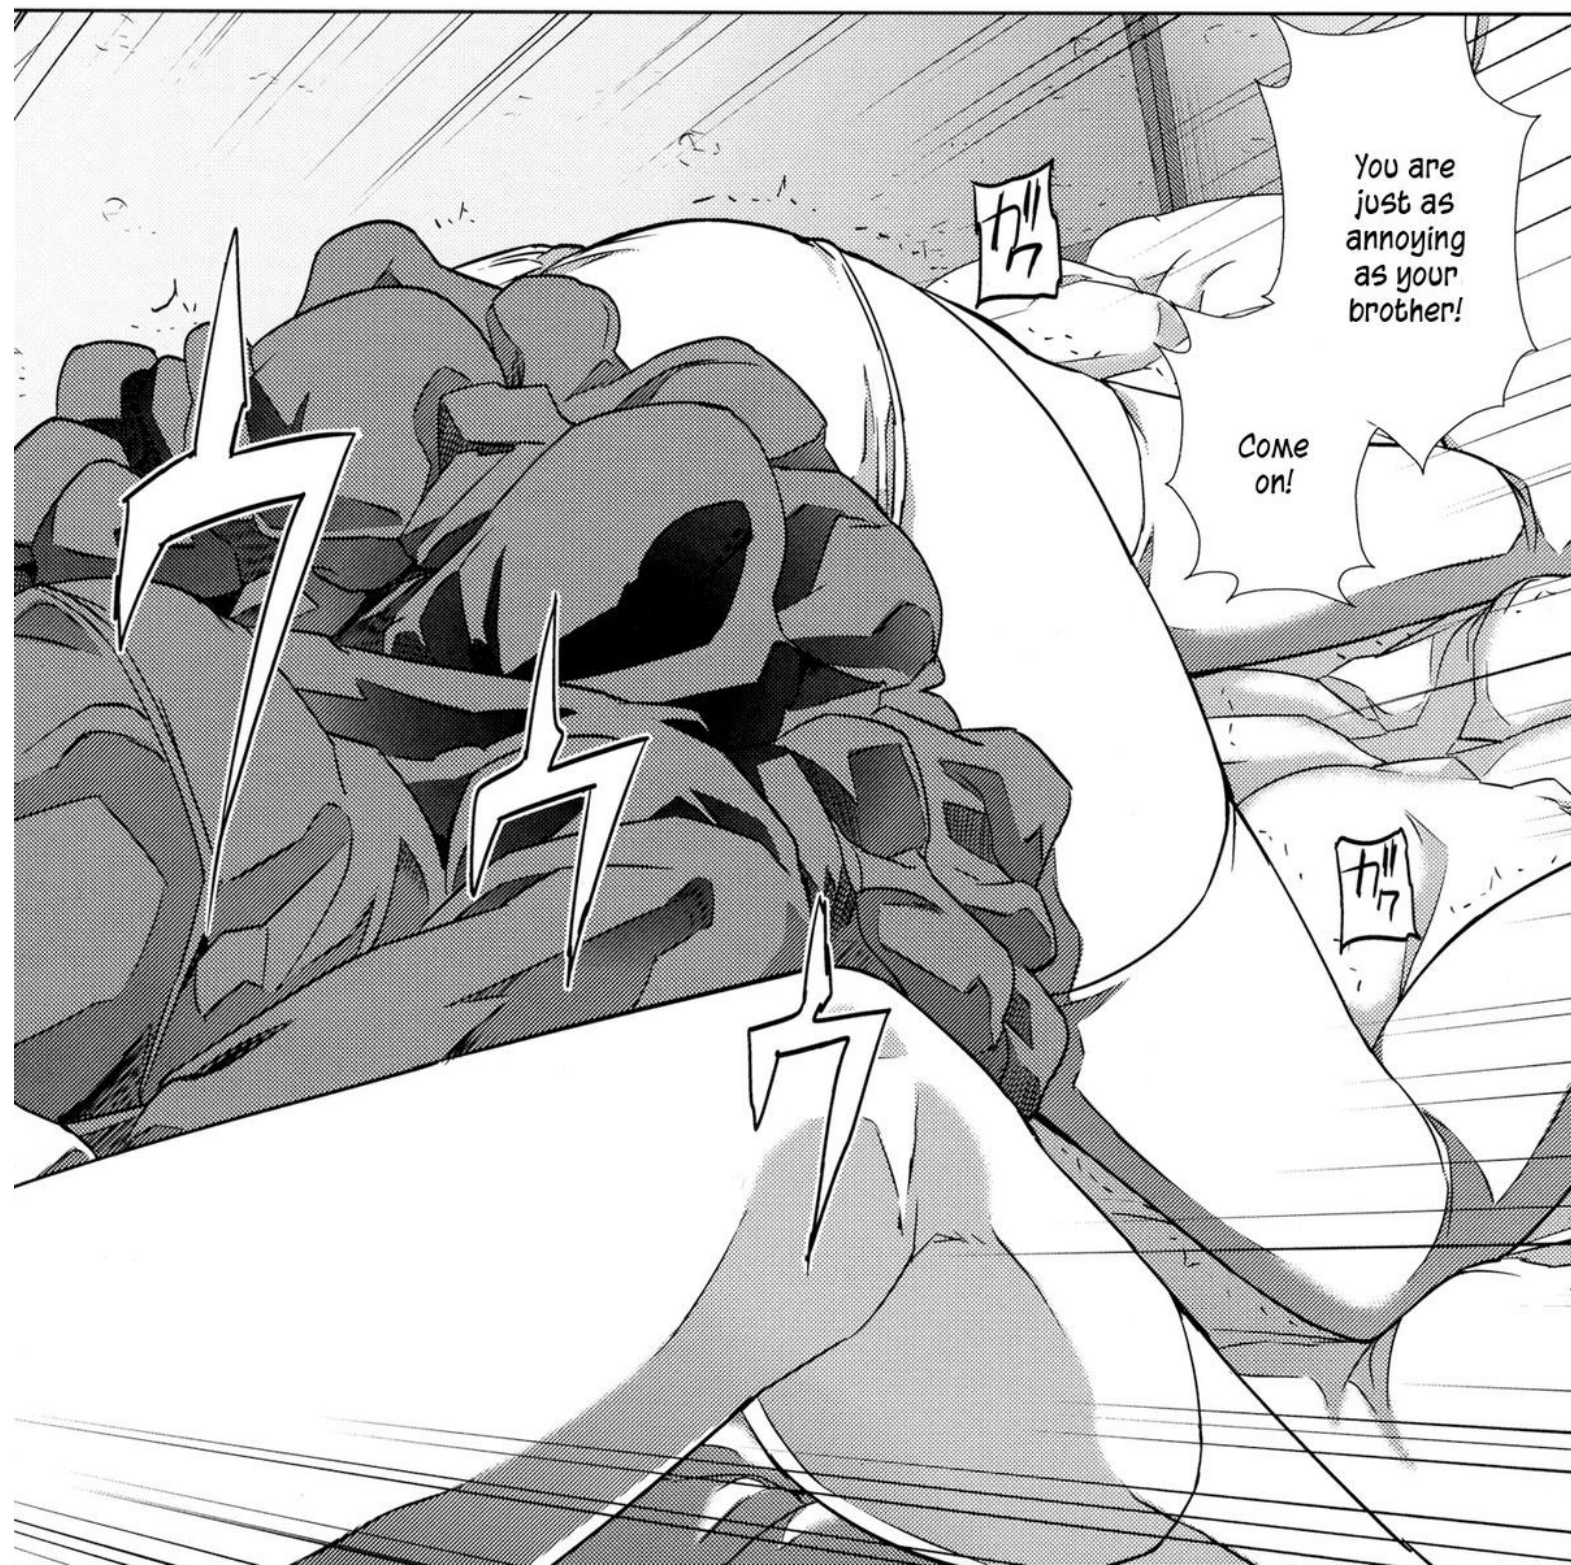

So, you will
have to take
responsibility
for those words!
That's what
adults do!

Come on
now! You
said you
wanted
to please
me, right?

Nn!

Uoh!

Ughh!

You are
just as
annoying
as your
brother!

Come
on!

ゴッ

What?
Why are you
looking at me
like that?

カチン

Nn!
Nn...

Nnnnnnn...

Hey! What's the matter, Konami? Are you alright?

Eh? What's that? Your stupid brother heard us as well? That's good...

You make it look like you're trying to resist me, but your pussy is just dripping wet!

I know that you were only trying to seduce me, so...

You could get all the information you need after wearing me down, right?

Oh, no! Don't...

Unfortunately for you, I could totally see that!

Eeh!

Konami!

Ahhh!

Ah!

Ah!

She sure is one dirty woman!

Hey, you idiot! You know what?

Your little sister isn't even resisting! Instead, she actually wants me so bad, her pussy is squeezing my fingers like crazy!

Ahh! Oh, no! This is embarrassing! Don't say that...

Come on, you dirty woman! I want your stupid brother to hear you cum!

No way! No...

Oh, no! Don't...

Stop playing with my pussy like that...

Ah!

Eeahh!

What the hell are you even talking about?

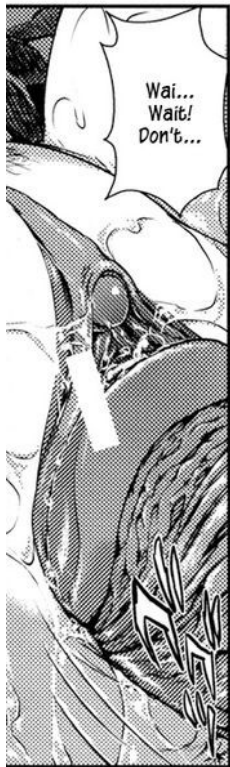

Don't you think you got it all wrong here?

Hey! Stop it, Harada! Don't touch her any more than this!

You're telling me not to touch her?

Wai... Wait! Don't...

I squirted so much... I can't even think straight anymore...

Ahh! Ahh...

Don't meddle with your sister's love affairs!

Because I believe I can do anything I want here...

So, I just don't understand why you would talk to me like that?

Your sister was the one, who seduced me here!

Ahhh! Ahhhh!

But, I guess that's the same for both of us, huh?

Although, quite frankly, I never had any feelings for her from the start...

So, how
do you like
my raw
dick?

I bet you
like it raw,
don't you?
Huh?

Ahhn!

I bet you want
me to play with
your naked boobies
too, huh? You
dirty girl...

Nnn!

Just it's not
the same when
you have
something on,
right?

Ueh?
Wha... What
are you
talking
about?

Well, don't
worry, I'll
take good
care of
them too!

Oh, no!
Stop...

Don't play
with my
nipples like
that!

Ahhn!
Oh, no!

They are really
sensitive and
get hard right
away... And it's
so embarrassing
when you pinch
them!

Please! Don't
lick my nipples
that hard!

My dirty
nipples are
making me feel
even better...

Ahn! Don't
suck on them
so much! Oh, no!
My nipples feel
so good...

Eeah!

My entire
body is one
huge erogenous
zone now!

Both my pussy
and my breasts
feel so good...

Ahhh! I can't
take it anymore!
It feels so good!

I want
you to
mess
up...

My
pussy
really
well...

More!
More!
Give me
more!

Fuck me
even harder
with your
dick!

Heh...

We sure
is one noisy
bastard...

Let get
out of here
as soon as
possible!

That's enough,
Konami! I'm
cancelling the
investigation!
Let's just get
out of here!

Hey,
Harada!
Stop it!

Stop
it!

Ahhh!

Nnn!

Oh, no!

Ko...
Konami!

But if you choose to do that, your dirty pussy will never experience this pleasure anymore!

If you want to get out of here right now, you can do so by simply opening this door!

Ahn!

Ah!

Uah!

So... Are you opening it or not?

I wonder what choice a dirty girl like you is going to make here!

And you know, her pussy is really wet! Can you hear that too?

Your dirty little sister is moaning every time I thrust my dick inside her and the only things that's separating you right now is this door!

Hey, you can hear us better now, don't you?

Ahn!

Ah!

Ahh!

Stop it, Harada!

Well, why don't I let your dirty sister decide what she wants to do here? So, you better listen well now, Moron!

Onii-chan...

This is our chance, Konami! Let's get out of here! Open the door and come out of there!

Please dump lots
of your semen inside
of me and make my
dirty pussy feel
even better!

Are you about
to cum already?
Is your pussy
going to start
twitching right
in front of your
own brother?

Oh, your
pussy started
squeezing my
dick even
harder!

It's alright!
Cum inside me!
Fill me up!

Anything,
but that!
Don't cum
inside her!

Ah! Harada!
Stop it!

Well, how
can I
refuse?

Right,
you dumb
moron?

Ah! I'm
coming!
I'm
coming!

I'm coming!
I'm coming!

My dirty
pussy
is going
to cum!

Ahnn! I'm
so happy!
Give it
to me!

Hurry
up!

Dump your
semen inside
my dirty
pussy!

Harada...
Stop it! Please,
stop it!

Sure! I'm
going to fill
your dirty
pussy...

With my
semen, just
like you want
me to!

Ahhhhh!

I'm
coming!

I'm
coming!

I'm
coming!

I'm
coming!

there is a man,

want to talk,
I make him
talk with my
other mouth
down there!

Could it be
that he actually
did make you
feel good?

I have to say
your act was
even more
realistic than
usual...

Considering
the way you
were moaning,
while doing it
with that
Harada...

He-he-he!
Well, who
knows?

It'll be my
secret!

And I won't
tell you
either!
