

Shiroki is home sick. Voda, you live next to him, right?

Go to his house and bring him his homework!!

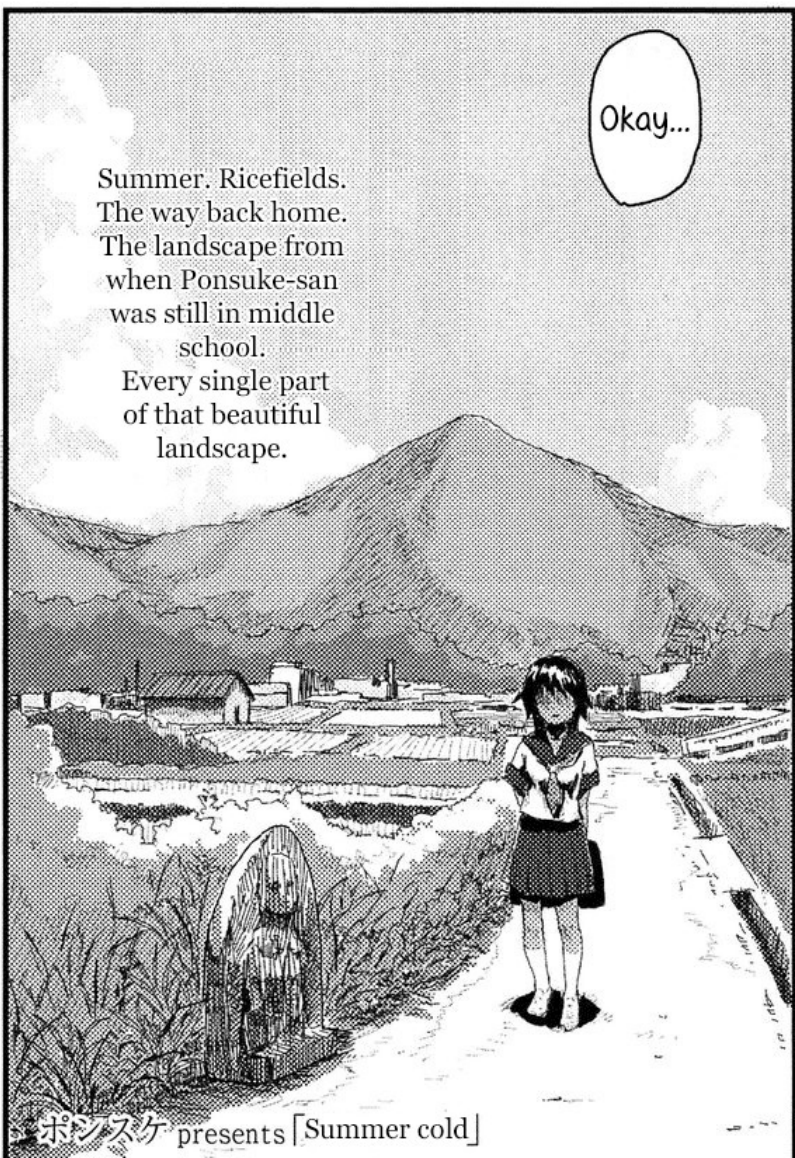

Hey, Voda!

Sensei... What's up?

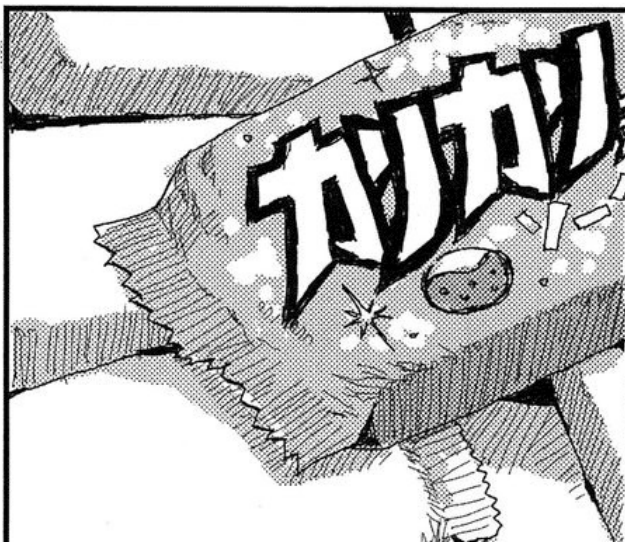

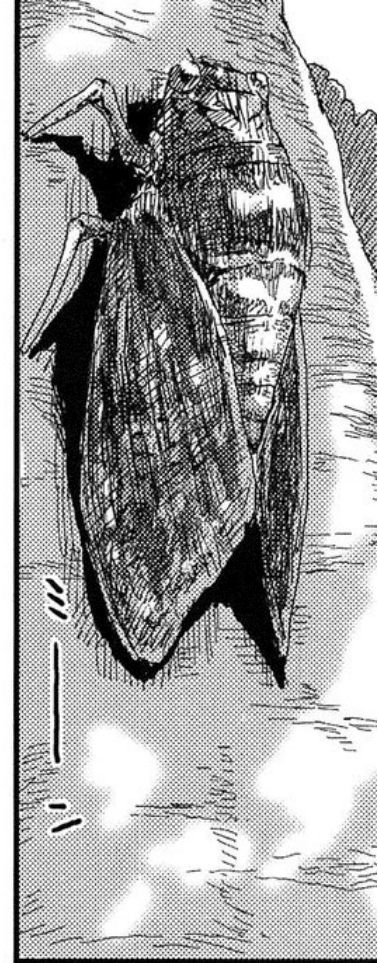

So hot...

Okay...

Summer. Ricefields. The way back home. The landscape from when Ponsuke-san was still in middle school. Every single part of that beautiful landscape.

Ah! I have here some important homework from school!

Yeah!

Thank you for bringing it over.
♡

Ara?
♡

Tami-chan, school's over already?

Are you going to check up on him?

Yup!
♡

アハハ

He sure is quiet today.

Oh, it was nothing!
♡

They say idiots don't catch colds...

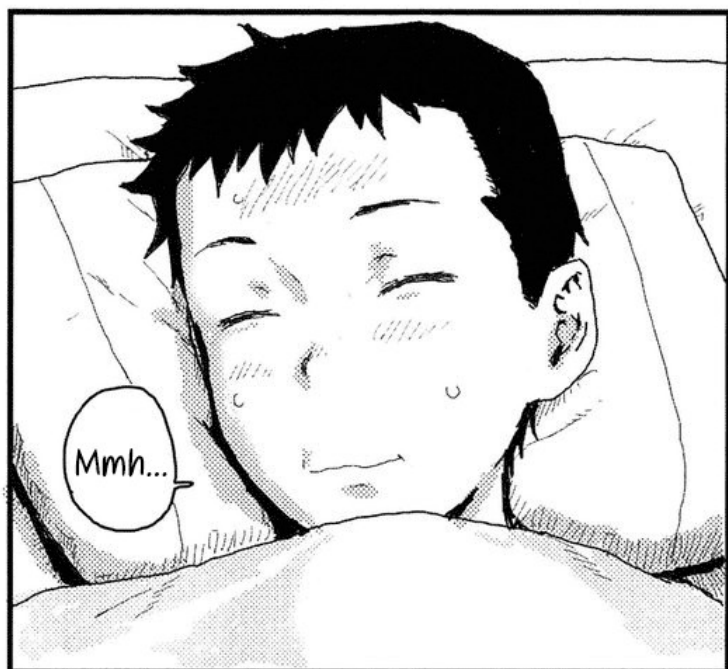

I wonder if this means a major natural disaster is coming...

Oh!
He's totally asleep!
♡

Tami-chan!
Fu fu ♡

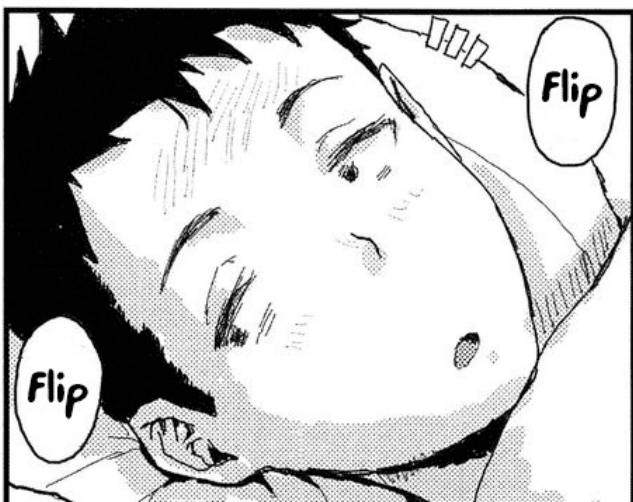

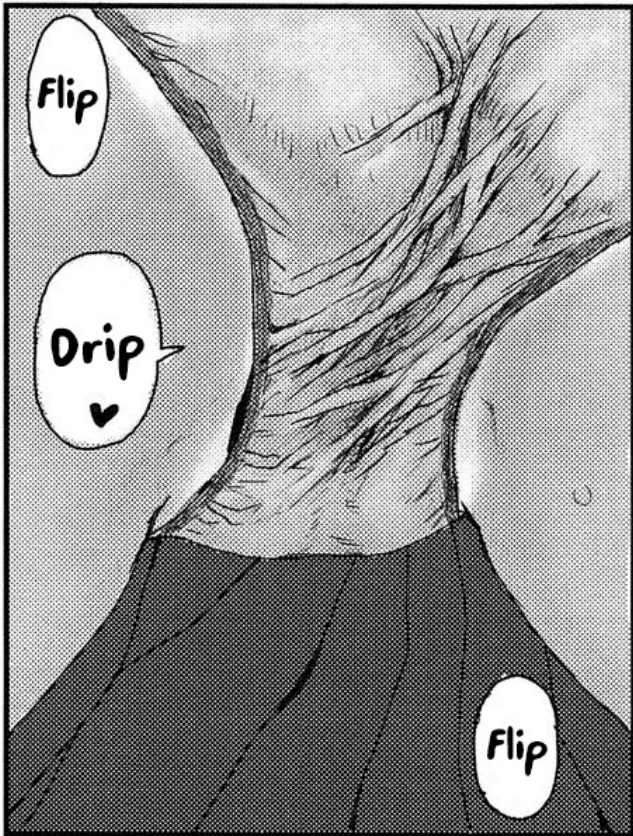

Mmh...

Okay! ♪

Oba-san's got to go to her part time job, so you two will be alone in the house. Please behave yourselves!
