

Good-  
bye!

That's  
all for  
today's  
lecture.

Forest Thread

Uwaa...

It's  
gotten  
pretty  
late...

But the  
path  
through  
the forest  
really is  
still the  
closest  
way home.

It gets  
pretty  
dark...  
and there  
are some  
scary rumors  
about it...

Maybe I should turn back after all...

Uuu uh..

There's nobody else walking around here either...it's really scary to think that something might just come out of nowhere...

There aren't any street-lights...

!?

—あらあら\*

Wha...  
What is  
this?!

I can't  
get out!

\* I'm not sure how to translate this. "Ara ara" looks really dumb, so I left it as is. It essentially establishes a seductive tone, usually used by older women.

Looks  
like I  
caught  
some  
pretty  
cute  
prey~

M...mo...  
MONSTER!

Hii!

O  
k  
a  
y  
?

If you hurt a lady's feelings like that, then you have to make it up with your body~

You'll hurt Onee-san's feelings.

"Monster" is pretty mean, don't you think?

If they don't, then bad kids like that...

Onee-san will just have to eat them up~

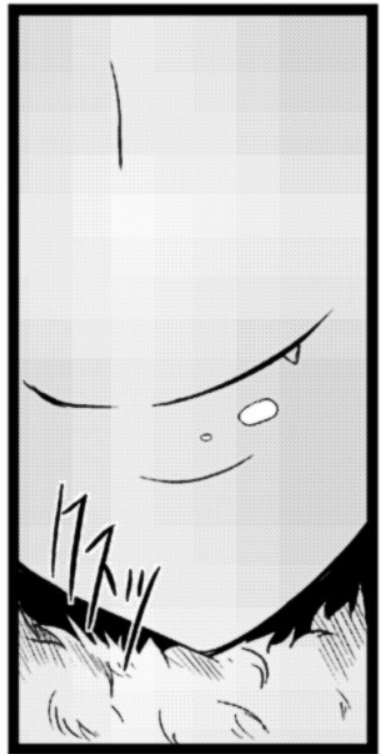

Please,  
ma'am.  
Please don't  
kill me...!

Hiiii...  
ya...

Don't worry~  
I'm not going  
to kill you.

Re...  
Really?

ふふっ...\*

Wha...  
WHAT'S  
GOING  
ON?!

\*Another  
seductive  
or refined,  
elegant -  
type laugh  
  
"fufu" just  
looks so  
damn stupid  
in English.  
Sorry. I  
couldn't  
handle it.

ふふっ\*\*

Yum...  
It's  
really  
tastey~

\*\*  
SFX: a  
pleased  
grunt as she  
puts it in  
her mouth

How's the  
sensation of  
my silk?

Hmm...  
your dick  
certainly  
has gotten  
big.

If you lick it like that...

あっ!

Aaa... gonna cu-

Ahh!

No matter what kind of face you make, I'm going to make you feel even better~

You can't cum like that already~

ha... ha... ha...?

Look~  
It's all  
wriggly  
and  
sticky,  
right?

With a  
spider's  
thread-  
hole,  
that  
is! ~

Right  
now,  
your  
penis is  
about to  
go...

Ahh!

...in  
here  
~

AUGH!

And it feels really good, right? ~

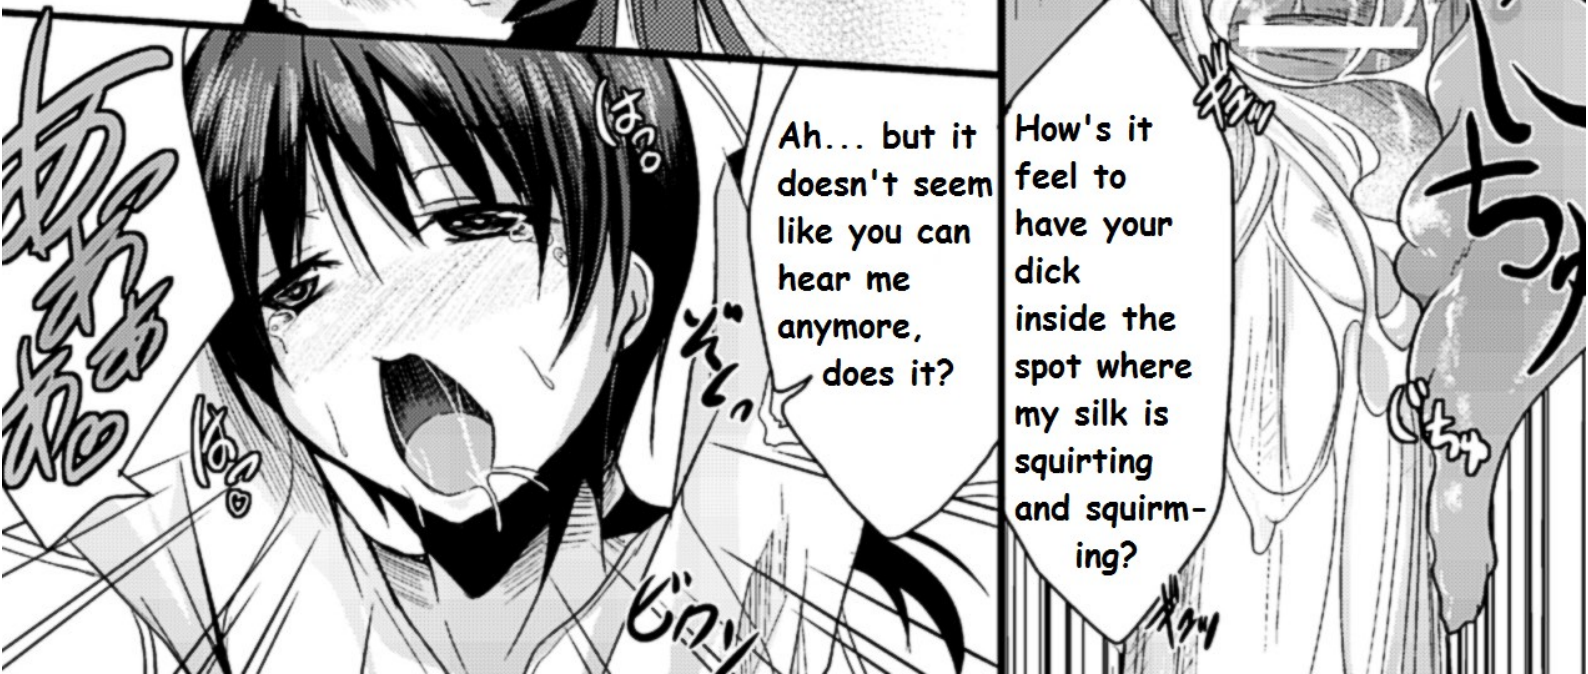

My silk and walls are rubbing together

Wha... what is this?!

Ah... but it doesn't seem like you can hear me anymore, does it?

How's it feel to have your dick inside the spot where my silk is squirting and squirming?

You let  
out a  
bunch of  
white  
stuff~

Koi

...  
huh?

But it's  
not over  
yet, you  
know?

Please cum a lot in this place too~

Next is the real thing ~

This is gonna feel a lot better than before...

It's okay. You don't have to be afraid.

No...  
o...

N...

now  
you're  
mating  
with me!

Despite  
calling me  
a monster  
earlier,

Aha  
ha  
ha  
ha!

\* Localized  
English  
translation:  
"That's a  
roger,  
ma'am."

Well, that's  
how it went  
in my head,  
anyway. He  
said "yes."

Well?!  
How does  
it feel  
to mate  
with a  
spider?!

Alright~  
Fill me  
up with  
plenty of  
sperm~

Your dick  
is twitching  
inside me~  
  
Are you  
going to cum  
already?

Nnn!  
\*

Are you  
gonna  
cum  
inside  
me?

おにぢ

Thanks for all this delicious semen~

Ahh...it's still coming out~  
What a waste~

Good-night ~

With this much, I'll probably give birth~

Well, then...

**END**

I brought you along with me like that~

This is my nest.

Waa aaa!

Nnn ...?

Ooh? Are you awake?

Okay?

So let's make sure to mate lots and lots more~

The amount of semen you poured into me earlier just wasn't enough to satisfy me.

I can already lay my eggs like this, but...
