

Starting today, I'll work at a maid café.

Wh-What...  
What are you doing dressed up like that?

But maid costumes are so cute, aren't they?

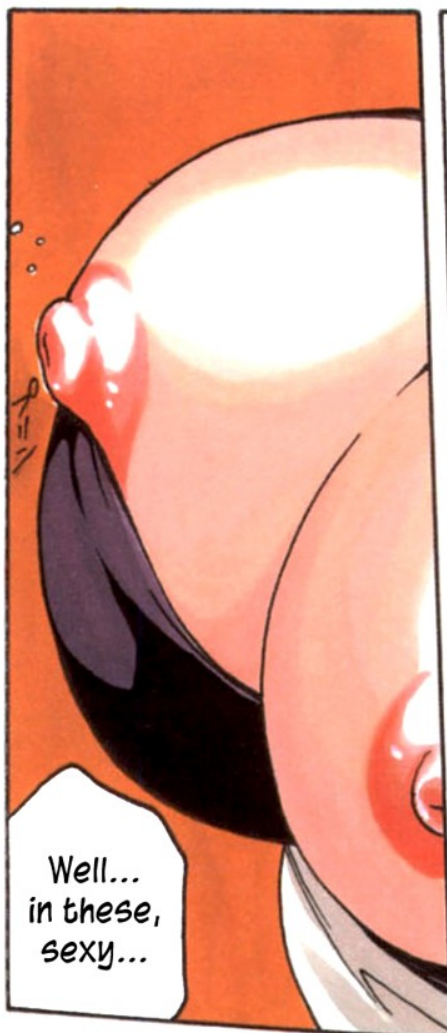

Can't you get a more typical job?

Heh. You know that I don't like cosplay.

Maid cafés are no good?

**Maid**  
**Girlfriend**

Well...  
in these,  
sexy...

With that  
cute stuff  
on, you're  
actually  
really  
sexy.

Ah!

Ah!

Your job will be to  
call other guys master,  
and to ask them to  
come back again.  
You'll exchange Plirty  
glances with your guy  
customers, too.

That's out  
of the  
question!

Really?

If you want  
it that way,  
we can do  
it...  
Master,  
you  
really  
are...

Will you  
allow me  
to go to  
work?

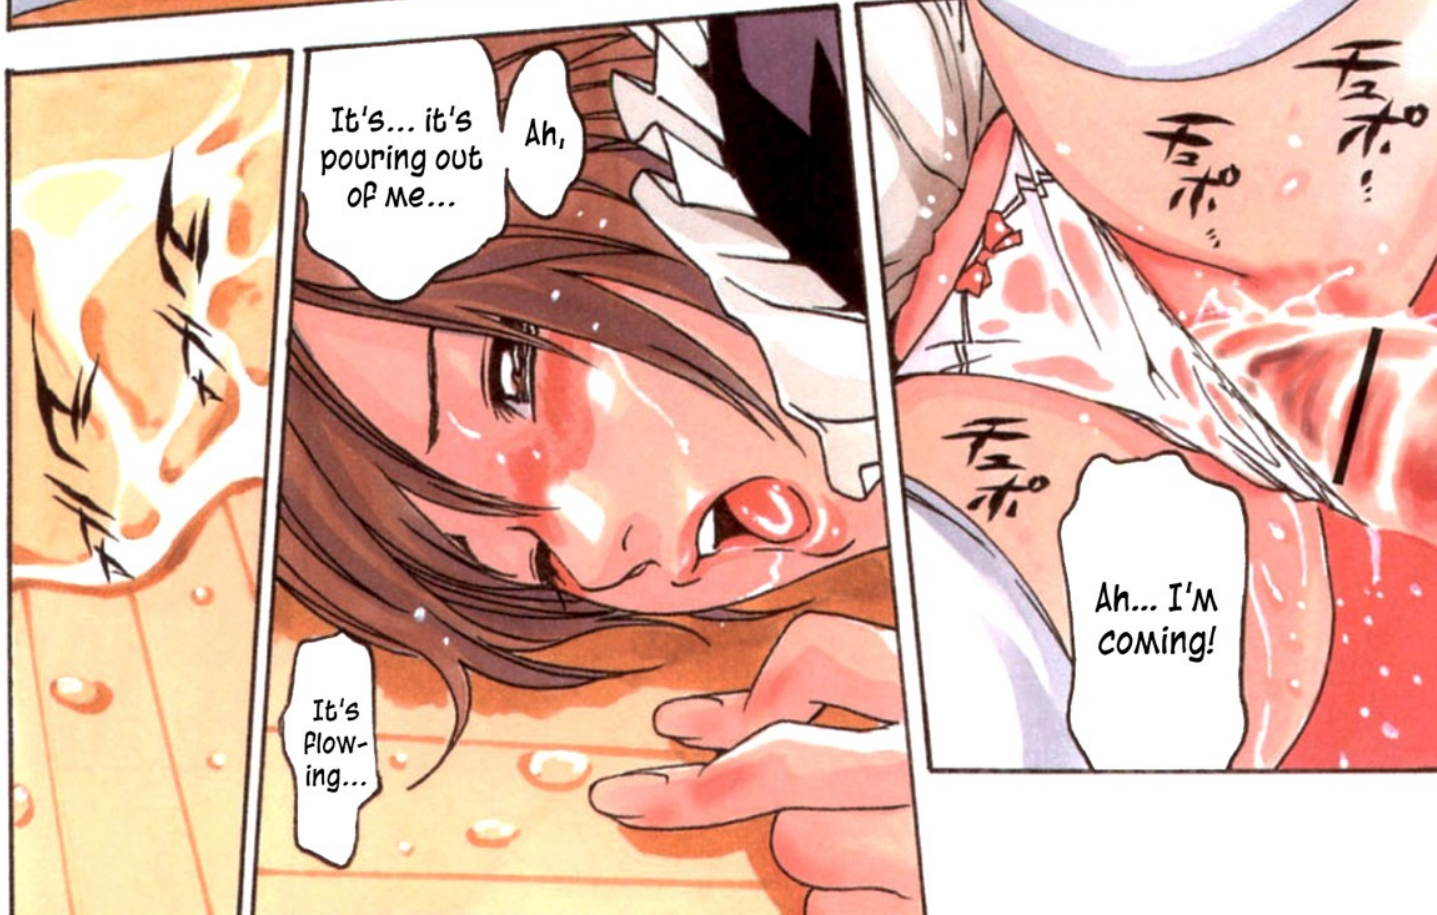

Ah

You're  
still my  
master  
...

...

Ah, it's  
tasty!

Mas-  
ter...

Ah... I can't  
imagine my  
maid taking  
any more.

Ma-Master's  
cum... it's drip-  
ping out of me...  
together with  
my juices...

Master, you  
seem to actu-  
ally enjoy this  
a lot?!

So, next time  
you'll wear a  
headpiece and  
an apron.
