He has destroyed many worlds in his pursuit of power...

Within this galaxy is a man who violently terrorizes all things...

...is that which the people of this world have studied.

The ultimate of his pursuits now...

Demonic Summoning

Translation by: Clever Year

...eternal youth and eternal life.

...have used the summoning of demons to gain...

To preserve one's strength and vitality, men...

Come.
It's time
to pay
the price.

Yeow!

Awesome.
It's healed
up nicely.

...Haha,
yeah...

I know.

C'mon...
Grant me
eternal
youth and
eternal
life!

So
hot...

I don't feel
like anything's
changed...

There's only
one way to
find out...

What?
It's already
done?
It's not like
what I
expected...

Done.

...endure pain beyond death.

...physically, emotionally...

That woman must truly hate you... Wishing for you to...

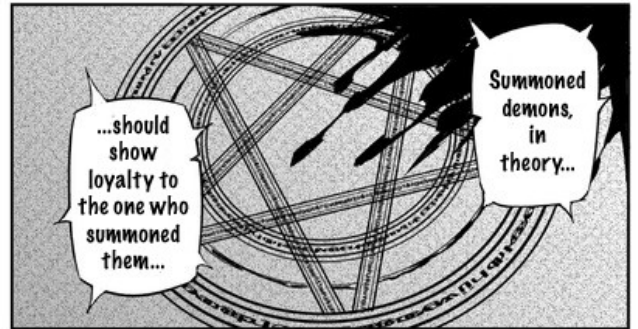

!?

And indeed, she paid the price...

That woman...!

...using you as her sacrifice.

...should show loyalty to the one who summoned them...

Summoned demons, in theory...

!?

If you were the summoner, that's how it would be.

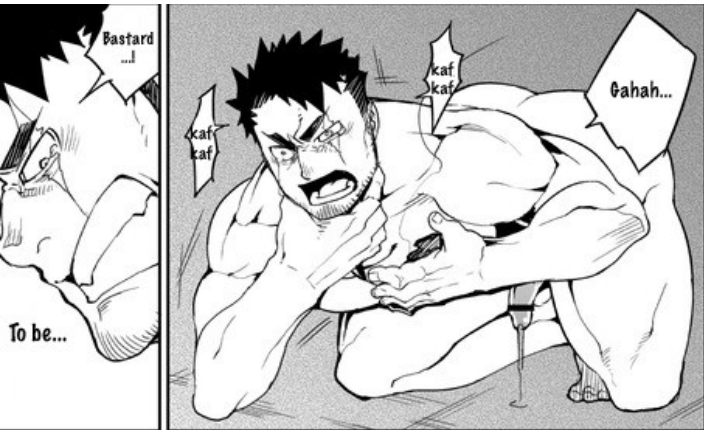

Wh-What!?

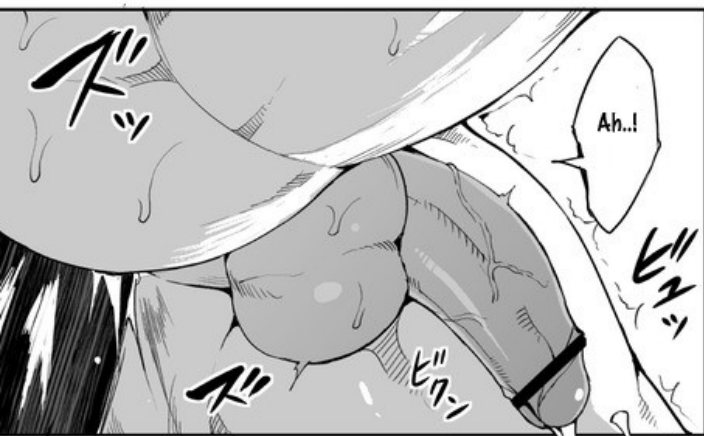

The true summoner who called me into service is that woman.

A few
months from now,
years, decades...
...However long it
ends up being, please
allow me to enjoy you
slowly...

Please
take care
of me from
now on,
