

Huh?

And a
little bit
of wishful
thinking,
but...

It was the
alcohol in me
speaking.
No, more like
a bad joke
on my part.

She put on
an angry,
fed up
expression,
and...

Said
that
to
me.

I
under-
stand.

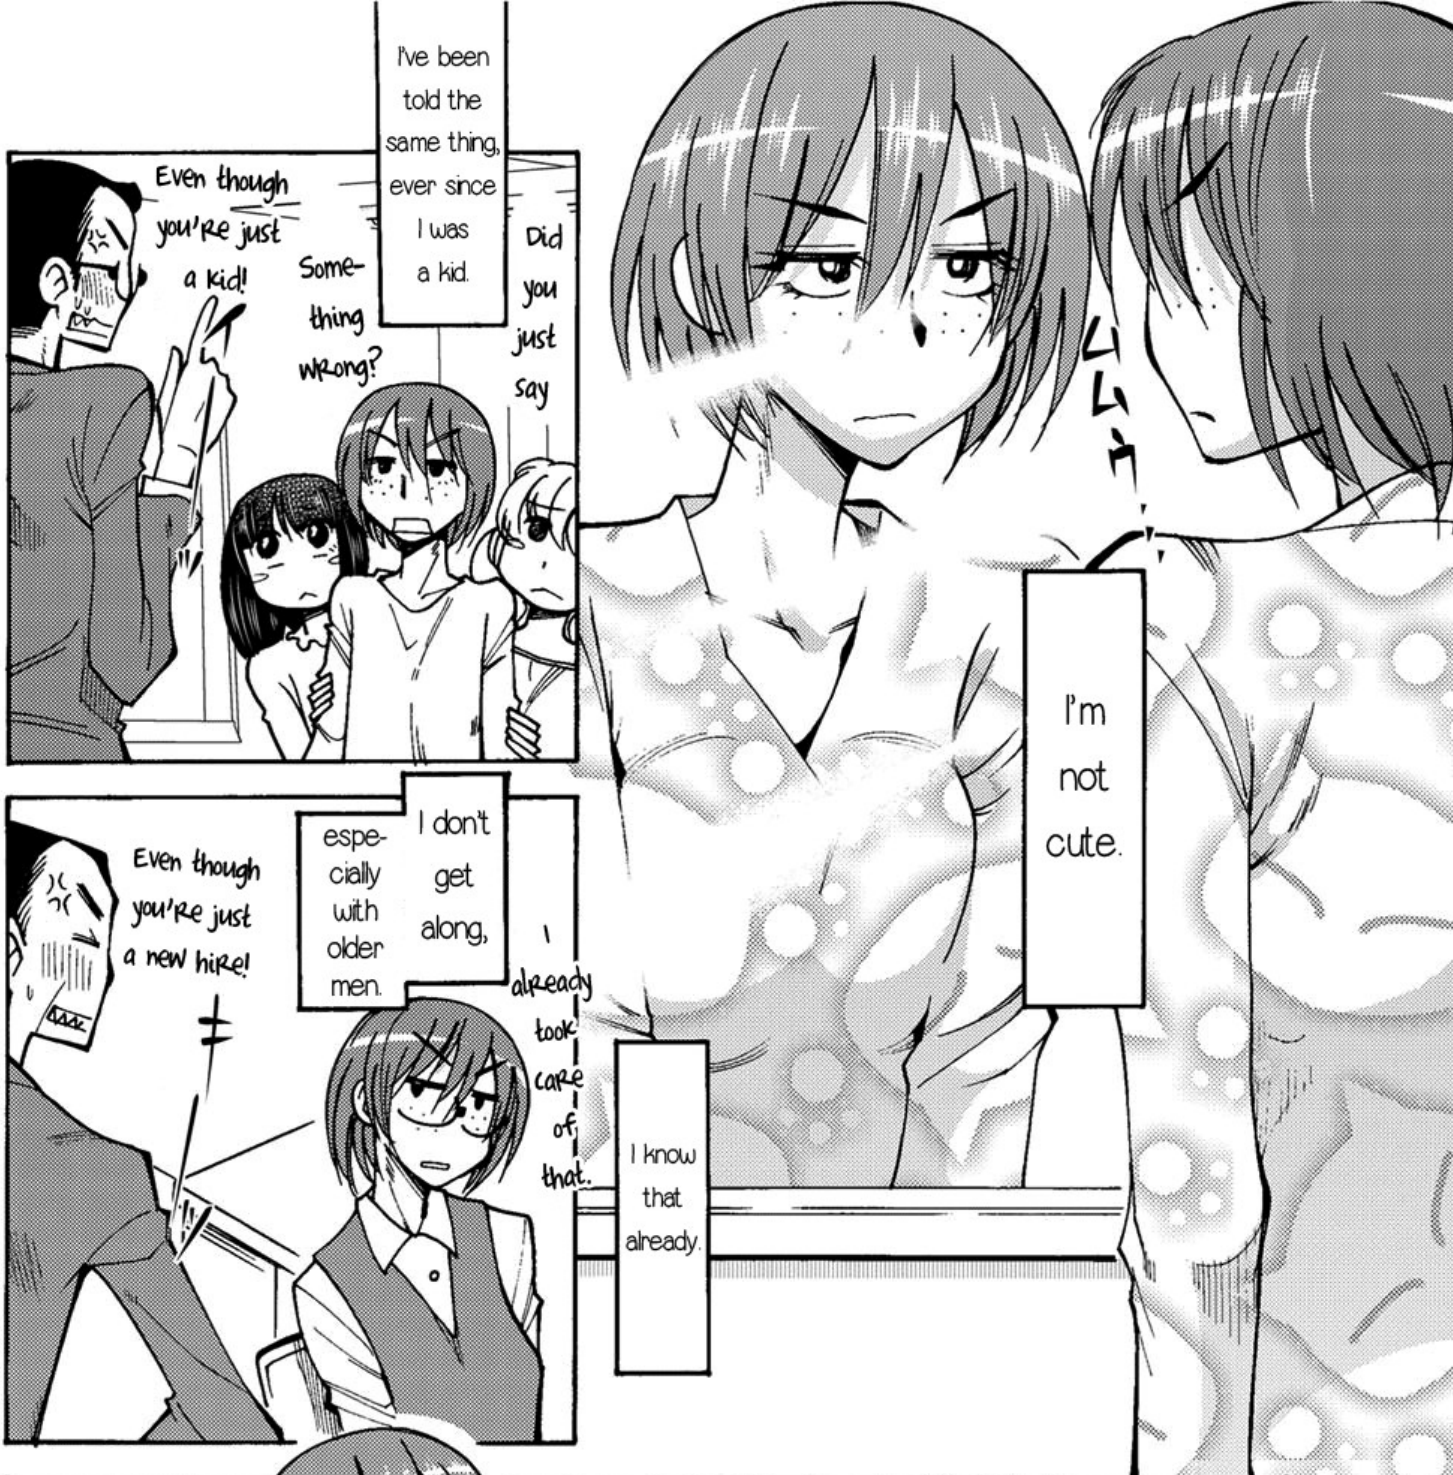

Fine.

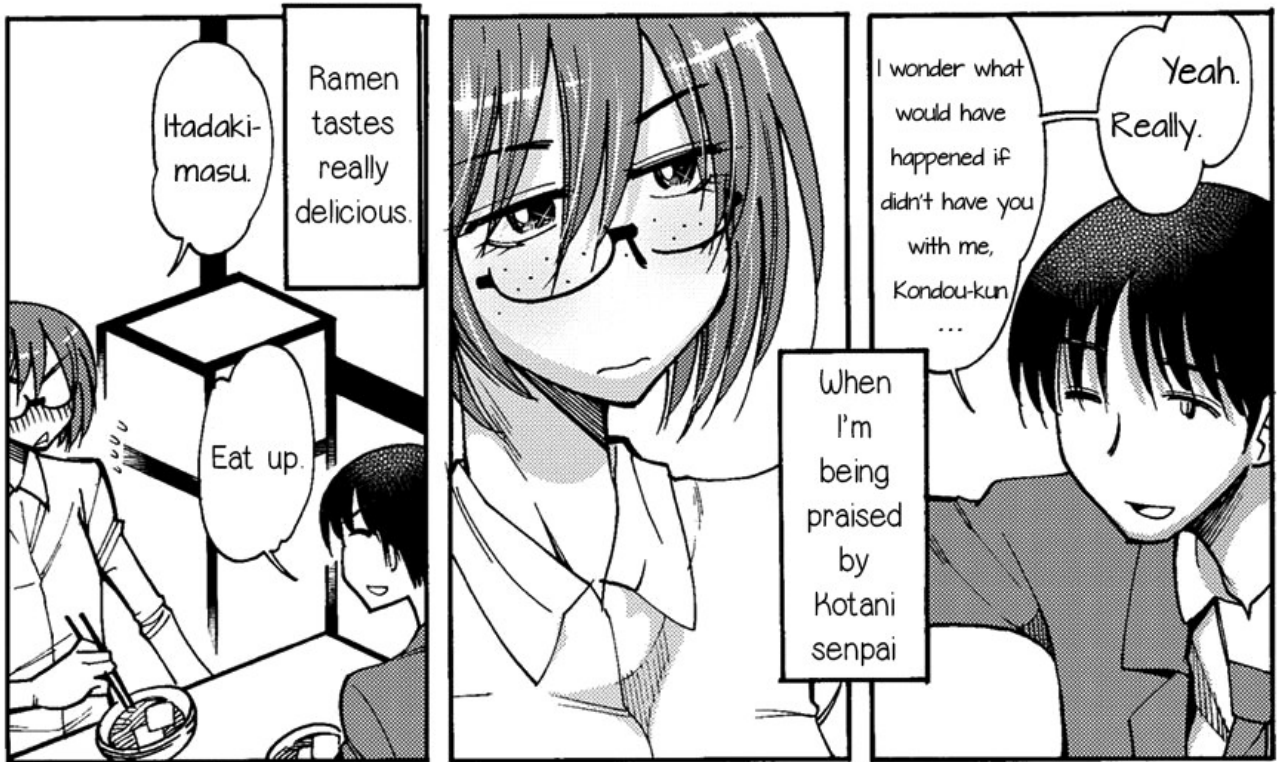

She really does help me out all the time.

Loves
me.

Ai
Kondou
...

I've
got
no
clue.

Is he
alright?
He's not
a good
drinker in
the first
place...

But still, I've
never had
another girl
fall in love
with me
before, so...

I've
always
had a
vague
feeling.

What
am I
supposed
to do?

Me too!

Another beer
for me please!

Haa

They went to karaoke.

Where's everyone?

Yes, hello~

Huh? Kondou-kun?

She's actually really slender, huh?

Apparently.

Backing up senpai's my job

Sorry for troubling you all the time.

It's because you drank so much even though you're a weak drinker.

You...

Love me or something... Right?

Smells nice too.

She feels so soft and warm.

Then...

The person saying it's the most surprised. Angry... No, I'm more fed up.

Ah
What did... L...

Let me do you.

Fine.

For fooling myself like this.

I understand.

Sigh.

To think that I might have been in love... With this man.

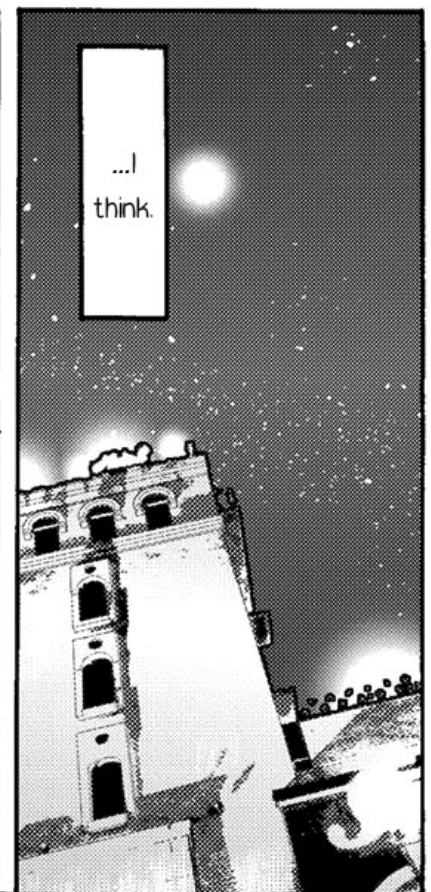

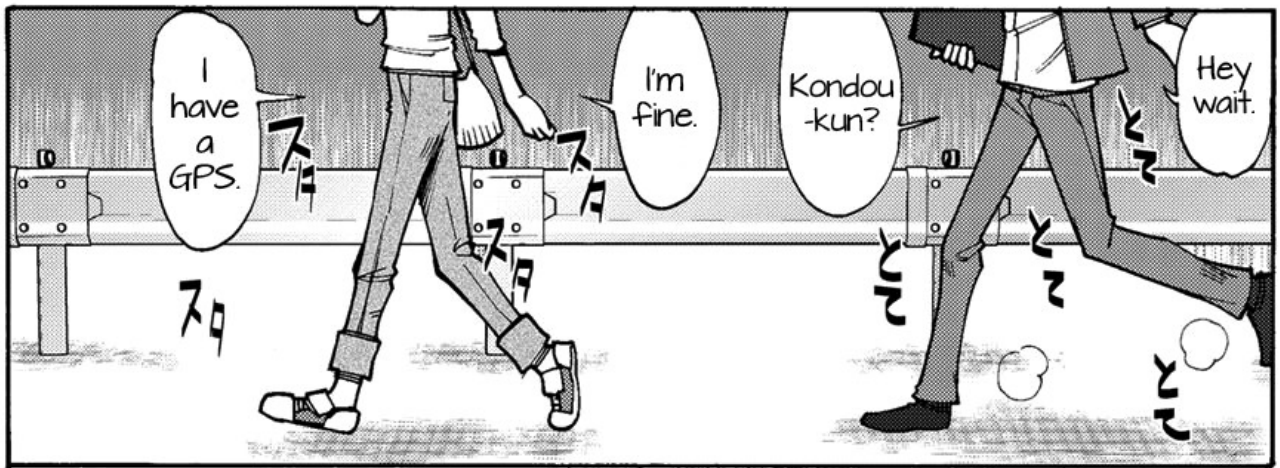

There should be some, since we're near the train station.

Is a love hotel okay?

But-

For being such a careless girl. I'll do this to myself as... "Punishment"

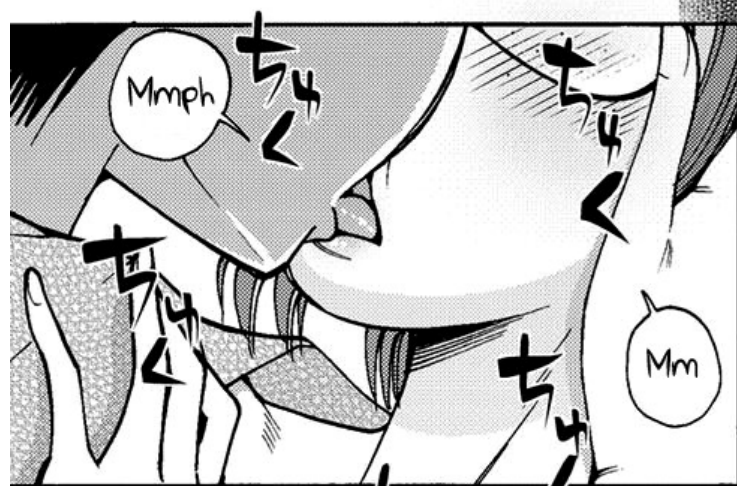

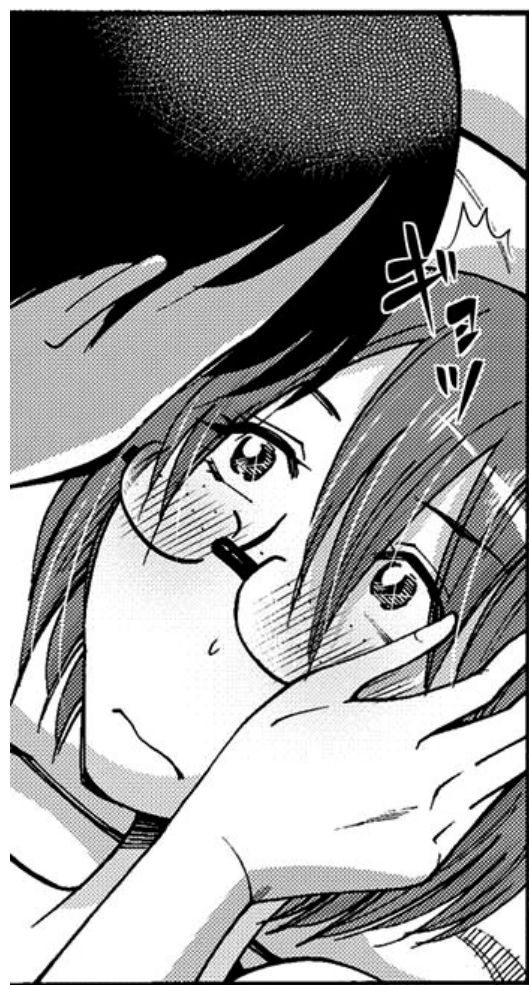

Please don't

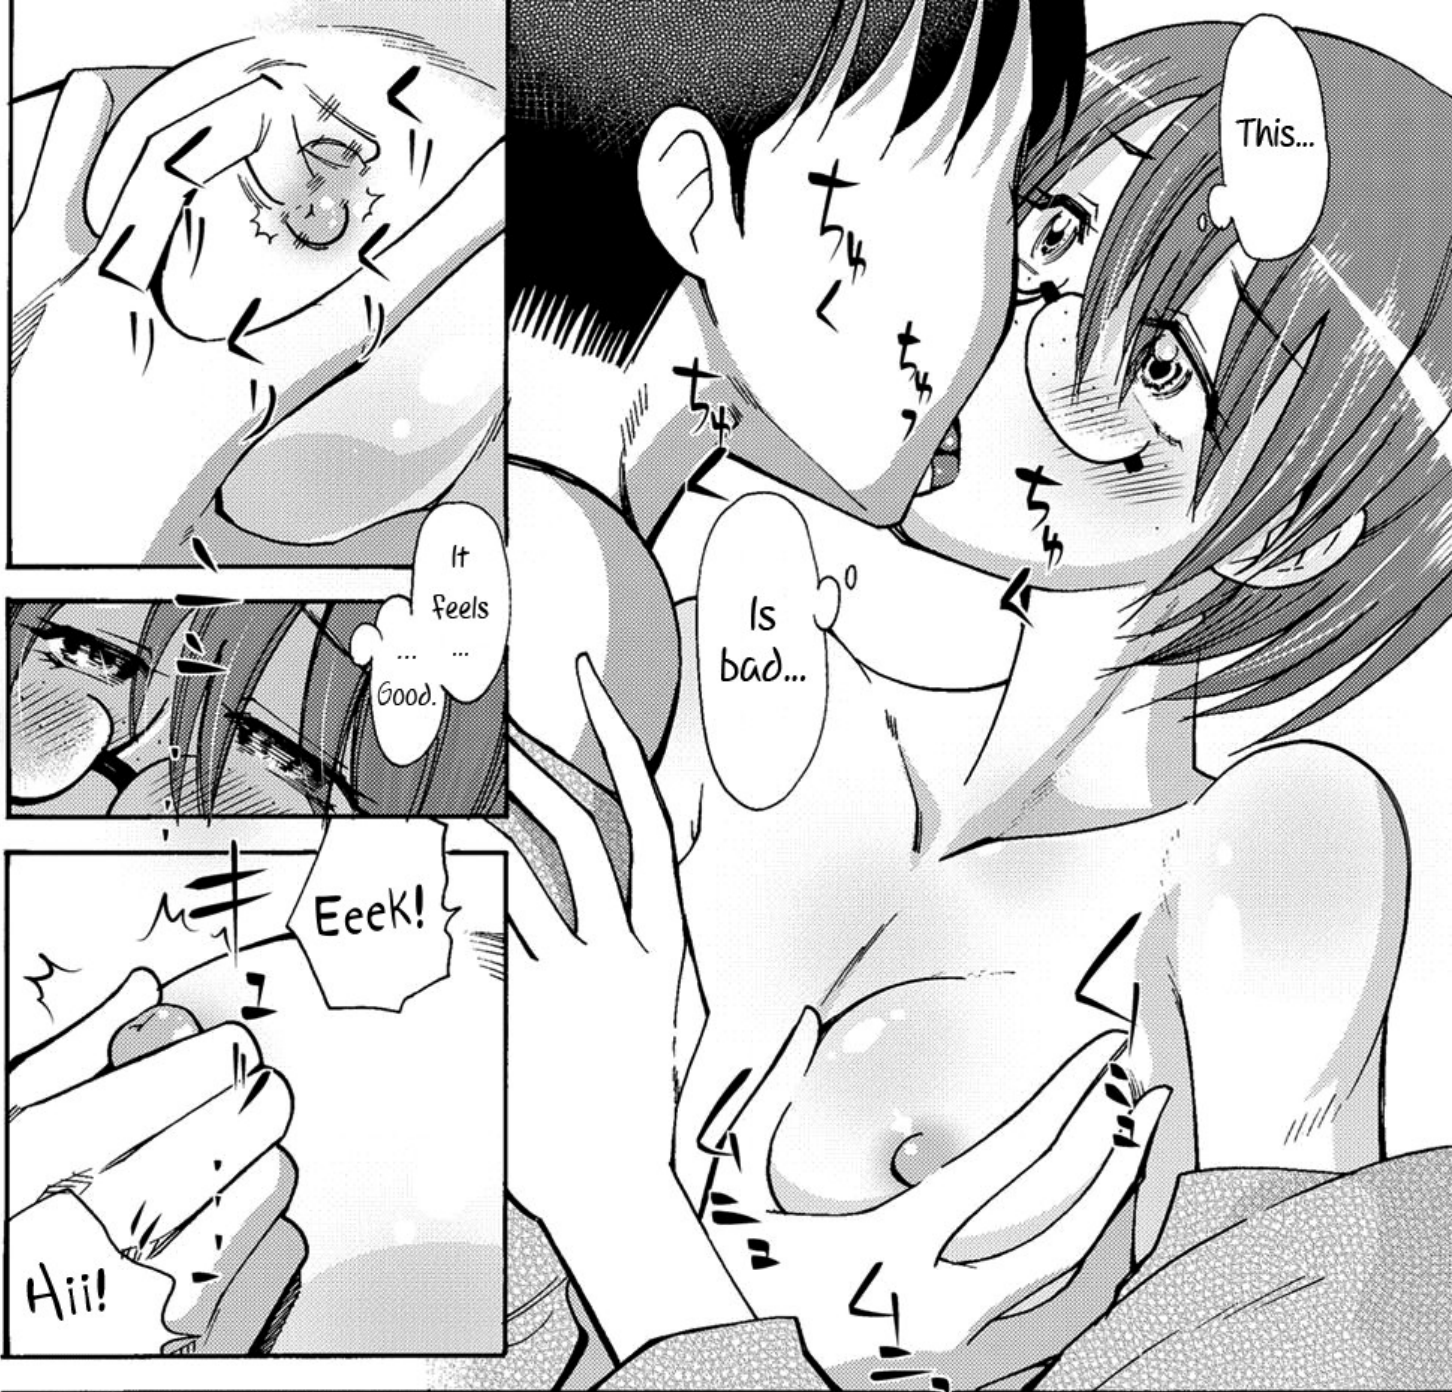

stare
so
much

Even
if
you
say
that
...

Kon-
dou-kun's
tits...

I'm
gonna
look.

This...

It feels
...
Good.

Is
bad...

EeeK!

Hii!

I'm
really
sorry...

This is...
My first
time, so...

Did it
hurt?

Oh...
Sorry.

First
time?

...
Yeah.

I just
let out a
weird
sound.

Kuh!

Ow!

Mm!

Mm!

Mmm!

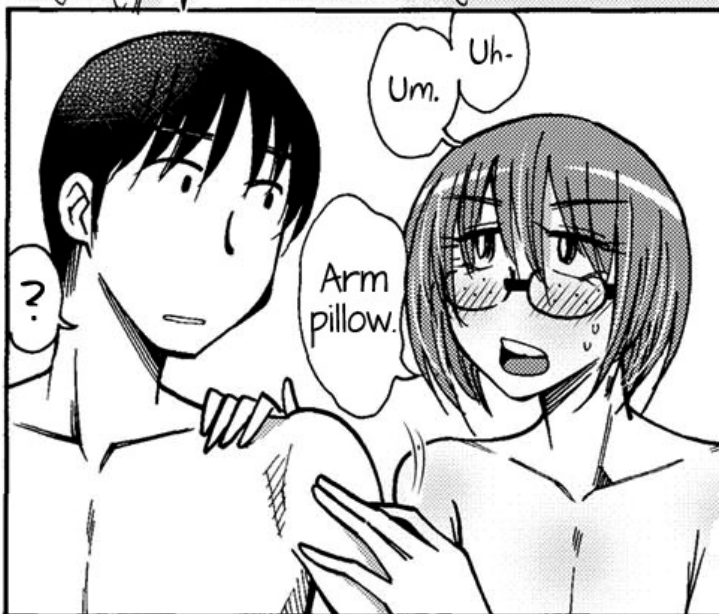

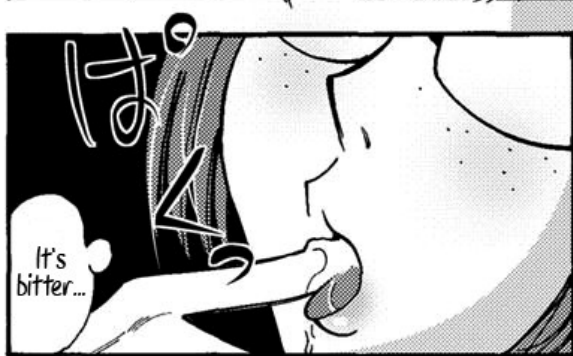

Mm!

Mmph!

Well, you
looked like you
were sleeping
really well, so.

You
could have
woken me
up.

Um...
Hey.

...
Uhh...

Um.

Possibly.

Prob-
ably...

I also...
"maybe",
just
"maybe"

Kon-
dou-
kun
I...
Actu-
ally...

Fell in
love
with
you...

May-
be.

Always
Loved

You.

Maybe.

End

May-
be?

Well

Then...
