

その日の人外郷-①

adult only

In a broken down, old castle...

Somewhere without humans...

where only darkness abides...

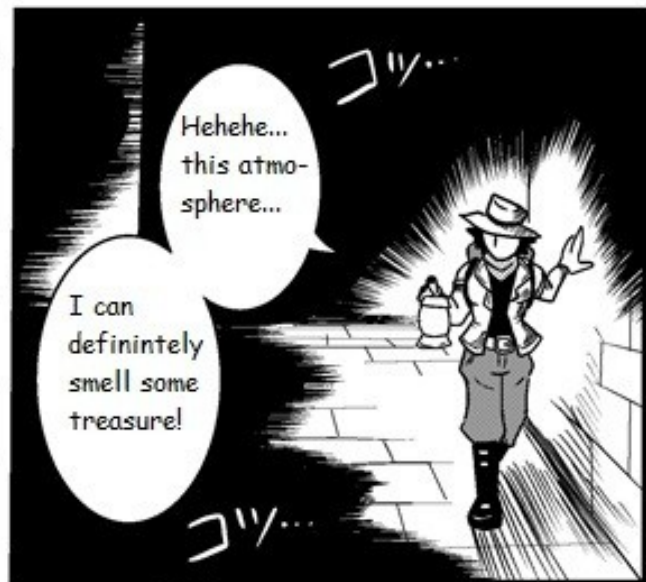

Deep within the recesses of "Goyle Wood"...

It's okay, I'm not in a hurry...

And I'm certainly not going to cry over such a thing...

No need to get so flustered over such an ordinary occurrence...

Hehehe... this atmosphere...

I can definitely smell some treasure!

My Adventurer's heart is crying out!

...THAT I'M COMPLETELY LOST!!!

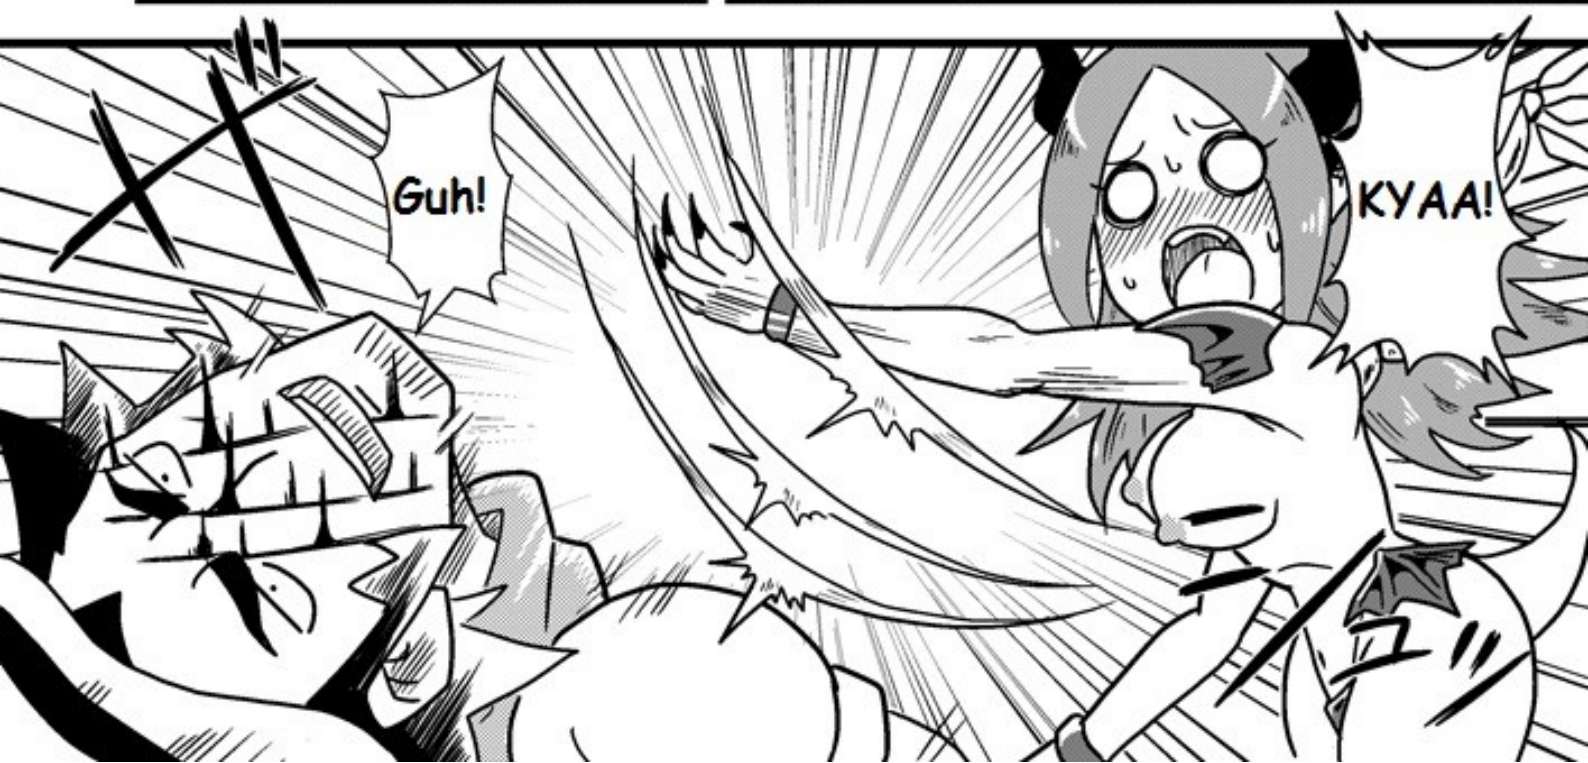

Adventurer

Robert Roadman

*SFX: "punya" He grabbed something stretchy and/or elastic.

No! It's because this time I'm in a pinch...

...that, in fact, something lucky is about to happen!

Actually, I probably shouldn't have just attacked him like that, either...

ち

ん

Are...are you alright?!

Why is there a human in here?!

Kya! Wh... what?! Why?!

あわ

あわ

だば

This kind of thing...

Hehe...he

Awahhh... I'm so sorry! Oh...what should I do?

F, first of all...where would be a good place to take you so I can treat your wounds?

I really don't mind it!

Why are you trying so hard to be cool?!

ナニ

Aaguh!
What are you doing?!

nnn...

What's going on...?

Nn...

Huh? But onee-san told me...

This is the best way to make a man become healthy!

She meant something else when she said "become healthy!" *

Ah, have you woken up?

More importantly, I'm asking you what you're doing there!

*The joke here is that "healthy" and "lively" (the latter being an oft used euphemism for turned on) are the same word, "元気".

*Once again, "spirit" and "semen" are the same word. I wasn't sure, so I TL'd it like this. She's not killing him. Trust me.

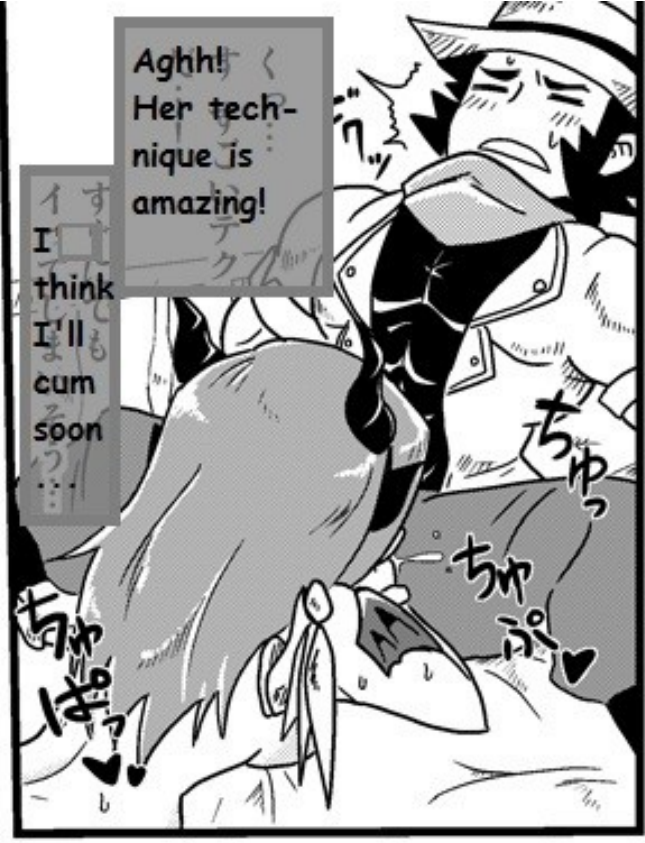

one of those situations where you get eaten alive by a monster?! But wait... could this be...

Aghh! Her technique is amazing!

I think I'll cum soon...

Uuu... Aaahh... AGH!

C...crap! I can't just let this continue and be eaten!

Getting killed and eaten like this would be such a sorry end!

ENCORE!!!

I...

I really just couldn't hold back!

But no matter what...

Umm... I'm really sorry...

huh?!

Even if I know you're gonna eat me...

I'M STILL A MAN, GOD-DAMMIT!

I CAN'T HOLD BACK ANY-MORE, EITHER!

Now, we're gonna start the main event!

KYAA!

What? You look like you were plenty prepared!

Besides, the satisfaction of getting eaten up by a cute little girl like you...

...Using their full strength is the least a man can do!

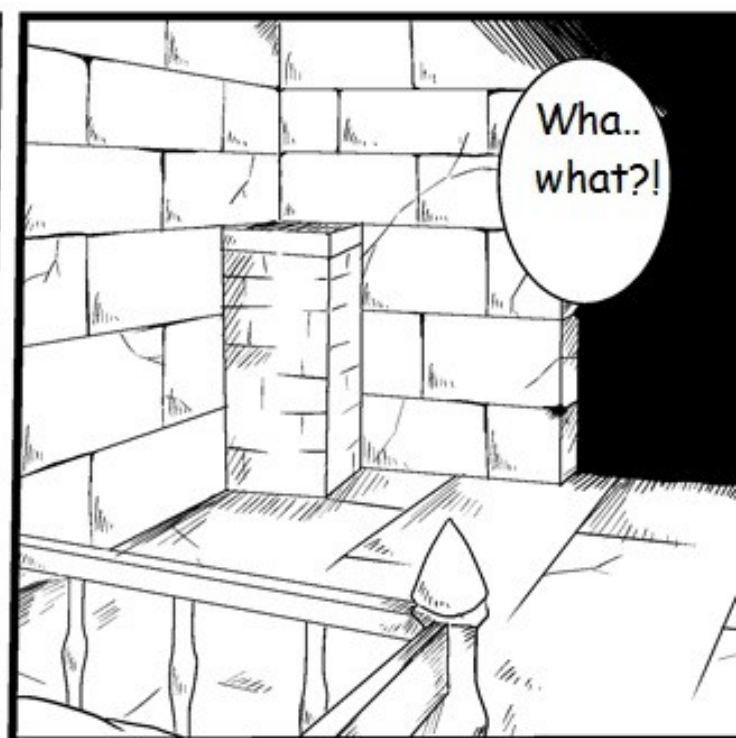

If you do it so hard like that...

Please slow down!

I...
I'll
BREAK!

Uhm...

まっしろ

...and we kept doing it, until it eventually turned out like this.

...For us to always be together like this?

Uhm, if you really don't mind...would it be possible
