SANKAKU APRON PRESENTS

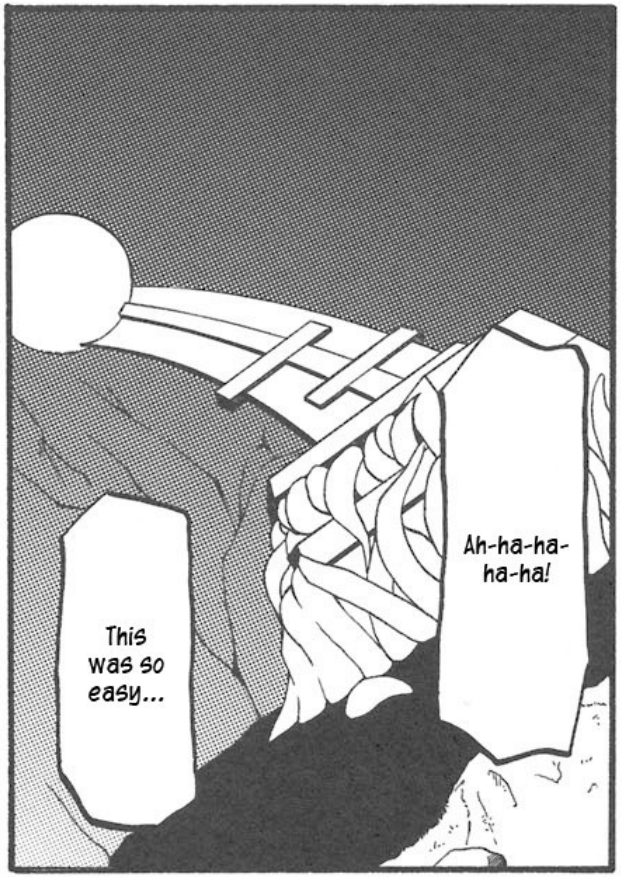

You sure are one miserable man!

You're a joke of a commander...

Sahara Tetsuo...

Uhhhn...

Ah-ha-ha-ha-ha!

This was so easy...

I know he's your father...

I know it's hard to resist that aphrodisiac I gave you...

You don't have to fight it, you know...

You sleazebag!

But you feel the same way about him, right?

My bitch slave, Miyuki...

You look really miserable...

The only animal that comes to my mind when I look at you is a pig...

I really do...

Feel that way as well...

Gehim-sama...

Yes...

But I thought you really respected him before, huh?

Miyuki...

Ho-ho-ho-ho!

Yes...

A lot...

The only person I love and respect now...

Is you, Gehim-sama!

But I don't have any respect for him anymore!

You said it...

Yes!

He-he...

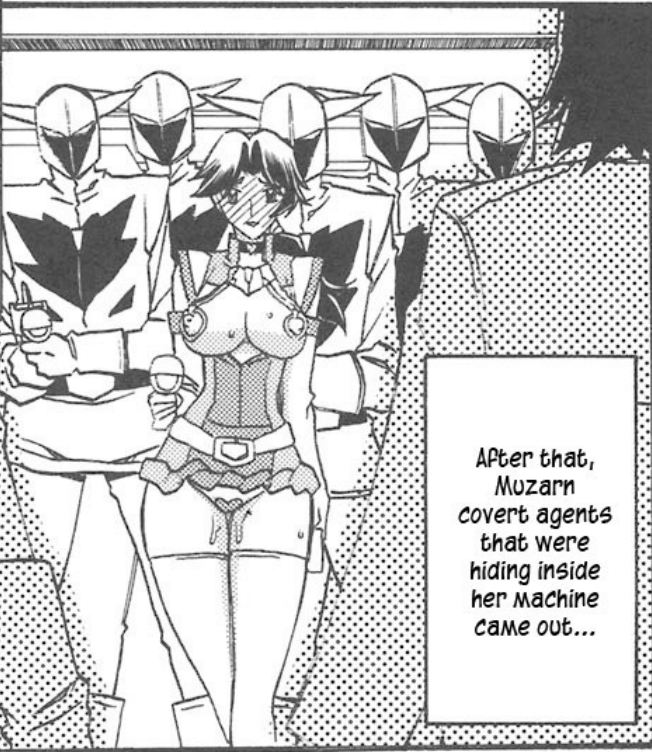

He sure is a pig!

I guess you just can't respect a pig, even if it's your father, huh?

Miyuki...

The Commander and I were spared for some reason, but the soldiers captured us...

After that, Muzarn covert agents that were hiding inside her machine came out...

When Miyuki returned after getting brainwashed...

She managed to destroy both the Schroder Institute and the Borjeaux machines...

I mean, the real Miyuki would never say she was going to kill me or her father...

At first, I thought this wasn't the real Miyuki...

But the truth was...

Whom she respected so much...

I, Sahara Miyuki, the Fourth pilot of the Borjeaux V...

By the Chief of Staff of the Great Mozarn Empire, Gehim-sama...
Declare that I am extremely glad that I was brain-washed...

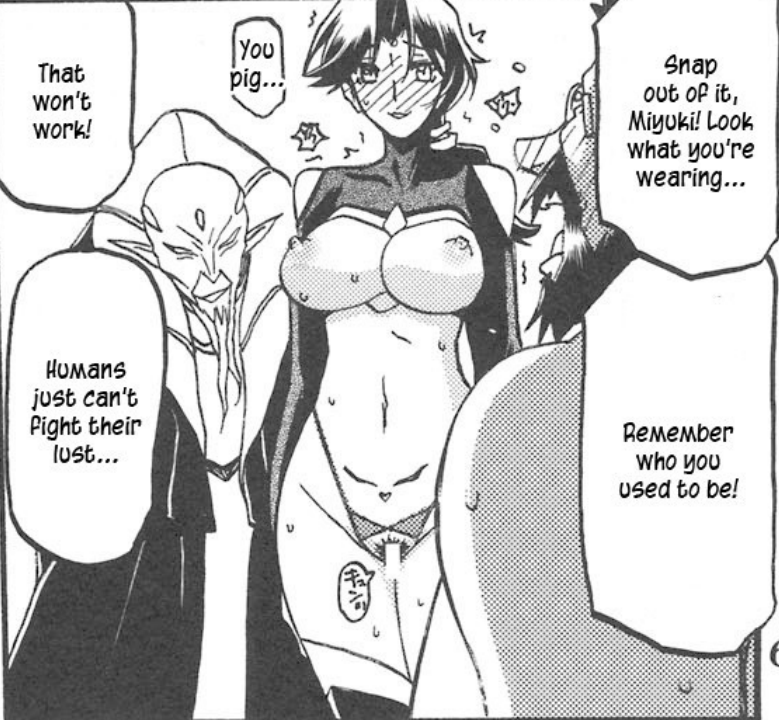

And I am delighted to have been reborn as his bitch slave soldier!

He-he-he... You know, she was...

What did you say...!?

Resisting like crazy at first...

That won't work!

You pig...

Snap out of it, Miyuki! Look what you're wearing...

Humans just can't fight their lust...

Remember who you used to be!

So, she would never yield to me...

And she kept saying that she was a warrior, who protected Earth...

Oh, she would curse me...

7
She's a loyal slave, who loves nobody, but me...

Now, she's all mine...

But look at her now...

Ahhn!
♡

Stop it!
Father...?

I bet you never even dreamed of that, huh?
And in return, I will let you do your daughter as much as you want...

I never wanted to do something like that...

Working for the Muzarn Empire as well...
And now you, the creator of Borjeaux V will start...

Does it Peel good, Pather?

Mi... Miyuki, you can't do this...

Uhh!

Look how hard your dick got! Oh, you're so dirty...

Uah!

Ah!

That's what you say, but you're still very excited, huh?

Ahn!

And now, your dick got even harder!

Uohhhh!

How do you like your cute daughter rubbing your dick?

So, how do you like it?

And the general Peel of her Female body?

And how do you like her boobs?

Ohh!

I can't believe you can still say things like that with your dick that hard!

Damn you... Bastard...

He-he-he!

What have you done to my daughter?

Your dick is just amazing!

Ahnn!

Ahh!

Stop it!

Uahhh!

And it's twitching just as well...

Ahnn! Father, your cute dick is getting even bigger!

You can cum, if you want to, ok?

Like crazy... Your dick is twitching...
It's so cute!

Please give my mouth pussy a very hot kiss!

Ahnh!
Kiss me, Pather!

No!

Stop it, Miyuki!

What in the world did they do to you!?

Why is this happening to you, Miyuki?

Crap!

He-he-he... Why don't you let your pitiPoi dad...

No... Stop...

Stop it!

Have a taste of your female holes now, Miyuki?

Please... Snap out of it!

Look at it, Pather!

Ahnh!

Here... Look at your cute daughter's horny pussy...

I would tell you something very important...

Alright?

You know, I still care about that...

Do you remember what I promised you that day?

I said...

But it's pretty old anyway...

Yeah...

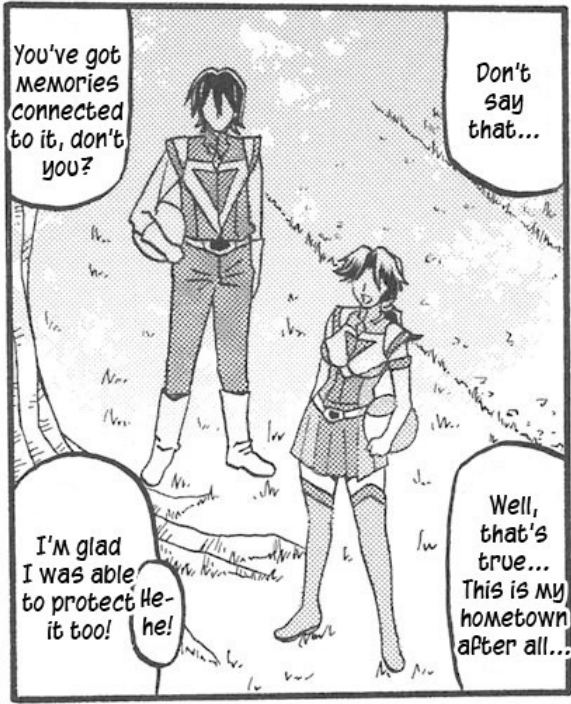

So, we actually managed to protect this tree, huh?

Come with me to look at its blossom...

Eh?

Well then, please come to this tree next year as well!

You've got memories connected to it, don't you?

Don't say that...

I'm glad I was able to protect He-it too! he!

for you, guy!
He-he-he!

Ah...

They are
rooted in the
deep psyche
and thus, my
machines can't
do anything
to them...

You see, there
are memories
that you just
can't overwrite...

Huh?

Ahh!

Ah!

Ah!

Ah!

Ah!

Ah!

Miyuki!

Miyuki!

Oh?

Apparently,
that memory
you have
awakened was
buried quite
deep...

Otherwise,
it wouldn't
make her
regain full
consciousness
like that...

But
unfortunately
for you, it was
to no avail...

Ohh...

Let them float up to the surface and stabilize there...

I awaken them using the person they are related to...

That's right!

And then, I overwrite them all the way to their roots!

So, how do you think...

I get rid of those memories?

This net that lies in the deep psyche, in turn, makes a foundation for that person's affections and values...

Memories of love have very deep and strong roots, so...

21

And that new affection will make roots in her deep psyche!

And now that I found it...

Ah!

When they come back to the surface, they provide one with great power...

Uahhh! Miyuki!

Ah!

Miyuki!

Huh?

I will completely overwrite it with a different affection...

And the memories connected to this resurpced love...

Are connected to everything else, forming a sort of a neural net...

That will turn her into a perfect love doll!

It will finalize her transformation into my very own sex slave...

Ah!

This will be the ultimate modification...

Ah!

So, you really helped me out here, Takumi...

Ah!

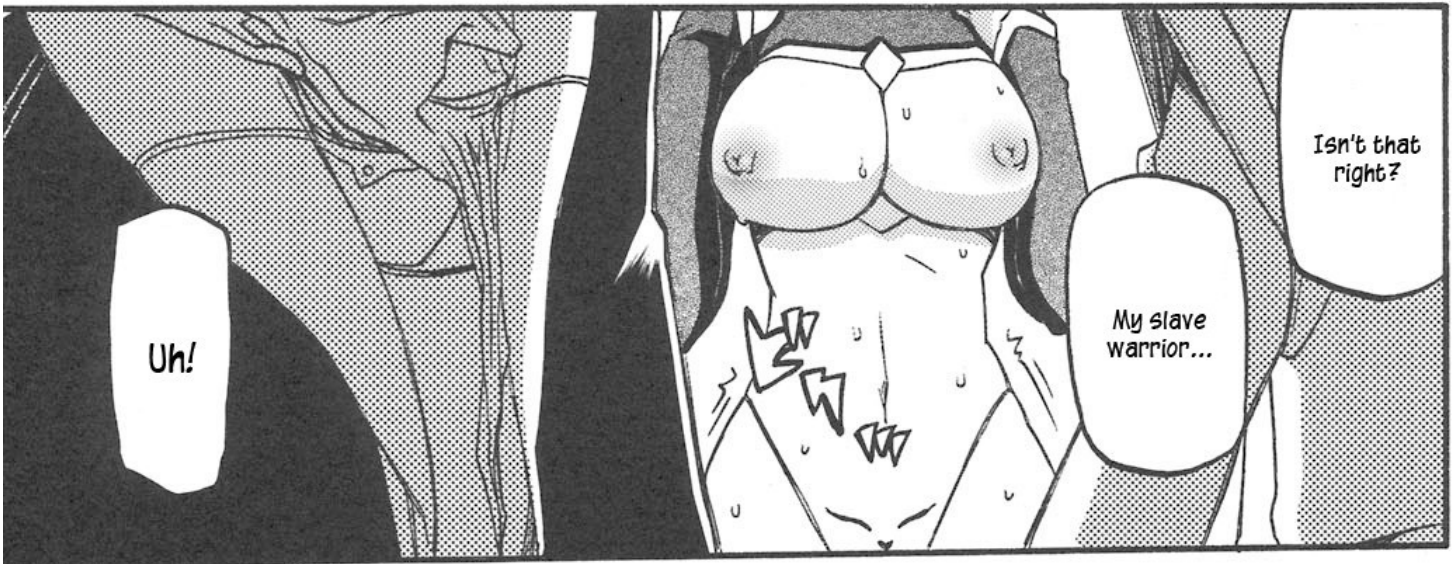

Ah!

Thanks to you...
Her transformation is now complete!

Ah!

I'm sure she will actually thank you for this!
You know, when Miyuki becomes my bitch...
