

Quiet!
I don't
want to
hear any
excuses!!

Please,
forgive me
After we
won, I tried
to get here
as soon
as possible

LATE!

Uh, sorry
for being
late we
had a
match...

Late
night

Written by
Nagi Shi

When I
tell you
to come
to me,
that
means
now!

Making
me wait
for so long!
But if you
satisfy
my needs
tonight,
there
won't be
anything to
forgive!

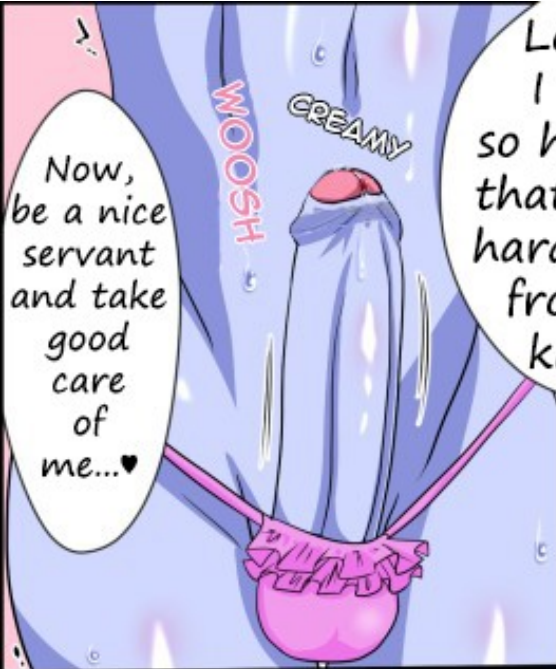

Really...
