Dad!
Can't
you quiet
down
a little?

It didn't
really
help in
advancing
my career!

That naked
dance of yours
was the best,
chief!

Don't mind dad
Kotaro-san.
Dad's just being
his loud usual
self.

I'm
sorry
Aiko
chan.

WHAT?
What is the
point of
alcohol if
you don't
talk?

Hamao

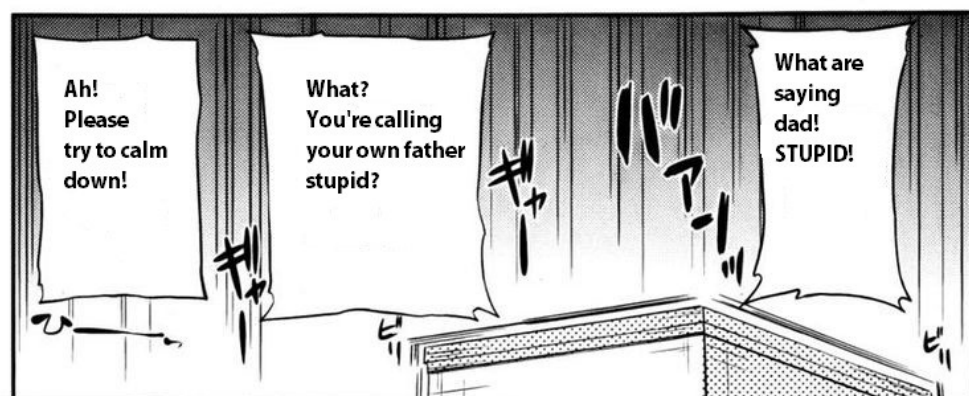

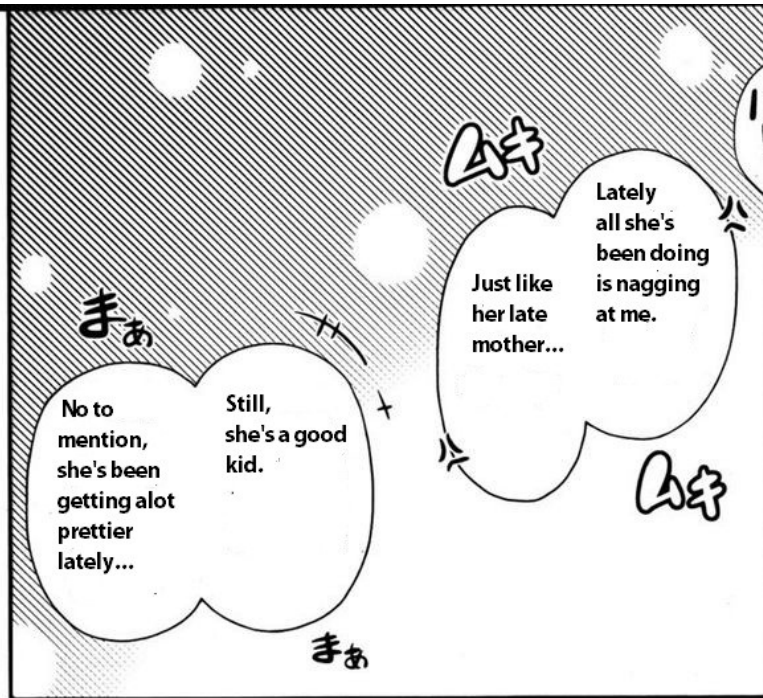

Koi Sakari

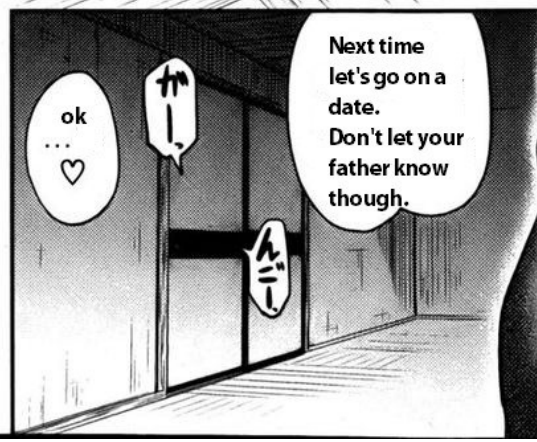

Its not like
I'm choosing
someone's
side in
particular...

What is this?
Whats with
openly picking
a side against
your own
father?

Slurp

It tastes weird but.. I don't dislike it.

Sorry... It felt so good that I ... Let me grab you a tissue..

I guess it's your turn now Aiko-chan.

... This position is rather embarrassing

Don't worry it's pretty ...
