I'm home!

I found 'some-thing' amazing last year...

Wel-come home!

A stun-ning beauty!

Ahaha!
I was just thinking that it sure feels great to have someone greet you at home.

Thanks ...?

Thanks, I'm home.

This is Liliana-san.
She was dying by the roadside when I rescued her. And since she has nowhere else to go, she has been living here.

A dead body!

Not at all. I should be the one thank-ing...

I-It's nothing...
Uhm, you must be tired, right? Please rest in your room and I'll bring some tea.

Sure. Thanks a lot, Liliana-san!

Yes.

Li-Li-Liliana-san! That's just too reckless-

S-So biiig! I didn't expect that it'd be so big!

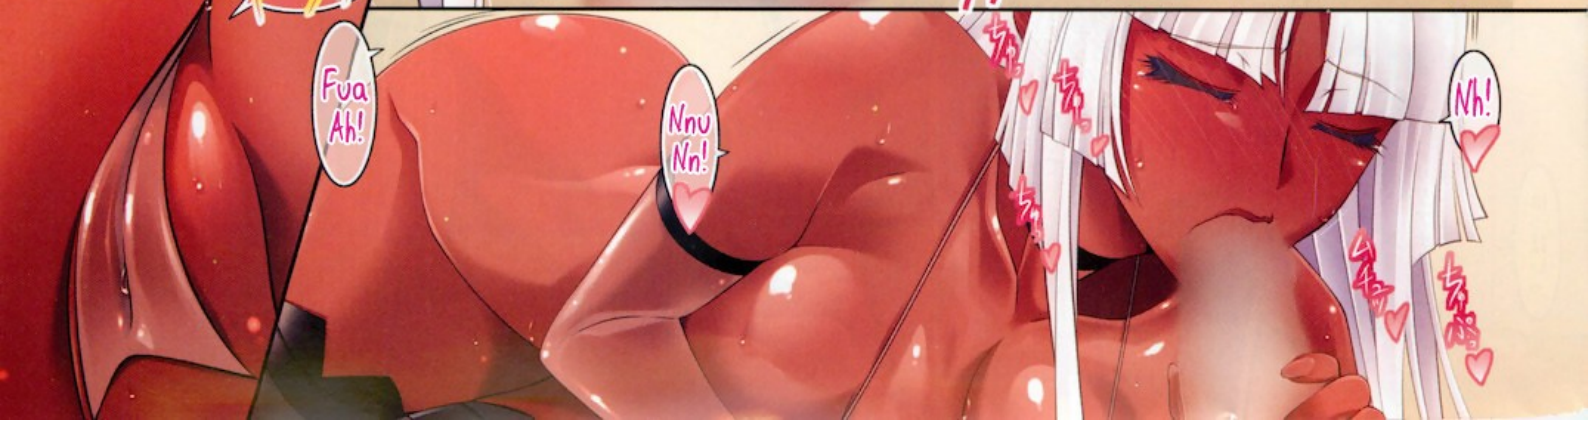

D-Don't worry about it. I already know that... UMM... healthy guys normally get like this...

I'm sorry! I'm sorry! This isn't what you think, I wasn't... Umm...

Nnu ...

Okay then, please excuse me...

Fua Ah!

Nnu Nn!

Th-That is...

You're so smooth down here, Lilliana-san...

Please go ahead and penetrate me with your thing, Tatsuya-san!

I've already decided to devote my body and my soul to you, so...

I love you Lilliana-san! I'm doing this with you because I want to be one with my beloved. Gratitude and debt has nothing to do with it at all.

I'm so... happy, Tatsuya-san! I, too...

Here I go, Lilliana-san.

Ye-Yes...

But let me at least tell you this much-

I'm going inside, Lilliana-san...
