Is it sweet?  
It's not?

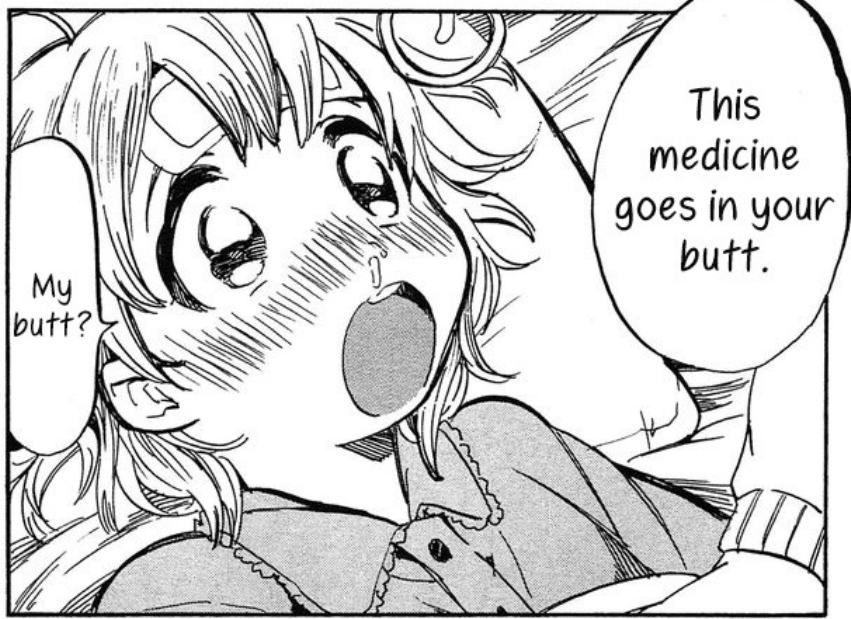

Don't worry, this particular medicine isn't bitter at all.

EESU

Hmm?  
It's not that kind of medicine.

But I can't drink with my butt...

My butt?

This medicine goes in your butt.

Geez, you're such a handful.

Onii! Take my clothes off!

Then, whip out your butt.

Yeah! I love it in the butt!  
♡

Hana, you like it in the butt, so...  
You'll be fine.

I know it's cold, but bear with me.

Uh

She's especially sensitive today.

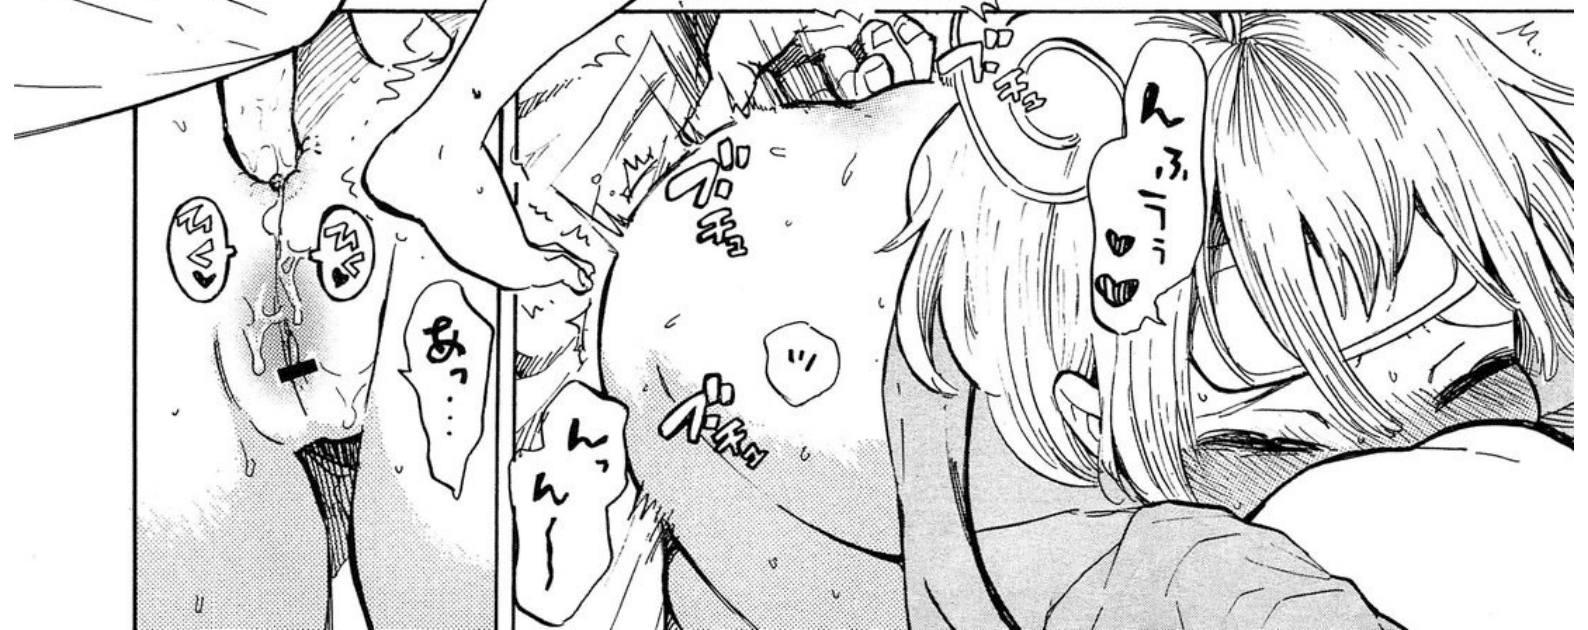

I'm gonna loosen your butt first.

ぬき...

The pill was refrigerated, so it's a bit cold.

I'm going to shove the suppository in.

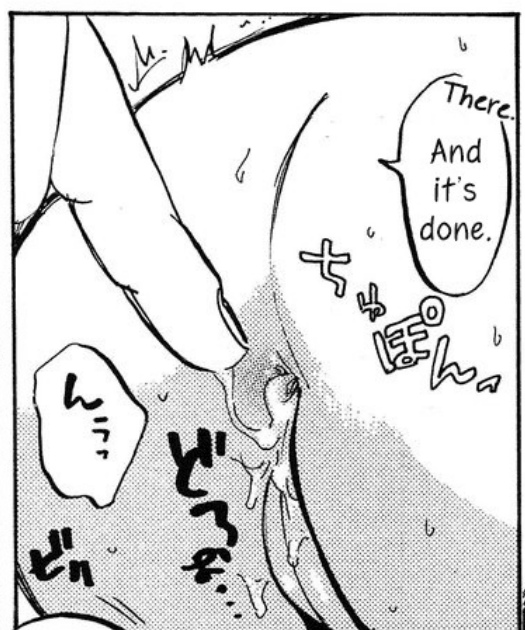

Onii...

Hm?

There. And it's done.

ん...

ヒュー...

ヒュー...

I'll get cured if you put your penis in, right?

My crotch... It's throbbing so hard...

Hmm...

Using my penis might be too much...

I want my crotch to stop tingling!

Hmm... Your fever is going up.

I'm fine, gee!

オオオオ

It's time for a second finger!

More...

Onii...

Onii!

Hana...

I'm cumming!
