TOMORROW'S A SPECIAL DAY, AFTER ALL.

BE-CAUSE...

...HUH? BUT WHY, FUKUYAMA-SAN...?

SHALL WE CALL IT A DAY FOR NOW...?

EH? YEAH... OH YEAH!

OF COURSE I REMEMBER IT!

DON'T TELL ME YOU FORGOT ALL ABOUT IT.

THANK GOODNESS ...

ALRIGHT, SEE YOU TOMORROW. I'LL BE WAITING FOR YOU...

...THAT YOU DO.

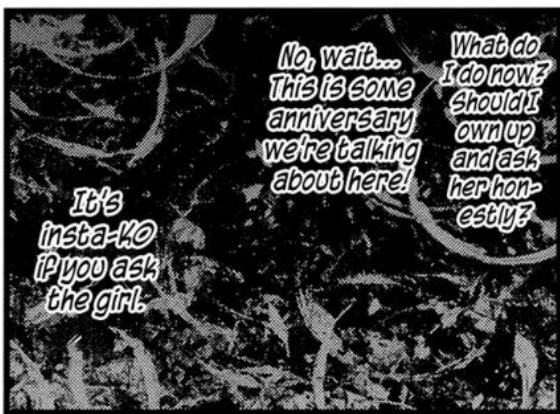

Haha...

What if she asks "Do you remember what day it is?"

I can't believe she invited me on her own...

I did say I remembered in the heat of the moment, but to be honest... I have no clue at all!!

It's insta-KO if you ask the girl.

No, wait... This is some anniversary we're talking about here!

What do I do now? Should I own up and ask her honestly?

WHAT ON EARTH IS THAAAAA  
AAAT!?

A SPECIAL DAY?

かゝゝゝ

Grin

It's Fukuyama-san we're dealing with here.

She was so ecstatic about it too!

I bet there's a real "SPECIAL FEAST" waiting for me!

The cake was  
enjoyed by the  
staff later.

This makes the 7th installment of the Fukuyama-san series.

I sort of wanted to end it with the previous one, but... somehow, I couldn't think of any other doujins to draw. So in the end, I thought, "Let's go with what I really want to draw", and made this book!

Since it's an original work, and I can decide what to do and experiment with a bunch of stuff, I wanted to do it properly!

Mysteriously, with inexhaustible plot ideas flowing in... I had a blast making this one!

I thought it'd be nice if I could draw a variation from the usual sexual romping of our couple, a little change in their feelings and emotions.

I tried not to get too egoistic with my creation. And I'd be really happy if you could take a look at this.
