

This Man...
is some
nasty
stuff,
here.

I used to
trust this
magazine, but
this is quite
unexpected. I
shouldn't have
ordered it
online.

Hah...
Hah...

Wow,
he grinded
the stuffing
out of
her.
Ha... His
dick went
limp.

Kaho-
chan, I'm
gonna
cum!
Ah!

Rape is
just... the
worst...
It's a crime,
you know?

Being all
lovey-dovey
with a
loli...
should
be any
man's
dream...

Oh!

You
shouldnt
treat ele-
mentary
schoolers
like this...
You're
supposed
to treat
them
lovingly.

ろりぐるいちゃん
Fuuri-chan,
The Little Genius

...I've been dating my free-loading brother.

Don't worry, you're being really brave today! Extraordinarily so!

Hah hah... Does it stink? Then, do what I taught you yesterday with your panties.

Since last sunday...

Or maybe they're love juices... What's this little stain here? ... Pee?

Haa... It's Fuari-chan's soft and warm panties...

That's nice! Show 'em to me. ♡

We were watching Chibi Mariko-chan together...

When he just suddenly tells me he loves me...

No...

Come on, be brave! Be brave!

Uuh...

Uh... ><

It looks kinda cute...

You have one of my pubes stuck to your cheek.

Fu Fu

Does everyone do this...

when they become adults.

Onii-chan and I haven't...

You know what I'd like? If you dressed up in a cute apron, and cooked for me every day.

Hah hah... Fuari-chan, you're a natural!

You have the prettiest pussy...

Ah!

Yesterday he just asks me "Can I touch you?"

even kissed yet...

I wouldn't do something horrible like in that manga I was reading.

Relax, I'm a nice guy!

But Fu Fu! yesterday, no matter what we did...

I wanna put it iin...

So soft...!

Maybe we should wait until you loosen up a bit.

my penis just wouldn't fit!

Put your back into it... Ah... Yes, like that!

Ah? Don't stop moving your hands now.

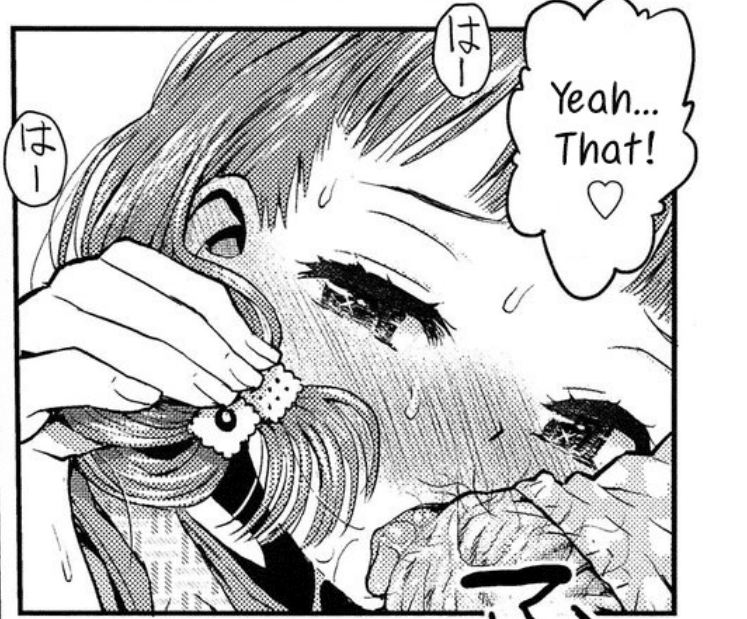

I wonder what a kiss feels like...

this thing he taught me yesterday...

Perhaps ...

Yeah... There... kiss my balls...

F... French kiss...

If you let me throat fuck you...

Unfortunately, I'm pretty much at my limit...

I see... It hurts, doesn't it? Your mouth sore.

maybe I'll do you a favor and cure your sore with my semen...

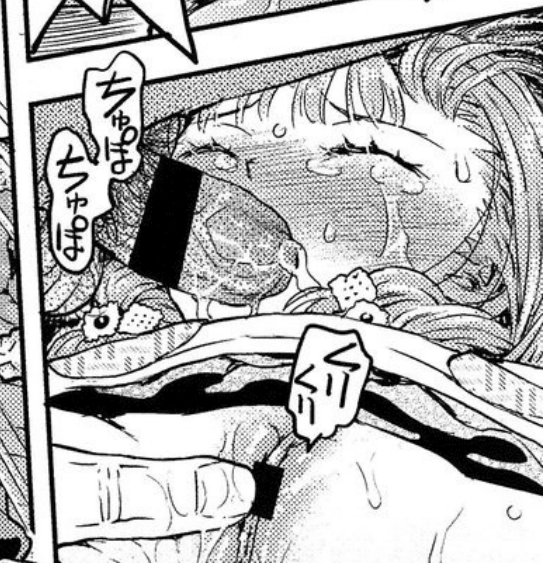

Ah... What a cute childish voice, I love it... Ah... I'm cumming! I'm cumming...

In hush In hursh

Now, where is that pesky sore? Is it here?

He he, your body got all stiff! ♥

The ones
shared between
princes and
princesses...

Come
on...
Drink
up...

Don't
wimp out
on me
now...

I wonder
when we'll
share a
kiss like
that...

Gulp...

End

I came
a ton...

Good...
You got
most of
it...
