

Kizu Kenichi (18歳)

Oh, nice catch

Oh~
Ken-chan
your ass
has
gotten
bigger
eh?

sigh, the
change
room
smells

Ah is it
bad?
Just
change
out
here
then!

Waah!?
idiot!
dont be
gross
like that!!

Why
dont
you
come
over
tonight?

The
deoderant
mixing
with
the sweat
is awful

After our parents both passed away, we've been living together for 5 years now. At first it was weird and difficult ...

Awhile after, Hiro-san got a job at a construction site and just like that his body got a lot bigger and his personality a lot more caring, we started becoming closer to each other, even so, i still only call him Hiro-san

T/n: -san is usually put after the names of people you respect or in this case people you're not on a familiar basis with. Kenichi is refusing to call him Hiro-nii because he never had a fraternal relationship with him.

Alright now, before we go to sleep tonight...

Don't tell me ...

Hiro-san's dream is to make a living with music, he left home after a big fight with our parents and started pursuing his dream, this is why he doesn't have a stable job.... After our parents died, i was thrust upon this stranger calling himself my brother and it was hard to open up to him, everything was bleak at the time for me.

Because
a tourney
is coming
up... but
they
shouldn't
have had
to call
him!!

What
!!

Don't
tell me
you
came to
school
today
because
of that

Lets have a
little quiz
shall we? It
seems like
you're
grades
have been
slipping
lately!!

What? I
wasn't
called
there by
your prof

Because
your
Highschool
Entrance
exams are
this year I
check up on
you every
week!

Say
WHAT?

Shit

BUT!

YOUR MATH MARK HAS GONE
DOWN BY 20%!!

Ten
min
later

Time limit is
30 min, a 70
and over is a
pass, if you
dont pass well...
lets just say you
wont be getting
much sleep
tonight

Eh?
I told
you
they
didn't
teach
us this!

Are you
really
asleep? If
you are
then i'm not
doing this
quiz...!

If
i
dont
pass...

Hiro-san
fell
asleep
....

Having to
take care of
the house
and work at
the same
time, once
he falls
asleep
nothing can
wake him
up

And
so
....

You
won't
mind if I
helped
myself
then
right...?

We're'n't
you going
to keep
me up all
night?

Just a bit more... With Hiro-san's manhood in front of me... i really can't resist....

Se.. Sex?!
With me...?
But
Kenichi...
your hand...
stop... I'm
going to...

I... want to
have sex
with
Hiro-san..
be lovers
or
something
...

It's just
that...
towards
Hiro-san...
Hiro-san
is...

Psh

Kun

Se.. Sex?!
With me...?
But
Kenichi...
your hand...
stop... I'm
going to...

It's just
that...
towards
Hiro-san...
Hiro-san

I... want to
have sex
with
Hiro-san..
be lovers
or
something
...

Se.. Sex?!
With me...?
But

with
Hiro-san..

I ought to give you a good lecture for this, but do you have anything else you wanna say?

I'm really sorry... I don't think I can live with Hiro-san anymore...

.... I'm sorry, while Hiro-san was sleeping... I started...

I fully understand what it is that I did...

more moaning

yeah... i
dont
know
how to
explain...

but just
kissing
Hiro-san,
my
brain's
already
gone
foggy...

Kenichi,
does it
feel that
good
with just
fingers!?

-Battle
with his
conscience-

I got it!
this... it
makes
you feel
good
right...?

I'M
COMING
!!!!
ME TOO!!

I thought I was dreaming at the time, even though i could feel nii-san's arms wrapped tightly around me, it was hard to believe this was real. Scared, I wrapped my arms around him even tighter, feeling the saftey of his body as I slowly drifted into sleep

Praying, that when I woke up, this wouldn't have just been a dream, and that nii-san would still be next to me..

T/n: Nii-san ->
Older brother

Ken,
Keni
ichi!!!!

I'm goinna
blow!! All
inside of
Hiro-san!!

もう限界!!

はあ

あー

right at
the good
part too

huh..
a
dream
?

Thinking
about that
dream
again... my
body...

That's
right... last
night...
after me
and
Hiro-san...
We
ended up
falling
asleep
together.

Woah, it's only morning and you're already excited eh?

yesterday

...
yours is
so big
though...

look,
mine
too

It's only
morning
wood,
why're you
so shy?

Dont stare
at it all lusty
like that!
Even if it's
me imma
get a little
shy!!

You're
the one
who
showed
it to me!

ah,
that
is..
uh...
haha..

-hide-

Ever since that first time i called him Hiro-nii,
Our relationship as brothers really grew
slowly day by day.

Hearing me call him that, Hiro-nii
started really getting into us being

I still just call him Hiro-san when we're out though

Hiro-san,
let me see
my results!

what?
you
need to
build up
the
tension!

Hiro-san's
ass-shot-

what a
great view

Hey! dont
put that in
the
scrapbook!
!

Maybe i should try out tomorrow too!

It's only when we're like this together in our home, I like to call him
Hiro-nii, it just feels more right in these circumstances
