Ryosuke...

Yay

この人のマンガがどうして面白いのかというところ、たぶん女の子が童貞っぽいからだと思う。人類みな童貞だったなら世界も平和になるのにな。

Because
somehow...!

during the
last cooking
lesson...

you
managed to
turn a simple
miso soup
into mapo
tofu!!

Sunday
at about 3
o'clock's
cooking
hour!

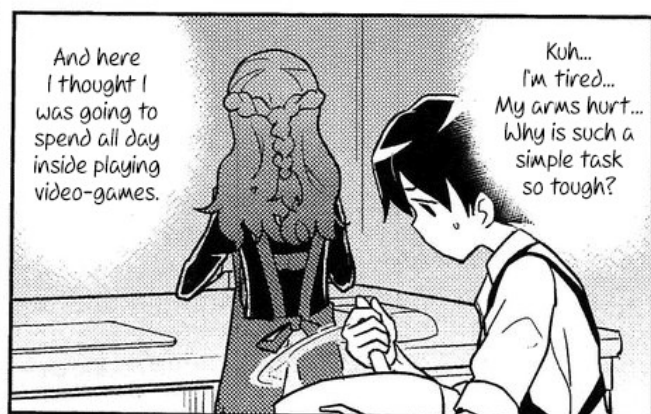

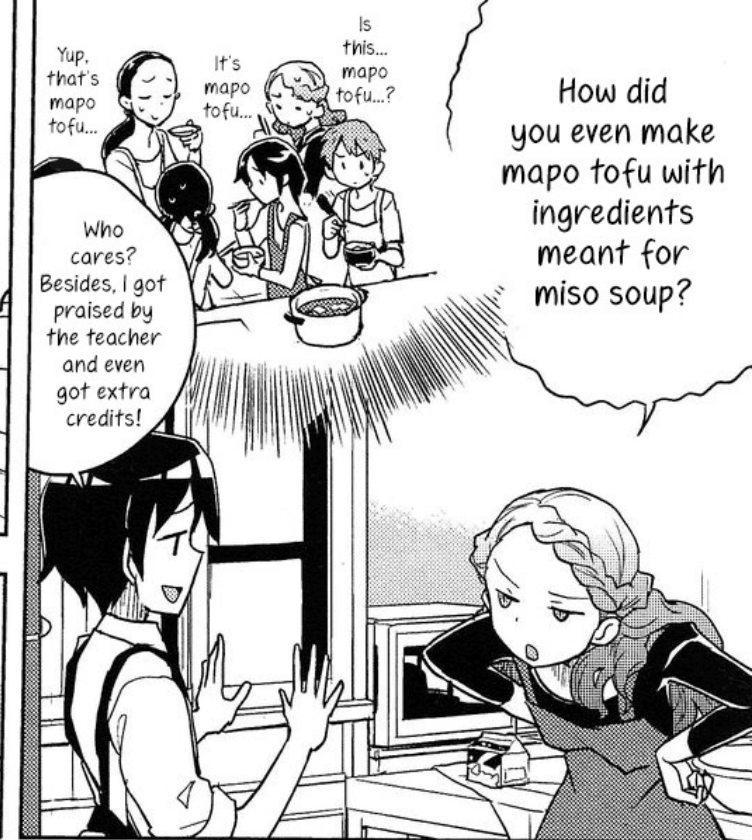

Why'd I
have come to
your house on
a Sunday just
to bake some
cake...

First off,
we add the
eggs...

Today's
special is
cup cakes!

Now I understand why she wanted me to come over on a Sunday to her empty house... *That's* what she was expecting!

Like I said, that's not it!!

Figure it out yourself!

Well? What should I do with these condoms?

But you told me to leave all the thinking to you...

Whatever, I don't care!

Maybe I should just put them back in the drawer... Well, that's a valid option, but I feel like I would be betraying Rina's expectations...

So stubborn... Still, what the heck am I going to do with these?

What is it now? She looks slightly happy. It's really cute!

And after doing that... Huh? a different expression?

This is it! This is the right answer!

Ah... she reacted...

I know, I'll pretend to put them back in the drawer, but not actually do it...

Huh? Another angry flag?

Geez, why can't you be more straightforward?!

Ah... She looked disappointed for a second...

**Wa-
Wait!**

I never knew Rina was this easy to understand... This is too much fun! Now, then...

Ah!
Another
amazing
new
expression!

I wonder
how many
more new
faces I can
make her do
if I push this
further...

Surprise and
anticipation...
I can almost
hear her
heartbeat!

Wh-Why
did you take
it out of the
package?!

Nah, I
can't bring
myself to
do it...

I... I told
you to do
what I say,
right?

Huh?
But...

Don't think
about anything!
Empty your
mind!

Ye-Yeah, I
know you
told me not
to think,
but...

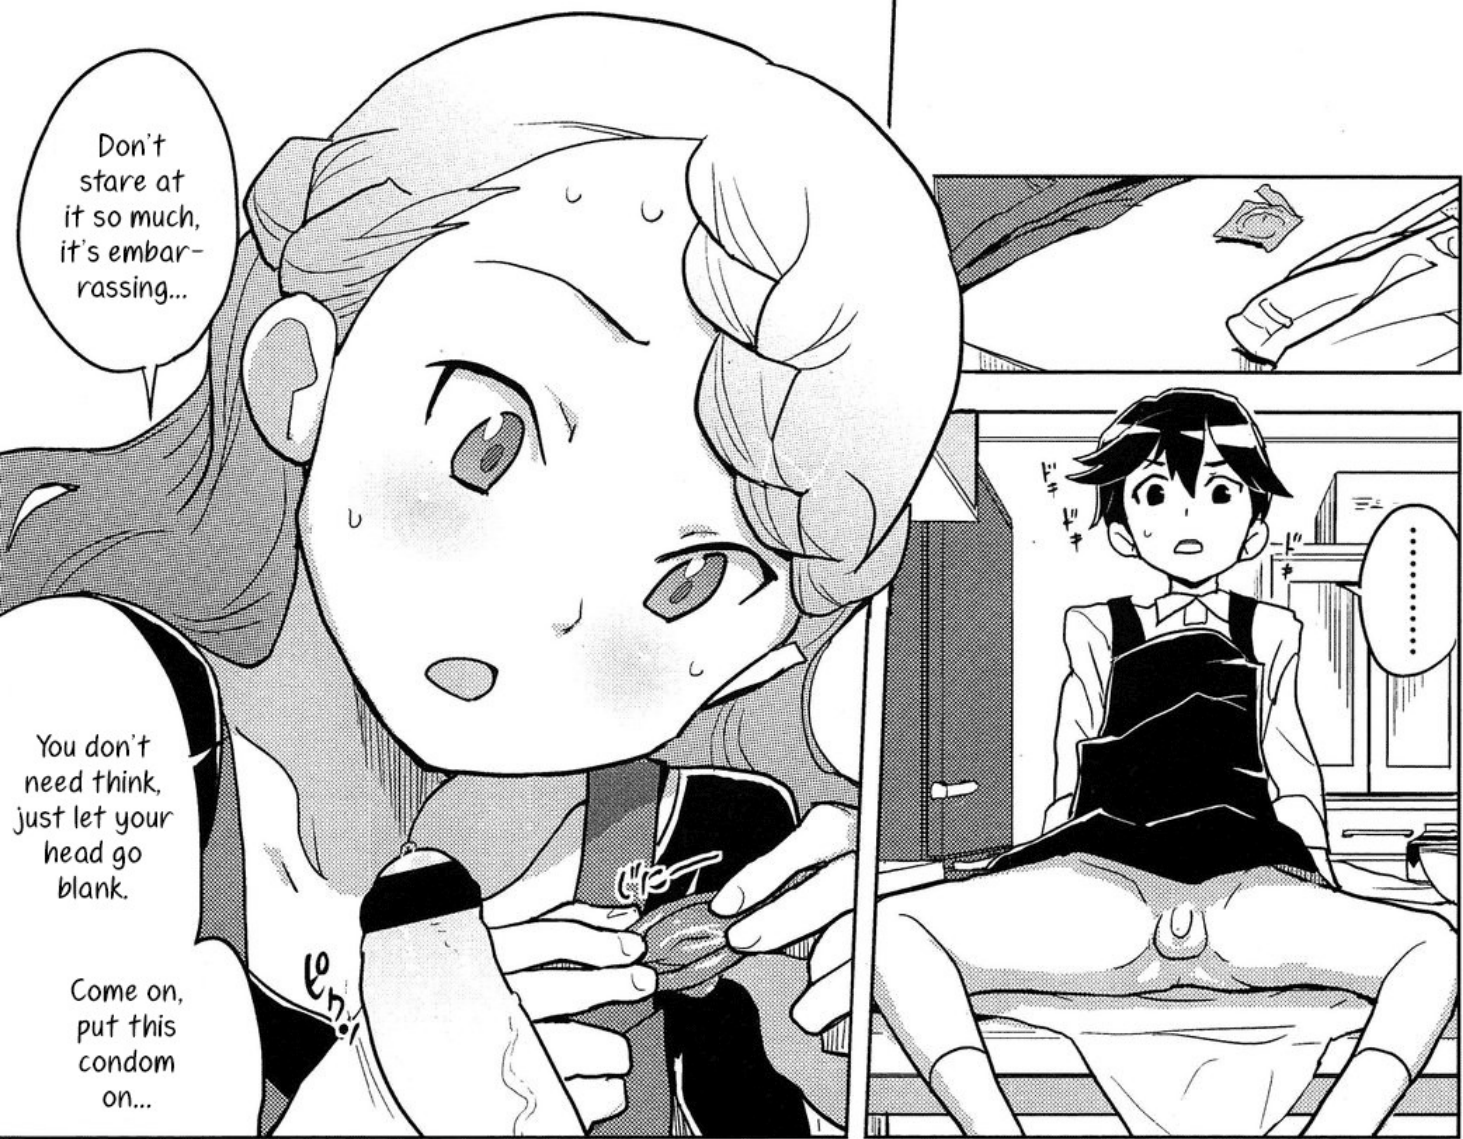

Ye...

Yes,
miss
...

Do...

Don't
throw it
away...

Don't stare at it so much, it's embarrassing...

You don't need think, just let your head go blank.

Come on, put this condom on...

Fine! I'll put it on...!

Just shut up and listen to what I say!

You're asking a bit too much, here!

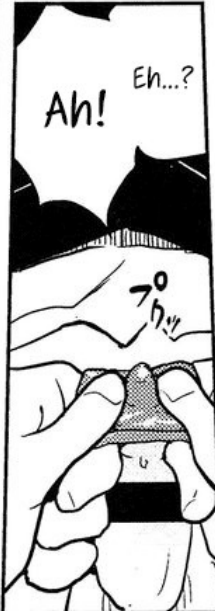

But... She asked me to ask her...!

Why? Because I asked her to...?

Why is Rina putting a condom on me...?

What the hell is going on?!

Ah! Eh...?

Yeah! Rina, you do it!

Ok! I'll do it!

What should we do, then? Are you saying I should put it on for you?! Well, say it!

It won't go in, it's impossible!

Wha...
What do
you want
me to
do?

Eh?

What do
you want
me to
say...?

**Say
some-
thing!**

My mouth
or my finger?!

I don't know...
Use your mouth,
or your finger
or something...

Wa-wait...
Where do you
think you're
sticking your
face?

Is that
a finger?
No, your
tongue?

Wah!

Ah...
What are
you talking
about?! You
want me to
put on a
pessary or
something?

Don't
you have
to wear
something
like a
rubber?

No,
not like
that...
Ah!
♡

It's pitch black
down here...
From the
bottom...
Does she
mean
here?

No, please
don't stand
up! Stay
crouched!

Start from
the bottom!
Calm down...

Slow
down!

Ryosuke!
Where are you
touching! You're
being too
rough!

Wa...
Wait!

Ah!
♡

Ah!
♡

No, that's
not it! that's
not the wrong
place...!

But I
couldn't
see any-
thing...

That's
not what
I mean!

Wah!

Gueh!

Hs
♡

The feeling of her thighs and the condom... while taking it... taking it out...

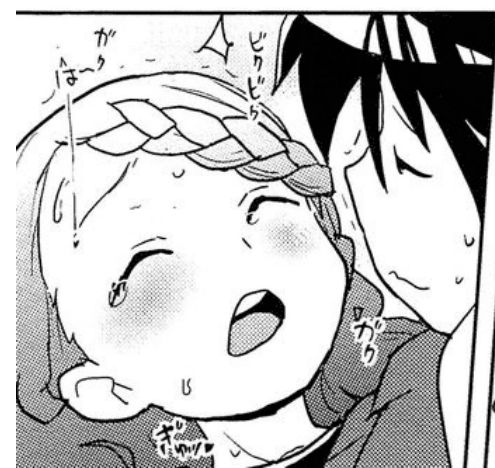

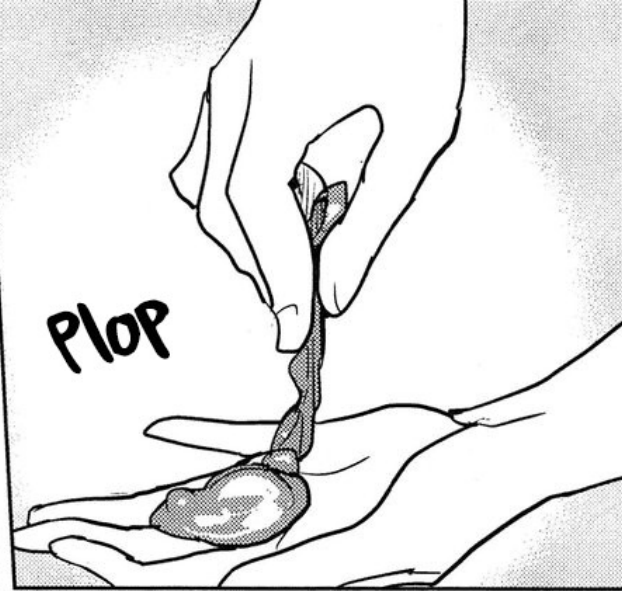

D-Don't go around playing with that thing...

It was embarrassing enough having you look at my face while I came...

Hot things sure do cool down quickly...

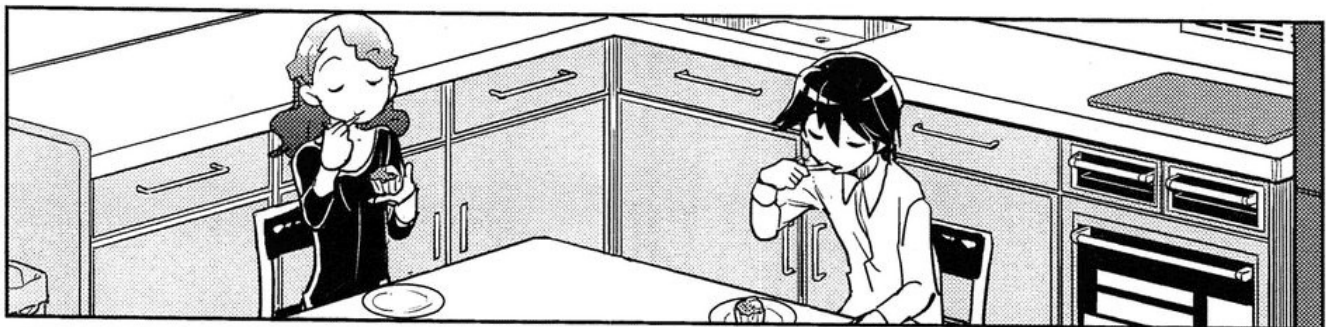

Don't try to remember them! We made cupcakes, now let's eat them!

Hmm... When did she make all those faces...?

Huh? That many?!

W-Well, you got to see me cum three times so it's fine, right...?

I get it. Rina, you horn dog, you.

Cooking! I only meant the cooking part! It's not what you're thinking!

You don't get it at all!

You wanna do *that* in school?

Now you just have to do the same thing we did today at school!

Delicious! See? You can do it if you try!

End
