B-BECAUSE

*THIS IS A PUN IN
TUNE WITH THE TITLE.
IT SAYS "TOTAL
EXPOSURE (露出)

INSTEAD OF
"OPEN AIR (露天) BATH",
THAT'S WHY
THERE'S A * CENSOR
IN THE TITLE. THE
KANJI THAT GOES
THERE COULD TURN
IT INTO EITHER
PHRASE.

REASON,
IT FEELS LIKE

Man, those opening full color pages were awesome. A pain in the ass to edit, but still pretty awesome. This was really easy to TL and didn't take TOO long to edit, even with the four colored pages, so when I saw it, I knew this would be my next TL.

Had about as much luck as I'd expected logging into the FF XIV servers again. Which is to say, none. I really hate MMO launches.

Anyway, not much to say about this TL. It was short and simple, but the art was really good, so I tried to do a good job editing it. My next one may be from the same book, or maybe Vol. 9. I don't know. Either way; until next time!

HAPPY FAPPING!
